PRACTICE MANUAL

FINAL COURSE

PAPER 7

DIRECT TAX LAWS

VOL. III

A. Y. 2011-12

[Relevant for students appearing for May 2011 and November 2011 examinations]

The Institute of Chartered Accountants of India
(Set up by an Act of Parliament)
New Delhi
This practice manual has been prepared by the faculty of the Board of Studies. The objective of the practice manual is to provide teaching material to the students to enable them to obtain knowledge and skills in the subject. Students should also supplement their study by reference to the recommended text books. In case students need any clarifications or have any suggestions to make for further improvement of the material contained herein, they may write to the Director of Studies.

All care has been taken to provide interpretations and discussions in a manner useful for the students. However, the practice manual has not been specifically discussed by the Council of the Institute or any of its Committees and the views expressed herein may not be taken to necessarily represent the views of the Council or any of its Committees.

Permission of the Institute is essential for reproduction of any portion of this material.

A WORD ABOUT PRACTICE MANUAL

The Board of Studies has been instrumental in imparting theoretical education for the students of Chartered Accountancy Course. The distinctive characteristic of the course i.e., distance education, has emphasized the need for bridging the gap between the students and the Institute and for this purpose, the Board of Studies has been providing a variety of educational inputs for the students. Bringing out a series of subject-wise Practice Manuals is one of the quality services provided by the Institute. These Practice Manuals are highly useful to the students preparing for the examinations, since they are able to get answers for all important questions relating to a subject at one place and that too, grouped chapter-wise. It covers a wide range of questions including practical questions and questions based on case laws. The Practice Manual includes questions from past examinations at Final level as well as other important questions, which would facilitate in thorough understanding of the provisions contained in the chapters of the study material.

The Practice Manual in the subject of “Direct Tax Laws” is divided into 28 chapters in Income-tax in line with the study material for A.Y.2011-12. The questions on wealth tax are contained in chapter 29. This will help the students to correlate the Practice Manual with the study material and facilitate in complete revision of each chapter. This Practice Manual has been prepared on the basis of the law as amended by the Finance Act, 2010 and would, therefore, be relevant for students appearing for May 2011 and November 2011 examinations. The relevant assessment year is A.Y.2011-12. The Practice Manual will serve as a useful and handy reference guide while preparing for Final Examination. Further, it will enhance the understanding about the pattern of questions set and the manner of answering such questions. It will enable solving the problems in the best possible manner and guide the students to improve their performance in the examinations. It will also help them to work upon their grey areas and plan a strategy to tackle theoretical as well as practical problems. We acknowledge the contribution of CA. V.K. Subramani who has devoted valuable time for bringing out this Practice Manual.

Happy Reading and Best Wishes!
Some Key Points

Income [Section 2(24)]

The term “income” is defined in an inclusive manner. It includes certain items which are capital in nature but taxable as income. Examples are (i) amount received under keyman insurance policy; (ii) amount received in cash or kind in respect of non-compete agreement; and (iii) any sum received on account of capital asset (other than land or goodwill or financial instrument) being demolished, destroyed, discarded or transferred if the whole of such expenditure on capital asset was allowed as a deduction under section 35AD.

Limited Liability Partnership

The term ‘firm’ defined in section 2(23) shall include a limited liability partnership as defined in the Limited Liability Partnership Act, 2008.

A partnership formed under Limited Liability Partnership Act, 2008 shall also be treated as a partnership firm akin to a partnership formed under the Indian Partnership Act, 1932. The partners of the LLP shall be taxed in the same manner as any other partner of a partnership firm constituted under the Indian Partnership Act, 1932.

Diversion of income and application of income

An income when diverted before it reaches the assessee, it is not taxable since there is diversion of income.

Whereas when an income after it reaches the assessee, is applied by him then it is application of income. Therefore, the income is chargeable to tax regardless of its subsequent application.

Question 1

Mr. Bhargava, a leading advocate on corporate law, decided to reduce his practice and to accept briefs only for paying his taxes and making charities with the fees received on such briefs. In a particular case, he agreed to appear to defend one company in the Supreme Court on the condition that he would be provided with Rs.5 lacs for a public charitable trust that he would create. He defended the company and was paid the sum by the company. He created
a trust of that sum by executing a trust deed. Decide whether the amount received by Mr. Bhargava is assessable in his hands as income from profession.

**Answer**

In the instant case, the trust was created by Mr. Bhargava himself out of his professional income. The client did not create the trust. The client did not impose any obligation in the nature of a trust binding on Mr. Bhargava. Thus, there is no diversion of the money to the trust before it became professional income in the hands of Mr. Bhargava. This case is one of application of professional income and not of diversion of income by overriding title. Therefore, the amount received by Mr. Bhargava is chargeable to tax under the head “Profits and gains of business or profession”.

**Question 2**

*What is a zero coupon bond? State briefly the treatment of zero coupon bonds in the hands of the issuer and the investor under the Income-tax Act, 1961*

**Answer**

Section 2(48) of the Income-tax Act, 1961 defines zero coupon bond. It means a bond issued by any infrastructure capital company or infrastructure capital fund or a public sector company or scheduled bank on or after 1.6.2005, in respect of which no payment and benefit is received or receivable before maturity or redemption from such issuing entity.

Discount, which is the difference between the amount received or receivable by the issuer on issue of the zero coupon bond and the amount payable by the issuer on maturity or redemption thereof, would be allowed as deduction in the hands of the issuer on a pro rata basis having regard to the period of life of the bond as provided in section 36(1)(iiiA). In other words, the discount on issue of zero coupon bonds is to be deducted pro-rata during the period of life of such bond. No tax is required to be deducted at source under section 194A in respect of income paid or payable in relation to such bond.

Maturity or redemption of a zero coupon bond will be treated as a transfer for purposes of capital gains in the hands of the investor as provided in section 2(47)(iva). Zero coupon bond held for not more than 12 months will be treated as a short-term capital asset. Thus, a zero coupon bond held for more than 12 months will be treated as a long-term capital asset. The proviso to section 112(1) will be applicable to long-term capital gain arising from the transfer of zero coupon bonds. Consequently, where the tax payable in respect of long-term capital gain arising from the transfer of zero coupon bonds exceeds 10% of the amount of capital gains computed without indexation, then, such excess shall be ignored while computing the tax payable by the investor.

**Question 3**

*Explain with reasons about the taxability of the following transactions for the Assessment year 2011-12:*

---

**1.2**
(i) Raja was declared winner in a lucky dip on 15th August, 2010. He was paid cash of Rs.1,00,000 as prize money.

(ii) Mr. Ravi, citizen of India and a non-resident purchased the Savings Certificates issued by Central Government from out of Dollars remitted from USA on 11-07-10 on which the interest for the year ended on 31-03-11 was Rs.3 lakhs.

Answer

(i) The prize money of Rs.1 lakh received by Mr. Raja is fully chargeable to tax under the head ‘Income from other sources’. The amount will be subject to tax at a flat rate of 30% (plus education cess) as per section 115BB.

(ii) Interest on investment made by a non-resident Indian out of money transferred in foreign currency for purchase of saving certificates issued before 1.6.2002 is exempt from tax. However, where the certificates are issued after 01.06.2002, the tax exemption would not apply. Since the saving certificates were issued and acquired after 1.6.2002, the interest of Rs.3 lakhs so derived by the non-resident assessee on the saving certificates purchased on 11.7.2010 is liable to tax and exemption under section 10(4B) will not be available.

Question 4

How do you deal with the following situation? Give reasons for your answer (The assessment year is 2011-2012):

(a) Basu, Managing Director of a company is entitled to commission on sales as per the service agreement entered into with the company. A part of the commission is converted into purchasing a single premium deferred annuity policy from Life Insurance Corporation of India. Basu claims that the commission diverted to secure the deferred annuity cannot be taxed in his personal assessment.

(b) Nija Traders engaged in manufacturing activity was in receipt of sales-tax subsidy from State Government as the unit was located in a backward area. The subsidy is related to the sale of its products and payable once the production is commenced. Nija Traders claims that the subsidy is a capital receipt and hence cannot be included as income.

Answer

(a) The claim of Basu is inadmissible regardless of the assessment year to which the issue relates. The commission income had accrued to the managing director Basu and then it was applied to secure an annuity contract from LIC. Since it forms part of the salary structure as per contract of service, it will be includible in the total income of Basu. [CIT v. Navnit Lal Sakar Lal (2001) 247 ITR 70 (SC) / (2000) 113 Taxman 692 (SC)].

(b) The Supreme Court in its judgment in the case of Sahney Steel And Press Works Ltd v. CIT (1997) 228 ITR 253 (SC) has held that the payment from public funds to assist the assessee in carrying on trade or business must be treated as revenue receipt. The
subsidy granted to the assessee such as sales tax refund, power concession or refund of bills paid and exemption from payment of water charges are to be treated as revenue receipts chargeable to tax. It was held that the character of the subsidy in the hands of the recipient will have to be determined having regard to the purpose for which the subsidy is given. If the monies are given for assisting the assessee in carrying out the business operations and the money is given only after and conditional upon commencement of production, the assistance must be treated as assistance for the purpose of the trade. Therefore on the facts of the case, the sales tax subsidy was nothing but supplementary trade receipts chargeable to tax. Also refer CIT v. Rajaram Maize Products (2001) 251 ITR 427 (SC).

Students may note that the Madras High Court in CIT v. Kanyakumari District Cooperative Spinning Mills Ltd (2003) 264 ITR 684 (Mad) has held that subsidy received for providing employment to weaker sections of the society was held as capital receipt and not chargeable to tax.

Question 5
Anand was the Karta of HUF. He died leaving behind his major son Prem, his widow, his grandmother and brother’s wife. Can the HUF retain its status as such or the surviving persons would become co-owners?

Answer
In the case of Gowli Buddanna v. CIT (1966) 60 ITR 293 (SC) the Supreme Court has made it clear that there need not be more than one male member to form a HUF as a taxable entity under the Income-tax Act, 1961. The expression “Hindu Undivided family” in the Act is used in the sense in which it is understood under the personal law of the Hindus.

Under the Hindu system of law, a joint family may consist of a single male member and the widows of the deceased male members and the Income-tax Act does not mandate that it should consist of at least two male members. Therefore, property of a joint Hindu family does not cease to belong to the family merely because the family is represented by a single coparcener who possesses the right which an owner of property may posses.

It may be noted that the Hindu Succession (Amendment) Act, 2005 w.e.f. 06-09-2005 confers the same rights in the coparcenary property on females as that is available to the male members of the family. A daughter is a coparcener of Hindu family property having right to seek partition of the coparcenary property similar to that of a son.

Question 6
A liability towards expenditure as per agreement was provided in the books of account though it was disputed before the Court of law on the interpretation of some of the clauses of the agreement. Can it be claimed as a deduction in the year of provision?
Answer

The Apex Court in *Bharat Earth Movers v. CIT* (2000) 245 ITR 428 (SC) has laid down the principles for claiming deduction in respect of liability. They are given below.

(i) For an assessee maintaining accounts on the mercantile system, a liability already accrued though to be discharged at a future date, would be a proper deduction while working out the profits and gains of his business, regard being had to the accepted principles of commercial practice and accountancy. It is not as if such deduction is permissible only on actual payment.

(ii) Just as receipts, though not actual receipts but accrued due are brought in for income-tax assessment, so also liabilities accrued due would be taken into account while working out the profits and gains of the business.

(iii) A condition subsequent, the fulfillment of which may result in the reduction or even extinction of the liability, would not have the effect of converting that liability into a contingent liability.

(iv) A trader computing his taxable profits for a particular year may properly deduct not only the payments actually made but also the present value of payments to be made in a subsequent year if it can be satisfactorily estimated.

The Supreme Court in *Kedernath Jute Mills Ltd v. CIT* 82 ITR 363 (SC), had held that where liability exists in *presenti*, the claim for the same cannot be denied merely because it has been disputed, where the assessee maintains books of account under mercantile system of accounting. Thus the assessee is eligible to claim the amount provided in the books as a deduction. For the purposes of allowability of a claim or expenditure under the provisions of Income-tax Act, it is the document that has to be taken into account, based on which the provision has been made. According to the agreement, there was a liability in presenti. The liability in presenti is not a contingent liability unlike a future liability. A liability in presenti has to be provided so that the same cannot be denied at a later date on the premise that it has not been provided in the year in which the liability has really accrued. In the circumstances, though the liability provided in the books was disputed, since it is a liability in presenti as per the agreement, the same can be claimed in the year of provision.

However, in *CIT v. Phalton Sugar Works Ltd* (1986) 162 ITR 622 (Bom) it was held that a liability arising out of contractual obligation when disputed it is eligible for deduction only when the dispute is finally adjudicated upon or settled. Since the assessee has disputed the liability and the matter is pending before the court of law, it is possible that the deduction is not allowable pending its adjudication or settlement.

**Question 7**

What meaning has been assigned to “India” under the Income-tax Act, 1961?
Answer

Section 2(25A) defines the term “India” to mean the territory of India as referred to in Article 1 of the Constitution, its territorial waters, seabed and sub-soil underlying such waters, continental shelf, exclusive economic zone or any other maritime zone as referred to in the Territorial Waters, Continental Shelf, Exclusive Economic Zone and other Maritime Zones Act, 1976 and the air space above its territory and territorial waters.

Question 8

MKG Agency is a partnership firm consisting of father and three major sons. The partnership deed provided that after the death of father, the business shall be continued by the sons, subject to the condition that the firm shall pay 20% of the profits to the mother. Father died in March, 2010. In the previous year 2010-11, the reconstituted firm paid Rs.1 lakh (equivalent to 20% of the profits) to the mother and claimed the amount as deduction from its income. Examine the correctness of the claim of the firm.

Answer

The issue raised in the problem is based on the concept of diversion of income by overriding title, which is well recognised in the income tax law. In the instant case, the amount of Rs.1 lakh, being 20% of profits of the firm, paid to the mother gets diverted at source by the charge created in her favour as per the terms of the partnership deed. Such income does not reach the assessee-firm.

Rather, such income stands diverted to the other person as such other person has a better title on such income than the title of the assessee. The firm might have received the said amount but it so received for and on behalf of the mother, who possesses the overriding title. Therefore, the amount paid to the mother should be excluded from income of the firm. This view has been confirmed in CIT vs. Nariman B. Bharucha & Sons (1981) 130 ITR 863 (Bom).
Some Key Points

Scope of Total Income [Section 5]
The total income of a person who is a resident shall include all income from whatever source derived which –
(a) is received or is deemed to be received in India in such year by or on behalf of such person; or
(b) accrues or arises or is deemed to accrue or arise to him in India during such year; or
(c) accrues or arises to him outside India during such year.
In the case of a person not ordinarily resident in India (as per section 6(6)), income which accrues or arises to him outside India shall not be included unless it is derived from a business controlled in or a profession set up in India.
In the case of non-resident the total income shall include all income from whatever source derived which –
(a) is received or deemed to be received in India in such year by or on behalf of such person; or
(b) accrues or arises or is deemed to accrue or arise to him in India during such year.
Income accruing or arising outside India shall not be deemed to be received in India merely on the reason that it is taken into account in a balance sheet preferred in India.

Residence in India [Section 6]
Basic conditions
(i) Must have remained in India for a period of 182 days or more.
(ii) Must have remained in India for a period of 60 days or more during the previous year and 365 days or more during 4 years immediately preceding the previous year.

Exception:
(a) In the case of Indian citizen who leaves India during the previous year for the purpose of employment or as a member of the crew of an Indian ship, it must be taken as 182 days instead

Chapter XII-A

Chapter XII-A consisting of sections 115C to 115-I could be opted for by non-residents in respect of incomes and long term capital gains arising from foreign exchange assets. Incomes would mean interest and dividend income and long term capital gain covers profits arising from transfer of specified assets acquired in convertible foreign exchange.

In some situations it may be advantageous to opt for this chapter and pay concessional rate of tax prescribed therein. By opting Chapter XII-A, the assessee could also avail the benefit of section 115-G.

**Question 1**

*Arjun who works as a Finance Controller of ABC Ltd. had undertaken foreign tour (work related) several times during the P.Y.2010-11. The total number of days he stayed outside India during the said previous year is 300. He claims that he is a non-resident for the A.Y.2011-12. Is his claim valid? Discuss.*

**Answer**

In the given case, Arjun is employed in India and he undertakes foreign tours for the company’s work outside India. He stays outside India for 300 days during the previous year. As per section 6, an individual is treated as resident if he has stayed for 182 days in India during the previous year or if he has stayed for 60 days in the current previous year and 365 days in total during the four preceding previous years. In this case, Arjun satisfies the second condition and therefore, he is a resident for A.Y.2011-12.
The exception that when an individual leaves abroad for the purposes of employment outside India, he shall be regarded as a non-resident unless he stays for 182 days in India during the current previous year does not apply to Arjun since he has not left India for taking up any employment outside India. Therefore, Arjun cannot claim that he is a non-resident for A.Y.2011-12.

It may also be noted that there is difference between leaving India for the purpose of employment vis a vis leaving India in the course of employment. In this case, Arjun has left India in the course of employment i.e. in discharge of his official duties and therefore the extended stay contained in exception (i) of the basic condition will not apply.

Question 2

J, a citizen of India, employed in the Indian Embassy at Tokyo, Japan. He received salary and allowances at Tokyo from the Government of India for the year ended 31.3.2011 for services rendered by him in Tokyo. Besides, he was allowed perquisites by the Government. He is a non-resident for the assessment year 2011-12. Examine the taxability of salary, allowances and perquisites in the hands of J for the assessment year 2011-12.

Answer

Section 9(1)(iii) of the Income-tax Act, 1961 says that salaries payable by the Government to a citizen of India for services rendered outside India shall be deemed to accrue or arise in India. As such, salary received by J is chargeable to tax, even though he was a non-resident for A.Y.2011-12.

As per section 10(7) all allowances or perquisites paid or allowed as such outside India by the Government to a citizen of India for rendering services outside India is exempt from tax. Therefore, the allowances and perquisites received by J are exempt as per section 10(7).
CHAPTER 3

INCOME WHICH DO NOT FORM PART OF TOTAL INCOME

Some Key Points: Recent Amendments

VRS Compensation [Section 10(10C)]

From the assessment year 2010-11, when VRS compensation is received by an employee, he is eligible to claim either exemption under section 10(10C) or relief under section 89. The assesses cannot opt to claim both the benefits viz. exemption under section 10(10C) and relief under section 89. The tax relief is limited to any one benefit, as may be chosen by the assessee.

Relief to Scientific Research Association [Section 10(21)]

A scientific research association approved and notified under section 35(1)(iii) is eligible to claim exemption under section 10(21) from the assessment year 2011-12 onwards. The object of the association however must be undertaking research in social science or statistical research. Even income from business of the scientific research association is eligible for exemption provided the business is incidental to the attainment of its objectives and separate books of account are maintained in respect of such business.

Cancellation of registration [Section 12A]

Section 12A was amended by the Finance (No.2) Act, 1996. The law did not empower the Commissioner to cancel registration in respect of trusts or institutions which were registered prior to the said amendment. The Finance Act, 2010 has amended section 12AA(3) to empower the Commissioner to cancel registration in respect of any trust or institution which was registered at any time under section 12A before the amendment was brought in by the Finance (No.2) Act, 1996.

Electoral Trust [Section 13B]

The term 'electoral trust' is defined in section 2(22AAA) which means a trust so approved by the Board in accordance with the scheme made in this regard by the Central Government.

As per section 13B any voluntary contribution received by an electoral trust shall not be included in the total income of the previous year of such electoral trust, if –

(a) such electoral trust distributes to any political party, registered under section 29A of the Representation of the People Act, 1951, during the said previous year, ninety five percent of the aggregate donations received by it during the said previous year along
with the surplus, if any, brought forward from any earlier previous year; and
(b) such electoral trust functions in accordance with the rules made by the Central Government.

It may be noted that donations given by assesses to electoral trusts are eligible for deduction under sections 80GGB and 80GGC of the Act in computing the total income of the donor.

**Question 1**

An educational institution having annual receipts of Rs.1.20 crore during the P.Y.2010-11, has to make an application to the prescribed authority before 31.3.2011 for claiming tax exemption under section 10(23C) - Discuss the correctness or otherwise of this statement.

**Answer**

This statement is not correct.

This position has changed consequent to an amendment in section 10(23C) by the Finance (No.2) Act, 2009. Prior to such amendment an educational institution, having annual receipts of more than rupees one crore, had to make an application for seeking exemption at any time during the financial year for which the exemption is sought. Therefore, an eligible educational institution is required to estimate its annual receipts for deciding whether or not to file an application for exemption. This resulted in genuine hardship, for alleviating which, the time limit for filing such application has been extended from 31st March to 30th September of the succeeding financial year.

Therefore, in the given case, the educational institution (having annual receipts of Rs.1.20 crore during the P.Y.2010-11) can make an application for grant of exemption in the prescribed form to the prescribed authority on or before 30th September, 2011.

**Question 2**

A public charitable trust, created under a trust deed for providing relief to disabled persons, registered under section 12A, furnishes the following particulars of its receipts during the year ended 31st March, 2011 -

<table>
<thead>
<tr>
<th>Rs. in lakh</th>

</tbody>
</table>

Notes:

(1) Section 11(1)(d) excludes from the total income of the person, any income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution.

(2) In CIT vs. Janmabhumi Press Trust (2000) 242 ITR 457, the Karnataka High Court held that where a debt is incurred for the purpose of the trust, the repayment of the debt would amount to an application of the income for the purpose of the trust. Therefore, repayment of loan taken for construction of training centre for disabled persons is to be considered as application for charitable purpose.
Question 3
An institution operating for promotion of education claiming exemption under section 11 since 1993 furnishes the following data for the assessment year 2011-12.

<table>

</tr>
<tr>
<td>Actual amount spent on purchase of land for cricket field (See Note 1)</td>
<td>2.00</td>
</tr>
<tr>
<td>Total income</td>
<td>2.50</td>
</tr>
</tbody>
</table>

Notes –

1. The institution must utilise 85% of its income within the previous year for the objects of the institution. The institution can apply its income either for revenue expenditure or for capital expenditure provided the expenditure is incurred for promoting the objects of the institution. Land acquired and meant for use as cricket field for students is a capital expenditure incurred for promoting the objects of the institution and hence eligible for deduction.

2. Section 11(2) provides that a trust/institution can accumulate or set apart its income for a specified purpose by informing the concerned Assessing Officer. However, the period for which the funds can be accumulated cannot exceed 5 years. The amount so
accumulated should be invested in the specified forms and modes. In this case, the institution has to inform the concerned Assessing Officer and invest Rs.4 crore in the specified forms and modes.

**Question 4**

A charitable trust derives its income from the business of providing mineral water to various companies situated in software technology park in Hyderabad. A sum of Rs.12 lakh has been derived as net income from such business activity, which has been applied for the object of general public utility. Examine the taxability of application of the income, if the income so derived relates to the previous year 2010-11. Would your answer be different, if the trust runs a school in a backward district and applies the profits from the business for such school's activity?

**Answer**

Section 2(15) defines “charitable purpose” to include relief of the poor, education, medical relief and the advancement of any other object of general public utility. Section 2(15) was amended by the Finance Act, 2008 to provide that “advancement of any other object of general public utility” would not be a charitable purpose, if it involves the carrying on of any activity in the nature of trade, commerce or business or, any activity of rendering of any service in relation to any trade, commerce or business, for a fee or cess or any other consideration, irrespective of the nature of use or application of the income from such activity or the retention of such income, by the concerned entity.

Based on the above amendment, in the first case, net income from the business of supplying mineral water to various companies i.e. Rs.12 lakh is not eligible for exemption under section 11. This is because “advancement of any object of general public utility” would not be a charitable purpose if it involves carrying on of any activity in the nature of trade, commerce or business, for example, supply of mineral water for a consideration, as in this case. It is immaterial that the net income from such business is applied for the object of general public utility.

On the other hand, where the trust runs a school in a backward district, this restriction is not applicable. The reason is that the restriction contained in section 2(15) is applicable only to the fourth limb of the definition of “charitable purpose” i.e. advancement of object of general public utility. It does not affect the other three limbs of the definition viz. “relief of the poor”, “education”, and “medical relief”.

Section 11(4) clarifies that “property held under trust” includes a business undertaking so held. As per section 11(4A), exemption can be availed in respect of profits and gains of business, if such business is incidental to the attainment of the objectives of the trust and separate books of account are maintained in respect of such business. Therefore, in this case, the profit from the business of providing mineral water shall be eligible for exemption under section 11, assuming that the said business is incidental to the attainment of the objects of the trust (i.e., education) and books of account for such business activity is maintained separately.
Note -
The Finance Act, 2010 has inserted a further proviso to section 2(15) with retrospective effect from 01.04.2009 whereby the first proviso will not apply if the aggregate value of receipts from the activities mentioned in first proviso is Rs.10 lakhs or less in the previous year. Therefore, if the activities of the trust involves carrying on of any activity in the nature of trade, commerce or business or any activity of rendering any service in relation to any trade, commerce or business, for a cess or fee or any other consideration it shall not be a disqualification if the aggregate annual receipt from the said activity is Rs.10 lakh or less.

However, in this case since the amount exceeds Rs.10 lakhs, disqualification is attracted.

Question 5
A trust, unless created for "charitable purpose", does not qualify to claim exemption under Chapter-III of the Act. In this context, explain the meaning of "charitable purpose" and examine whether the following objects constitute part of it:

(i) Rural reconstruction and upliftment of the masses through Cottage Industry.
(ii) Welfare of industrial workers with a stipulation that the workers of settlor of trust have got preference over others.

Answer
As per section 2(15), “Charitable purpose” includes relief of the poor, education, medical relief and the advancement of any other object of general public utility. However, the advancement of any other object of general public utility shall not be a charitable purpose, if it involves the carrying on of any activity in the nature of trade, commerce or business, or any activity of rendering any service in relation to any trade, commerce or business, for a cess or fee or any other consideration, irrespective of the nature of use or application, or retention, of the income from such activity.

(i) The Supreme Court has, in Thiagarajar Charities vs. Addl. CIT (1997) 225 ITR 1010, observed that “cottage industry” is associated with the idea of a small, simple enterprise or industry in which employees work in their own houses or in a small place, gathered together for the purpose, using their own equipments and is usually found in rural areas or so carried on, by the poorer section of the society. In substance, the activity of rural reconstruction and upliftment of masses through cottage industry is to afford relief to the poor and consequently, it is for charitable purpose.

(ii) The welfare of industrial workers with a stipulation that the workers of settlor of trust have preference over others would also constitute “charitable purpose” within the meaning of section 2(15). The Patna High Court has, in CIT v. Tata Steel Charitable Trust (1993) 203 ITR 764, observed that exemption under section 11(1) can be availed only if the following conditions are satisfied –
Income which do not Form Part of Total Income

(1) the trust is created for a charitable purpose; and

(2) no part of the income of such trust enures or has been used or applied directly or indirectly for the benefit of any person referred to in section 13(3).

The list of persons contained in section 13(3) does not include employees of the settlor of the trust. Section 13(3)(d), which includes any relative of the author, can have no application because “relative” means a person connected by birth or marriage with another person. A person having relationship pursuant to a contract like that of an employer and an employee cannot be said to be a relative. The High Court concluded that it was immaterial that any employee of the settlor of the trust had acquired any benefit out of the income of the trust as an ordinary member of the community. Therefore, the application of part of the income of the trust for the benefit of the employees of the settlor cannot disentitle the trust from claiming exemption under section 11.

Question 6

Ankur, the owner of a land situated in Kerala used for growing thereon different types of fruits, paddy, vegetables and flowers, received from Yahoo Movies Ltd., Chennai, Rs.5 lacs as rent towards the use of this land for shooting of a film. The amount so received was accounted by him in the books as revenue derived from land and claimed to be exempt under section 10(1). He now wants to confirm from you whether the amount has been correctly treated by him as agricultural income.

Answer

The income received by Mr. Ankur from a filmmaker for allowing them to shoot a film in the agricultural land owned by him is not in the nature of agricultural income because it was neither received by him against the sale of agricultural produce obtained nor for carrying out the normal agricultural operations on the land. The amount paid was only for the purpose of shooting of a film on such land.

To claim exemption for agricultural income under section 10(1), the conditions contained in section 2(1A) (a) to (c) have to be first complied with/fulfilled by the assessee. The Madras High Court in the case of B. Nagi Reddi v. CIT (2002) 258 ITR 719, following the judgment of Apex Court in the case of Raja Benoy Kumar Sahas Roy (1957) 32 ITR 466, has held, on identical facts, that the income derived for allowing a shooting of film in the agricultural land cannot be treated as agricultural income, as it has no nexus with the land, except that it was carried out on agricultural land.

Question 7

(a) Explain in the context of provisions of the Act, whether the income derived during the year ended on 31.03.2011 in each of the following cases shall be subject to tax in the A.Y. 2011-12:
(i) Income of Rs.75,000 derived by Anand Nursery from the sale of seedlings grown without carrying out all the basic operations on land.

(ii) Mr. Gaitonde, born and brought up in the State of Sikkim, had a net profit of Rs.2,25,000 from the business located in Sikkim and interest of Rs.55,000 on the securities/bonds issued by the Government of Rajasthan.

(iii) Mr. Ravi, an IAS Officer, was posted to USA by the Government of India on 11.07.10 for a period of three years. He was paid salary of Rs.3 lacs for the period 01.04.10 to 10.07.10 and of Rs.12 lacs for the period upto 31.03.11. He left India for USA in the night of 10.07.10 and did not come even for a day up till 31.03.11.

(iv) A political party, duly registered under section 29A of the Representation of the People Act, 1951, received rent of Rs.1,25,000 per month of one of its building let out to a bank from 01.06.10.

(b) Work out, from the following particulars, the amount of capital gain which shall be deemed to have been applied for charitable or religious purpose arising out of sale of a capital asset utilized for the purposes of trust to the extent of 60%:

<table>
<thead>
<tr>
<th>Amount (Rs.)</th>
<th>Cost of transferred asset</th>
<th>Sale consideration</th>
<th>Cost of new asset purchased</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>2,40,000</td>
<td>3,60,000</td>
<td>3,00,000</td>
</tr>
</tbody>
</table>

Answer

(a) (i) The income derived from saplings or seedlings grown in a nursery shall be deemed to be agricultural income, whether or not the basic operations were carried out on land. [Section 2(1A) read with Explanation 3]. Accordingly, the income of Rs.75,000 derived by Anand Nursery from the sale of seedlings grown without carrying out all the basic operations on land shall be treated as agricultural income and exempt from tax under section 10(1).

(ii) Income which accrues or arises to a Sikkimese individual from any source in the State of Sikkim and the income by way of dividend or interest on securities is exempt from tax as per section 10(26AAA). Therefore, the income of Mr. Gaitonde from a business located in Sikkim and interest income on the securities/bonds of Government of Rajasthan shall not be subject to tax.

(iii) The salary drawn by an IAS Officer by virtue of his posting in USA, despite the fact that he was a non-resident in the previous year, shall be subject to tax in India as per section 9(1)(iii) which states that income chargeable under the head "Salaries" payable by the Government to a citizen of India for his services outside India shall be deemed to accrue or arise in India. Therefore, the total amount of salary of Rs.15 lakh received by the IAS Officer in and outside India shall be subject to tax in India in the A.Y 2011-12.
(iv) Rent received by the political party from the bank is an income chargeable under the head "Income from house property". According to the provisions of section 13A, this income shall not be subject to tax in the hands of a political party registered under section 29A of the Representation of the People Act, 1951, provided the political party fulfills the conditions as specified therein.

(b) In this case, since the asset which is transferred is utilized for the purposes of the trust only to the extent of 60%, only the proportionate amount (i.e. 60%) of the capital gain would be regarded as having been applied for charitable or religious purposes.

As per section 11(1A), where a capital asset held under trust is transferred, and only a part of the net consideration is utilized for acquiring a new capital asset, only so much of the capital gain as is equal to the amount, if any, by which the amount so utilized exceeds the cost of the transferred asset shall be considered to have been applied for the objects of the trust.

In this case, only a part of the net consideration of Rs.3,60,000 is utilized for acquiring the new capital asset costing Rs.3,00,000. The amount utilized in acquiring the new asset (i.e. Rs.3,00,000) exceeds the cost of the transferred asset (i.e. Rs.2,40,000) by Rs.60,000.

Therefore, only 60% of (Rs.3,00,000 – Rs.2,40,000) = 60% of Rs.60,000 = Rs.36,000 is deemed to be applied for the objects of the trust.

Question 8

Ms. J, a Sikkimese woman, married Mr. K, a non-Sikkimese, on 1st January, 2008. During the previous year 2010-11, she received rent of Rs.12 lacs from letting out of house properties situated in the State of Sikkim. Is she liable to income-tax for assessment year 2011-12? Will your answer be different, if she had married Mr. K on 16th April, 2008?

Answer

Section 10(26AAA) provides that the following income, which accrues or arises to a Sikkimese individual, shall be exempt from income-tax:

1) Income from any source in the State of Sikkim; and
2) Income by way of dividend or interest on securities.

However, the aforesaid exemption will not be available to a Sikkimese woman marries a non-Sikkimese individual on or after 1st April, 2008.

Since Ms. J, the assessee, married Mr. K on 1st January, 2008, income derived by her by way of rent from properties situated in the State of Sikkim shall be exempt under section 10(26AAA).

However, if she had married Mr. K on 16th April, 2008, the exemption would not be available.

Note: The restriction in section 10(26AAA) applies only to Sikkimese women and not to men who are eligible for the exemption in respect of the above said incomes regardless of their marrying Sikkimese or non-Sikkimese women.
Question 9

State with reasons, based on the provisions of the Act, as to chargeability of the following receipts to tax in the assessment year 2011-12:

1. Rent of Rs.60,000 charged from tenants occupying houses constructed on the land situated in India and used for agricultural purposes.

2. Rameshwarn Das Birla National award of Rs.51,000 was given to Mr. X, a Chartered Accountant by “Rameshwarn Dasji Birla Smarak Kosh” for his contributions and work.

3. Hundi superscribing “contributions in this hundi form part of corpus of trust fund” kept at Lord Venkateshwara Temple, Tirumala, was opened on 30.3.2011. Cash of Rs.100 lacs and valuable articles worth Rs.250 lacs were found to have been contributed by the devotees.

4. Minister of Surface Transport was in receipt besides salary an amount of Rs.2,000 p.m. as entertainment allowance.

5. Rent of Rs.30,000 for the period 1.4.2007 to 30.6.2008 due till the property sold out by the owner on 16.5.2010 was received on 12.2.2011 because of a court order.

Answer

1. As per section 10(1), agricultural income is exempt from tax. The meaning and scope of agricultural income is defined in section 2(1A). According to Explanation 2 to section 2(1A), any income derived from any building from the use of such building for any purpose (including letting for residential purposes or for the purpose of any business or profession) other than agriculture shall not be agricultural income. It appears in this case that the house was occupied for residential purposes. Therefore, the rent of Rs.60,000 from letting out of houses constructed on agricultural land shall not be treated as agricultural income by virtue of Explanation 2 to section 2(1A). Hence, such income would be chargeable to tax.

2. Section 10(17A)(i) exempts any payment made in pursuance of any award instituted in public interest by the Central Government or any State Government or instituted by any other body and approved by the Central Government in this behalf. As per Notification No.199/19/98-IT(A-II) dated 15.11.2000, the Rameshwar Das Birla National Award instituted by Rameshwar Dasji Birla Smarak Kosh was approved by the Central Government only for three assessment years viz. 1999-2000 to 2001-02. Hence, for A.Y.2011-12, no exemption would be available under section 10(17A).

3. As per section 11(1)(d), income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution shall not be included in the total income of the recipient. Therefore, in order to get the benefit under this section, it is necessary that the donor gives a specific direction that the voluntary contribution made by him should form part of the corpus of the trust. However,
in this case, the donors have not given any specific directions that the contribution should form part of the corpus of the trust. Therefore, the benefit of exemption under section 11(1)(d) would not be available to the collections made through the hundi and such collections would be treated as income from the property held under trust.

It may be noted that the provision relating to taxability of anonymous donations @ 30% under section 115BBC does not apply to voluntary contributions received by a trust or institution created or established wholly for religious purposes.

**Note** - As per section 11(1)(d), income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution shall not be included in the total income of the recipient. In the given case, there is a specific declaration by the temple authorities that the contributions being put in the hundi would form part of the corpus of the trust fund. Therefore, it is possible to presume that those who put the contributions in the hundi give a tacit declaration that the contributions would form part of the corpus. Hence, a view can be taken that such contributions shall not be included in the total income of the recipient trust.

(4) The entertainment allowance received by the Minister of Surface Transport is taxable under the head “Salaries”. However, deduction under section 16(ii) is allowable to the extent of least of the following –

(i) 1/5th of the salary
(ii) Rs.5,000
(iii) Actual entertainment allowance received, i.e., Rs.24,000 in this case.

(5) As per section 25AA, unrealised rent would be deemed to be the income chargeable under the head “Income from house property”. Accordingly, it would be chargeable to income-tax as income of that previous year in which such rent is realised whether or not the assessee is the owner of that property in that previous year. Therefore, in this case, unrealised rent of Rs.30,000 would be charged to tax in the P.Y.2010-11 under the head “Income from house property” even though he is no longer the owner of the house property.

**Question 10**

An amount of Rs.5 lacs was paid on 17.3.11 to the parents of Amit by the Government of Jharkhand as compensation to the aggrieved family, whose only son Amit lost his life in Maoist local bus bomb blast in Dantewada.

Explain with reasons, whether the amount of compensation received is chargeable to tax in A.Y. 2011-12?

**Answer**

Section 10(10BC) defines disaster to mean a catastrophe, mishap, calamity or grave occurrence in any area, arising from natural or man made causes, or by accident or
Direct Tax Laws

negligence. It should have the effect of causing substantial loss of life or human suffering or damage to, and destruction of property, or damage to, or degradation of environment. It should be of such a nature or magnitude to be beyond the coping capacity of the community of the affected area.

If, for this reason, any compensation is paid by the Central Government or by a State Government or by a local authority, then the same will be exempt from tax. Accordingly, the amount of Rs. 5 lakh received by the parents of deceased Amit from the Government of Jharkhand for the disaster because of Dantewada bus bomb blast it is exempt under section 10(10BC).

Question 11

Can an employee of a State Government claim exemption under section 10(10C) in respect of compensation received on voluntary retirement to the extent of Rs.5 lakhs and relief under section 89(1) in respect of the amount of compensation in excess of Rs.5 lakhs?

Answer

The Finance (No.2) Act, 2009 has inserted a proviso to section 10(10C) applicable from the assessment year 2010-11 onwards. Where any relief was allowed under section 89 for any assessment year in respect of any amount received or receivable on voluntary retirement or termination of service or voluntary separation, no exemption under section 10(10C) shall be allowed in respect of the said sum in that assessment year or any other assessment year. Similarly, proviso has been inserted in section 89 denying relief under that section if benefit of exemption has been claimed u/s 10(10C).

The employee of the State Government can, therefore, opt to claim exemption of Rs.5 lakh under section 10(10C) or relief under section 89(1) in respect of compensation received on voluntary retirement, but not both.

Question 12

R purchased equity shares in P Ltd., a constituent of BSE-500 index on Mumbai Stock Exchange on 1st March, 2008. He sold the shares on 4th March, 2011 at a loss of Rs.10,000. He wants to set off the loss against other long-term capital gain during the year. Examine whether such set off is permissible. Both purchase and sale transactions were entered into on a recognized stock exchange.

Answer

Section 10(38) exempts long term capital gain arising from transfer of equity shares in a company or a unit of an equity oriented fund, if such transfer has been subjected to Securities Transaction Tax. Hence, the capital gain / capital loss will have no tax implication.

In this case, the assessee has suffered a loss of Rs.10,000 by selling eligible equity shares. It is settled principle the loss arising from an exempt source, is not eligible for set off against
income arising from a taxable source. In the case of JCIT Vs. Thyagarajan S.S (1981) 129 ITR 115 (Mad), the Madras High Court held that loss incurred by an assessee from an exempted source, cannot go to set off income from a taxable source. In view of the same, the set off in the instant case is not permissible.

**Question 13**

A Public Sector Company has engaged you to frame a scheme of voluntary separation for its employees so that the amount received by the employees under the scheme would qualify for tax exemption under section 10(10C). What points would you bear in mind while drawing up the scheme? What will be the tax treatment of the payments under the scheme in the hands of the company?

**Answer**

Section 10(10C) provides that any amount received or receivable by an employee of a public sector company at the time of his voluntary retirement or termination of service under a scheme of voluntary separation is exempt to the extent such amount does not exceed Rs.5,00,000. The scheme, however, should be framed in accordance with the guidelines prescribed under Rule 2BA.

The guidelines in Rule 2BA provide that the scheme of voluntary separation framed by a public sector company should be in accordance with the following requirements in order to be eligible for exemption –

(i) The scheme should apply to all employees (by whatever name called) including workers and executives of the company except directors.

(ii) The scheme should result in overall reduction in the existing strength of the employees of the company.

(iii) The vacancies caused by voluntary separation, should not be filled up.

(iv) The retiring employee should not be employed in another company or concern belonging to the same management.

(v) The amount receivable on voluntary separation should not exceed the amount equivalent to three months salary for each completed year of service or salary at the time of retirement multiplied by the balance of months’ of service left before the date of retirement on superannuation.

Section 35DDA provides that, in the case of the company, where any expenditure has been incurred by way of payment to an employee under the scheme of voluntary retirement, one-fifth of the amount so paid shall be deducted in computing the profits and gains of the business for that previous year and the balance shall be deductible in equal installments in each of the four immediately succeeding previous years.

**Note:** It may be noted that exemption under section 10(10C) in respect of VRS compensation is opted by the taxpayer, he is not eligible for further relief under section 89 of the Act.
Question 14

XY & Co., a partnership concern had established an undertaking for manufacturing of computer software in Free Trade Zone. It furnishes the following particulars of its 2nd year of operations ended on 31-03-11:

- Total sales Rs.100 lakhs
- Export sales Rs. 80 lakhs
- Profits of business Rs. 10 lakhs
- Out of the total export sales, realisation of a sale of Rs. 5 lakhs is difficult because of the bankruptcy of the buyer. Realisation of rest of the export sale was received in time.

The plant and machinery used in the business had been depreciated @ 15% on SLM basis and depreciation of Rs.3 lakhs was charged in Profit & Loss account.

Compute the taxable income of XY & Co. for the Assessment Year 2011-12.

Answer

XY & Co. is carrying on the business of manufacture of computer software in a free trade zone as declared by the Government and therefore the income derived by the partnership firm is to be computed in accordance with the provisions of section 10A of the Act. However, this deduction is not available from the assessment year 2012-13 onwards.

(1) **Export turnover** – under the definition given in clause (iv) of the Explanation 2 to Section 10A, export turnover means the consideration received in, or brought into India by the assessee in convertible foreign exchange within a period of 6 months from the end of the previous year or within such further period as the competent authority may allow in this behalf.

Rs. in lakhs

Gross export sales 80.00

Less: Amount difficult to realise due to bankruptcy of the buyer – does not fall within the definition of export turnover, since remittance to India is not possible. 5.00

75.00

(2) The company had charged depreciation on plant and machinery @ 15% amounting to Rs.3 lakhs on SLM basis. Therefore, the cost of plant and machinery is Rs.20 lakhs. The amount of depreciation is therefore to be recomputed on WDV basis as per the prescribed rate of 15% for the assessment year 2011-12:

Rs. in lakhs

Total cost of Plant & Machinery 20.00

Less: Depreciation @ 15% for the first year (AY 2010-11) 3.00

3.14
WDV at the end of the first year 17.00
Depreciation for second year (15% of Rs.17 lakhs) (AY. 2011-12) 2.55
(3) Profits of the business Rs. in lakhs
Net profits as given 10.00
Add: Depreciation on SLM basis 3.00
13.00
Less: Admissible depreciation on WDV basis 2.55
Profits for the year 10.45
(4) Deduction under section 10A for the assessment year 2011-12:
100% x Profits of the business =
100% x \(\frac{75}{100}\) x 10,45,000 = 7,83,750
(5) Taxable income of the firm for A.Y. 2011-12 Rs.
Net profits of the business 10,45,000
Less: Deduction under section 10A 7,83,750
Taxable income 2,61,250

Note: If the assessee had written off the unrealizable amount as bad debt then the net profit of the business would have been reduced to that extent. In the absence of information, it is not known whether the unrealizable amount from foreign buyer has been reduced while computing the profits of the business.

The following table depicts the quantum of deduction under section 10A in respect of units in any Special Economic Zone (SEZ) which begins to manufacture or produce articles or things or computer software on or after 01.04.2003.

<table>
<thead>
<tr>
<th>Years</th>
<th>Quantum of Deduction</th>
</tr>
</thead>
<tbody>
<tr>
<td>For the first 5 consecutive assessment years</td>
<td>100% of the profits derived</td>
</tr>
<tr>
<td>For the next 2 consecutive assessment years</td>
<td>50% of the profits derived</td>
</tr>
<tr>
<td>For the next 3 consecutive assessment years</td>
<td>50% of the profit as is debited to profit and loss account and credited to reserve account called ‘Special Economic Zone Re-investment Allowance Reserve Account’</td>
</tr>
</tbody>
</table>

Note: No deduction under section 10A shall be allowed unless the return of income is filed on or before the due date specified under section 139(1).
Direct Tax Laws

Question 15

Amit, a captain in the Indian army, was killed at Kashmir border during a war. The widow of Amit was paid an ex-gratia payment of Rs.5,00,000 in March, 2011, besides the family pension during the year of Rs.2,40,000. She wants to know the taxability of both the receipts. Decide.

Answer

According to CBDT Circular No.776 of June 8, 1999, any lumpsum ex-gratia payment made by the Central Government / State Government/Local Authority or Government, public sector undertaking, to the widow or other legal heirs of an employee, who dies while in active service, will not be taxable as income under the Income-tax Act, 1961. Therefore, Rs.5,00,000 is not taxable.

Section 10(19) grants tax exemption in respect of family pension if a member of the armed forces dies in the course of operational duties. Hence, if captain Amit had died in the course of operational duties, the family pension received by widow of captain Amit is fully exempt from tax.

Question 16

A company is engaged in the development and sale of computer software applications. It has started a new undertaking for which approval as 100% EOU was obtained from the Central Board of Direct Taxes. It furnishes the following information.

(a) Compute the deduction allowable to it under section 10B in respect of assessment year 2011-12:

<table>
<thead>
<tr>
<th>Description</th>
<th>Rs. In lacs</th>
</tr>
</thead>
<tbody>

<td></td>
</tr>
</tbody>
</table>

(b) State the conditions to be fulfilled for the undertaking to qualify for the deduction

(c) How long will the deduction be admissible?
Answer

(a) The deduction allowable under section 10B is 100% of the profits derived from export by the new undertaking. Such profit is calculated as a proportion of the export turnover to the total turnover.

Export turnover is computed as under:

Sale proceeds of software received in convertible foreign exchange 250

Add: Deemed sale proceeds:
Amount credited to a separate account maintained in a bank outside India with the approval of RBI (Explanation 2 to sub-section 3) 50

Less: Telecom and insurance charges attributable to export 10
Expenses incurred in foreign exchange outside India for providing technical service 40

Profit of the undertaking = Total profits × \( \frac{\text{Export turnover}}{\text{Total turnover}} \) = \( \frac{50 \times 250}{500} \) = 25

Deduction admissible U/s.10B 25

(b) Section 10B applies to a 100% Export Oriented Undertaking (EOU) which fulfills the following conditions –

(i) It manufactures or produces any article or thing or computer software.

(ii) It is not formed by the splitting up or reconstruction of a business already in existence.

(iii) It is not formed by the transfer of machinery or plant previously used for any purpose.

(iv) The sale proceeds of articles, things or computer software exported out of India are received in India or brought into India by the assessee in convertible foreign exchange within a period of six months from the end of the previous year, or within such further period as the competent authority may allow in this behalf.

(v) Further, where the sale proceeds are credited to a separate account maintained by the assessee with any bank outside India with the approval of the RBI, such sale proceeds shall be deemed to have been received in India.

(vi) The deduction shall not be admissible unless the assessee furnishes an audit report from a Chartered Accountant in the prescribed form along with the return of income, certifying that the deduction has been correctly claimed.
(vii) No deduction under the section shall be allowed to an assessee who does not furnish a return of income on or before the due date specified in section 139(1).

(c) The deduction under section 10B will be available for ten consecutive assessment years beginning with the assessment year relevant to the previous year in which the undertaking begins to manufacture or produce any article or thing or computer software.

No deduction shall however be allowed for the assessment year 2011-12 onwards.

**Question 17**

Happy Home is a public charitable trust created under a trust deed for providing relief to physically challenged persons and registered under section 12A of the Income-tax Act. The following are the particulars of receipts of the trust during the year ended 31st March, 2011:

<table>
<thead>
<tr>
<th>Rs. in lacs</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Income from properties held by trust (net)</td>

</tr>
<tr>
<td>(ii) Income (net) from business (incidental to main objects)</td>
<td>14</td>
</tr>
<tr>
<td>(iii) Voluntary contributions from public (including the corpus donation of Rs.7 lacs)</td>
<td>18</td>
</tr>
</tbody>
</table>

The trust applied Rs.18 lacs towards various activities and programmes undertaken for the benefit of physically challenged persons during the year. The trust has also paid Rs.8 lacs towards repayment of a loan taken two years back for the purpose of construction of its centre for training the handicapped persons in various handicraft works and sports.

Determine the tax liability, if any, of the trust for the assessment year 2011-12 and also state how the trust can mitigate such liability.

**Answer**

In order to mitigate the tax liability, the trust, by notice in writing to the Assessing Officer can opt to accumulate or set apart the income for the purpose of investment in the next 5 succeeding years indicating the purpose of accumulation. The notice of accumulation must be given before the expiry of the time allowed under section 139(1). The amount set apart must be kept in investments/deposits specified in section 11(5). If the above trust has opted for such accumulation, then the tax burden would be reduced to the extent of such accumulation.

Notes:

1) Section 11(1)(d) excludes from the total income of the person, any income in the form of voluntary contributions made with a specific direction that they shall form part of the corpus of the trust or institution.

2) In CIT vs. Janmabhumi Press Trust (2000) 242 ITR 457, the Karnataka High Court held that where a debt is incurred for the purpose of the trust, the repayment of the debt would amount to an application of the income for the purpose of the trust. Therefore, repayment of loan taken for construction of training centre for physically challenged persons can also be considered as application for charitable purpose.

Question 18

Bharat Charitable Trust created on 1.1.2009 applied for registration of trust under section 12A of the Income-tax Act before the Commissioner of Income-tax on 1.7.2010 and requested for condonation of delay.

(i) Explain with reasons the period for which the trust is eligible to get exemption under section 11 and 12 of the Income-tax Act.

(ii) Can the exemption under sections 11 and 12 for A.Y. 2010-11 be denied if the trust is holding investments in equity shares of a public sector company since 1.7.2010.
(iii) The Trust has also applied for granting exemption under section 80G of the Income-tax Act. But the approval for the same has been rejected by the Commissioner of Income-tax under section 80G(5)(vi) of the Income-tax Act on 30.9.2010. The Trust seeks your advice on whether it can file an appeal against the said rejection before the higher authorities.

Answer

(i) As per section 12A(2) in respect of applications filed on or after 1st June, 2007, the provisions of section 11 and 12 shall apply in relation to the income of the trust from the assessment year relevant to the financial year in which the application is made i.e. the exemption would be available only with effect from the assessment year relevant to the previous year in which the application is filed. It would not be available in respect of any earlier assessment year. Further, the power of the Commissioner to grant registration for past years, by condoning the delay in filing such application, has also been removed. Hence, Bharat Charitable Trust shall be eligible to get exemption under section 11 and 12 with effect from the financial year in which the application is made i.e. assessment year 2011-12 onwards.

(ii) A trust registered under section 12A cannot be denied exemption for holding shares in a public sector company in view of section 13(1)(d)(iii). Hence, the exemption under section 11 and 12 cannot be denied to the trust for holding investments in equity shares of a public sector company.

(iii) Section 253 provides that an appeal can be filed before the Appellate Tribunal against an order passed by the Commissioner under section 80G(5)(vi) rejecting the application of such trusts for the purpose of recognition under section 80G.

Question 19

The following trusts claim that anonymous donations received by them during the financial year 2010-11 are not liable to tax under section 115BBC:

(i) A charitable trust referred to in section 11 which applied the entire amount of anonymous donations for purposes of the trust during the relevant financial year.

(ii) A trust established wholly for religious purposes which applied 75% of the amount of anonymous donations for the purposes of the objects of the trust during the relevant financial year.

Examine the validity of the claim made by the trusts.

Answer

(i) Section 115BBC(1) provides for levy of tax @ 30% on anonymous donation received by, inter alia, charitable trusts or institutions referred to in section 11. Further, section 13(7) provides that the exemption provisions contained in sections 11 and 12 shall not be
applicable in respect of any anonymous donation liable to tax under section 115BBC. As such, application of the anonymous donations received by the charitable trust for charitable purposes does not confer any exemption from tax. Therefore, the claim for non-taxability under section 115BBC of anonymous donations received by the charitable trust is not valid in law.

However, anonymous donation would be exempt upto the higher of –

(1) Rs. 1 lakh
(2) 5% of total donations received by the assessee

(ii) Section 115BBC(2) provides that the provisions contained in section 115BBC(1) relating to the taxability of anonymous donations are not applicable to any trust or institution created or established wholly for religious purposes. As such, the trust established wholly for religious purposes is not liable to be taxed in respect of the anonymous donations received by it. The application or non-application of such anonymous donation for the purposes of trust during the relevant financial year is not germane to the issue of taxability under section 115BBC.

Question 20

A charitable trust registered under section 12AA of the Income-tax Act, 1961 has, out of its income of Rs.3,90,000 for the year ending 31.3.2011 and sale proceeds of a capital asset, held by it for less than 36 months, amounting to Rs.9,60,000, purchased a building during the year ending 31.3.2011. The capital asset was sold during the year ending 31.3.2011. The building is held only for charitable purposes. The trust claims that the purchase of the building amounts to application of its income for charitable purposes and that the capital gain arising on the sale of the capital asset is deemed to have been applied to charitable purposes. Is the claim made by the charitable trust valid in law?

Answer

Section 11(1)(a) stipulates that in order to avail exemption of income derived from property held under trust wholly for charitable or religious purposes, the trust is required to apply for charitable or religious purposes, 85% of its income from such property. In this case, the trust has earned income of Rs.3,90,000 for the year ended 31.3.2011. It has also earned short term capital gain from sale of capital asset for Rs.9,60,000. The trust had utilized the entire amount of Rs.13,50,000 for the purchase of a building meant for charitable purposes.

The Supreme Court in S.RM. M. CT. M. Tiruppani Trust v. CIT (1998) 230 ITR 636 ruled that the assessee-trust, which applied its income for charitable purposes by purchasing a building for use as a hospital, was entitled to exemption under section 11(1) in respect of such income.
The ratio of the decision squarely applies to the case of the charitable trust in question. Therefore, the charitable trust is justified in claiming that the purchase of the building amounted to application of its income for charitable purposes.

Under section 11(1A), where the whole of the sale proceeds of a capital asset held by a charitable trust is utilised by it for acquiring another capital asset, the capital gain arising therefrom is deemed to have been applied to charitable purposes and would be exempt. Section 11(1A) does not make any distinction between a long-term capital asset and a short-term capital asset. The claim of the charitable trust to the effect that the capital gain is deemed to have been applied to charitable purposes is tenable in law.

Question 21

A charitable trust, whose income can be exempt under section 11 of the Income-tax Act, was formed on 1st March, 2007. For the accounting year ended 31st March, 2011, it earned an income of Rs.3,60,000.

It filed with the Commissioner of Income-tax its application for registration on 30th March, 2010 explaining that for good and sufficient reasons, it was prevented from filing the application by the due date.

State:

(i) by which date the application for registration should have been filed;
(ii) whether such an application could have been filed before the formation of the trust;
(iii) in the absence of an order of registration from the Commissioner, can the trust be deemed to be registered;
(iv) the steps to be taken by the trust to secure exemption from income-tax;
(v) whether a certificate of registration once granted can be cancelled and if so, the conditions therefor

Answer

(i) The requirement of filing an application for registration under section 12A within one year of creation of the trust has been removed. The application can be filed at any time now. Accordingly, the provisions of sections 11 and 12 would apply from the assessment year relevant to the financial year in which the application is made i.e. the exemption would be available only with effect from the assessment year relevant to the previous year in which the application was filed. It would not be available in respect of any earlier assessment year.

(ii) No. The application for registration u/s 12A cannot be filed before the formation of the trust.

(iii) As per section 12AA(2), every order granting or refusing registration should be passed before the expiry of 6 months from the end of the month in which the application was received under
section 12A. The Act does not provide for deeming registration of a trust in the absence of an order of registration from the Commissioner.

(iv) The following are the steps to be taken by the trust to secure exemption from income-tax-

1. The trust should be registered with the Commissioner of Income-tax under section 12A.

2. The accounts of the trust for the previous year must be audited by a Chartered Accountant if its total income without giving effect to the provisions of section 11 and section 12 exceeds the maximum amount which is not chargeable to tax. The audit report in the prescribed form, duly signed and verified by the Chartered Accountant, should be furnished along with the return of income of the trust for the relevant assessment year.

3. At least 85% of the income is required to be applied for the approved purposes.

4. The unapplied income and the money accumulated or set apart should be invested or deposited in the specified forms or modes.

(v) Yes, the certificate of registration can be cancelled by the Commissioner. According to section 12AA, if the Commissioner is satisfied that the activities of the trust are not genuine or are not being carried out in accordance with the objects of the trust, he shall, after giving the trust a reasonable opportunity of being heard, pass an order in writing canceling the registration of the trust.

Question 22

Gangaram Public Charitable Trust runs a hospital, which derived income of Rs.250 lakhs, from its operational activities. Expenses incurred to earn such income are Rs.55 lakhs. Depreciation on various assets used in the hospital is Rs.15 lakhs. Out of income of Rs.250 lakhs, the amount accrued but not received as on 31-03-2011 is Rs.20 lakhs. The institution earmarked and set apart Rs.30 lakhs in March, 2011 to give as advance for a building intended to be taken on lease for expansion of the hospital, but the amount was paid on 7th April, 2011, as the lease agreement could not be signed by 31st March, 2011. The trust has got an ERP package developed and installed by an IT company during the year. The total cost to the trust on account of the ERP package was Rs.85 lakhs. Advice the trust on its total income, if the trust has incurred Rs.12 lakhs for purchase of a number of desktop and laptop computers for use in the hospital.

Answer

The total income of the trust for the A.Y. 2011-12 is computed hereunder:

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs. in lakhs</th>
</tr>
</thead>
<tbody>
<tr>
<td>Income derived from property held under trust</td>
<td>250</td>
</tr>
<tr>
<td>Less: Expenses incurred thereto</td>
<td>55</td>
</tr>
</tbody>
</table>

| Total Income                          | 3.23         |
### Direct Tax Laws

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount 1</th>
<th>Amount 2</th>
</tr>
</thead>
<tbody>
<tr>
<td>Depreciation on assets</td>
<td>15</td>
<td>70</td>
</tr>
<tr>
<td><strong>Less:</strong> 15% eligible for blanket exemption without any conditions (15% of Rs.180 lakhs)</td>
<td></td>
<td></td>
</tr>
<tr>
<td><strong>Less:</strong> Income not received during the year, which can be spent in the year of receipt or in the immediately following year</td>
<td></td>
<td></td>
</tr>
<tr>
<td><strong>Less:</strong> Non-application of income due to delay in signing lease agreement [The amount was applied on 7th April in the immediately following year – Option to be exercised in writing before the expiry of the time allowed under section 139(1) for furnishing the return of income]</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Amount to be applied for the objects of the trust by 31.3.2011</td>
<td>103</td>
<td></td>
</tr>
<tr>
<td><strong>Less:</strong> Amount applied for the objects of the trust</td>
<td></td>
<td></td>
</tr>
<tr>
<td>(i) For development and installation of ERP package for the purpose of the trust</td>
<td>85</td>
<td></td>
</tr>
<tr>
<td>(ii) For purchase of desktop and laptop computers for the purposes of the trust</td>
<td>12 97</td>
<td></td>
</tr>
<tr>
<td><strong>Taxable Income</strong></td>
<td>6</td>
<td></td>
</tr>
</tbody>
</table>

**Note:**

(i) Depreciation should be allowed while computing income of a trust under section 11(1)(a). A trust can claim depreciation on assets even if the cost of assets has been fully allowed as application of income under section 11 in the past years. Even when the whole of capital expenditure has been treated as an application of income for charitable purpose u/s 11, the trust can still claim depreciation on assets used for its purposes on the basis of normal commercial principles.

(ii) If the income applied to charitable purposes in India falls short of 85% of the income derived during the year from property held under trust for the reason that the whole or any part of its income has not been received during that year, then such income, at the option of the person in receipt of income, can be applied during the previous year in which the income is received or in the immediately following previous year. The option is to be exercised in writing before expiry of the time allowed u/s 139(1) for filing return of income.
(iii) The word "applied" used in section 11 means that the income is actually applied for the charitable purposes of the trust. The word "applied" does not necessarily imply "spent". Even if a certain amount is irretrievably earmarked and allocated for charitable purposes, the said amount can be deemed to have been applied for charitable purposes. [CIT vs. Trustees of H.E.H. Nizams Charitable Trust, (1981) 131 ITR 497 (AP).]

(iv) The cost of getting an ERP package developed and installed is a capital expenditure. A charitable trust can apply its income either for revenue expenditure or for capital expenditure provided the expenditure is incurred for promoting the objects of the trust. Purchase of a fixed asset to be utilised for the purpose of the trust amounts to application of income for charitable purposes as held by the Supreme Court in S.R.M.C.T.M.Tiruppani Trust vs. CIT (1998) 230 ITR 636.

Question 23

The books of account maintained by a National Political Party registered with Election Commission for the year ended on 31.3.2011 disclose the following receipts:

(a) Rent of property let out to a departmental store at Chennai Rs.6,00,000
(b) Interest on deposits other than banks Rs.5,00,000
(c) Contributions from 100 persons (who have secreted their names) of Rs.11,000 each Rs.11,00,000
(d) Contribution @ Rs.11 each from 1,00,000 members in cash Rs.11,00,000
(e) Net profit of cafeteria run in the premises at Delhi Rs.3,00,000

Compute the total income of the political party for the year 2011-12, with reasons for inclusion or otherwise.

Answer

The total income of a political party registered with the Election Commission is to be computed as per section 13A under which the income derived from house property, income from other sources and income by way of voluntary contributions received from any person on fulfilling of the conditions as mentioned thereunder are exempt from tax.

Computation of income of National Party

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) The rent of the property of Rs.6 lakhs located at Chennai</td>
<td>Nil</td>
</tr>
<tr>
<td>(b) The interest received on deposits of Rs.5 lakhs</td>
<td>Nil</td>
</tr>
<tr>
<td>(c) The contributions given by 100 persons of Rs.11,000 each by secreting their identities (see note below)</td>
<td>Nil</td>
</tr>
</tbody>
</table>
Direct Tax Laws

(d) The contribution of Rs.11 each given by its members being recorded in the books Nil
(e) Net profit of cafeteria at Delhi 3,00,000

Total Income 3,00,000

Note:
In respect of each voluntary contribution in excess of Rs.20,000, exemption would be available only if the political party keeps and maintains a record of such contribution and the name and address of the person who has made such contribution. However, in this case, this provision is not attracted since the contribution given by each person is less than Rs.20,000.

Question 24
A public charitable trust registered under Section 12A, for the previous year ending 31.3.2011, derived gross income of Rs.16 lakhs, which consists of the following:

(Rs. in Lakhs)

(a) Income from properties held by trust (net) 5
(b) Income (net) from business (incidental to main objects) 4
(c) Voluntary contributions from public 7

The trust applied a sum of Rs.11.60 lakhs towards charitable purposes during the year which includes repayment of loan taken for construction of orphan home Rs.3.60 lakhs.

Determine the taxable income of the trust for the assessment year 2011-12.

Answer

(i) Statement of computation of income of public charitable trust

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Income from property held under trust (net)</td>
<td>5,00,000</td>
</tr>
<tr>
<td>(ii) Income (net) from business (incidental to main objects)</td>
<td>4,00,000</td>
</tr>
<tr>
<td>(iii) Voluntary contributions from public</td>
<td>7,00,000</td>
</tr>
</tbody>
</table>

Voluntary contribution made with a specific direction towards corpus are alone to be excluded under section 11(1)(d). In this case, there is no such direction and hence, included.

16,00,000

Less: 15% of the income eligible for retention / accumulation without any conditions 2,40,000

13,60,000
Income which do not Form Part of Total Income

Deduct: Amount applied for the objects of the trust
(i) Amount spent for charitable purposes
   (Rs.11,60,000 - 3,60,000) 8,00,000
(ii) Repayment of loan for construction of orphan home 3,60,000

Taxable Income 11,60,000

2,00,000

Note: The trust may opt for accumulation of income by giving a notice in writing to the Assessing Officer in Form No.10 along with the return of income or before the completion of assessment and such accumulation to the extent of Rs.2 lakhs would save the trust from tax burden.

Question 25

How do you deal with the following situations? Give reasons for your answer. (Assessment Year 2009-10):

Ramji Charitable Trust has filed return of income for the Assessment Year 2009-10 within the stipulated time under section 139(1) and applied only 50% of its income to specified purposes. It intends to accumulate the balance 25% of income to be spent in future years. While completing the assessment, the Assessing Officer disallowed the accumulated income of 25% and taxed the same on the ground that the trust has not made any application under Section 11(2) along with return of income or even before the completion of assessment. Discuss the validity of the action of the Assessing Officer in this case.

Answer

Section 11(2) provides that a charitable trust has to apply 85% of its income to charitable or religious purposes and where 85% of its income is not applied in the aforesaid manner, the trust may accumulate or set apart either the whole or part of its income for future application for such purposes in India. The requirement of the Act is that the trust has to make an application/intimation in Form No.10 for accumulation of income which should be filed or furnished before the assessing authority along with the return of income under section 139(1).

This requirement of filing application is mandatory and without those particulars, the assessing authority cannot entertain the claim of the assessee under section 11. Further, any claim for giving benefit of section 11 on the basis of information supplied subsequent to the completion of assessment would mean that the assessment order will have to be reopened. The Act does not contemplate such reopening of the assessment. Hence, furnishing of application for accumulation after completion of assessment cannot be accepted. This principle is settled in CIT vs. Nagpur Hotel Owners Association 247 ITR 201 (SC). Therefore, the action of the Assessing Officer is correct.
**Note:** Since the question is on procedural aspect, the facts were taken as relating to assessment year 2009-10 and the assessment proceedings have to end before 31.03.2011. There is no change in legal provision and the answer holds good for both the assessment years viz. 2009-10 and A.Y.2011-12 (for which this manual is prepared).

**Question 26**

A trust set up wholly for charitable purposes furnishes its return of income in respect of assessment year 2010-11 on 15.11.10, declaring an income of Rs.1 lakh. The Assessing Officer on scrutiny of the return finds that the income of the trust is exempt from tax. Are there any penal consequences for the trust’s failure to furnish the return of income within the prescribed time?

**Answer**

As per section 139(4A) every person in receipt of income derived from property held under trust or other obligation wholly for charitable or religious purposes or in part only for such purposes or of income being voluntary contributions referred to in section 2(24)(iia) shall if the total income (without giving effect to the provisions of section 11 and 12) exceeds the maximum amount which is not chargeable to tax must furnish return of income in the prescribed form and in the prescribed manner.

Since the income of the trust has been found to be exempt under section 11 and 12, no interest under section 234A for delay can be charged.

However, under clause (e) of sub-section (2) of section 272A, the person who is required to file a return in his representative capacity will be liable to pay by way of penalty a sum which shall not be less than Rs.100 for every day during which the failure continues.

Such a penalty can be levied by the Joint Commissioner and a reasonable opportunity of hearing has to be given (sub-section 3 of section 272A). Further, under section 273B, no penalty is leviable under section 272A, if the person proves that there was reasonable cause for the said failure.

**Question 27**

Ramamurty Public Charitable Trust (Registered under section 12A of the Income-tax Act) furnishes the following data for the financial year ending 31.3.2011.

(Rs. in lakhs)

(i) Income from Engineering College 10
   (Gross receipts Rs.100 lakhs)

(ii) Income from properties held in trust (out of his Rs.2 lakhs was not received during the year and Rs.2 lakhs was received only on the last
You are required to:
(a) Compute the taxable income of the Trust for the assessment year, 2011-12. Assume that option is exercised under explanation to section 11(1) of the Act.
(b) Advise how the taxability on the computed income could be minimized or reduced.

**Answer**

**Computation of total income of Shri Ramamurthy Public Charitable Trust for A.Y. 2011-12**

(b) In order to minimize and/or reduce the tax liability, the trustees may give a notice in writing to the Assessing Officer in the prescribed manner about their intention to accumulate the unspent amount of Rs.7.80 lakhs specifying the period and the purpose for which, the accumulation is proposed to be made and invest the sum of Rs.7.80 lakhs.
in specified assets as per section 11(5). This accumulation would be in compliance with section 11(2) and in such case no tax will be payable on the sum of Rs.7.80 lakhs.

Question 28

Does the tax borne by employer on behalf of employee in respect of provision of non-monetary perquisites constitute an income in the hands of employee? What are the tax implications of such payment in the hands of employer?

Answer

Section 10(10CC) provides that in the case of an employee deriving income in the nature of non-monetary perquisites, the amount of tax on such income paid by the employer, is exempt from tax in the hands of the employee. In view of this, by virtue of exemption provided in section 10(10CC), the tax borne by the employer on behalf of employees in respect of provision of non-monetary perquisites is exempt in the hands of the employee.

As regards tax implications of such payment in the hands of employer section 40(a)(v) provides for disallowance of the tax actually paid by employer under section 10(10CC) while computing the income chargeable under the head “Profit and gains of business or profession”.

Question 29

Mr. Ravi, working in a public sector company, opted for voluntary retirement scheme and received Rs.8 lakh as VRS compensation. He claimed Rs.5 lakh as exemption under section 10(10C). Further, in respect of the balance amount of Rs.3 lakh, he claimed relief under section 89(1). Mr.Ravi seeks your opinion on the correctness of the above tax treatment.

Answer

An employee opting for voluntary retirement scheme receives a lump-sum amount in respect of his balance period of service. This amount is in the nature of advance salary. Under section 10(10C), an exemption of Rs.5 lakh is provided in respect of such amount to mitigate the hardship on account of the employee going into the higher tax bracket consequent to receipt of the amount in lump-sum upon voluntary retirement.

However, some tax payers have resorted to claiming both the exemption under section 10(10C) (upto Rs.5 lakh) and relief under section 89 (in respect of the amount received in excess of Rs.5 lakh). This tax treatment has been supported by many court judgements also, for example, the Madras High Court ruling in CIT v. G.V. Venugopal (2005) 273 ITR 0307 and CIT v. M. Abdul Kareem (2009) 311 ITR 162 and the Bombay High Court ruling in CIT v. Koodathil Kallyatan Ambujakshan (2009) 309 ITR 113 and CIT v. Nagesh Devidas Kulkarni (2007) 291 ITR 0407. However, this does not reflect the correct intention of the statute.

Therefore, in order to convey the true legislative intention, section 89 has been amended to provide that no relief shall be granted in respect of any amount received or receivable by an assessee on his voluntary retirement or termination of his service, in accordance with any
scheme or schemes of voluntary retirement or a scheme of voluntary separation (in the case of a public sector company), if exemption under section 10(10C) in respect of such compensation received on voluntary retirement or termination of his service or voluntary separation has been claimed by the assessee in respect of the same assessment year or any other assessment year.

Correspondingly, section 10(10C) has been amended to provide that where any relief has been allowed to any assessee under section 89 for any assessment year in respect of any amount received or receivable on his voluntary retirement or termination of service or voluntary separation, no exemption under section 10(10C) shall be allowed to him in relation to that assessment year or any other assessment year.

Therefore, in view of the above amendment, Mr. Ravi’s tax treatment is incorrect. He has to either opt for exemption of up to Rs.5 lakh under section 10(10C) or relief under section 89(1), but not both.
Some Key Points: Recent Amendments

Sweat Equity Shares [Section 17(2)(vi)]

The Finance (No.2) Act, 2009 substituted sub-clause (vi) to section 17(2) w.e.f. 01.04.2010. The value of any specified security or sweat equity shares allotted or transferred, directly or indirectly, by the employer or former employer, free of cost or at concessional rate to the assessee is chargeable to tax as perquisite.

The value of any specified security or the sweat equity share shall be the fair market value of the specified security or sweat equity share as the case may be, on the date on which the option is exercised by the assessee. Any amount actually paid or recovered from the assessee shall be deducted and only the resultant is chargeable as perquisite.

‘Fair market value’ means the value determined in accordance with the method as may be prescribed.

‘Option’ means a right but not an obligation granted to an employee to apply for the specified security or sweat equity share at a predetermined price.

It may be noted that the Finance (No.2) Act, 2009 has inserted sub-section (2AA) to section 49 to cover capital gains arising from transfer of sweat equity shares by the employee after such allotment. The cost of acquisition of the specified security or sweat equity shares shall be the fair market value which has been taken into account for the purpose of computing perquisite value under section 17(2)(vi), at the time of allotment.

Contribution to Superannuation Fund [Section 17(2)(vii)]

The amount of any contribution to an approved superannuation fund by the employer in respect of the assessee, to the extent it exceeds Rs.1 lakh shall be chargeable to tax as perquisite.

Any other Fringe benefit or amenity [Section 17(2)(viii)]

The value of any other fringe benefit or amenity provided by the employer to the employee shall be chargeable to tax subject to the conditions and limits prescribed in rule 3 of the Income-tax rules, 1962.
Direct Tax Laws

Question 1

Mr. X is a Member of Legislative Assembly. He underwent an open heart surgery abroad in respect of which he received Rs.5 lakh from the State Government towards reimbursement of his medical expenses. The Assessing Officer contended that such amount is taxable as a perquisite under section 17. Discuss the correctness of the contention of the Assessing Officer.

Answer

The facts of this case are similar to the facts in CIT v. Shiv Charan Mathur (2008) 306 ITR 0126 (Raj.). In the instant case, the High Court observed that MPs and MLAs are not employed by anybody. They are elected by the public, their election constituencies and it is consequent upon such election that they acquire constitutional position and are in charge of constitutional functions and obligations. The remuneration received by them, after swearing in, cannot be said to be salary within the meaning of section 15, since the basic ingredient of employer-employee relationship is missing in such cases.

Therefore, the remuneration received by MPs and MLAs are taxable under the head “Income from Other Sources” and not under the head “Salaries”. When the provisions of section 15 are not attracted to the remuneration received by MPs and MLAs, the provisions of section 17 also would not apply as section 17 only extends the definition of salary by providing that certain items mentioned therein would be included in salary as “perquisites”. Thus, reimbursement of medical expenditure (incurred for open heart surgery abroad) to an MLA cannot be taxed as a perquisite under section 17.

Applying the above ruling to the case on hand, the contention of the Assessing Officer is not correct.

Question 2

Raghav has been in the service of a private company since 1st January, 1993, in Kolkata. During the financial year ending 2010-11 upto the date of retirement, he received from the company, salary @ Rs.12,000 p.m. dearness allowance @ Rs.2,000 p.m., city compensatory allowance @ Rs.300 p.m., entertainment allowance @ Rs.1,000 per month and house rent allowance @ Rs.4,000 p.m. He resides in the house property owned by his HUF for which he pays a rent of Rs.4,500 p.m. He contributes Rs.1,400 p.m. to the recognised provident fund. The company is also contributing an equal amount.

Raghav retired from the service of the company on 31-12-2010 when he was paid a gratuity of Rs.80,000 and pension of Rs.6,000 p.m. He is not covered under the Payment of Gratuity Act, 1972. On 1-2-2011, he got one-half of the pension commuted and received Rs.1,80,000 as commuted pension. He also received Rs.3,00,000 as the accumulated balance of the recognised provident fund.

Compute his income under the head salary for the A.Y. 2011-12.
### Computation of income under the head “Salaries” for the A.Y.2011-12

<td>6,300</td>
</tr>
<tr>
<td>Pension $(6,000 + 3,000 \times 2)$</td>
<td>12,000</td>
</tr>
<tr>
<td>Commuted pension $(1,80,000 – 1,20,000)$ [See Note 3]</td>
<td>60,000</td>
</tr>
<tr>
<td><strong>Gross salary</strong></td>
<td><strong>2,16,000</strong></td>
</tr>
<tr>
<td>Less: Deduction under section 16 [See Note 5]</td>
<td>Nil</td>
</tr>
<tr>
<td><strong>Income from salary</strong></td>
<td><strong>2,16,000</strong></td>
</tr>
</tbody>
</table>

### Note -

1. As per section 10(13A), house rent allowance will be exempt to the extent of minimum of the following three amounts:
   (i) 50% of salary i.e. 54,000.
   (ii) Rent paid minus 10% of salary i.e., $4,500 – 1,200 = 3,300 \times 9 = 29,700$
   (iii) HRA received $4,000 \times 9 = 36,000$

   Therefore, out of Rs.36,000, Rs.29,700 will be exempt and the balance Rs.6,300 will be included in Gross Salary.

2. Gratuity of Rs.80,000 is fully exempt under section 10(10)(iii), being the minimum of the following amounts:
   (i) Actual gratuity received, i.e., Rs.80,000
   (ii) Half month’s average salary for every completed year of service i.e.,
   \[
   \text{Average monthly salary} = \frac{2 \times 12,000 \times 18}{2} = \text{Rs. } 1,08,000
   \]
   (iii) Notified limit i.e., Rs.10,00,000 (w.e.f. 24.05.2010)

3. As Raghav is receiving gratuity, one-third of commuted pension will be exempt and the balance would be taxable. 50% of the pension commuted is Rs.1,80,000. Therefore, 100% would be Rs.3,60,000 and one-third of the same would be Rs.1,20,000. The
taxable portion of the commuted pension would be Rs.60,000 (i.e. Rs.1,80,000-Rs.1,20,000).

4. Since employer’s contribution to recognized provident fund is less than 12% of salary, it is not taxable. Accumulated balance of the recognized provident fund received is exempt from tax, since Raghav has rendered continuous service of more than five years.

5. Deduction under section 16(ii) in respect of entertainment allowance can be claimed only by Government employees. Therefore, Raghav is not eligible for any deduction in respect of entertainment allowance received by him.

6. Pension of January 2011 Rs.6,000 plus pension after commutation (Rs.6,000 less 50%) Rs.3,000 for February and March 2011. (Rs.6,000 + Rs.3,000 + Rs.3,000).

Question 3
Find out the taxable value of perquisite from the following particulars in case of an employee to whom the following assets held by the company were sold on 1.8.2010:

#### Question 4

Mr. Padam is entitled to a salary of Rs.25,000 per month. He is given an option by his employer either to take house rent allowance or a rent free accommodation which is owned by the company. The HRA amount payable was Rs.5,000 per month. The rent for the hired accommodation was Rs.6,000 per month at New Delhi. Advice Mr. Padam whether it would be beneficial for him to avail HRA or Rent Free Accommodation. Give your advice on the basis of “Net Take Home Cash benefits”.

#### Answer

Computation of tax liability of Padam under both the options

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Option I – HRA</th>
<th>Option II – RFA</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tax on total income</td>
<td>15,800</td>
<td>18,500</td>
</tr>
<tr>
<td>Add: Education cess@1% and SHEC @ 2%</td>
<td>474</td>
<td>555</td>
</tr>
<tr>
<td>Total tax payable</td>
<td>16,274</td>
<td>19,055</td>
</tr>
</tbody>
</table>

Cash Flow Statement

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Option I - HRA</th>
<th>Option II - RFA</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Inflow: Salary</strong></td>
<td>3,60,000</td>
<td>3,00,000</td>
</tr>
<tr>
<td><strong>Less: Outflow: Rent paid</strong></td>
<td>(72,000)</td>
<td>-</td>
</tr>
<tr>
<td><strong>Tax on total income</strong></td>
<td>(16,274)</td>
<td>(19,055)</td>
</tr>
<tr>
<td><strong>Net Inflow</strong></td>
<td>2,71,726</td>
<td>2,80,945</td>
</tr>
</tbody>
</table>

Since the net cash inflow under option II (RFA) is higher than in Option I (HRA), it is beneficial for Mr. Padam to avail Option II, i.e., Rent free accommodation.

**Question 5**

Examine critically in the context of provisions contained in Income-tax Act, 1961 as to the correctness of the action or the treatment given in each of the following case:

An amount of Rs.12,50,000 paid by XYZ Ltd., after approval by the board, to a hospital in UK for the heart surgery of its managing director was charged under medical expenses. The Assessing Officer, while completing the assessment of the company, taxed the amount so paid by the company as a perquisite in the hands of its Managing Director.

**Answer**

A Managing Director generally occupies the dual capacity of being a director as well as an employee of the company. In this case, assuming that the Managing Director is also an employee of XYZ Ltd., clause (vi) of the proviso to section 17(2) would get attracted.

Clause (vi) of the proviso to section 17(2) provides that any expenditure incurred by the employer on medical treatment of the employee outside India shall be excluded from perquisite only to the extent permitted by RBI. Therefore, the expenditure on medical treatment of the Managing Director outside India shall be excluded from perquisite to the extent permitted by RBI as per clause (vi) of the proviso to section 17(2). If it is assumed that the entire amount is permitted by RBI, there would be no perquisite chargeable in the hands of the Managing Director. Therefore, in such a case, the action of the Assessing Officer in taxing the entire amount paid by the company as a perquisite in the hands of the Managing Director is incorrect.

This question can also be answered by applying the ratio of the Allahabad High Court ruling in **CIT v. D.P. Kanodia (2008) 296 ITR 616**. In that case, the High Court observed that the reimbursement by the company of medical expenditure incurred outside India by the director cannot be considered as an amenity or benefit provided by the company to its director, and therefore the provisions of section 17(2)(iii)(a) would not be attracted. Therefore, such reimbursement was not a perquisite within the meaning of section 17(2)(iii)(a).

Hence, applying the ratio of the above case to the facts of this case, the action of the Assessing Officer in taxing the amount paid by the company as a perquisite in the hands of the Managing Director is incorrect.
Question 6

Ayush, an employee of a management consultancy firm, was sent to UK in connection with a project of the firm's client for two months in a previous year. In addition to his salary, the firm paid per diem allowance for the period when he worked in UK to meet expenses on boarding and lodging. Tax was not deducted at source from such allowance by the employer. Ayush did not include such allowance in computation of his taxable salary for the relevant assessment year. In course of assessment of Ayush under section 143(3), the Assessing Officer sent a notice to him asking him to explain why the per diem allowance received by him should not be charged to tax? Ayush sought your advice.

Answer

Per-diem allowance is exempt from tax under section 10(14)(i) read with Rule 2BB, as it is an allowance granted and spent to meet the ordinary daily charges incurred by an employee on account of absence from his normal place of duty. Rule 2BB exempts the allowance granted to meet the ordinary daily charges incurred by an employee on account of his absence from his normal place of duty. In the given case, Mr. Ayush was posted for a period of 2 months outside his normal place of duty and the allowance was paid to meet the boarding and lodging. Therefore, the allowance would fall under section 10(14)(i) read with Rule 2BB and would hence be exempt.

Question 7

IT Limited, under its Employment Stock Option Plan, allotted 500 equity shares to its finance manager, Ms. Cynthia on 15th May, 2010, when she exercised her option. The option was granted on 15th January, 2009 and the shares vested with Cynthia on 15th January, 2010. The company's shares are quoted in Bombay Stock Exchange, where the opening price and closing price on the date of exercise of option were Rs.250 and 256, respectively. The company recovered Rs.50 per share from Cynthia. Compute the value of perquisite for the assessment year 2011-12.

Answer

Allotment of shares under the Employees' Stock Option Plan (ESOP) is liable to tax as perquisite in the hands of employees. The fair market value of shares on the date on which the option is exercised by the employee as reduced by the amount actually paid by or recovered from the employee in respect of such shares would be the value of perquisite. As per Rule 3(8), in case of shares listed in one recognized stock exchange, fair market value means the average of opening price and closing price of the share on the said stock exchange as on the date of exercise of option.

Therefore, in this case, the fair market value would be \( \frac{250 + 256}{2} = \text{Rs.253} \)

Thus, the value of perquisite would be \( (253 \times 500) - (50 \times 500) = \text{Rs.1,01,500}. \)
Question 8

Simran Pharma Ltd., a manufacturer of drugs and pharma products, provides the following information relating to payments made to Mr. Ram its marketing manager in the financial year 2010-11:

- Salary @ Rs. 20,000 p.m.
- Motor-cycle purchased for Rs.45,000 in June, 2010 was given free of cost.
- Conveyance allowance of Rs.5,000 p.m. which was allowed to him as exempt under section 10(14).
- Tickets worth Rs.4,000 for a cricket match between India and England.
- Reimbursement of medical expenses actually incurred by him of Rs.17,500.

The company asks you to compute the total income chargeable to tax in the hands of marketing manager Mr. Ram.

Answer

**Computation of total income of Mr. Ram (Rs.)**

- Salary 2,40,000
- Free Motor cycle 45,000
- Conveyance allowance exempt under section 10(14) for employee and totally tax free perquisite Nil
- Free ticket of a cricket match 4,000
- Reimbursement of medical expenses 2,500
  (Reimbursement up to Rs.15,000 is exempt in the hands of the employee and the excess is taxable)

**Total Income** 2,91,500

Note

The value of gift voucher or token below Rs.5,000 in aggregate in a year received by the employee from the employer shall not be taxable as a perquisite. The free ticket of a cricket match could not be treated as gift and accordingly taxed in the above computation.

Question 9

Calculate the value of perquisite, if any, chargeable to tax in respect of free accommodation provided by the employer in a hotel to an employee, for the previous year ended 31.3.2011:

(i) For 10 days when he was transferred from Delhi to Mumbai.

(ii) Throughout the year as per contract of employment.
Income From Salaries

Answer

(i) As per Rule 3, if the hotel accommodation is provided to the employee by the employer for a period not exceeding 15 days and such accommodation is provided on employee’s transfer from one place to another, it is not a chargeable perquisite. In this case, the employer has provided accommodation in a hotel for a period of only 10 days. Hence, it is not a chargeable perquisite.

(ii) The employee was provided under a contract, accommodation in a hotel free of charge for throughout the year and accordingly the value of perquisite will be 24% of salary of the employee or the actual charges paid or payable to the hotel, whichever is less. The calculation shall be for the period during which such accommodation is provided and the value shall be reduced by the rent, if any, actually paid or payable by the employee.

Question 10

Find out the taxable value of perquisite from the following particulars in case of an employee to whom the following assets held by the company were sold on 13.6.2010:

<table>
<thead>
<tr>
<th></th>
<th>Car</th>
<th>Laptop</th>
<th>Furniture</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cost of Purchase (May 2008)</td>
<td>8,72,000</td>
<td>1,22,500</td>
<td>35,000</td>
</tr>
<tr>
<td>Sale Price</td>
<td>5,15,000</td>
<td>25,000</td>
<td>10,000</td>
</tr>
</tbody>
</table>

The assets were put to use by the company from the day these were purchased.

Answer

The assets transferred by the company shall be considered for the purpose of valuation of perquisites under section 17(2) of the Act read with Rules. The value of perquisite in respect of assets transferred is determined after allowing normal wear & tear for the period of use of such assets by employer.

<table>
<thead>
<tr>
<th></th>
<th>Car</th>
<th>Laptop</th>

</table>

**Perquisites:**

(i) Furnished accommodation owned by the employer and provided free of cost
(ii) Value of furniture there in Rs.3,00,000
(iii) Motor-car owned by the company (with engine c.c. less than 1.6 litres) along with chauffeur for official and personal use.
(iv) Sweeper salary paid by company Rs.1,500 per month
(v) Watchman salary paid by company Rs.1,500 per month
(vi) Educational facility for 2 children provided free of cost. The school is owned and maintained by the company.
(vii) Interest free loan of Rs.5,00,000 given on 1.10.2010 for purchase of a house. No repayment was made during the year.
(viii) Interest free loan for purchase of computer Rs.50,000 given on 1.1.2011. No repayment was made during the year.

You are required to compute the income of Babu under the head “Salaries” in respect of assessment year 2011-12.

**Answer**

**Computation of income from salaries of Mr. Babu for A.Y.2011-12**

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Basic pay</td>
<td>Rs.25,000 x 10</td>
</tr>
<tr>
<td>D.A.</td>
<td>Rs.10,000 x 10</td>
</tr>
<tr>
<td>Bonus</td>
<td></td>
</tr>
</tbody>
</table>

Total: 4,00,000

**Perquisites**

(a) Rent free accommodation – assumed that D.A is not included for
Income From Salaries

- **superannuation benefits.**
  - 15% of $(2,50,000 + 50,000) = 45,000$

- **Value of furniture**
  - 10% of Rs.3,00,000 for 10 months = 25,000

- **Motor car**
  - Rs.2700 x 10 (As per perquisite rules) = 27,000

- **Sweeper – Actual cost to company**
  - 1500 x 10 = 15,000

- **Watchman – Actual cost to company**
  - 1500 x 10 = 15,000

- **Educational facility for 2 children**
  - Assumed that the cost of education per child does not exceed Rs.1,000 p.m. = NIL

- **Interest free loan for purchase of house**
  - 10% p.a. (assumed that it is for term of 5 to 15 years) on Rs.5 lakhs for 6 months = 25,000

- **Interest free loan for purchase of computer**
  - 16.50% p.a. of Rs.50,000 for 3 months (treated as personal loan) = 2,062

**Income from salary** = 5,54,062

**Note :-**

Motor car owned by employer used partly for official purpose and partly for personal purpose by the employee is taxable as perquisite. The cubic capacity of the engine is less than 1.6 litres. The perquisite value including driver salary is Rs.1800 + Rs.900 per month. The perquisite value is therefore Rs.27,000 (Rs.2,700 x 10).

**Question 12**

*Write short note on the Employee’s stock option scheme*

**Answer**

As per section 17(2)(vi), the value of any specified security or sweat equity share allotted or transferred directly or indirectly, by the employer, or former employer, free of cost or at concessional rate is chargeable to tax as perquisite.

According to the Explanation to the section,

(a) ‘specified security’ means the securities as defined in section 2(h) of the Securities Contracts (Regulation) Act, 1956 and, where employees’ stock option has been granted under any plan or scheme therefor, includes the securities offered under such plan or scheme.

(b) ‘sweat equity shares’ means equity shares issued by a company to its employees or directors at a discount or for consideration other than cash for providing know-how or making available rights in the nature of intellectual property rights or value additions, by whatever name called.
Direct Tax Laws

(c) the value of any specified security or sweat equity shares shall be the fair market value of the specified security or sweat equity shares, as the case may be, on the date on which the option is exercised by the assessee (employee) as reduced by the amount actually paid by, or recovered from the assessee in respect of such security or shares.

(d) ‘fair market value’ means the value determined in accordance with the method as may be prescribed.

(e) ‘option’ means a right but not an obligation granted to an employee to apply for the specified security or sweat equity shares at a predetermined price.

Question 13
A, an individual, has income taxable only under the head ‘salaries’. In the course of the previous year ended 31st March, 2011, he pays Rs.10,000 to an institution recognized by the prescribed authority under section 35CCA of the Income-tax Act.

Will A be entitled to any deduction under the Act and if so, in what an amount?. Discuss.

Answer
The question is whether the deduction of the amount paid to an institution recognised by the prescribed authority under section 35CCA is available to a person, deriving income under the head “Salary”.

Section 80GGA permits the deduction to all assessee, other than an assessee whose gross total income includes income chargeable under the head “profits and gains of business or profession”. Mr.A fulfils this condition. Therefore, he is eligible for 100% deduction of the amount paid by him to the institution, on fulfillment of the conditions prescribed in section 80GGA.

Question 14
Ajay is employed as senior executive of Manu Ltd. Manu Ltd offers rights to its existing shareholders in the ratio 1:1 on 15th February 2011 at Rs.150 per share. Ajay was offered 500 shares at Rs.150, which he exercised. On these facts you are consulted by Ajay as to.

(a) The tax consequences for the assessment year 2011-2012 assuming that fair market value on the date of exercise of option is Rs. 300.

(b) If Ajay is already as shareholder of 250 shares, allotted in public issue will it make any difference?

Answer
(a) As per section 17(2)(vi), the value of any specified security or sweat equity shares allotted or transferred, directly or indirectly, by the employer, or former employer, free of cost or at concessional rate to the assessee employee is taxable as perquisite. The
meaning of the terms ‘specified security’, ‘sweat equity shares’, ‘fair market value’ are dealt with in the Explanation given therein.

The fair market value of the shares so determined in accordance with the method as may be prescribed less the amount actually recovered from the employee, shall be the value of perquisite chargeable to tax.

The value of perquisite would be:

Fair market value of shares determined as per the prescribed method in Income-tax Rules, 1962 = 500 shares @ Rs.300 each
Less: Amount recovered from the employee @ Rs.150 per share
Value of perquisite chargeable to tax

As per section 49(2AA) the cost of acquisition of specified security or sweat equity shares referred to in section 17(2)(vi) shall be the fair market value which has been taken into account for the purpose of perquisite valuation.

(b) In case the employee is a shareholder and was allotted shares in the same manner as was allotted to other shareholders by the company without any concession / reduction in value then the question of valuation of perquisite would not arise.
Some Key Points

To tax an income as ‘income from house property’ the assessee must derive income from any building or land appurtenant to the building. Land appurtenant to building means land connected with the building like garden, garage etc.

Ownership of the property does not mean a registered ownership by means of sale deed. Ownership includes deemed ownership and also both freehold and leasehold rights.

Property held as stock in trade

Annual value of house property chargeable under this head also includes (a) property held as stock in trade of a business and (b) income by way of letting out of property on rent as regular business activity.

Letting out as supplementary activity

Where the assessee is engaged in some other business but lets out a property such let out if taken as supplementary activity, the rental income shall form part of the business income and will be calculated in the same manner as profits and gains of business and not relating to house property.

Composite rent

When the property is let out for composite rent viz. rent for building and charges for different services such as lift, common area maintenance, security etc. the composite rent is to be split separately towards use of property (to be taxed under the head ‘income from house property’) and towards provision and use of services (which is taxable under the head ‘Income from other sources’).

Determination of annual value

When the property is let out, the three parameters are to be compared viz. (i) fair rent; (ii) municipal value; and (iii) standard rent.

The actual rent would also be compared for determining the annual value.

The fair rent or municipal value (but not exceeding the standard rent) will be compared with the actual rent and whichever is higher will be adopted as annual value.
Question 1

Vishnu has two houses, both of which are self-occupied. The particulars of the houses for the P.Y.2010-11 are as under:

<table>
<thead>
<tr>
<th>Particulars</th>
<th>House I</th>
<th>House II</th>
</tr>
</thead>
<tbody>
<tr>
<td>Municipal valuation p.a.</td>
<td>4,00,000</td>
<td>6,00,000</td>

<td>3,00,000</td>
<td>7,00,000</td>
</tr>
<tr>
<td>Standard rent p.a.</td>
<td>3,60,000</td>
<td>7,40,000</td>
</tr>
<tr>
<td>Date of completion</td>
<td>31.3.2005</td>
<td>31.3.2008</td>
</tr>
<tr>
<td>Municipal taxes paid during the year</td>
<td>10%</td>
<td>9%</td>
</tr>
<tr>
<td>Interest on money borrowed for construction of house</td>
<td>1,75,000</td>
<td>2,50,000</td>
</tr>
</tbody>
</table>

Compute Vishnu's income from house property for A.Y.2011-12 and suggest which house should be opted by Vishnu to be assessed as self-occupied so that his tax liability is minimum.

Answer

Computation of Income from house property of Vishnu for the A.Y. 2011-12

Let us first calculate the income from each house property assuming that they are deemed to be let out.

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Amount in Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>House I</td>
<td></td>
</tr>
<tr>
<td>House II</td>
<td></td>
</tr>
<tr>
<td>Gross Annual Value (GAV)</td>
<td></td>
</tr>
<tr>
<td>Annual Letting Value(ALV) is the GAV of house property</td>
<td>3,60,000</td>
</tr>
<tr>
<td>ALV = Higher of Municipal value and fair rent, but restricted to standard rent</td>
<td>7,00,000</td>
</tr>
<tr>
<td>Less: Municipal taxes (paid by the owner during the previous year)</td>
<td>40,000</td>
</tr>
<tr>
<td>Net Annual Value (NAV)</td>
<td>3,20,000</td>
</tr>
<tr>
<td>Less: Deductions under section 24</td>
<td></td>
</tr>
<tr>
<td>(a) 30% of NAV</td>
<td>96,000</td>
</tr>
<tr>
<td>(b) Interest on borrowed capital</td>
<td>1,75,000</td>
</tr>
<tr>
<td>Income from house property</td>
<td>49,000</td>
</tr>
<tr>
<td>OPTION 1 (House I – self-occupied and House II – deemed to be let out)</td>
<td></td>
</tr>
<tr>
<td>If House I is opted to be self-occupied, the income from house property shall be –</td>
<td></td>
</tr>
</tbody>
</table>
Income from House Property

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Amount in Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>House I (Self-occupied) [Loss representing interest on borrowed</td>
<td>(1,50,000)</td>
</tr>
<tr>
<td>capital restricted to Rs.1,50,000]</td>
<td></td>
</tr>
<tr>
<td>House II (Deemed to be let-out)</td>
<td>2,02,200</td>
</tr>
<tr>
<td><strong>Income from house property</strong></td>
<td><strong>52,200</strong></td>
</tr>
</tbody>
</table>

**OPTION 2 (House I – deemed to be let out and House II – self-occupied)**

If House II is opted to be self-occupied, the income from house property shall be –

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Amount in Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>House I (Deemed to be let-out)</td>
<td>49,000</td>
</tr>
<tr>
<td>House II (Self-occupied) [Loss representing interest on borrowed</td>
<td>(1,50,000)</td>
</tr>
<tr>
<td>capital restricted to Rs.1,50,000]</td>
<td></td>
</tr>
<tr>
<td><strong>Income from house property</strong></td>
<td><strong>(1,01,000)</strong></td>
</tr>
</tbody>
</table>

Since Option 2 is more beneficial, Vishnu should opt to treat House II as self-occupied and House I as deemed to be let out. His loss from house property would be Rs.1,01,000 for the A.Y. 2011-12. This loss can be carried forward to the next year for set-off against income from house property of that year. It can be carried forward up to a maximum of 8 years.

**Question 2**

*In the following cases, state the head of income under which the receipt is to be assessed -*

(a) Anirudh let out his property to Abhinav. Abhinav sublets it. How is subletting receipt to be assessed in the hands of Abhinav.

(b) Anish has built a house on a leasehold land. He has let-out the above property and has considered the rent from such property under the head "Income from other sources" and deducted expenses on repairs, security charges, insurance and collection charges in all amounting to 50% of receipts.

**Answer**

(a) Sub-letting receipt is to be assessed as “Income from Other Sources” or as “Profits and gains of business or profession” in hands of Mr. Abhinav, depending upon the facts and circumstances of each case. It is not assessable as income from house property, since one of the conditions for assessing an income under this head is that the assessee should be the owner of the property. In this case, since Abhinav is not the owner of the house property, sub-letting receipt cannot be assessed under the head “Income from house property”.

(b) The rent from such property has been considered under the head “Income from other sources” and the expenses deducted in the hands of Anish.
(b) In this case, the receipt is assessable as “Income from house property” since ownership of land is not a pre-requisite for assessment of income under this head. 30% of Net Annual Value is allowed as a deduction under section 24.

Question 3

Rajesh owns a house in Hyderabad. During the previous year 2010-11, 3/4th portion of the house was self-occupied and 1/4th portion was let out for residential purposes at a rent of Rs.12,000 p.m. The tenant vacated the property on February 28th, 2011. The property was vacant during March, 2011. Rent for the months of January 2011 and February 2011 could not be realised in spite of the owner’s efforts. All the conditions prescribed under Rule 4 are satisfied.

Municipal value of the property is Rs.4,00,000 p.a., fair rent is Rs.4,40,000 p.a. and standard rent is Rs.4,80,000. He paid municipal taxes @10% of municipal value during the year. A loan of Rs.30,00,000 was taken by him during the year 2005 for acquiring the property. Interest on loan paid during the previous year 2010-11 was Rs.1,48,000. Compute Rajesh’s income from house property for the A.Y. 2011-12.

Answer

There are two units of the house. Unit I with 3/4th area is used by Rajesh for self-occupation throughout the year and no benefit is derived from that unit, hence it will be treated as self-occupied and its annual value will be nil. Unit 2 with 1/4th area is let-out during the previous year and its annual value has to be determined as per section 23(1).

**Computation of Income from house property of Mr. Rajesh for the A.Y. 2011-12**

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Amount in rupees</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Unit I (3/4th area – self-occupied)</strong></td>
<td></td>
</tr>
<tr>
<td>Annual Value</td>
<td>Nil</td>
</tr>
<tr>
<td>Less: Deduction u/s 24(b)</td>
<td></td>
</tr>
<tr>
<td>3/4th of Rs.1,48,000</td>
<td>1,11,000</td>
</tr>
<tr>
<td><strong>Income from Unit I (self-occupied)</strong></td>
<td>-1,11,000</td>
</tr>
<tr>
<td><strong>Unit II (1/4th area – let out)</strong></td>
<td></td>
</tr>
<tr>
<td><strong>Computation of GAV</strong></td>
<td></td>
</tr>
<tr>
<td>Step 1 – Computation of Annual Letting Value (ALV)</td>
<td></td>
</tr>
<tr>
<td>ALV = Higher of municipal valuation (MV) and fair rent (FR), but restricted to standard rent (SR). However, in this case, standard rent of Rs.1,20,000 (1/4th of Rs.4,80,000) is more than the higher of MV of Rs.1,00,000 (1/4th of Rs.4,00,000) and FR of</td>
<td></td>
</tr>
</tbody>
</table>
Rs.1,10,000 (1/4th of Rs.4,40,000). Hence the higher of MV and FR is the ALV. In this case, it is the fair rent.

Step 2 – Computation of actual rent received/receivable

12,000×9 = 1,08,000

[The property was let-out for 11 months. However, rent for 2 months i.e. January and February, 2011 could not be realized. As per Explanation to section 23(1), actual rent should not include any amount of rent which is not capable of being realized. Therefore, actual rent has been computed for 9 months]

Step 3 – GAV is the higher of ALV and actual rent received/receivable. However, as per section 23(1)(c), where the let-out property is vacant for part of the year and owing to vacancy, the actual rent is lower than the ALV, then the actual rent received would be the GAV of the property. In this case, the actual rent is lower than the ALV owing to vacancy, since had the property not been vacant in March 2011, the actual rent would have been 1,20,000 (i.e., 1,08,000 + 12,000), which is higher than the ALV of Rs.1,10,000. Therefore, in this case, section 23(1)(c) would apply and the actual rent of Rs.1,08,000 would be the GAV, since it is lower than the ALV owing to vacancy.

Gross Annual Value (GAV) 1,08,000

Less: Municipal taxes paid by the owner during the previous year relating to let-out portion

1/4th of (10% of Rs.4,00,000) = 40000/4 = 10,000

Net Annual Value (NAV) = (1,08,000-10,000) 98,000

Less: Deductions under section 24

(a) 30% of NAV = 30% of Rs.98,000 29,400

(b) Interest paid on borrowed capital (relating to let out portion) [1/4th of Rs.1,48,000] 37,000 66,400

Income from Unit II (let-out) 31,600

Loss under the head “Income from house property” = -1,11,000 + 31,600 -79,400

Question 4

During the financial year 2010-11, Mr. A received a sum of Rs.1,80,000 (Rs.60,000 p.a.) by way of enhancement for the last three years as the Government department (tenant) enhanced the rate of rent with retrospective effect. Will the sum of Rs.1,80,000 be taxable in the assessment year 2011-12? Can it be spread over the last three years?
Direct Tax Laws

Answer
As per section 25B, the arrears of rent shall be taxable in the previous year in which such arrears are received. The assessee shall be allowed deduction @ 30% of such amount received. Further, it is not necessary that the assessee should be owner of such house property in the previous year in which such arrears are received.

As the arrear rent of Rs.1,80,000 is received in the previous year 2010-11, the same is taxable in the A.Y.2011-12. Thus, the net sum of Rs.1,26,000 (i.e. Rs.1,80,000 – Rs.54,000) shall be chargeable to tax under the head “Income from house property”.

There is no provision in the Income-tax Act enabling the assessee to spread over the arrears of rent over the last three years.

Question 5

P, an individual, borrowed Rs.20,00,000 for repair and reconstruction of his self-occupied house property and paid interest of Rs.1,60,000 thereon during the financial year 2010-11. What is the amount of interest allowable as deduction under section 24 for the assessment year 2011-12?

Answer
Section 24(b) provides that where the self-occupied house property has been acquired, constructed, repaired, renewed or reconstructed with borrowed capital, deduction towards interest payable thereon shall not exceed Rs.30,000. Therefore, only Rs.30,000 would be allowed as deduction on account of interest on loan borrowed for repair and reconstruction of self-occupied house property.

The higher limit of Rs.1,50,000 in respect of interest on loan borrowed on or after 1.4.99 would be available only where such loan is borrowed for acquisition or construction of self-occupied property and not for repair or reconstruction of such property.

Question 6

A Hindu undivided family owns a property which has been let out to a firm carrying on business. The family is a partner of the firm through its Karta. No rent has been charged by the HUF from the firm for use of the premises by the firm. The Assessing Officer, however, has taxed the family on the notional income from property based on municipal valuation. Is this decision justified?

Answer
Under section 22, the annual value of a property is chargeable to tax under the head “Income from house property” in the hands of the owner. However, this section specifically excludes property occupied for the purposes of own business or profession of the assessee, the profits of which are chargeable to income-tax. In CIT v. Shri. Champalal Jeevraj (1995) 215 ITR 289
(Mad) it was observed that where the Karta of the HUF is a partner in the firm in his representative capacity and the firm occupied a portion of the house belonging to the HUF, the benefit of exclusion under section 22 was available to the HUF. Accordingly, the annual value of the property shall be ‘nil’ while computing the total income of the HUF. Therefore, in this case, the action of the Assessing Officer is not correct.

Question 7

‘X’, an American national, a resident in India during the financial year 2010-11 owned a building located in New York. The same was on rent @ US $ 12,500 p.m. The Municipal Corporation of New York was paid taxes on such building of US $ 10,000 on 12.2.2011. Besides the above property, he purchased a piece of land at Delhi for construction of a house. The said land was given on rent for running a dairy farm @ Rs.3,000 p.m. w.e.f. 1.10.2010. The value of one US $ in Indian rupee throughout the year remained at Rs.46.50.

‘X’ wants to know his taxable income for assessment year 2011-12.

Answer

For the previous year, Mr. X, an American National, was a resident in India. Accordingly the income received by him by way of rent of the house property located in USA is subject to tax in India. Municipal taxes so paid in the country where the property is situated are also to be allowed as held in the case of CIT v. R. Venugopala Reddiar (1965) 58 ITR 439 by the Madras High Court.

The income chargeable to tax will be as under:-

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Income from House Property</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>House property located in New York.</td>
<td></td>

<tr>
<td>Annual rental value being actual rent received of US $ 12,500 p.m. converted into Indian Rupees @ 46.5</td>
<td>69,75,000</td>
<td></td>
</tr>
<tr>
<td>Less: Municipal taxes paid (US $ 10,000 X 46.5)</td>
<td>4,65,000</td>
<td></td>
</tr>
<tr>
<td>Net Annual Value (NAV)</td>
<td>65,10,000</td>
<td></td>
</tr>
<tr>
<td>Less: Deduction u/s 24 @ 30% of NAV</td>
<td>19,53,000</td>
<td>45,57,000</td>
</tr>
<tr>
<td><strong>Income from other sources</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Rental income from the land located at Delhi given on rent for 6 months</td>
<td>18,000</td>
<td></td>
</tr>
<tr>
<td><strong>Total income</strong></td>
<td></td>
<td>45,75,000</td>
</tr>
</tbody>
</table>

*Note:*

Rent from vacant land is chargeable to tax under the head “Income from other sources”.

5.7
As the students are not expected to know the DTAA between India and any foreign country for the purpose of examination, the provisions of DTAA between India and US has not been considered in the above solution.

Question 8
How do you deal with the following issue under the respective provisions of the Income-tax Act?

The assessee, who was deriving income from “house property”, realised a sum of Rs.52,000 on account of display of advertisement hoardings of various concerns on the roof of the building. He claims that this amount should be considered under the head “House Property” and not under “other sources”.

Answer
This question came up for consideration before the Calcutta High Court in Mukherjee Estate (P) Ltd v. CIT (2000) 244 ITR 1. It was decided that the assessee let out the roof for advertisement for hoarding and that the income cannot be considered as income from house property as hoardings do not form part of the building. Such income is chargeable under the head “Income from other sources”.

Question 9
State the circumstances, when notional income is charged to tax instead of real income under the head “Income from house property”.

Answer
The circumstances when notional income is charged to tax instead of real income under the head “Income from house property” are as under -

(i) Where the assessee owns more than one house property for the purpose of self-occupation, the annual value of any one of those properties, at the option of the assessee, will be Nil and the other properties are deemed as let-out properties for which income has to be computed on notional basis by taking the Annual Letting Value (ALV) as the Gross Annual Value (GAV).

(ii) In the case of let-out property, where the ALV exceeds the actual rent, the ALV is taken as the GAV.

Note – Annual Letting Value is the higher of municipal valuation and fair rent, but restricted to standard rent.
Some Key Points: Recent Amendments

**Section 28(vii)**

Where any sum is received or receivable, in cash or kind, on account of any capital asset, (other than land or goodwill or financial instrument) towards demolition, destruction, discard or transfer is taxable under section 28(vii), if the whole of such expenditure towards the capital asset was allowed earlier as a deduction under section 35AD of the Act.

**Enhanced deduction for in-house research [Section 35(2AB)]**

In the case of a company engaged in the business of bio-technology or in any business of manufacture or production of any article or thing, not being an article or thing specified in the Eleventh Schedule, expenditure (other than capital expenditure in the nature of cost of land or building) towards scientific research which is approved by the prescribed authority, 200% of the expenditure so incurred is eligible for deduction.

**Investment Linked Deduction [Section 35AD]**

The Finance (No.2) Act, 2009 has inserted section 35AD to provide impetus to certain specified businesses and the capital expenditure incurred thereof are deductible against income from such business. The unabsorbed portion of capital expenditure relating to the specified business is eligible for carry forward and set off under section 73A of the Act.

The term ‘specified business’ means any one or more of the following business, namely:–

(i) Setting up and operating a cold chain facility;

(ii) Setting up and operating a warehousing facility for storage of agricultural produce;

(iii) Laying and operating a cross-country natural gas or crude or petroleum oil pipeline network for distribution, including storage facilities being an integral part of such network.

(iv) Building and operating a new hotel of two star or above category as classified by the Central Government.

(v) Building and operating, anywhere in India, a new hospital with at least 100 beds for patients.
(vi) Developing and building a housing project under a scheme for slum redevelopment or rehabilitation framed by the Central Government or State Government, as the case may be, and notified by the Board in this behalf in accordance with the guidelines, as may be prescribed.

**Expanded coverage of eligible business under section 36(1)(viii)**

The Special reserve created and maintained by specific entities of an amount not exceeding 20% of the eligible business is deductible under section 36(1)(viii). The entities eligible for such deduction are (i) financial corporations specified in section 4A of the Companies Act, 1956; (ii) financial corporations which are public sector companies; (iii) banking companies; (iv) co-operative banks other than those eligible for section 80-P deduction; (v) housing finance companies; and (vi) any other financial corporation including public companies.

In respect of entities referred to in (i) to (iv) above the ‘eligible business’ would mean the business of providing long term finance for –

(A) Industrial or agricultural development;

(B) Development of infrastructural facility in India; and

(C) Development of housing in India.

**Extended time for remitting the tax deducted at source [Section 40(a)(ia)]**

The Finance Act, 2010 has amended section 40(a)(ia) with retrospective effect from 01.04.2010 (assessment year 2010-11 onwards) by extending the time limit for remitting the tax deducted at source.

In view of the change, the tax deducted at source if remitted before the ‘due date’ specified in section 139(1), such expenditure on which tax was deducted, would be eligible for deduction.

Where such remittance is made beyond the ‘due date’ specified in section 139(1) then such expenditure is deductible in computing the income of the previous year in which such tax payment was made.

**Written down value for LLP on conversion of a company [Explanation 2C to Section 43(6)]**

When a private company or unlisted company is converted into LLP and the conditions of section 47(xiiib) are satisfied, the actual cost of the block of assets in the case of LLP shall be the WDV of the block of assets as in the case of company on the date of its conversion into LLP. In other words, the WDV of the predecessor viz. company will be adopted as the WDV of the successor viz the LLP.

**Amendment to nullify Doom Dooma India Ltd’s case**

The Apex Court, in *CIT v. Doom Dooma India Ltd* (222 CTR 105) had held that the
language employed in section 43(6)(b) regarding depreciation ‘actually allowed’, where any income is partially agricultural and partially chargeable to tax under the head “Profits and gains of business”, the depreciation deducted in arriving at the taxable income alone can be taken into account for computing the WDV in the subsequent year. It was held that the interpretation is not in accordance with the legislative intent. Accordingly, Explanation 7 to section 43(6) was inserted by the Finance (No.2) Act, 2009 w.e.f. 01.04.2010.

As per the Explanation 7 to section 43(6), where the income of an assessee is in part from agriculture and partly chargeable under the head ‘Profits and gains of business or profession’, for computing the WDV of the asset acquired before the previous year, the total amount of depreciation shall be computed as if the entire income is derived from the business of the assessee under the head ‘Profits and gains of business or profession’ and the depreciation so computed shall be deemed to be the depreciation actually allowed.

**Expanded application of presumptive income [Section of 44AD]**

The Finance (No.2) Act, 2009 has substituted section 44AD w.e.f. 01.04.2011. The extended presumptive income determination scheme replaces the erstwhile section 44AD meant for civil construction contractors and section 44AF meant for retail traders.

As per the newly substituted provision, in the case of an eligible assessee engaged in eligible business, a sum equal to 8% of the total turnover or gross receipt or a sum higher than the aforesaid sum claimed to have been earned by the eligible assessee, shall be deemed to be Profits and Gains of business, which is chargeable to tax under the head ‘Profits and gains of business or profession’.

The following are of the features of the scheme -

(a) The gross receipt should not exceed Rs.60 lakhs in the previous year in which such presumptive income determination is opted for by the assessee.

(b) The provisions of Chapter XVII-C relating to advance payment of tax will not apply.

(c) All expenses and deductions allowable under sections 30 to 38 shall be deemed to have been already given to effect to and no further deduction under those sections shall be allowed.

(d) In the case of firm, deduction under section 40(b) is allowable subject to the conditions contained therein.

(e) ‘eligible assessee’ means an individual or HUF or a partnership firm (other than LLP) and who have not claimed deduction under sections 10A, 10AA, 10B, 10BA or deduction under any provisions of Chapter VI-A under the heading “C – Deductions in respect of certain incomes”, in the relevant assessment year.
Direct Tax Laws

(f) ‘eligible business’ means any business except the business of plying, hiring or leasing goods carriages referred to in section 44AE of the Act.

(g) Section 44AD covers manufacturers, jobworkers, processing industry and wholesalers. It does not cover any notified profession.

Enhanced presumptive income in respect of plying, hiring or leasing of goods carriages [Section 44AE]

The Finance (No.2) Act, 2009 has substituted sub-section (2) to section 44AE and has enhanced the presumptive income from plying, hiring or leasing of goods carriages.

Income from heavy goods vehicles, shall be an amount equal to Rs.5,000 for every month or part of a month during which the vehicle is owned by the assessee in the previous year or an amount claimed to have been actually earned from such vehicle – whichever is higher.

Income from other than heavy goods vehicles, shall be an amount equal to Rs.4,500 for every month or part of a month during which the vehicle is owned by the assessee in the previous year or an amount claimed to have been actually earned from such vehicle – whichever is higher.

Section 44BB and section 44DA are mutually exclusive

The Finance Act, 2010 has clarified that the provisions of section 44BB will not apply to cases were the provisions of section 44DA would apply. Thus, income by way of royalties in the case of non-resident (not being a company) would be governed by section 44DA from the assessment year 2011-12 onwards.

Question 1

Discuss the allowability of the following expenditure while computing income under the head “Profits and gains of business or profession” with the help of decided case laws –

(a) Expenses incurred on partly-convertible debenture; and

(b) Expenditure incurred on MS Office software.

Answer

(a) The Madras High Court has, in CIT v. South India Corporation (Agencies) Ltd. (2007) 290 ITR 217, held that expenditure incurred on partly-convertible debentures is revenue expenditure eligible for deduction while computing business income. The High Court observed that the issue of shares is a future event, which may or may not happen. Since, at present, it is an expenditure incurred on the issue of debentures only, it is revenue expenditure eligible for deduction under section 37(1).

(b) The Delhi High Court has, in CIT v. GE Capital Services Ltd. (2008) 300 ITR 420, held that only customized software can have an enduring value. The High Court observed that
MS Office software is not a customized software. Due to technological changes and the need to upgrade the software on a regular basis, it could not be said that the software is of an enduring nature. Therefore, the expenditure incurred on MS Office software is allowable business expenditure.

**Question 2**

**XYZ Ltd. commenced operations of the business of laying and operating a cross-country natural gas pipeline network for distribution on 1st April, 2010. The company incurred capital expenditure of Rs.32 lakh during the period January to March, 2010 exclusively for the above business, and capitalized the same in its books of account as on 1st April, 2010.**

Further, during the financial year 2010-11, it incurred capital expenditure of Rs.95 lakh (out of which Rs.60 lakh was for acquisition of land) exclusively for the above business. Compute the deduction under section 35AD for the A.Y.2011-12, assuming that XYZ Ltd. has fulfilled all the conditions specified in section 35AD.

**Answer**

The amount of deduction allowable under section 35AD for A.Y.2011-12 would be –

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Capital expenditure incurred during the P.Y.2010-11 (excluding the expenditure incurred on acquisition of land) = Rs.95 lakh – Rs.60 lakh</td>
<td>35 lakh</td>
</tr>
<tr>
<td>Capital expenditure incurred prior to 1.4.2010 (i.e., prior to commencement of business) and capitalized in the books of account as on 1.4.2010</td>
<td>32 lakh</td>
</tr>
<tr>
<td><strong>Total deduction under section 35AD for A.Y.2011-12</strong></td>
<td><strong>67 lakh</strong></td>
</tr>
</tbody>
</table>

**Question 3**

**Mr. A, a civil contractor and builder, paid a compensation of Rs.5 lakh to the tenants for vacating the premises. This was in pursuance of an agreement for development of the property. Mr. A claimed the expenditure as revenue expenditure. Discuss the correctness of the claim of Mr.A. Would the tax treatment of such compensation be different if Mr.A was not a civil contractor?**

**Answer**

The Bombay High Court has, in CIT v. Shriram Buiicons Ltd. (2008) 306 ITR 328, held that any compensation paid to tenants for vacating the premises in the course of business of the assessee, who was a civil contractor and builder, pursuant to an agreement for development of property, was revenue expenditure. However, if the assessee was not a civil contractor, then he would be subject to capital gains tax and the compensation so paid would be allowed as cost of improvement.
Question 4

(a) A Ltd. paid IDBI a lump sum prepayment premium of Rs.1.2 lakh on 7.4.2010 for restructuring its debts and reducing its rate of interest. It claimed the entire sum as business expenditure for the P.Y.2010-11. The Assessing Officer, however, held that the prepayment premium should be amortised over a period of 10 years (being the tenure of the restructured loan), and thus, allowed only 10% of the pre-payment premium in the P.Y.2010-11. Discuss, with reasons, whether the contention of A Ltd. is correct or that of the Assessing Officer.

(b) Explain the tax treatment for depreciation on emergency spares (of plant and machinery) acquired during the year which, even though kept ready for use, have not actually been used during the relevant previous year.

Answer

(a) This issue came up before the Delhi High Court in CIT v. Gujarat Guardian Ltd (2009) 177 Taxman 434. The Court observed that the assessees company’s claim for deduction has to be allowed in one lump sum keeping in view the provisions of section 43B(d), which provide that any sum payable by the assessee as interest on any loan or borrowing from any financial institution shall be allowed to the assessee in the year in which the same is paid, irrespective of the periods, in which the liability to pay such sum is incurred by the assessee according to the method of accounting regularly followed by the assessee. The High Court concurred with the Tribunal’s view supporting the assessee that in terms of section 36(1)(iii) read with section 2(28A), the deduction for pre-payment premium was allowable. Since there was no dispute that prepayment premium paid was nothing but interest and that it was paid to a public financial institution i.e. IDBI, the Court held that, in terms of section 43B(d), the assessee’s claim for deduction has to be allowed in the year in which the payment has actually been made. Therefore, applying the ratio of the above case, the contention of A Ltd. is correct and not that of the Assessing Officer.

Note – Section 36(1)(iii) provides for deduction of interest paid in respect of capital borrowed for the purposes of business or profession. Section 2(28A) defines interest to include, inter alia, any other charge in respect of the moneys borrowed or debt incurred. Section 43B provides for certain deductions to be allowed only on actual payment. From a combined reading of these three sections, it can be inferred that –

(i) pre-payment premium represents interest as per section 2(28A);
(ii) such interest is deductible as business expenditure as per section 36(1)(iii);
(iii) such interest is deductible in one lump-sum on actual payment as per section 43B(d).

(b) This issue was dealt with by the Delhi High Court in CIT v. Insilco Ltd (2009) 179 Taxman 55. The Court observed that the expression “used for the purposes of business”
appearing in section 32 also takes into account emergency spares, which, even though ready for use, yet are not consumed or used during the relevant period. This is because these spares are specific to a fixed asset, namely plant and machinery, and form an integral part of the fixed asset. These spares will, in all probability, be useless once the asset is discarded and will also have to be disposed of. In this sense, the concept of passive use which applies to standby machinery will also apply to emergency spares. Therefore, once the spares are considered as emergency spares required for plant and machinery, the assessee would be entitled to capitalize the entire cost of such spares and claim depreciation thereon.

**Note** – One of the conditions for claim of depreciation is that the asset must be “used for the purpose of business or profession”. In the past, courts have held that, in certain circumstances, an asset can be said to be in use even when it is “kept ready for use”. For example, depreciation can be claimed by a transport company on spare engines kept in store in case of need, though they have not actually been used by the company. Hence, in such cases, the term “use” embraces both active use and passive use for business purposes.

**Question 5**

The business profit of T Ltd., a tea growing and manufacturing company, is Rs.120 lakh (before deduction under section 33AB) for the assessment year 2011-12. It deposits Rs.50 lakh with NABARD for claiming deduction under section 33AB. It wants to claim set-off of brought forward business loss of Rs.40 lakh. Find out the taxable income of T Ltd. for the assessment year 2011-12.

**Answer**

An assessee, engaged in growing and manufacturing tea in India, is entitled to a deduction under section 33AB, in respect of the amount deposited by the assessee to an account maintained with NABARD as per scheme approved by Tea Board, to the extent of lower of the following two amounts –

(i) Amount deposited to the account maintained with NABARD within 6 months from the end of the previous year or before the due date for filing the return of income, whichever is earlier;

(ii) 40% of profits of such business computed under the head “Profits and Gains of Business or Profession” before making any deduction under this section.

The above deduction will be allowed before setting off brought forward business loss under section 72.
## Direct Tax Laws

### Computation of taxable income of T Ltd. for the A.Y.2011-12

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs. in lakh</th>

<td>Nil</td>
</tr>
</tbody>
</table>

**Total Income**

Nil

**Note** - The balance business loss of Rs.11.20 lakh (i.e., Rs.40 lakh – Rs.28.80 lakh) can be carried forward to the next year, assuming that the time limit of 8 years for carry forward of business loss has not expired.

### Question 6

Ishwar is a commission agent receiving commission from his principal. He collected certain amount as deposit towards sales tax and showed the amount so received under the head "Contingency deposit" in the Balance Sheet. He did not deposit the amount to the Government. The Assessing Officer invoked section 43B and added back the said amount to the business income of Ishwar. Examine the correctness of the action of the Assessing Officer.

**Answer**

The facts of the case are similar to that in *Ishwardas Sons v. CIT (2007) 295 ITR 473 (Ker)*. The issue is whether sales tax collected and kept as a contingency deposit can be considered as a trading receipt. The assessee collected certain amount as deposit towards sales tax and showed the amount so collected under the head “contingency deposit” account in the balance sheet. He did not deposit the amount to the Government. The Kerala High Court observed that the amount of sales tax collected formed part of the trading receipts of the assessee. The mere fact that the assessee created a head of account “Contingency Deposit” would not alter the nature of receipt. The High Court held that the sales tax collected by the assessee and shown under the head “Contingency Deposit” had to be considered as a trading receipt and included in the total income of the assessee. The disallowance under section 43B would be
Profits and Gains of Business or Profession

attracted for non-payment of sales tax collected irrespective of the nomenclature used and the accounting head under which it is categorized.

Therefore, the action of the Assessing Officer in adding back the amount by invoking section 43B in this case, is correct.

Question 7

Sea Port Shipping Line, a non-resident foreign company operating its ships on the Indian Ports during the previous year ended on 31.3.2011, had collected freight of Rs.100 lacs, demurrages of Rs.20 lacs and handling charges of Rs.10 lacs inclusive of an amount of Rs.40 lacs collected in US dollars for the cargo booked for JNPT (Mumbai) from Antwerp. The expenses of operating its fleet during the year for the Indian Ports were Rs.110 lacs. The company denies its liability to tax in India. Examine.

Answer

The provisions of section 44B would apply in this case. This section provides that in the case of an assessee, being a non-resident, engaged in the business of operation of ships, a sum equal to 7½% of the aggregate of the following amounts would be deemed to be the profits and gains of such business chargeable to tax under the head “Profits and gains of business or profession”

(i) The amount paid or payable, whether within India or outside, to the assessee or to any person on his behalf on account of the carriage of passengers, livestock, mail or goods shipped at any port in India.

(ii) The amount received or deemed to be received in India by the assessee himself or by any other person on behalf of or on account of the carriage of passengers, livestock, mail or goods shipped at any port outside India.

The above amounts will include demurrage charges and handling charges.

These provisions for computation of the income from the shipping business in case of non-residents would apply notwithstanding anything to the contrary contained in the provisions of sections 28 to 43A of the Income-tax Act.

Therefore, in this case, M/s. Sea Port Shipping Line is required to pay tax in India on the basis of presumptive tax scheme as per the provisions of section 44B. The assessee shall not be entitled to set off any of the expenses incurred for earning of such income. Therefore, the Shipping Line is required to pay tax @ 7½% on the total receipts of Rs.130 lacs i.e., Rs.9.75 lacs.

Question 8

Examine critically in the context of provisions contained in Income-tax Act, 1961 as to the correctness of the action or the treatment given in each of the following cases:

(a) Singhal Sons Mines, for acquiring rights for extracting minerals, had taken a mine on
lease basis w.e.f. 01.09.10 for a period of 15 years from Mr. Naresh against an amount of Rs.30 lacs payable in three equal installments on 31.08.10, 31.08.11 and 31.08.12. Amount of Rs.10 lacs paid on 31.08.10 was charged as an expense in the mining account.

(b) XYZ is engaged in the business of sale of Zinc Concentrate in India and in U.K. markets. The company valued its closing stock on 31.03.11 on the basis of the price prevailing in London Metallic Exchange instead of price in the domestic market, as the price in London Metallic Exchange was lesser than the Indian rate.

Answer

(a) The assessee had acquired the mining rights after entering into the lease agreement against the payment of lease money in 3 installments. The assessee firm had charged the payment of Rs.10 lacs made on 31.8.2010 in the previous year as revenue expenditure. The Apex Court, in the case of Enterprising Enterprises v. DCIT (2007) 293 ITR 437, on identical facts, had held that the payment of royalty or rent for the mining lease falls under revenue expenditure where it is paid on a year to year basis, but where the lease money is paid either one time or in installments then the same would be a capital expenditure. Accordingly, the amount of Rs.10 lacs charged by the assessee in the mining account will not be allowed as revenue expenditure but shall be treated as capital expenditure.

(b) The Supreme Court, in the case of Hindustan Zinc Limited v. CIT (2007) 295 ITR 453, observed that it was generally accepted as a rule of commercial practice and accountancy that the closing stock has to be valued on the basis of cost or market price, whichever is lower, and there should be no writing down in the value of goods except when there was an actual or anticipated loss. In that case, the assessee was engaged only in domestic business activities and no export had taken place during the relevant previous year. Accordingly, the Supreme Court held that writing down the value of Zinc Concentrate by adopting the price of London Metallic Exchange as its net realizable value is incorrect as the same does not correspond with the term “actual or anticipated loss” in any manner, because prices in the domestic market were higher.

Therefore, in the case on hand, the action of the assessee to value the closing stock on the basis of the prices prevailing in the London Metallic Exchange is not correct, assuming that in this case also, the assessee was engaged only in domestic business activities and no export had taken place during the relevant previous year. Hence, the assessee is required to adopt the net realizable value of the goods held in the closing stock, being the market price prevailing in the domestic market, when the same is less than the cost price, for valuation of its closing stock.

Question 9

(a) Meghna Film Distributors have acquired the rights of exhibition of a feature film 'Nasha' in the territory of Rajasthan from the producers under an agreement executed on
11.06.10 against a consideration of Rs.300 lacs. It thereafter executed a sub-agreement with a distributor to whom the rights of exhibition of the film in some of the areas of Rajasthan were assigned against an amount of Rs.100 lacs. The film was released for exhibition on commercial basis on 25.12.10. Collection from the exhibition of film of "Meghna Film Distributors" for 25.12.2010 to 10.01.2011 was Rs.50 lacs and thereafter up to 31.03.2011 was Rs.190 lacs.

It asks you to clarify as to how these transactions will be reflected in the Income-tax return for A.Y. 2011-12. Would your answer be different if the film was released for exhibition on 11.01.2011?

(b) What meaning has been assigned to “Speculative transaction”? Narrate those transactions which shall not be treated as speculative transactions under the Income-tax Act, 1961.

Answer

(a) Meghna Film Distributors is engaged in the business of exhibition of feature films after taking the rights from the producers. The profits and gains of such business are to be computed as per the provisions given in Rule 9B of the Income-tax Rules.

Accordingly, the profits shall be worked out after deducting the amount paid towards cost of acquisition of film by the film distributor to the producer from the amount recovered by giving the rights of exhibition of film to sub-distributors and the receipts from exhibition of the feature films on commercial basis by the distributor himself where the film was released for exhibition on commercial basis before 90 days from the end of the financial year. If the film is not so released at least 90 days before the end of such previous year, the cost of acquisition shall be allowed to the extent of the amount realized by the film distributor and the balance shall be carried forwarded to the next following previous year and allowed as deduction in that year.

In the present problem, the agreement was executed on 11.06.2010 and the film also stands released for exhibition on commercial basis before 90 days from the end of the financial year i.e., on 25.12.10. Accordingly, the profit of the assessee will be computed as under: -

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Collection from exhibition of film (Rs.50 lacs + Rs.190 lacs)</td>
<td>240 lacs</td>
</tr>
<tr>
<td>Collection from sub-distributor</td>
<td>100 lacs</td>
</tr>
<tr>
<td></td>
<td>340 lacs</td>
</tr>
<tr>
<td><strong>Less : Cost of acquisition</strong></td>
<td></td>
</tr>
<tr>
<td>Amount paid to producer for exhibition rights of the film</td>
<td>300 lacs</td>
</tr>
<tr>
<td>Net income of film “Nasha”</td>
<td>40 lacs</td>
</tr>
</tbody>
</table>
Release of film for exhibition on commercial basis on 11.1.2011:
(i.e., less than 90 days before the end of the previous year 2010-11). In this case, the profits of the assessee will be as under :-

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Collection from exhibition of film</td>
<td>190 lacs</td>
</tr>
<tr>
<td>Collection from sub-distributor</td>
<td>100 lacs</td>
</tr>
<tr>
<td></td>
<td>290 lacs</td>
</tr>
</tbody>
</table>

Less : Cost of acquisition
Amount paid to producer for exhibition rights of the film (Rs.300 lakh, but restricted to Rs.290 lakh) 290 lacs

Net income of film “Nasha” Nil

The balance of Rs.10 lakh (i.e., Rs.300 lakh – Rs.290 lakh) has to be carried forward to the next following previous year and allowed as a deduction in that year i.e., P.Y.2011-12.

(b) According to section 43(5), the expression "speculative transaction" means a transaction in which a contract for the purchase or sale of any commodity, including stocks and shares, is periodically or ultimately settled otherwise than by the actual delivery or transfer of the commodity or scrips.

The following transactions shall not be deemed to be speculative transactions:

(i) a contract in respect of raw materials or merchandise entered into by a person in the course of his manufacturing or merchanting business to guard against loss through future price fluctuations in respect of his contracts for the actual delivery of goods manufactured by him or merchandise sold by him; or

(ii) a contract in respect of stocks and shares entered into by a dealer or investor therein to guard against loss in his holdings of stocks and shares through price fluctuations; or

(iii) a contract entered into by a member of a forward market or a stock exchange in the course of any transaction in the nature of jobbing or arbitrage to guard against loss which may arise in the ordinary course of his business as such member; or

(iv) an eligible transaction in respect of trading in derivatives carried out in a recognized stock exchange.

Question 10
Work out the taxable income for A.Y. 2011-12 of a partnership firm engaged in retail trade from the following particulars:

(i) Net profit of Rs.3,65,000 arrived at after debit of interest on capital of partners of Rs.1,80,000 and salaries to working partners of Rs.4,80,000.
(ii) Total capital of the partners on which interest paid is debited in the profit and loss account was Rs. 10,00,000.

**Answer**

Computation of taxable income of the partnership firm for A.Y. 2011-12

</tr>
</tbody>
</table>

Less: Admissible amount of salary as a percentage of book profits or actual paid, whichever is less

- 90% of Rs.3,00,000: 2,70,000
- 60% on the balance Rs.6,05,000: 3,63,000

(a) Salary as per limits prescribed in section 40(b): 6,33,000

(b) Actual salary paid and authorized by the deed: 4,80,000

**Least of the above is deductible**: 4,80,000

**Taxable Income**: 4,25,000

**Question 11**

Intelysis Limited charged depreciation on its fixed assets at the rates prescribed in the Income-tax Rules in its accounts consistently. The Assessing Officer disallowed the same and considered depreciation computed at the rates prescribed in the Companies Act, 1956, for the purpose of computation of 'book profit' under section 115JB of the Income-tax Act for the assessment year 2011-12. Examine the correctness of the action of the Assessing Officer.

**Answer**

This issue was settled by the Supreme Court in *Malayala Manorama Co. Ltd. v. CIT (2008) 300 ITR 251*. The Apex Court observed that for the purpose of computation of book profit under section 115JB, the Assessing Officer’s power is restricted to examining whether the books of account are certified by the authorities under the Companies Act as having been properly maintained in accordance with the Companies Act. Thereafter, he only has the
limited power of making additions and deductions as provided for in Explanation 1 to section 115JB. The Assessing Officer does not have the jurisdiction to go behind the net profit shown in the profit and loss account except to the extent provided in Explanation 1 to section 115JB.

Where an assessee is consistently charging depreciation in its books of account at the rates prescribed in Income-tax Rules and the accounts of the assessee have been prepared and certified as per the provisions of the Companies Act, the Assessing Officer does not have any jurisdiction under section 115JB to rework the net profit of the assessee by substituting the rates of depreciation prescribed under the Companies Act.

Applying the ratio of the Supreme Court decision to this case, it may be concluded that the action of the Assessing Officer is not correct.

Note - The rates of depreciation prescribed in Schedule XIV to the Companies Act are the minimum rates at which depreciation is to be charged in the profit & loss account. The rates prescribed in the Income-tax Rules are higher than those prescribed in the Companies Act. A company is, therefore, not precluded from adopting higher rates of depreciation, if the circumstances justify. Thus, even if a company adopts the higher rates of depreciation prescribed in the Income-tax Rules, it can be said that the company has prepared the accounts in the manner provided under the Companies Act.

Question 12

'X' Ltd., transferred its fertilizer business to a new company 'Y' Ltd., by way of demerger with effect from appointed date of 1.4.2010 after satisfying the conditions of demerger. Further information given:

(a) WDV of the entire block of plant and machinery held by 'X' Ltd. as on 1.4.2010 is Rs. 100 crores;
(b) Out of the above, WDV of block of plant and machinery of fertilizer division is 70 crores;
(c) 'X' Ltd. has unabsorbed depreciation of Rs.50 lakhs as at 31.3.2010;

On the above facts:

(i) You are required to explain the provisions of the income-tax as to the allowability of depreciation, post-merger, in the hands of 'X' Ltd. and 'Y' Ltd. as at 31.3.2010 duly calculating the depreciation.

(ii) State how the unabsorbed depreciation has to be dealt with for the assessment year 2011-12.

Answer

(i) In the case of a demerger, satisfying the conditions as laid down in section 2(19AA), the depreciation claim is governed by the provisions as under:

(1) As per the Explanation 7A of section 43(1), where in a scheme of demerger, if the demerged company transfers any capital asset to the resulting company, being an
Indian company, the actual cost of the capital asset transferred shall be taken to be the same as it would have been if the demerged company had continued to hold the capital asset for the purpose of its own business.

(2) The resulting company will be entitled to depreciation on the written down value of the block of assets transferred to it, which will be the written down value of the transferred assets of the demerged company immediately before the demerger [Explanation 2B to section 43(6)].

(3) *Explanation 2A to section 43(6)* provides that the written down value of the block of assets in the hands of the demerged company shall be the written down value of the block of assets of the demerged company for the immediately preceding previous year as reduced by the written down value of the assets transferred to the resulting company pursuant to the demerger.

(4) As per the above provisions, the calculation of depreciation on plant and machinery in the hands of 'X' Ltd. and 'Y' Ltd. is as under:

<table>
<thead>
<tr>
<th>WDV of plant and machinery</th>
<th>'X' Ltd.</th>
<th>'Y' Ltd.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Rs. in crores</td>
<td></td>
<td></td>
</tr>
<tr>
<td>As at 1st April, 2010</td>
<td>30.00</td>
<td>70.00</td>
</tr>
<tr>
<td>Less: Depreciation @ 15%</td>
<td>4.50</td>
<td>10.50</td>
</tr>
<tr>
<td>WDV as at 31st March, 2011</td>
<td>25.50</td>
<td>59.50</td>
</tr>
</tbody>
</table>

Note – It is presumed that Y Ltd. is an Indian company

(ii) **Set-off of unabsorbed depreciation:**

(i) As per section 72A(4), on demerger, the unabsorbed depreciation directly relatable to the undertakings transferred to the resulting company is allowed to be carried forward and set off in the hands of the resulting company.

(ii) Where such unabsorbed depreciation is not directly relatable to the undertaking transferred to the resulting company, it has to be apportioned between the demerged company and the resulting company in the same proportion in which the assets of the undertakings have been retained by the demerged company and transferred to the resulting company.

(iii) The demerged company and the resulting company would be allowed to carry forward and set-off their respective portion of unabsorbed depreciation, as calculated above, for an unlimited period as per section 32(2).

**Question 13**

*Specify all those public facilities which have been notified by CBDT as infrastructure facility for the purpose of section 36(1)(viii).*

6.15
Direct Tax Laws

Answer

The CBDT, vide Notification No. SO 1153(E) dated 20.07.2006, has notified the following public facilities as infrastructure facility for the purpose of section 36(1)(viii):

1. Inland Container Depot and Container Freight Station notified under the Customs Act, 1962
2. Mass Rapid Transit system
3. Light Rail Transit system
4. Expressways
5. Intra-urban or semi-urban roads like ring roads or urban by-passes or flyovers
6. Bus and truck terminals
7. Subways
8. Road dividers
9. Bulk Handling Terminals which are developed or maintained or operated for development of rail system
10. Multilevel Computerised Car Parking.

Question 14

M/s. Nagdiwala Enterprises, a partnership firm constituted by a doctor and a non-doctor engaged in running a multispeciality hospital, seeks your opinion in the context of provisions of the Act as to allowability/chargeability of the following transactions for preparing its return for A.Y. 2011-12:

(a) Depreciation on the instruments, imported from U.K. for Rs.2 lacs cleared by customs on 22.3.2011 on payment of duty of Rs.1 lakh, installed and ready for use on 26.3.2011. Only one operation with the help of such instruments was performed till 31.3.2011.

(b) The book profits calculated as per section 40(b) are Rs.3 lacs and payment of salary to working partners was Rs.1 lakh. Clause for payment of salary to working partners though appears in the deed, but the same is silent as to quantum and the manner of distribution.

(c) Salary of Rs.10,000 p.m. paid to the wife of a partner for working as an anesthesist. The normal salary of an anesthesist in the town is Rs.7,500 p.m. or less.

(d) Purchase of medicines in cash on 18.12.2010 for Rs.35,000.

(e) Revenue expenditure of Rs.10,000 incurred for promoting family planning amongst its employees.
Provisions and Gains of Business or Profession

(f) Interest of Rs.3,000 paid on an overdraft of Rs.1 lac taken for making payment of installment of advance tax of Rs.1.25 lacs.

Answer

The allowability/chargeability of each of the transactions entered into by M/s Nagdiwala Enterprises for the purpose of computation of income for Assessment Year 2011-12 shall be as under:-

(a) The surgical instruments used by a firm engaged in the business of running a hospital are covered under the category of Plant & Machinery, on which the rate of depreciation is 15%. The depreciation on the instruments imported from U.K. is allowable to the firm since the same were put to use during the previous year ended on 31.3.11 because of performing of one operation. However, the same were used in the previous year for less than 180 days and accordingly the allowable depreciation will be one half of the normal depreciation. The cost of instruments is Rs.3 lakh and the amount of depreciation thereon works out to Rs.22,500 [3,00,000 × 15% × 50%].

(b) As per section 40(b), payment of remuneration to a working partner is allowable as deduction only if it is authorised by and in accordance with the terms of the partnership deed. CBDT Circular No.739 dated 25.3.96 clarifies that no deduction in respect of remuneration paid to partners is allowable unless the partnership deed either specifies the amount of remuneration payable to each individual working partner or lays down the manner of quantifying such remuneration. If the partnership deed contains a clause for payment of salary to working partners without specifying the manner of quantification or manner of distribution of such salary, the payment of salary to the working partners cannot be construed to be authorised by and in accordance with the partnership deed.

(c) Section 40A(2) provides that if any expenditure in respect of which payment has been made to, inter alia, any relative of the partner of a firm and the Assessing Officer is of the opinion that such expenditure is excessive or unreasonable having regard to the fair market value of the services for which the payment is made, then disallowance under this section is attracted to the extent the same is excessive or unreasonable. In this case, salary of Rs.10,000 p.m. is paid to the partner’s wife, who is working as an anesthetist. The fair market value of a similar service is Rs.7500 p.m. Therefore, disallowance under section 40A(2) is attracted to the extent of Rs.2500 p.m., since to that extent, the same is excessive.

(d) Section 40A(3) provides for 100% disallowance of an expenditure, in respect of which payment is made in a sum exceeding Rs.20,000 otherwise than by way of account payee cheque or account payee bank draft. Therefore, the entire amount of Rs.35,000 incurred for purchase of medicines in cash is disallowed under section 40A(3).
(e) Section 36(1)(ix) provides for deduction in respect of expenditure incurred by companies to promote family planning amongst its employees. However, since the assessee in this case is a partnership firm, such expenses are not allowable as deduction under section 36(1)(ix).

(f) Interest on the overdraft taken for making payment of installment of advance tax is not allowable under section 37(1) since it is not an expenditure wholly and exclusively incurred for the purpose of business as held by the Apex Court in the case of East India Pharmaceutical Works Ltd. v. CIT (1997) 224 ITR 627.

Question 15

Raja Ltd., made a provision on 31.3.11 of Rs.85,500 against a bill of supplier of raw material by charging the amount to profit and loss account and claimed deduction thereof while computing the income chargeable to tax for A.Y. 2011-12. The amount of Rs.40,000 not paid to the party till 31.3.11 was paid in cash on 11.6.11. The Assessing Officer issued show cause notice to the company to rectify the computation of income for the A.Y. 2011-12 on account of payment made in cash on 11.6.11.

Can the Assessing Officer do so?

Answer

Section 40A(3A) provides that where an allowance has been made in the assessment for any year in respect of any liability for any expenditure incurred by the assessee and subsequently, during any previous year, the assessee makes any payment in respect of such liability in a sum exceeding Rs.20,000 otherwise than by an account payee cheque drawn on a bank or by an account payee bank draft, the payment so made shall be deemed to be profits and gains of business or profession of the subsequent year.

Section 40A(3A) is attracted in this case since the company has made a cash payment of Rs.40,000 in respect of a liability incurred and allowed earlier. Accordingly, Rs.40000/-, will be added in the computation of income for the A.Y.2012-13 (considering that the payment was made on 11.06.2011).

The action of the Assessing Officer to issue show cause notice to rectify the computation of income of earlier assessment year is not valid. The payment would go to increase the assessable income of the assessee for the previous year relevant to the assessment year in which such payment is made.

Question 16

“Easy Call Ltd.”, to provide telecom services in Mumbai, obtained a licence on 11.4.2008 for a period of 10 years ending on 31.3.2018 against a fee of Rs.27 lacs to be paid in 3 installments of Rs.10 lacs, 9 lacs and 8 lacs by April, 2008, April, 2009 and April, 2010 respectively.

Explain, how the payment made for licence fee shall be dealt with under the Income-tax Act, 1961 and work out the amount, if any, deductible in this respect out of income chargeable to tax for A.Y. 2011-12.
Answer

The payment made for acquiring the licence to operate telecom services in Mumbai shall be subject to deduction as per the scheme in section 35ABB. As per section 35ABB, any amount actually paid for obtaining licence to operate telecommunication services shall be allowed as deduction in equal installments during the number of years for which the license is in force. If the payment is made before the commencement of business, the deduction shall be allowed beginning with the year of commencement of business. In any other case, it will be allowed commencing from the year of payment. Deduction shall be allowed up to the year in which the license shall cease to be in force.

The amount of deduction available for A.Y. 2011-12 is Rs.3 lakh as worked out below:-

<table>
<thead>
<tr>
<th>Previous year of payment</th>
<th>Unexpired period of license</th>
<th>Installment paid (Rs.)</th>
<th>Deduction in respect of each installment (Rs.)</th>
</tr>
</thead>
<tbody>
<tr>
<td>2008-09</td>
<td>10 years</td>
<td>10,00,000</td>
<td>1,00,000</td>
</tr>
<tr>
<td>2009-10</td>
<td>9 years</td>
<td>9,00,000</td>
<td>1,00,000</td>
</tr>
<tr>
<td>2010-11</td>
<td>8 years</td>
<td>8,00,000</td>
<td>1,00,000</td>
</tr>
</tbody>
</table>

The deduction under section 35ABB from assessment year 2011-12 onwards till A.Y. 2018-19 will be Rs.3 lakh each year.

Note – It is assumed that the company has commenced business during the P.Y.2008-09.

Question 17

GP Ltd. was incorporated on 31.12.2009 for manufacture of tyres and tubes for motor vehicles. The manufacturing unit was set up on 30.4.2010. The company commenced its manufacturing operations on 1.5.2010. The total cost of the plant and machinery installed in the unit is Rs.100 crores. The said plant and machinery included second hand plant and machinery bought for Rs.10 crores and new plant and machinery for scientific research relating to the business of the assessee acquired at a cost of Rs.10 crores.

Compute the amount of depreciation allowable under section 32 of the Income-tax Act, 1961 in respect of the assessment year 2011-12. Furnish explanations in support of your computation.

Answer

Computation of depreciation allowable for the A.Y. 2011-12 in the hands of GP Ltd.

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs. in crores</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total cost of plant and machinery</td>
<td>100.00</td>
</tr>
<tr>
<td>Less: Used for Scientific Research (Note 1)</td>
<td>10.00</td>
</tr>
</tbody>
</table>
Normal Depreciation @ 15% on Rs.90 crores

Additional Depreciation:

Cost of plant and machinery

Less: Second hand plant and machinery (Note 2)

Plant and machinery used for scientific research, the whole of the actual cost of which is allowable as deduction under section 35(2)(ia) (Note 2)

Additional Depreciation @ 20%

Depreciation allowable for A.Y.2011-12

Notes:

1. As per section 35(2)(iv), no depreciation shall be allowed in respect of plant and machinery purchased for scientific research relating to assessee’s business, since the entire expenditure is deductible under section 35.

2. As per section 32(1)(iia), additional depreciation is allowable in the case of any new machinery or plant acquired and installed after 31.3.2005 by an assessee engaged in the business of manufacture or production of any article or thing, at the rate of 20% of the actual cost of such machinery or plant.

However, additional depreciation shall not be allowed in respect of, inter alia, –

(i) any machinery or plant which, before its installation by the assessee, was used either within or outside India by any other person;

(ii) any machinery or plant, the whole of the actual cost of which is allowed as a deduction (whether by way of depreciation or otherwise) in computing the income chargeable under the head “Profit and gains of business or profession” of any one previous year.

In view of the above provisions, additional depreciation cannot be claimed in respect of -

(i) Second hand plant and machinery; and

(ii) New plant and machinery purchased for scientific research relating to assessee’s business in respect of which the whole of the capital expenditure can be claimed as deduction under section 35(1)(iv) read with section 35(2)(ia).
Question 18

Mr. Sunil carried on the business of purchase and sale of agricultural commodities like paddy, wheat, etc. He borrowed loans from Punjab State Financial Corporation and State Bank of India and has not paid interest as detailed hereunder:

Rs.

(i) Punjab State Financial Corporation
(Previous years 2007-08, 2008-09 & 2009-10) 36,00,000
(ii) State Bank of India (Previous years 2008-09 & 2009-10) 72,00,000

1,08,00,000

Both Punjab State Financial Corporation and State Bank of India, while restructuring the loan facilities of Sunil during the financial year 2010-11, converted the above interest arrear as loan repayable in 36 equal instalments.

During the year ended 31.3.2011, Sunil paid six instalments to Punjab State Financial Corporation and five instalments to State Bank of India.

Sunil claimed the entire interest of Rs.1,08,00,000 as an expenditure while computing the income from business of purchase and sale of agricultural commodities for the financial year 2010-11.

Discuss whether his claim is valid and if not, what is the amount of interest, if any, allowable.

Answer

Section 43B allows deduction only on “payment” basis in respect of certain expenditure specified therein, irrespective of the method of accounting followed by the assessee. Such expenditure would be allowed as deduction in the previous year in which the liability to pay such sum was incurred only if the payment is made on or before the due date for filing the return of income under section 139(1). If the payment is made after the stipulated due date, deduction can be claimed only in the year of actual payment. Such specified expenditure include, inter alia,

(1) interest on loan or borrowing from any public financial institution or a State financial corporation or a State industrial investment corporation; and

(2) interest on any loan or advances from a scheduled bank.

A clarification has been given by way of Explanations 3C and 3D in section 43B. These Explanations clarify that if any sum payable by the assessee as interest on any such loan or borrowing or advance is converted into a loan or borrowing or advance, the interest so converted and not “actually paid” shall not be deemed as actual payment, and hence would not be allowed as deduction. The clarificatory explanations reiterate the rationale that conversion of interest into a loan or borrowing or advance does not amount to actual payment.
Therefore, Rs.1,08,00,000, being the aggregate of interest on loan (from a State Financial Corporation and a scheduled bank) converted into loan will not be allowed as deduction. Consequently, the claim of Mr. Sunil is not valid.

The manner in which the converted interest will be allowed as deduction has been clarified in Circular No.7/2006 dated 17th July, 2006. The unpaid interest, whenever actually paid to the bank or financial institution, will be in the nature of revenue expenditure deserving deduction in the computation of income. Therefore, irrespective of the nomenclature, the deduction will be allowed in the previous year in which the converted interest is actually paid.

Hence, the repayment of Rs.16,00,000 during the financial the year 2010-11, as detailed hereunder, will be allowed as deduction while computing the business income of Mr. Sunil in the assessment year 2011-12.

<table>

Question 19

Mr. Q, a non-resident, operates an aircraft between Singapore and Chennai. He received the following amounts in the course of the business of operation of aircraft during the year ending 31.3.2011:

(i) Rs.2 crores in India on account of carriage of passengers from Chennai.
(ii) Rs.1 crore in India on account of carriage of goods from Chennai.
(iii) Rs.3 crores in India on account of carriage of passengers from Singapore.
(iv) Rs.1 crore in Singapore on account of carriage of passengers from Chennai.

The total expenditure incurred by Mr. Q for the purposes of the business during the year ending 31.3.2011 was Rs.6.75 crores.

Compute the income of Mr. Q chargeable to tax in India under the head “Profits and gains of business or profession” for the assessment year 2011-12.

Answer

Section 44BBA incorporates special provisions for computing profits and gains of the business of operation of aircraft in the case of non-residents. Section 44BBA starts with a non-obstante clause. Therefore, section 44BBA overrides the provisions contained in sections 28 to 43A. As such, the business income of Mr. Q is required to be computed in accordance with the provisions of section 44BBA.
Under section 44BBA(1), a sum equal to 5% of the aggregate of the amounts specified in sub-section (2) is deemed to be the profits and gains chargeable to tax under the head "Profits and gains of business or profession". Sub-section (2) specifies the following amounts -

(a) the amount paid or payable, whether in or out of India, to the assessee or to any person on his behalf on account of the carriage of passengers, livestock, mail or goods from any place in India; and

(b) the amount received or deemed to be received in India by or on behalf of the assessee on account of the carriage of passengers, livestock, mail or goods from any place outside India.

Keeping in view the provisions of section 44BBA, the income of Mr. Q chargeable to tax in India under the head "Profits and gains of business or profession" is worked out hereunder -

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Amount received in India on account of carriage of passengers from Chennai</td>
<td>2,00,00,000</td>
</tr>
<tr>
<td>Amount received in India on account of carriage of goods from Chennai</td>
<td>1,00,00,000</td>
</tr>
<tr>
<td>Amount received in India on account of carriage of passengers from Singapore</td>
<td>3,00,00,000</td>
</tr>
<tr>
<td>Amount received in Singapore on account of carriage of passengers from Chennai</td>
<td>1,00,00,000</td>
</tr>
</tbody>
</table>

Income from business under section 44BBA at 5% of Rs.7,00,00,000 is Rs.35,00,000, which is the income of Mr. Q chargeable to tax in India under the head “Profits and gains of business or profession” for the A.Y.2011-12.

**Question 20**

*XYZ Ltd. incurred expenditure amounting to Rs.3,00,000 in connection with the issue of rights shares and Rs.2,00,000 in connection with the issue of bonus shares during the year ending 31.3.2011. The company seeks your opinion in the matter of eligibility for deduction of the expenditure incurred from its business profits for the assessment year 2011-12.*

**Answer**

The Supreme Court has, in *Brooke Bond India Ltd. v. CIT (1997) 225 ITR 798 (SC)*, held that expenditure incurred by a company in connection with issue of shares with a view to increase its share capital is directly related to the expansion of its capital base and, therefore, constitutes a capital expenditure. The issue of rights shares results in expansion of the capital base of XYZ Ltd. Hence, expenditure of Rs. 3,00,000 incurred by the company in connection with the issue of rights shares is a capital expenditure and is not allowable as a business expenditure.
On the other hand, the issue of bonus shares does not result in inflow of fresh funds or increase in the capital employed. It is merely capitalization of reserves. The issue of bonus shares does not expand the capital base of the company. The total funds available with the company and its capital structure will remain the same on issue of bonus shares. The Supreme Court, in CIT v. General Insurance Corporation (2006) 286 ITR 232, considered this effect of issue of bonus shares and ruled that expenditure incurred in connection with the issue of bonus shares was allowable as revenue expenditure. Hence, the expenditure amounting to Rs.2,00,000 incurred in connection with the issue of bonus shares is deductible from its business profits for the assessment year 2011-12.

Question 21

What is an adventure in the nature of trade? State the factors which are relevant in deciding whether a transaction is an adventure in the nature of trade.

Answer

The term “business” has been defined in section 2(13) of the Income-tax Act, 1961 to include any trade, commerce or manufacture or any adventure or concern in the nature of trade, commerce or manufacture. Adventure in the nature of trade implies that the adventure has the characteristics of trade but not all of them. That indeed is the distinguishing mark of an adventure since if it possessed all the characteristics, it would be a full blown trade straightaway.

The Supreme Court has, in G. Venkataswami Naidu & Co. v. CIT (1959) 35 ITR 594 and CIT v. H. Holck Larsen (1986) 160 ITR 67, identified certain factors which are relevant in deciding whether a transaction is an adventure in the nature of trade.

In deciding whether a transaction is an adventure in the nature of trade, several factors are relevant such as, the motive, intention or purpose with which the article sold was bought earlier, the character of articles purchased and sold, that is, whether the articles are fit for sale as merchandise, ordinary occupation of the assessee, that is, whether he is a trader or not, whether the purchase of the commodity and its resale were allied to his usual trade or incidental to it, quantity of the commodity purchased and sold, acts prior to purchase showing a design or purpose, manner of disposal, similarity of transactions to operations usually associated with trade or business, repetition of transactions, period of holding, circumstances that led to the sale, treatment in books of account etc. In each case, it is the total effect of all relevant factors and circumstances that determine the character of the transaction.

Question 22

A Hindu undivided family is carrying on the business of purchase and sale of food grains. The Karta of the family manages the business. Can the Hindu undivided family pay salary to the Karta and claim the payment made as a deduction from the profits of its business? If so, what are the conditions and limitations for such payment?
The Supreme Court has, in *Jugal Kishore Baldeo Sahai v. CIT* (1967) 63 ITR 238, held that if remuneration is paid to the karta of a Hindu undivided family (HUF) under –

(i) a valid agreement which is bona fide and

(ii) is in the interest of, and expedient for, the business of the family and

(iii) the payment is genuine and not excessive,

such remuneration would be an expenditure laid out wholly and exclusively for the purpose of business of the family and would be allowable as a deduction while computing the income of the HUF. The test which should be applied for judging what is a valid agreement is, whether the agreement for payment of salary to the karta was by or on behalf of all the members of the family and whether it was in the interests of the business of the family so that it could be justified on the grounds of commercial expediency.

Thus, the HUF can pay salary to the karta for services rendered by him to the business of the family under a valid agreement, which may be expressed or implied. Such payment will be eligible for deduction from the business profits of the HUF, if it is not excessive and is not unreasonable.

**Question 23**

*X Ltd., is a company engaged in the business of growing, manufacturing and selling of tea.*

*For the accounting year ended 31st March, 2011, its composite business profits, before an adjustment under section 33AB of the Income-tax Act, were Rs.60 lakhs. In the year, it deposited Rs.25 lakhs with NABARD.*

*The company has a business loss of Rs.10 lakhs brought forward from the previous year.*

*The company withdrew in February, 2011 Rs.20 lakhs from the deposit account to buy a non-depreciable asset for Rs.18 lakhs and could not use the balance before the end of the accounting year. The withdrawal and the purchase were under a scheme approved by the Tea Board.*

*The non-depreciable asset was sold in November, 2011 for Rs.29 lakhs.*

*Indicate clearly the tax consequences of the above transactions and the total income for the relevant years.*

**Answer**

**Computation of total income of X Ltd. for A.Y.2011-12**

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Composite profits before allowing deduction under section 33AB</td>
<td>60,00,000</td>
</tr>
<tr>
<td>Less: Deduction u/s 33AB</td>
<td></td>
</tr>
<tr>
<td>[Lower of 40% of Rs.60 lakhs (i.e. Rs.24 lakhs) or the actual amount deposited with NABARD (i.e. Rs.25 lakhs)]</td>
<td>24,00,000</td>
</tr>
<tr>
<td></td>
<td>36,00,000</td>
</tr>
</tbody>
</table>
As per Rule 8 of Income-tax Rules, 40% of this sum is subject to income-tax and the balance 60% is treated as agricultural income. Hence, the business income is 40% of Rs.36 lakhs

Add: Non-utilisation of amount withdrawn: [i.e.(Rs.20 lakhs – Rs.18 lakhs)] x 40% (See Note 1) 80,000

Business income 15,20,000
Less: Business loss brought forward from the previous year 10,00,000

Total income 5,20,000

(ii) Computation of total income of X Ltd. for A.Y.2012-13

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Business income (See Note 2)</td>
<td>7,20,000</td>
</tr>
<tr>
<td>Capital gains (Short-term) (See Note 3)</td>
<td>11,00,000</td>
</tr>
<tr>
<td><strong>Total Income</strong></td>
<td><strong>18,20,000</strong></td>
</tr>
</tbody>
</table>

Note 1
As per section 33AB amount withdrawn from deposit account maintained under this section if not utilized either wholly or in part, within that previous year, the whole of such amount which is not so utilized shall be deemed to be profits and gains of business and accordingly chargeable to income-tax as the income of that previous year [Section 33AB(7)].

Note 2 - Computation of business income
Since the asset is sold within 8 years, the cost of the asset i.e. Rs. 18 lakhs should be treated as income since the same has been allowed as deduction in the assessment year 2011-12.

However, out of this Rs.18 lakhs, 60% would be agricultural income and the balance 40% i.e. Rs.7.2 lakhs would be business income of A.Y.2012-13. This is because deduction under section 33AB was allowed in A.Y.2011-12 before disintegration of income into agricultural income and non-agricultural income.

Where any asset is sold or transferred within 8 years from the end of the year in which it was acquired, such part of the cost as is relatable to the deduction allowed under section 33AB(1) shall be deemed to be the profits and gains of business or profession of the previous year in which the asset is sold or otherwise transferred [section 33AB(8)]. In the problem the part of the cost of the asset as is relatable to the deduction allowed is not given. Therefore, the entire cost is assumed as deduction allowed at the time of deposit. Accordingly, 40% of cost of the asset is taxed as business income.

Note 3 – Computation of Capital Gains

<table>
<thead>
<tr>

Question 24

State whether the provisions of section 41(1) of the Act can be applied to a case, where refund of excise duty has been obtained by the assessee on the basis of a decision of the CEGAT and where the matter has been taken up in further appeal to the Court by the Central Excise Department.

Answer

This question has been answered by the Apex Court in Polyflex (India) Pvt. Ltd. v. CIT [2002] 257 ITR 343. The Apex Court observed that in a case where a statutory levy in respect of goods dealt with by the assessee is discharged and subsequently the amount paid is refunded, it is the first part of section 41(1)(a) that more appropriately applies i.e. it will be a case where the assessee “has obtained any amount in respect of such expenditure”. It will not be a case of “benefit by way of remission or cessation” of a trading liability. Where expenditure is actually incurred by reason of payment of duty on goods and a deduction or allowance is given in the assessment of an earlier period, the assessee is liable to discharge that benefit as and when he obtains refund of the amount so paid. The possibility of the refund being set at naught on a future date will not be a relevant consideration. Once the assessee gets back the amount which was claimed and allowed as business expenditure during an earlier year, the deeming provision in section 41(1) comes into play and it is not necessary that the Revenue should await the verdict of a higher court. If the higher court upholds the levy at a later date, the assessee is not without remedy to get back the relief.

Therefore, the refund of excise duty pursuant to the decision of the CEGAT would be subject to tax by virtue of section 41(1) and it is not necessary that the Revenue should await the verdict of a higher court.

Question 25

A company engaged in textile manufacturing, debited to its Profit & Loss Account a sum of Rs.6,00,000, being the interest on loan of Rs.60,00,000 taken for financing its expansion scheme. The plant and machinery purchased for the project with the loan were not received during the year and those were still in transit at the end of the year. A sum of Rs.60,000 was paid to a broker who arranged the loan. Discuss the admissibility or otherwise of the interest on borrowing.

Answer

Interest paid in respect of capital borrowed for the purposes of business or profession is admissible u/s 36(1)(iii). However, the proviso to section 36(1)(iii) says that interest paid in respect of capital borrowed for acquiring an asset for extension of existing business or profession (whether capitalized in the books of account or not) for any period beginning from the date on which the capital was borrowed for acquisition of the asset till the date on which such asset was first put to use will not be allowed as deduction.
In this case, the asset (plant & machinery) was not put to use till the end of the previous year. Therefore, interest of Rs.6,00,000 will not be allowed as a deduction. However, the cost of the asset shall be increased by the amount of interest and depreciation shall be admissible on the enhanced cost of Rs.66,00,000 once the asset is put to use.

As regards the brokerage of Rs.60,000 paid to a broker for arranging the loan there are two possible views –

The first view is that since the definition of the term “interest” u/s 2(28A) includes service fee or other charges in respect of moneys borrowed, “brokerage” can be considered to fall under the scope of the term “other charges” and is therefore covered by the definition “interest”. Hence, brokerage of Rs.60,000 for arranging the loan will be treated in the same way as interest and capitalized with the cost of the asset.

The alternate view is based on the High Court decision in C.Moolchand v. CIT (1956) 29 ITR 449 (Hyd.), where it was held that brokerage or commission paid to an agent for arranging a loan for the purpose of business is not allowable as deduction u/s 36(1)(iii), but allowable under section 37(1). As per this view, Rs.60,000 paid to broker for arranging the loan is allowable under section 37(1).

**Question 26**

A partnership firm, consisting of three partners A, B and C was engaged in the business of Civil Construction and received the following amounts by way of contract receipts:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount (Rs)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Contract work for supply of labour</td>
<td>59,00,000</td>
</tr>
<tr>
<td>Value of materials supplied by Government</td>
<td>8,00,000</td>
</tr>
<tr>
<td>Total value of contract</td>
<td>67,00,000</td>
</tr>
</tbody>
</table>

Each partner of the firm was entitled to draw Rs.10,000 per month by way of salary as authorized by the terms of the partnership deed. Interest of Rs.1,00,000 was also paid to partner C on the capital of Rs.5,00,000 contributed by him. The profit as per books of accounts, before deduction of salary to partners and interest to partner C amounted to Rs.5,50,000. Compute the total income of the firm, applying the provisions of section 44AD.

**Answer**

As per section 44AD, in the case of an assessee, carrying on the business of civil construction, whose gross receipts from such business does not exceed Rs.60 lakhs, a sum equal to 8% of the gross receipts paid or payable to the assessee or such higher sum as declared by the assessee in his return of income shall be deemed to be the income from such business.
“Gross receipts” will not include the value of material supplied by Government. Therefore, in this case, the gross receipts would be only Rs.59,00,000.

8% of the gross receipts of Rs.59 lakhs will be Rs.4,72,000. The profit as per books of accounts, before deduction of salary and interest to partners, is Rs.5,50,000. Since profit as per books of account is Rs.5,50,000, which is higher than 8% of the gross receipt, it will be adopted and on this working partner salary and interest to partners as per section 40(b) would be allowed.

Computation of allowable deduction in respect of salary and interest paid to partners –

The allowance of salary and interest paid to partners is subject to the conditions and limits specified in section 40(b). The allowable salary and interest has been worked out below –

Salary to partners – Rs.1,20,000 × 3 = 3,60,000
This is within the ceiling limit provided in section 40(b)(v)
First Rs.3,00,000 @ 90% 2,70,000
On the balance Rs.2,50,000 @ 60% 1,50,000
4,20,000
But actual salary paid is only Rs. 3,60,000 - Which is eligible for deduction 3,60,000
Interest to partner C limited to 12% of Rs.5,00,000 60,000
Total deduction allowable in respect of salary and interest 4,20,000

Income of the firm as per books (before allowing deduction in respect of salary and interest to partners) 5,50,000
Less: Salary and interest allowable as deduction 4,20,000
Total income of the firm 1,30,000

Question 27

A company had an inventory of closing stock on 31.3.11, the cost of manufacture of which was Rs.100 lakhs. The goods were liable for excise duty. Since the excise duty was eligible for deduction only on actual payment, the company valued the closing stock at cost viz. Rs.100 lakhs. Discuss the position from the taxation point of view.

Answer

Under section 145A, the valuation of inventory has to be carried out by including the amount of duty actually paid or incurred by the assessee to bring the goods to the place of its location and condition on the date of valuation. Therefore, excise duty should be included in the valuation of closing stock and the deduction of such excise duty shall be available as per the provisions of section 43B.
Question 28

The WDV of Plant and Machinery on 01-04-10 of X Ltd. engaged in manufacturing of PVC granules is Rs.1,000 lakhs. Company purchased additional plant and machinery for Rs.800 lakhs on 18-04-10 inclusive of a second-hand machine imported from China of Rs.200 lakhs to increase its installed capacity of production from 1000 TPA to 1500 TPA. The production from new machine was taken w.e.f. 1-12-10. Workout, by giving reasons, the amount of allowable depreciation.

Answer

Provisions of section 32(1)(iia) specify that the assessee engaged in the business of manufacture or production of any article or thing is entitled for an additional depreciation @ 20% of the actual cost of such plant & machinery acquired and installed after 31.3.05.

It is further stated in the proviso to section 32(1)(iia) that the additional depreciation shall not be available in respect of those plant & machinery which, before its installation by the assessee, were used either within India or outside India by any other person.

The depreciation allowable will be as under:-

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Amount of Depreciation Rs. in lakhs</th>
</tr>
</thead>
<tbody>
<tr>
<td>Depreciation on WDV of machinery as on 1st April</td>
<td>150</td>
</tr>
<tr>
<td>Rs.1000 lakhs @ 15%</td>
<td></td>
</tr>
<tr>
<td>Depreciation on Plant &amp; Machinery purchased on 18th April but actual production commenced w.e.f. 1st December. Depreciation will be restricted to 50% of the normal depreciation i.e. 50% of (Rs. 800 lakhs x 15%)</td>
<td>60</td>
</tr>
<tr>
<td>Additional depreciation @ 20% of the actual cost of new Plant &amp; Machinery. This depreciation is also to be restricted to 50% since production has commenced only on 1st December. 50% of (20% of Rs.600 lakhs)</td>
<td>60</td>
</tr>
<tr>
<td>Total Depreciation</td>
<td>270</td>
</tr>
</tbody>
</table>

Note - Increase in capacity is not a condition or relevant factor for the purpose of getting additional / accelerated depreciation from the assessment year 2005-06 onwards.

Question 29

Alpha Ltd., a manufacturing company, which maintains accounts under mercantile system, has disclosed a net profit of Rs.12.50 lakhs for the year ending 31st March, 2011. You are required to compute the taxable income of the company for the Assessment year 2011-12.
after considering the following information, duly explaining the reasons for each item of adjustment:

(i) Advertisement expenditure includes the sum of Rs.60,000 paid in cash to the sister concern of a director, the market value of which is Rs.52,000.

(ii) Legal charges include a sum of Rs.45,000 paid to consultant for framing a scheme of amalgamation duly approved by the Central Government.

(iii) Repairs of plant and machinery includes Rs.1.80 lakhs towards replacement of worn out parts of machineries.

(iv) A sum of Rs.6,000 on account of liability foregone by a creditor has been taken to general reserve. The same was charged to the Revenue Account in the Assessment Year 2008-09.

(v) Sale proceeds of import entitlements amounting to Rs.1 lakh has been credited to Profit & Loss Account, which the company claims as capital receipt not chargeable to income-tax.

(vi) Being also engaged in the biotechnology business, the company incurred the following expenditure on in-house research and development as approved by the prescribed authority:

(a) Research equipments purchased Rs.1,50,000.

(b) Remuneration paid to scientists Rs.50,000.

The total amount of Rs.2,00,000 is debited to the Profit & Loss account.

Answer

Computation of taxable income of Alpha Ltd. for the A.Y. 2011-12

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Net profit as per Profit &amp; Loss account</td>
<td>12,50,000</td>
</tr>
<tr>
<td>Add: (a) Items debited to profit and loss A/c but not deductible</td>
<td></td>
</tr>
<tr>
<td>1. Payment of advertisement expenditure of Rs.60,000</td>
<td></td>
</tr>
<tr>
<td>(i) Rs.8,000, being the excess payment to a relative disallowed under section 40A(2)</td>
<td>(+) 8,000</td>
</tr>
<tr>
<td>(ii) As the payment is made in cash and since the remaining amount of Rs.52,000 exceeds Rs.20,000, 100% shall be disallowed under section 40A(3)</td>
<td>(+) 52,000</td>
</tr>
<tr>
<td>2. Legal charges for framing amalgamation scheme (deductible under section 35DD in five years). 1/5th of Rs.45,000 i.e. Rs.9,000 to be allowed in the current year. Balance Rs.36,000 (Rs.45,000 - Rs.9,000) is to be added back. (See Note below)</td>
<td>(+) 36,000</td>
</tr>
</tbody>
</table>
3 Under section 31, expenditure relatable to current repairs regarding plant, machinery or furniture is allowed as deduction.

The test to determine whether replacement of parts of machinery amounts to repair or renewal is whether the replacement is one which is in substance replacement of defective parts or replacement of the entire machinery or substantial part of the entire machinery - CIT v. Darbhanga Sugar Co. Ltd. [1956] 29 ITR 21 (Pat).

Here expenditure on repairs does not bring in any new asset into existence. Such replacement can only be considered as current repairs. Hence no adjustment.

Add: Items chargeable as business income but not credited to profit and loss A/c

4. Liability foregone by creditor [taxable under section 41(1)] (+) 6,000

5. Sale proceeds of import entitlements. The sale of the rights gives rise to profits or gains taxable under section 28(iiia). As the amount has already been credited to Profit and Loss Account, no further adjustment is necessary.

Less: Amount not debited to profit and loss account but allowable as deduction

6. Expenditure on in-house research and development is entitled to a weighted deduction of 200% of the expenditure (both capital and revenue) so incurred under section 35(2AB)(1)

= 2 x 2 lakhs = 4 lakhs

Expenditure Rs.2,00,000 already debited to Profit & Loss Account

Additional deduction of Rs.2 lakh is further allowed (-) 2,00,000

Taxable Income 11,52,000

Note: As per the provisions of section 35DD, any expenditure incurred wholly and exclusively for the purpose of amalgamation, would be allowed as a deduction in 5 successive years (1/5th each year) commencing from the year in which the amalgamation takes place. The problem has been worked out on the assumption that the amalgamation has taken place during the previous year itself.

Question 30

By virtue of an agreement entered into on 1.9.2010 between X Ltd. and Y Ltd., X Ltd. agrees not to carry on any business relating to computer software in India for the next 3 years, for which Y Ltd. agrees to pay a sum of Rs.12,00,000 to X Ltd. The said amount was paid on 1st December, 2010. Indicate treatment of such receipt in the hands of X Ltd. for the assessment year 2011-12?
Answer

As per section 28(va) the following sums received or receivable, in cash or kind under an agreement shall be taxable as income from business: (a) any sum for not carrying out any activity in relation to any business; or (b) any sum for not sharing any know-how, patent, copyright, trade mark, licence, franchise or any other business or commercial right of similar nature or information or technique likely to assist in the manufacture or processing of goods or provision for services.

The instant case clearly falls within the ambit of section 28(va)(a). As such, the receipt of Rs.12,00,000 is chargeable to tax as business income in the hands of X Ltd.

Question 31

You are engaged to carry out the tax audit of a firm under section 44AB and in carrying out this assignment, you are required to tackle the following issues. Indicate how you will deal with them.

(i) Duty of the auditor to report on a penalty or fine imposed on the firm.

(ii) Expenditure incurred in respect of which payment has been made in a sum exceeding Rs.20,000, otherwise than by account payee crossed cheque / bank draft.

(iii) Sum payable as an employer by way of contribution to a provident fund.

(iv) Particulars of loans or deposits exceeding the limit specified in section 269SS taken during the year.

(v) Accounting ratios in a trading concern.

Answer

(i) In Form No.3CD the tax auditor has to specify the penalty or fine for violation of law and any other penalty or fine as well as expenditure incurred for any purpose which is an offence or which is prohibited by law.

The tax auditor should obtain in writing the details of all payments by way of penalty or fine for violation of law or otherwise and how such amount has been dealt with in the books of account. The tax auditor is not required to express any opinion as to the allowability or otherwise of the amount. He is only required to give details of such items as have been charged in the profit and loss account.

(ii) The tax auditor should obtain a list of all payments in respect of expenditure exceeding Rs.20,000 made during the year and it should also include the list of payments exempt as per Rule 6DD. The list should be verified with the books of account to ascertain whether the conditions are satisfied. Expenditure items in respect of which specific exemption has been granted are not required to be stated. Where there are practical difficulties in verifying whether payments have actually been made through account payee crossed cheques or account payee crossed bank drafts, suitable qualification.
should be made as under “It is not possible to verify whether the payment in excess of Rs.20,000 has been made otherwise than by account payee crossed cheques or account payee crossed bank drafts as necessary evidence is not in possession of the assessee”.

Also, a certificate from the assessee must be obtained as regards whether all payments covered by section 40A(3) read with rule 6DD have been complied with or not by issuing account payee crossed cheques or bank draft. The receipt of certificate must be stated in the Form No.3CD in clause 17(h).

(iii) In respect of P.F.contributions, detailed information is to be furnished with regard to amount received during the previous year, due date for payment, amount paid during the previous year, liability incurred during the previous year and discharge of such liability.

In view of the voluminous nature of the information the tax auditor can apply test checks and compliance tests to obtain satisfaction in this regard. In the case of big assessees, where the information to be stated is voluminous, the tax auditor may exercise his professional judgment and state only those cases where the actual date of payment is beyond the due date of payment.

(iv) The particulars to be given in the case of loan or deposit accepted during the previous year exceeding the limit specified in section 269SS:

(a) Name and address and PAN (if available) of the lender or depositor.
(b) Amount of loans or deposit taken or accepted.
(c) Whether the loan was squared up during the previous year.
(d) Maximum amount outstanding in the account at any point during the previous year.
(e) Whether the loan or deposit was taken or accepted otherwise than by an account payee cheque or bank draft.

The tax auditor should verify all loans or deposits where the balance has reached Rs.20,000 or more during the previous year, because the total of the deposits of Rs.20,000 and above are covered even though each individual item may be less than Rs.20,000. There are practical difficulties in verifying whether the loan or deposit is taken by crossed cheque or crossed draft. He should obtain a certificate from the assessee and accordingly report in clause 24 of Form 3CD.

(vi) The accounting ratios to be given in the case of a trading concern are

Gross profit to turnover
Net profit to turnover
Stock in trade to turnover
Material consumed to finished products produced.

While calculating these ratios, the tax auditor should assign meanings to the above terms as understood by generally accepted accounting principles.
Question 32
An assessee incurs expenditure of a capital nature on scientific research related to the business carried on by him. Such expenditure, which is allowable under section 35 remains unabsorbed in the business in which it was incurred. How will the unabsorbed portion be dealt with?

Answer
As per section 35(4) read with section 32(2), the unabsorbed portion shall be set off against the profits and gains, if any, of any other business or profession carried on by the assessee in the same assessment year.

If the unabsorbed capital expenditure on scientific research cannot be wholly set off under the clause above, the amount not so set off shall be set off from the income under any other head in the same assessment year. The unabsorbed portion of expenditure shall be carried forward to the next assessment year and set off against income under the head “profits and gains from business or profession”. It is eligible for set off regardless of the continuance of the business to which it relates.

However, such unabsorbed capital expenditure on scientific research can be carried forward only for a maximum of 8 assessment years immediately succeeding the assessment year in which such capital expenditure was incurred.

Question 33
(i) A corporation was set up by the State Government transferring all the buses owned by it for a consideration of Rs.75 lakhs, which was discharged by the Corporation by issue of equity shares. The Corporation in its assessment claimed depreciation. Can the depreciation be denied in the Corporation's hands on the ground that there was no registration of the buses in favour of the Corporation?

(ii) Ravi succeeded to his father's business in the year 2008. In the previous year ending 31.3.2011, Ravi has written off the balance in the name of 'Y' which relates to supply made by his father, when he carried on business. Ravi desires to know whether the write off could be eligible for deduction.

Answer
(i) The decision of the Supreme Court in Mysore Minerals Ltd v. CIT (1999), 239 ITR 775 is relevant in the context of the facts stated. The term “asset used” in section 32 must be assigned a wider meaning and anyone in possession of property in his own title, exercising dominion over the property, to the exclusion of others and having the right to use and enjoy it, must be taken to be the owner.
Registration of the buses is only a formality to perfect the title and does not bar enjoyment. The Corporation cannot therefore be denied depreciation on the buses. A similar decision was also taken in *Cit v. J & K Tourism Development Corporation* 114 Taxman 734 (J&K).

(ii) The deduction of bad debt is allowed if it is written off in the books of account of the assessee. In this case Ravi has succeeded to the business carried on by his father. Under clause (vii) of section 36(1) the amount has been written off in the books of account as irrecoverable is eligible for deduction provided the debt has been taken into account in computing the income of the business in an earlier previous year [vide section 36(2)].

Therefore Ravi is eligible for deduction in respect of the amount due in the name of Y which is written off in the books of account as bad debt, even though the debt represents the amount due for the supplies made by previous owner viz. deceased father of Ravi. [*Cit v. T.Veerabhadra Rao K.Koteswara Rao and Co (1985) 155 ITR 152 (SC)*].

**Question 34**

A is an association governed by the provisions of Section 44A of the Income-tax Act. The subscription receipts for the year ended 31st March, 2011 were Rs.3,60,000. The expenditure in the normal course of its activities was Rs.3,85,000. Its other income taxable under the Act works out to Rs.1,75,000. On these facts, you are consulted as to how A’s taxable income will be determined for assessment year 2011-12.

**Answer**

Under section 44A, the income from subscriptions shall be set off against expenditure incurred solely for the protection or advancement of the interest of its members and if there is a deficiency it shall be first be set off against the association’s income under the head “Profits and gains of Business or Profession” and if there is still a deficiency it shall be set off against income under any other head. This section supersedes the other provisions of the Act.

<table>
<thead>
<tr>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Income from subscription</td>
</tr>
<tr>
<td>Less: Expenses incurred in the course of its activities</td>
</tr>
<tr>
<td>Balance deficiency</td>
</tr>
<tr>
<td>Less: Other income</td>
</tr>
<tr>
<td>Taxable income</td>
</tr>
</tbody>
</table>

There is a ceiling on the deduction admissible by way of deficiency being that it shall not exceed one-half of the income of the association. This ceiling has not been exceeded above (vide section 44A(3)).
Question 35

Praveen was a partner in a firm in his capacity as the Karta of his HUF. On the amounts deposited by the partners, the firm paid interest. Praveen, in his individual capacity had made deposits in the same firm in which he was a partner. The assessee claimed that the interest paid in his individual capacity should not be disallowed. The Assessing Officer did not agree and disallowed the interest paid to Praveen in his individual capacity. Discuss.

Answer

Explanation 1 to section 40(b) clearly states that where an individual is a partner in a firm, in a representative capacity, interest paid by the firm to such individual in his individual capacity shall not be taken into account for the purposes of clause (b) of section 40.

Since Praveen is a partner in his capacity as the karta of his HUF and the interest is paid by the firm in his individual capacity, such interest is not hit by the provisions of section 40(b).

This position was brought out by the Supreme Court in *Brij Mohan Das Laxman Das v. CIT* (1997) 223 ITR 825 and followed by the Madras High Court in a recent case *R.M.Appavu Chettiar Sons v. CIT* (2002) 256 ITR 289 (Mad). Therefore, the Assessing Officer’s action in disallowing the interest paid to Praveen in his individual capacity is not correct.

Question 36

Answer

For purposes of section 41(1) of the Income-tax Act, “successor in business” means –

(i) In the case of amalgamation of companies, the amalgamated company.

(ii) In the case a person is succeeded by another person in that business or profession of the first mentioned person, the other person.

(iii) Where a firm carrying on a business is succeeded by another firm, the other firm.

(iv) Where there has been a demerger, the resulting company.

Question 37

Capsule Ltd, during the financial year ending 31.3.2011 paid production bonus of an amount of Rs.3 lakhs pursuant to a settlement arrived with the workers in addition to the statutory payment of Rs.1 lakh as per Bonus Act. On these facts, your advise is sought.

(a) whether the sum of Rs.3 lakhs is deductible as per the provisions of section 36(i)(ii) of the Act?.

(b) If the claim is not so deductible, can it be claimed under any other provision?.

6.37
Direct Tax Laws

Answer

Section 36(1)(ii) refers to amounts payable as bonus or commission for services rendered where such sums would not have been payable to him as profits or dividend, if it had not been paid as bonus or commission. Rs 3 lakhs paid as production bonus is deductible as per the provisions of section 36(1)(ii) subject to section 43B. In case production bonus is not deductible under section 36(1)(ii), it can be claimed as deduction under section 37(1), as the expenditure is laid out wholly and exclusively for business purposes.

Question 38

You are consulted on the justifiability of the following claims. Your advice is to be framed based on the provisions of the Income-tax Act, 1961.

(i) A company paid the full consideration for building for its Administrative office and occupied the same as the possession was taken. The Registration could not take place before the end of the previous year for some reason or other. Can the depreciation claim be made?

(ii) Secret commission was paid and debited under Commission Account. Is it allowable expenditure.

Answer

(i) One of the conditions for the claim of depreciation under the provisions of section 32 of the Income-tax Act, 1961 is that the assessee should be the owner of the asset. In the facts of the given case, the asset is an immovable property, namely, buildings acquired for the administrative office. Full consideration has been paid. However, the registration could not take place before the end of the previous year.

The Supreme court had an occasion to consider this issue in the case of Mysore Minerals Ltd v. CIT (239 ITR775). The Supreme court stated that the very concept of depreciation suggests that tax benefit on account of depreciation legitimately belongs to one who has invested in the capital asset and is utilizing the capital asset.

In the facts of the given case, though the document of title was not executed, the full consideration has been paid and the dominion over the property by taking possession excluded the owner who had to transfer the asset and therefore the right to use and occupy the property and enjoy it was exercised by taking possession and the execution of the formal deed of title may take place at any given point of time.

Following the decision of the Supreme Court, depreciation can be claimed in respect of the building that is acquired for the administrative office, though registration has not yet taken place.

(ii) Secret commission is one of the forms of commission payment generally made by business organizations. Secret commission is a payment for obtaining business orders or contracts from parties and/or customers and paid to employees and/or officials of those
parties and / or customers or companies from whom business orders are obtained by the assessee.

The Explanation to section 37(1) of Income-tax Act, 1961 provides that any expenditure incurred by an assessee for any purpose which is an offence or which is prohibited by law, shall not be deemed to have been incurred for the purpose of business and no deduction or allowance shall be made in respect of such expenditure. In view of the Explanation, any expenditure incurred for a purpose which is an offence and prohibited by law cannot be allowed as expenditure. Therefore, secret commission payment, if it could be established as a payment for an offence prohibited by law, the same cannot be allowed deduction.

**Question 39**

An assessee purchases know-how for manufacture of fuel injection pipes on 10-04-2010. He wants proportional reduction for six assessment years under section 35AB of the Act commencing from assessment year 2011-12. Is this allowable?

**Answer**

Section 32 allows depreciation on intangible assets like know-how, patents, copyrights, trademarks, licences, franchises or any other business or commercial rights of similar nature, if they are acquired on or after 1st April, 1998.

Since in this case the assessee had acquired the know-how after 1st April 1998, it is to be treated as capital expenditure and eligible for depreciation.

**Question 40**

M/s. PR and M/s. ST are firms with common partners carrying on different businesses. M/s. PR had taken a loan from M/s. ST for the purpose of its business. Interest on the loan for the year ending 31.3.2011 worked out to Rs.20,000. M/s. PR deducted tax of Rs.2,000 on interest and paid the balance sum of Rs.18,000 in cash to M/s. ST on 31.3.2011. Tax deducted was remitted to the credit of the Central Government on 30.4.2011. How will you treat the interest paid while computing the total income of M/s. PR for the assessment year 2011-12?

**Answer**

Section 40(a)(ia) provides that interest paid shall not be allowed as deduction in computing business income, if tax deductible at source has not been deducted thereon or if deducted, has not been paid within the prescribed time. The time limit for remitting the TDS amount is up to the ‘due date’ for filing the return prescribed under section 139(1). Thus, the remittance on 30.04.2011 is in accordance with the provisions of law warranting no disallowance of expenditure.

**Question 41**

An Indian company is engaged in the manufacture and sale of coffee grown by it in its own estates. Will it be liable to tax under the Income-tax Act, 1961 and if so, how will its income be determined?
Direct Tax Laws

Answer

As per Rule 7B, income derived from the sale of coffee grown and cured by the seller in India, shall be computed as if it were income derived from business and 25% of such income shall be deemed to be income liable to tax.

Income derived from the sale of coffee grown, cured, roasted and grounded by the seller in India with or without mixing chicory or other flavouring ingredients, shall be computed as if it were income from business and 40% of such income shall be deemed to be income chargeable to tax.

In computing such income, an allowance shall be made in respect of the cost of planting coffee plants in replacement of plants which have died or have become permanently useless in an area already planted, if such area has not previously been abandoned and for the purpose of determining the cost, no deduction shall be made in respect of the amount of any subsidy which under the provisions of section 10(31), is not includible in the total income.

Question 42

R Ltd. paid Rs.5 lakhs as sales commission to Mr. Francis (non-resident), who acted as its agent for booking orders from various customers who are outside India. The assessee has not deducted tax at source on the commission payment for the year ended 31.3.2011. On these facts:

(i) Decide whether the commission is chargeable to tax in the hands of Mr. Francis in India.

(ii) Decide about the deductibility of the commission payment in the assessment of R Ltd.

Answer

(i) A foreign agent of an Indian exporter operates in his own country and no part of his income arises in India. His commission is usually remitted directly to him and is, therefore, not received by him or on his behalf in India. Such an agent is not liable to income-tax in India on the commission. The commission paid to the non-resident agent of the Indian exporter for services rendered outside India is not chargeable to tax in India. Though the Circular No.23, dated 23.7.1969 has been withdrawn clause (b) of the Explanation 1 to section 9(1) says that in the case of non-resident no income shall be deemed to accrue or arise in India in respect of activities which are confined to purchase of goods in India for the purpose of export. In the case of foreign non resident agent, there would be no activity within India. Therefore, commission income for booking orders by non-resident who remains outside India could not be subjected to tax in India.

(ii) Section 40(a)(i) requires deduction of tax at source in respect of any interest, royalty, fees for technical services or other sum chargeable under this Act, which is payable outside India or in India to a non-resident. Since the non-resident agent has acted outside India his income would not be subjected to tax in India in view of clause (b) of the Explanation 1 to section 9(1). When the income is not chargeable to tax, the question of deducting tax at source does not arise. Hence, disallowance under section 40(a)(i) is not attracted, and the commission payment is deductible in the assessment of R Ltd.
Some Key Points: Recent Amendments

Conversion of company into LLP [Section 47(xiiiib)]

When a private company or unlisted public company is converted into a limited liability partnership or any transfer of a share as a result of such conversion, shall not be regarded as transfer. However, the following conditions are to be satisfied for having tax neutral situation.

(a) All the assets and liabilities of the company immediately before the conversion must become the assets and liabilities of the LLP.

(b) All the shareholders of the company immediately before conversion must become partners of the LLP and their capital contribution and profit sharing ratio in the LLP must be in the same proportion as their shareholding in the company on the date of conversion.

(c) The shareholders of the company should not receive any consideration or benefit, directly or indirectly, in any form or manner, other than by way of share in profit and capital contribution in the LLP.

(d) The aggregate of the profit sharing ratio of the shareholders of the erstwhile company in the LLP shall not be less than 50% at any time during the period of 5 years from the date of conversion into LLP.

(e) The total sales, turnover or gross receipts in business of the company in any of the three previous years preceding the year of conversion must not exceed Rs.60 lakhs.

(f) No amount is paid either directly or indirectly, to any partner out of accumulated profit standing in the accounts of the company on the date of conversion for a period of three years from the date of conversion.

Withdrawal of exemption [Section 47(4)]

Where a company converted into a LLP has availed exemption as per section 47(xiiiib) but subsequently the conditions attached to the exemption are not complied with, the amount of profits and gains arising from the transfer of such capital asset not charged under section 45 previously, shall be deemed to be the profits and gains chargeable to tax in the hands of the successor LLP. It would become the deemed income from business of the successor LLP of
the previous year in which the conditions are not complied with.

Cost of acquisition of sweat equity shares [Section 49(2AA)]

The cost of sweat equity shares referred to in section 17(2)(vi) shall be the fair market value which has been taken into account for the purpose of perquisite valuation. The capital gain arising from the transfer of specified security or sweat equity share would be computed accordingly by adopting the cost of acquisition referred above.

Value of capital assets which were allowed deduction under section 35AD [Section 50B]

In the case of slump sale, clause (b) of the Explanation 2 to section 50B says that in respect of capital assets the whole of which was allowed deduction under section 35AD, shall be ‘nil’ for computing the net worth of the undertaking.

In respect of other assets other than depreciable assets for which WDV is dealt with in section 43(6)(c)(i), it shall be the book value of such assets.

Question 1

Discuss whether the benefit of exemption under section 54EC would be available in the following cases –

(a) Capital gains on transfer of depreciable assets; and

(b) Deemed capital gains on amount received on liquidation of a company.

Answer

(a) Section 54EC provides exemption of capital gains arising from the transfer of a long-term capital asset, if such capital gains are invested, within a period of 6 months after the date of such transfer, in bonds of National Highways Authority of India or Rural Electrification Corporation Ltd., redeemable after 3 years. It may be noted that section 54EC provides for exemption of capital gains arising from the transfer of long-term capital asset.

By virtue of section 50, capital gain on transfer of a depreciable asset shall be treated as capital gain on transfer of short-term capital asset for the purpose of sections 48 and 49. Section 50 nowhere says that, for the purpose of section 54EC, the depreciable asset would be a short-term capital asset. Further, section 54EC is an independent section and section 50 does not have an overriding effect over section 54EC. Section 54EC has an application where a long-term capital asset is transferred. Therefore, capital gains on transfer of a depreciable asset held for more than 36 months would be eligible for benefit of exemption under section 54EC, if the conditions stipulated therein are fulfilled.

This view was upheld by the Bombay High Court in CIT v. ACE Builders (P.) Ltd. (2005) 281 ITR 210 and the Gauhati High Court in CIT v. Assam Petroleum Industries (P.) Ltd. (2003) 262 ITR 587 in relation to erstwhile section 54E. The Courts held that the deeming fiction created under section 50 is restricted only to the mode of computation of
capital gains contained in sections 48 and 49 and does not extend to the exemption provisions.

Thus, exemption under section 54EC cannot be denied to the assessee on account of the fiction created in section 50.

(b) The primary condition to be satisfied for claim of benefit under section 54EC is that there should be transfer of a capital asset. Section 46(1) clearly states that when assets are transferred by way of distribution to the shareholders of a company on account of liquidation, such distribution shall not be regarded as transfer in the case of a company. However, capital gains would be chargeable to tax in the hands of the shareholders under section 46(2). Since there is no transfer in respect of cases covered by section 46, the assessee would not be entitled to the benefit of section 54EC. This was held by the Rajasthan High Court in CIT v. Ruby Trading Co. (P) Ltd. (2003) 259 ITR 54, in relation to erstwhile section 54E. The ratio of the decision can be extended to section 54EC and consequently, the assessee would not be entitled to benefit of section 54EC since there is no transfer in respect of cases covered by section 46.

Question 2
The Balance sheet of ABC Ltd. as on 30.9.2010, being the date on which Unit C has been transferred by way of slump sale for a consideration of Rs.920 lakh, is given hereunder -

<table>
<thead>
<tr>
<th>Liabilities</th>
<th>Rs. in lakh</th>

</tbody>
</table>

With the help of further information given below, compute the capital gain on slump sale of Unit C –

(i) Fixed assets of Unit C includes land which was purchased at Rs.50 lakh in the year 2003 and revalued at Rs.90 lakh as on 31.3.2010.

(ii) Fixed assets of Unit C reflected at Rs.460 lakh (Rs.550 lakh less land value Rs.90 lakh) is written down value of depreciable assets as per books. However, the written down value of these assets under section 43(6) of the Income-tax Act is Rs.440 lakh.

(iii) Other assets of Unit C shown at Rs.390 lakh represents book value of non-depreciable assets.
(iv) Unit C is in existence since May, 2007.

Answer

**Computation of capital gain on slump sale of Unit C**

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs. in lakh</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sale consideration for the slump sale of Unit C</td>
<td>920</td>
</tr>
<tr>
<td>Less: Net worth of Unit C (Refer note 1 below)</td>
<td>800</td>
</tr>
<tr>
<td>Long term capital gain arising on slump sale</td>
<td>120</td>

</tbody>
</table>

**Working note:**

1) Computation of net worth of Unit C

   A) Book value of non-depreciable assets:

   i) Land 50
   ii) Other assets 390 440

   B) Written down value of depreciable assets under section 43(6) 440

   Aggregate value of total assets 880

   Less: Value of liabilities of Unit C 80

   Net worth of Unit C 800

2) Since Unit C is held for more than 36 months, the long term capital gain of Rs.120 lakh is taxable under section 112 at 20% plus surcharge@7.5% plus education cess@2% and secondary and higher education cess@1%. **The indexation benefit is not available in the case of a slump sale.**

Question 3

Anish owns a residential house which is self-occupied and also a house plot. He sells the house on 28.2.2011 and the house plot on 4.3.2011 for Rs.11 lakh and Rs.9 lakh respectively. The house was purchased on 17.10.98 for Rs.5 lakh and the plot on 26.12.98 for Rs.3 lakh. Anish has purchased a new residential house on 3.5.2011 for Rs.5 lakh. Compute the income chargeable under the head “Capital Gain” for the A.Y. 2011-12. Cost inflation indices for the financial year 1998-99 and 2011-12 are 351 and 711 respectively.

Answer

**Computation of Capital Gains of Anish for the A.Y.2011-12**

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Sale of house on 28.2.2011</strong></td>

Less: Exemption under section 54F  

Investment for the purpose of section 54F is Rs.4,12,821 (i.e. Rs.5,00,000 – Rs.87,179), which is less than the net consideration on sale of plot. Therefore, only proportionate capital gain would be exempt under section 54F.  

[Capital gain × Amount invested / Net sale consideration] i.e.,  

[2,92,308 × 4,12,821/9,00,000]  

1,34,079

Taxable capital gain  

1,58,229

Question 4

“Section 50C can be invoked only in the case of registration of property pursuant to transfer. In a case where only an agreement for sale is entered into and no registration has taken place, the provisions of section 50C cannot be made applicable.”

Discuss the correctness or otherwise of this statement.

Answer

This statement is not correct.

Earlier the scope of section 50C did not include within its ambit, transactions which are not registered with stamp duty valuation authority, and executed through agreement to sell or power of attorney. Therefore, in order to prevent tax evasion on this account, section 50C has been amended by the Finance (No.2) Act, 2009, to provide that where the consideration received or accruing as a result of transfer of a capital asset, being land or building or both, is less than the value adopted or assessed or assessable by an authority of a State Government for the purpose of payment of stamp duty in respect of such transfer, the value so adopted or assessed or assessable shall be deemed to be the full value of the consideration received or accruing as a result of such transfer for computing capital gain. The term “assessable” has been added to cover transfers executed through an agreement to sell or power of attorney.
Explanation 2 has been inserted after section 50C(2) to define the term ‘assessable’ to mean the price which the stamp valuation authority would have, notwithstanding anything to the contrary contained in any other law for the time being in force, adopted or assessed, if it were referred to such authority for the purposes of the payment of stamp duty.

Question 5

Mr. Ganesh sold his residential house in Mumbai and purchased two residential flats adjacent to each other on the same day vide two separate registered sale deeds from two different persons. The builder had certified that he had effected necessary modification to make it one residential apartment. Mr. Ganesh sought exemption under section 54 in respect of the investment made in purchase of the two residential flats. The Assessing Officer, however, gave exemption under section 54 to the extent of purchase of one residential flat only contending that sub-section (1) of section 54 clearly restricts the benefit of exemption to purchase of one residential house only and the two flats cannot be treated as one residential unit since—

(i) the flats were purchased through different sale deeds; and

(ii) it was found by the Inspector that, before its sale to the assessee, the residential flats were in occupation of two different tenants.

Discuss the correctness of the contention of the Assessing Officer.

Answer

This issue came up recently before the Karnataka High Court in CIT v. D. Ananda Basappa (2009) 309 ITR 0329. The Court observed that the assessee had shown that the flats were situated side by side and the builder had also certified that he had effected modification of the flats to make them one unit by opening the door between the apartments. Therefore, it was immaterial that the flats were occupied by two different tenants prior to sale or that it was purchased through different sale deeds. The Court observed that these were not the grounds to hold that the assessee did not have the intention to purchase the two flats as one unit. The Court held that the assessee was entitled to exemption under section 54 in respect of purchase of both the flats to form one residential unit.

Applying the ratio of the above decision to the case on hand, Mr. Ganesh is entitled to exemption under section 54 in respect of purchase of two flats to form one apartment. Therefore, the contention of the Assessing Officer is not correct.

Question 6

3 Star & Company, a partnership firm, entered into a contract to purchase an immovable property. The agreement was not honoured by the seller. Therefore, the firm filed a suit for specific performance of contract against the owner of the property. Ultimately, a compromise was arrived at. In terms of the compromise, the owner agreed to pay 3-Star & Company Rs.15 lacs as consideration. State with reasons whether the receipt should be treated to be in the nature of capital gain in the hands of the firm.
Answer

The assessee, 3-Star & Company, entered into a contract to buy an immovable property. On failure on the part of the seller, the assessee filed a suit for specific performance of the contract. Subsequently, the assessee received Rs.15 lacs from owner in terms of a compromise agreed to by the parties.

In the case of CIT v. Smt. Laxmidevi Ratani (2008) 296 ITR 363 (MP), the High Court, on identical facts, held that the receipt is exigible to capital gains tax as it involved transfer of property within the meaning of section 2(47). The action on the part of the assessee in giving up its right to claim the property and instead accepting money compensation is a clear case of extinguishment of right in the property resulting in transfer as defined in section 2(47).

Question 7

Aerochem, a partnership firm, transfers a piece of land situated in Thane district on 17.8.2010 for Rs.60 lacs. The land, purchased on 6.3.1980 for Rs.1 lac, was registered on 3.4.1983 on payment of stamp duty of Rs.20,000. Expenses on land development and construction of boundary wall incurred in August, 1983 were of Rs.1,50,000. The charges for the transfer of land paid to the broker were 2½% of the sale consideration. Fair market value of the land as on 1.4.81 was Rs.1,50,000.

The firm invested Rs.30 lacs on 1.12.2010 in the bonds issued by National Highways Authority of India redeemable after 3 years. Compute the amount of capital gain chargeable to tax for Assessment Year 2011-12 with the help of cost inflation index for F.Y. 1983-84 and 2010-11 of 116 and 711, respectively. Also, give in brief, the reasons and the provisions of the Act for each of the items dealt with.

Answer

<table>

<td>7,41,517</td>
<td></td>
</tr>
</tbody>
</table>
Notes:

(1) Brokerage paid is allowable as deduction under section 48(i) as held by Rajasthan High Court in the case of Sah Roop Narain vs. CIT (1987) 32 Taxman 453.

(2) Cost of acquisition of the capital asset can be claimed as deduction under section 48 while computing capital gains. As per section 55(2)(b)(i), the cost of acquisition in case of a capital asset acquired before 1.4.81 shall be the actual cost of acquisition or the fair market value as on 1.4.81, at the option of assessee. Accordingly, in this case, the cost of acquisition would be the fair market value of the land on 1.04.81, as the same is more beneficial to the assessee.

(3) Cost of improvement of the capital asset can also be claimed as deduction under section 48. The cost of improvement, in this case, would include the expenditure of Rs.1,50,000 on land development and construction of boundary wall and expenditure of Rs.20,000 on payment of stamp duty. Therefore, the total cost of improvement would be Rs.1,70,000.

(4) Since the asset transferred is a long-term capital asset, indexation benefit would be available and the indexed cost of acquisition and indexed cost of improvement are allowable as deduction while computing capital gains.

(5) Under section 54EC, exemption is available for investment, made within a period of 6 months from the date of transfer, in bonds of NHAI or RECL, redeemable after 3 years. In this case, the transfer took place on 17.8.2010 and the investment was made in bonds of NHAI, redeemable after 3 years, on 1.12.2010, which is within the 6 month period. Therefore, the investment of Rs.30 lacs qualifies for exemption under section 54EC.

Question 8

Axel Ltd. has two industrial undertakings. Unit-I is engaged in the production of television sets and Unit-II is engaged in the production of refrigerators. The company has, as part of its restructuring program, decided to sell Unit-II as a going concern by way of slump sale for Rs.260 lacs to a new company called Gamma Ltd., in which it holds 85% equity shares. The following is the extract of the balance sheet of Axel Ltd. as on 31st March, 2011:

<table>
<thead>
<tr>

</tr>
</tbody>
</table>
The company set up Unit-II on 1st April, 2007. The written down value of the block of assets for tax purpose as on 31st March, 2011 is Rs.150 lacs of which Rs.60 lacs are attributable to Unit-II.

(i) Determine what would be the tax liability of Axel Ltd. on account of Slump sale;

(ii) How can the restructuring plan of Axel Ltd. be modified, without changing the amount of consideration, in order to make it more tax efficient?

Answer

(i) As per section 50B, any profits or gains arising from the slump sale effected in the previous year shall be chargeable to income-tax as capital gains arising from the transfer of capital assets and shall be deemed to be the income of the previous year in which the transfer took place.

If the assessee owned and held the undertaking transferred under slump sale for more than 36 months before slump sale, the capital gain shall be deemed to be long-term capital gain. Indexation benefit is not available in case of slump sale as per section 50B(2).

(ii) Transfer of any capital asset by a holding company to its 100% Indian subsidiary company is exempted from tax under section 47(iv). Therefore, if it is possible for Axel Ltd. to acquire the entire shareholding of Gamma Ltd. and thereafter make a slump sale, then the resultant capital gain shall not attract tax liability. However, in such case also, Axel Ltd. should not transfer any shares in Gamma Ltd. for 8 years from the date of slump sale.

Question 9

Sridhar purchased a residential flat from Devraj in December 2010. However, the deed of conveyance has not been registered in the name of Sridhar till 31.03.2011. Sridhar has let out the flat at a monthly rent of Rs.25,000 to Mohan.

Sridhar claims that rent received is not chargeable under the head "Income from house property", but the same is chargeable under the head "Income from other sources" and he can claim deduction for expenses on repair and insurance premium on actual basis and also depreciation. Examine the correctness of Sridhar's claim.

Answer

In order to assess income under the head "Income from house property" the assessee must be the owner of the house property. The need for registration of document in favour of a person to enable him to be treated as the owner of the house property for the purpose of section 22, was considered by the Supreme Court in the case of CIT vs. Poddar Cement Pvt. Ltd. (1997) 226 ITR 625.

It was held that so long as a person is entitled to receive income from the house property in his own right and not on behalf of someone else, it is not necessary that the sale deed must be registered in favour of the person to treat him as the owner of the property for the purpose of section 22. In such a case, the income derived from the property is chargeable to tax under the head "Income from house property". The fact that registration is not yet complete does not affect the chargeability of such income under the head "Income from house property".

Therefore, the claim of Sridhar that rent should be assessed under the head "Income from other sources" and deduction of various expenses and depreciation should be allowed therefrom is not tenable.

Question 10

Betki Limited is a company in which 70% shares are held by Ruhu Limited. Betki Limited, in its annual general meeting held on 18th May, 2010, declared a dividend amounting to Rs.40 lacs to its shareholders for the year ended 31st March, 2010 and it paid dividend distribution tax on 28th May, 2010. Ruhu Limited did not declare any dividend for the year ended 31st March, 2010. It, however, declared an interim dividend amounting to Rs.60 lacs on 1st December, 2010 for the year ended 31st March, 2011.

What is the amount of tax on dividend payable by Ruhu Limited?
What would be your answer, if 60% of shares in Ruhu Limited are held by Hilsha Limited, a domestic company?

Does the position further change, if Hilsha Limited is a foreign company?

Answer

As per section 115-O, dividend distribution tax at the rate of 15% (plus surcharge @ 7.5%, education cess @ 2% and secondary and higher education cess @ 1%) is levied on dividend, declared, distributed or paid by a domestic company. As per sub-section (1A), inserted to section 115-O a holding company receiving dividend from its subsidiary company can reduce the same from dividends declared, distributed or paid by it. For this purpose, the matching principle does not apply. This means that even if the dividend received and dividend distributed relate to different periods, the same can be adjusted for the purpose of computing dividend distribution tax of the holding company. However, the dividend shall not be considered for reduction more than once.

The conditions to be fulfilled for this purpose are as follows:

1. The subsidiary company should have actually paid the dividend distribution tax;
2. The holding company should be a domestic company;
3. The holding company should not be a subsidiary company of any other company.

For this purpose, a holding company is a company which holds more than 50% of the nominal value of equity shares of another company.

On the basis of the above

(a) Dividend distribution tax payable by Ruhu Limited shall be 16.60875% of [(Rs.60,00,000 - (Rs.40,00,000 x 70%)] i.e. Rs.5,31,480.
(b) If 60% of shares of Ruhu Limited are held by Hilsha Limited, then Ruhu Limited is a subsidiary company of Hilsha Limited. In that case, the condition (See condition no.3 above) laid down in section 115-O(1A) is not satisfied and Ruhu Limited cannot reduce the amount of dividend received from Betki Limited for computation of dividend distribution tax. Hence, dividend distribution tax payable by Ruhu Limited shall be 16.60875% of Rs.60,00,000 i.e. Rs.9,96,525.
(c) The above situation remains the same where Hilsha Limited is a foreign company.

Note: It is assumed that the total (taxable) income of Betki Ltd and Ruhu Ltd are in excess of Rs.100 lakhs and hence surcharge at 7.5% is payable on their tax liability including dividend distribution tax governed by section 115-O.

Question 11

A shareholder of a demerged Indian company received shares from the resulting company in the scheme of demerger. The shareholder wants to transfer the said shares received
subsequent to the demerger for consideration. Your advice is sought on the tax consequences as to the shares received on demerger and sought to be transferred.

Answer

As per the provisions of section 47(vid), any transfer or issue of shares by the resulting company to the shareholders of the demerged company in a scheme of demerger is not regarded as a transfer for the purposes of capital gains under section 45, if the transfer or issue is made in consideration of the demerger of the undertaking.

As a consequence of the demerger, the existing shareholders of the demerged company will receive shares in a resulting company. When the shareholder subsequently intends to transfer the said shares, the cost of such shares will have to be arrived at as per the provisions of section 49(2C). According to the said provision, the cost of acquisition of shares in the resulting company will be the amount which bears to the cost of acquisition of shares held by the assessee in the demerged company, the same proportion as the net book value of the assets transferred in a demerger bears to the net worth of the demerged company immediately before such demerger.

As per the provisions of section 2(42A)(g), for determining the period of holding of such shares, the period for which the shares of the demerged company were held by the assessee would also be considered.

If the shares are held for more than one year, and transferred through a recognized stock exchange and securities transaction tax has been paid on such sale, the long-term capital gain arising therefrom would be exempt under section 10(38). If the total holding period does not exceed one year, then the short-term capital gains arising on sale of such shares would be taxable @15% under section 111A.

Question 12

Answer

Conversion of a capital asset into stock-in-trade falls within the definition of transfer under section 2(47). Therefore, in this case, transfer has taken place during the previous year 2009-10.

However, as per section 45(2), the capital gains liability arises only in the year in which the stock-in-trade is sold i.e. previous year 2010-11 in this case. It is a long-term capital gain since the asset was acquired in 1988. The fair market value (FMV) on the date of conversion
i.e. on 1.3.2010 is deemed to be the full value of consideration accruing as a result of transfer of the capital asset.

Therefore, in the year of sale of stock-in-trade (i.e. P.Y. 2010-11), both business income and capital gains would arise.

Business income = Sale consideration of stock-in-trade – FMV on the date of conversion

Capital gains = FMV on the date of conversion – Indexed cost of acquisition / improvement

Question 13

A piece of land owned by Mr. Mishra located on Jaipur-Delhi highway was acquired by NHAI in the F.Y.2007-08, but the award ordered in F.Y. 2008-09 was paid in the F.Y. 2010-11. This land was purchased by him on 2.4.1977 for Rs.10,000. The fair market value of the land as on 1.4.1981 was Rs.9,000. Compensation paid was Rs.15 lacs.

The other piece of land located in Chennai purchased in April, 2003 for Rs.25 lacs was also sold by him in February, 2011 for Rs.35 lacs, but sale deed thereof could not be executed by 31.3.2011. The value for the purpose of stamp duty applied by the stamp valuation authority was Rs.40 lacs.

Compute the income chargeable to tax arising as a result of these transactions in the A.Y.2011-12.

The CII s for the F.Y: 2003-04, 2007-08, 2008-09 and 2010-11 are 463, 551, 582 and 711 respectively.

Answer

Computation of taxable income of Mr. Mishra for A.Y.2011-12

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Capital Gains</td>
<td></td>
</tr>
<tr>
<td>(A) Long-term capital gain derived from transfer of land on Jaipur-Delhi highway acquired by NHAI in F.Y. 2007-08 for which award was paid in F.Y. 2010-11 is chargeable to tax in A.Y.2011-12 [See Note (i) below]</td>
<td></td>
</tr>
<tr>
<td>Sale consideration i.e. compensation paid</td>
<td>15,00,000</td>
</tr>
<tr>
<td>Less: Indexed cost of acquisition [See Note (ii) below]</td>
<td></td>
</tr>
<tr>
<td>(10000 × 551)</td>
<td>55,100</td>
</tr>
<tr>
<td>100</td>
<td></td>
</tr>
<tr>
<td></td>
<td>14,44,900</td>
</tr>
</tbody>
</table>
(B) Sale of land at Chennai in February 2011 [See Note (iii) below]

Full value of consideration as per section 50C [See Note (iv) below] 40,00,000

Less: Indexed cost of acquisition

\[
\frac{(25,00,000 \times 711)}{463} = 38,39,093
\]

1,60,907

Total income chargeable to tax arising as a result of these transactions in the A.Y.2011-12 is = Rs.16,05,807 (i.e. Rs.14,44,900 +Rs.1,60,907).

Notes:

(i) The capital gains arising on compulsory acquisition shall be charged to tax in the year in which the compensation is first received as per section 45(5)(a).

(ii) The option of fair market value as on 1.4.81 is not exercised by the assessee since the fair market value is lower than the cost.

551 is the cost inflation index of F.Y.2007-08 i.e. the year in which the property was compulsorily acquired.

(iii) The execution of sale deed is not compulsory for the purpose of charge of capital gain because the transfer of right enabling enjoyment of immovable property gives rise to charge of capital gains as held by the Kerala High Court in the case of CIT v. C.F. Thomas (2006) 284 ITR 557.

(iv) As per section 50C, the value applied by the stamp valuation authority is deemed to be the full value of consideration received or accruing as a result of such transfer, since such value is higher than the sale consideration of Rs.35 lakh. 711 is the cost inflation index of F.Y.2010-11 i.e. the year in which the property at Chennai was sold.

Question 14

Vijay, an individual, owned three residential houses which were let out. Besides, he and his four brothers co-owned a residential house in equal shares. He sold one residential house owned by him during the previous year relevant to the assessment year 2011-12. Within a month from the date of such sale, the four brothers executed a release deed in respect of their shares in the co-owned residential house in favour of Vijay for a monetary consideration. Vijay utilised the entire long-term capital gain arising out of the sale of the residential house for payment of the said consideration to his four brothers. Vijay is not using the house, in respect of which his brothers executed a release deed, for his own residential purposes, but has let it out to another person, who is using it for his residential purposes.
Is Vijay eligible for exemption under section 54 of the Income-tax Act, 1961 for the assessment year 2011-12 in respect of the long-term capital gain arising from the sale of his residential house, which he utilised for acquiring the shares of his brothers in the co-owned residential house? Will the non-use of the new house for his own residential purposes disentitle him to exemption?

Answer

The long-term capital gain arising on sale of residential house would be exempt under section 54 if it is utilized, *inter alia*, for purchase of a new residential house within one year before or two years after the date of transfer. Release by the other co-owners of their share in co-owned property in favour of Vijay would amount to “purchase” by Vijay for the purpose of claiming exemption under section 54 ([CIT v. T.N. Aravinda Reddy (1979) 120 ITR 46 (SC)]). Since such purchase is within the stipulated time of two years, Vijay is eligible for exemption under section 54. As Vijay has utilised the entire long-term capital gain arising out of the sale of the residential house for payment of consideration to the other co-owners who have released their share in his favour, he can claim full exemption under section 54.

There is no requirement in section 54 that the new house should be used by the assessee for his own residence. The condition stipulated is that the new house should be utilised for residential purposes. This requirement would be satisfied even when the new house is let out for residential purposes.

Question 15

Sanjay, an individual, purchased a site on 21.4.2002 for Rs.2,00,000. He completed construction of a building thereon on 14.2.2008 at a cost of Rs.10,00,000. He sold the property consisting of site and building on 7.12.2010 for Rs.20,00,000. Sanjay seeks your opinion on the nature of capital gain arising to him from the sale of the property for the assessment year 2011-12.

Computation of capital gain is not necessary.

Answer

Site and building are separate capital assets for the purpose of capital gains. This distinction is clear from the scheme of the Income-tax Act, 1961. For the purpose of section 32, a building which is entitled to depreciation means only the superstructure and does not include the site on which it is built. This was held by the Apex Court in [CIT v. Alps Theatre (1967) 65 ITR 377](https://www.indiacoder.com/cases/supreme-court/cit-v-alps-theatre-1967-65-itr-377/).

In this case, the site is a long-term capital asset since it is held by Sanjay for more than 36 months and the building is a short-term capital asset since it is held by Sanjay for less than 36 months. The site is an independent capital asset and continues to be so even after the construction of the building thereon. Even though the property consisting of site and building
Direct Tax Laws

was sold as a single asset for a consolidated price of Rs.20,00,000, such price can be attributed to the site and building separately.

Therefore, in the case of Sanjay, the capital gain attributable to the site is assessable as long-term capital gain and the capital gain attributable to the building is assessable as short-term capital gain for the assessment year 2011-12. On identical facts, the Rajasthan High Court in CIT v. Vimal Chand Golecha (1993) 201 ITR 442, the Madras High Court in CIT v. Dr. D. L. Ramachandra Rao (1999) 236 ITR 51 and the Karnataka High Court in CIT v. C.R. Subramanian (2000) 242 ITR 342 have taken this view.

Question 16

(i) John inherits a house property from his father, who had mortgaged it. John discharges the mortgage debt. John later sells the property. Can he claim the amount paid to the mortgagee as cost of improvement in computing the capital gain?

(ii) Laxman mortgaged his house property and utilized the mortgage amount to perform the marriage of his son. He paid the amount to the mortgagee later. Upon sale of the said property thereafter, he claims the mortgage debt discharged as forming part of the cost of acquisition. Can capital gain be computed accepting his claim?

Answer

(i) John inherited the house property with the liability to discharge the mortgage debt. He can, therefore, claim the amount paid to the mortgagee as cost of improvement while computing the capital gain on sale of the said property. The decision of the Supreme Court in RM. Arunchalam v. CIT (1997) 227 ITR 222 supports this view.

(ii) Laxman has himself created the mortgage in respect of his house property. It is a self-created mortgage. Therefore, the debt discharged by Laxman on the property under mortgage created by him does not form part of cost of acquisition. The decision of the Supreme Court in V.S.M.R. Jagadish Chandran v. CIT (1997) 227 ITR 240 supports this view. Therefore, capital gain on sale of the property cannot be computed on the basis of the claim made by him.

Note – This question can also be answered with reference to the Bombay High Court ruling in CIT v. Roshanbabu Mohammed Hussein Merchant (2005) 144 Taxman 720 / 275 ITR 0231. This case highlights the difference in tax treatment in respect of allowability of the expenditure incurred on removing an encumbrance in two different cases, namely –

(i) In a case where the mortgage is created by the previous owner and
(ii) In a case where the mortgage is created by the assessee himself.

The Bombay High Court pointed out that there is a distinction between the obligation to discharge the mortgage debt created by the previous owner and the obligation to discharge the mortgage debt created by the assessee himself. Where the property acquired by the assessee
is subject to the mortgage created by the previous owner, the assessee acquires absolute interest in that property only after the discharge of mortgage debt. In such a case, the expenditure incurred by the assessee to discharge the mortgage debt created by the previous owner to acquire absolute interest in the property is treated as ‘cost of acquisition’ and is deductible from the full value of consideration received by the assessee on transfer of that property. However, where the assessee acquires property which is unencumbered, the assessee gets absolute interest in that property on acquisition. When the assessee transfers that property, he is liable for capital gains tax on the full value realized, even if he has himself created an encumbrance on that property. The assessee is under an obligation to remove that encumbrance for effectively transferring the property. In other words, the expenditure incurred by the assessee to remove the encumbrance created by the assessee himself on the property (which was acquired by him without any encumbrance) is not an allowable deduction under section 48.

**Question 17**

*State the cases where the benefit of indexation of costs is not available for determination of capital gains.*

**Answer**

In the following cases, the benefit of indexation is not available for determination of capital gains on transfer of long-term capital assets –

1. Transfer of bonds/debentures other than capital indexed bonds issued by the Government *(Proviso 3 to section 48).*

2. Transfer of shares or debentures acquired by a non-resident in foreign currency in an Indian company *(Proviso 1 and 2 to section 48).*

3. Transfer of undertaking or division in a slump sale *(Section 50B)*

4. Transfer of units of Unit Trust of India or a Mutual Fund specified under section 10(23D) purchased in foreign currency by an overseas financial organisation referred to as offshore funds *(Section 115AB)*

5. Transfer of Global Depository Receipt purchased in foreign currency by an individual resident in India and employee of an Indian company or its subsidiary engaged in specified knowledge based industry or service *(Section 115ACA).*

6. Transfer of securities by Foreign Institutional Investors *(Section 115AD).*

7. Transfer of a foreign exchange asset by a non-resident Indian *(Section 115D).*

Further, indexation benefit is not available on capital gains arising on transfer of a depreciable asset since such capital gains would always be short-term capital gains.
Question 18

Redemption of preference shares amounts to "transfer" within the meaning of Section 2(47) of the Income Tax Act, 1961 in the hands of the shareholder. Discuss.

Answer

The definition of the term "transfer" u/s 2(47) is not an exhaustive definition but an inclusive one. "Transfer" in relation to capital asset includes, *inter alia*, sale, exchange or relinquishment of capital asset.

When shares are redeemed by a company, it only means that the concerned shareholder is giving up his or her ownership or claim with reference to the shares in favour of the company. The consideration received by the shareholder from the company is certainly for sale/relinquishment of the interest in the shares and therefore, the redemption of preference shares amounts to "transfer" and the gain arising therefrom, being the excess realization over the cost of acquisition, shall be charged to tax under the head "Capital Gains". This was upheld by the Supreme Court in *Anarkali Sarabhai vs CIT* (1997) 224 ITR 422. If the redemption is after a period of 12 months from the date of acquisition of shares by the shareholder, the long term capital gain shall be computed by deducting the indexed cost of acquisition. The resultant long term capital gain shall be charged to tax in accordance with the provisions of section 112.

Question 19

What is meant by the term “Demerger”? What are the exemptions and benefits available as a result of a demerger transaction?

Answer

According to section 2(19AA), demerger in relation to companies, means the transfer pursuant to a scheme of arrangement under section 391 to 394 of the Companies Act, by a demerged company of one or more of its undertakings to any resulting company in such a manner that:

1. All the property of the undertaking, being transferred by the demerged company, immediately before the demerger, must become the property of the resulting company by virtue of the demerger;

2. All the liabilities relatable to the undertaking, being transferred by the demerged company, immediately before the demerger, become the liabilities of the resulting company by virtue of the demerger;

3. The property and liabilities are transferred by the demerged company to the resulting company at their value appearing in the books of account immediately before the demerger;
(4) In consideration of the demerger, the resulting company issues shares to the shareholders of the demerged company on a proportionate basis;

(5) Shareholders holding not less than three-fourth in value of the shares of the demerged company become shareholders of the resulting company by virtue of the demerger;

(6) The transfer of the undertaking is on a going concern basis;

(7) The demerger is in accordance with the conditions, if any, notified under section 72A(5) by the Central Government in this behalf.

Some of the exemptions and benefits available as a result of the demerger transaction are enumerated hereunder -

(i) There will be no capital gains tax liability in respect of transfer of capital assets by the demerged company to the resulting Indian company [section 47(vib)];

(ii) Shareholders of the demerged company are not chargeable to capital gains tax with reference to shares transferred to the resulting company in return for allotment of shares. [section 47(vid)];

(iii) Any distribution of shares pursuant to a demerger by the resulting company to the shareholders of the demerged company shall not be treated as deemed dividend as per section 2(22)(v), and hence there will be no tax liability on this account;

(iv) As per section 72A(4), in the case of a demerger, the accumulated loss and unabsorbed depreciation of the demerged company, as attributable to the demerged undertaking, shall be allowed to be carried forward and set-off in the hands of the resulting company.

**Question 20**

*Aries Tubes Private Ltd. went into liquidation on 01.06.2010. The company was seized and possessed of the following funds prior to the distribution of assets to the shareholders:*

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Share Capital</td>
<td>5,00,000</td>
</tr>
<tr>
<td>Reserves prior to 1.6.2010</td>
<td>3,00,000</td>
</tr>
<tr>
<td>Excess realization in the course of liquidation</td>
<td>5,00,000</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>13,00,000</strong></td>
</tr>
</tbody>
</table>

There are 5 shareholders, each of whom received Rs.2,60,000 from the liquidator in full settlement. The shareholders desire to invest the resultant element of capital gains in long-term specified assets as defined in section 54EC. You are required to examine the various issues and advice the shareholders about their liability to income tax.

**Answer**

Under section 46(1), where the assets of a company are distributed to its shareholders on its liquidation, such distribution shall not be regarded as transfer in the hands of the company for the purpose of section 45.
However, under section 46(2), where the shareholder, on liquidation of a company, receives any money or other assets from the company, he shall be chargeable to income-tax under the head "capital gains", in respect of the money so received or the market value of the other assets on the date of distribution as reduced by the amount of dividend deemed under section 2(22)(c) and the sum so arrived at shall be deemed to be the full value of the consideration for the purposes of section 48.

As per section 2(22)(c), dividend includes any distribution made to the shareholders of a company on its liquidation, to the extent to which the distribution is attributable to the accumulated profits of the company immediately before its liquidation, whether capitalized or not.

In this case, the accumulated profits immediately before liquidation is Rs.3,00,000. The share of each shareholder is Rs.60,000 (being one-fifth of Rs.3,00,000). An amount of Rs.60,000, is therefore, taxable under section 2(22)(c) in the hands of each shareholder.

Therefore, Rs.2,00,000 [i.e. 2,60,000 minus 60,000 taxed as deemed dividend u/s2(22)(c)] is the full value of consideration in the hands of each shareholder as per section 46(2). Against this, the investment of Rs.1,00,000 by each shareholder is to be deducted to arrive at the capital gains of Rs.1,00,000 of each shareholder. The benefit of indexation is available to the shareholders, but could not be computed in the absence of required information. Since the equity shares are not listed, it would not be liable for Securities Transaction Tax and hence the capital gain (long term) is not exempt under section 10(38). Also, the rate of tax on such long term capital gain would be 20% and subject to the provisions of section 112.

Exemption under section 54EC is available only where there is an actual transfer of capital assets and not in the case of deemed capital gain as per the decision rendered in the case of CIT v. Ruby Trading Co (P) Ltd (2003) 259 ITR 54 (Raj).

Note - It is assumed that the above capital gain is a long-term capital gain.

Question 21

Xavier had taken a loan under registered mortgage deed against the house, which was purchased by him on 26-03-81 for Rs.5 lakhs. The said property was inherited by his son Abraham in financial year 2007-08 as per Will.

For obtaining a clear title thereof Abraham paid the outstanding amount of loan on 12-02-08 of Rs.15 lakhs. The said house property was sold by Abraham on 16-03-11 for Rs.50 lakhs.

State with reasons the amount chargeable to capital gains for A.Y. 2011-12

(Cost Inflation Index 2007-08 = 551 and 2010-11 = 711).

Answer

The cost of inherited property to Mr. Abraham shall be the cost to the previous owner as per provisions of section 49(1)(iiiia) and therefore, Rs.5 lakhs, being the cost to his father (amount paid by his father on 26.3.81 for acquiring the property) shall be the cost to Mr. Abraham, who
is the new owner. Payment of outstanding loan of the predecessor by the successor for obtaining a clear title of the property by release of Mortgage Deed shall be the cost of acquisition of the successor under section 48 read with section 55(2) of the Act as held by the Apex Court in case of RM. Arunachalam v. CIT [1997] 227 ITR 222.

**Taxable Capital Gain for the A.Y. 2011-12**

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sale consideration of house property</td>
<td>Rs. 50,00,000</td>
</tr>
<tr>
<td><strong>Indexed cost of acquisition (see Note below)</strong></td>
<td></td>
</tr>
<tr>
<td>(i) Cost to previous owner (Rs. 5,00,000 X 711 / 551)</td>
<td>6,45,191</td>
</tr>
<tr>
<td>(ii) Loan amount paid by Mr. Abraham</td>
<td>19,35,572</td>
</tr>
<tr>
<td>(Benefit of CII is available since the loan amount was paid in the financial year 2007-08) (15,00,000 X 711 /551)</td>
<td>25,80,763</td>
</tr>
<tr>
<td><strong>Capital gains</strong></td>
<td><strong>24,19,237</strong></td>
</tr>
</tbody>
</table>

**Note:** Since the property was acquired by Mr. Abraham through inheritance, the cost of acquisition will be cost to the previous owner. Indexation will be from the year in which the assessee i.e. Abraham, in this case, first held the asset.

**Question 22**

'X', purchased on 18.6.2002, house property for Rs.22,25,000 which was sold to A on 18.10.2010 for Rs.38,75,000. The sub-registrar, at the time of registration of sale deed, charged stamp duty on Rs.50,00,000 which was paid by the buyer.

The Assessing Officer while assessing for capital gain referred the matter to the valuation officer as per the request of vendor. The Valuation Officer determined the value of property at Rs.45,00,000 on the date of transfer. X seeks your advice on the following:

(i) On what value the Assessing Officer could compute capital gain chargeable to tax?

(ii) The amount of capital gain on which 'X' is required to pay capital gains tax. (The CII for F.Y. 2002-03 is 447 and of F.Y. 2010-11 is 711).

**Answer**

(i) According to section 50C, the Assessing Officer can refer the property to the valuation officer, only when the following two conditions are satisfied:

(a) The value fixed by the stamp valuation authority is not disputed in appeal or revision etc.
(b) The assessee claims before the Assessing Officer that the value adopted or assessed by the stamp valuation authority exceeds the fair market value (FMV) of the property as on the date of transfer.

In the instant case, though the assessee paid the stamp duty as fixed by the stamp valuation authorities, he had requested the Assessing Officer to refer the property to the valuation officer for valuation. The value determined by the Valuation Officer is less than the value adopted by the stamp valuation authority. Therefore, such value only could be adopted for computing chargeable capital gains.

(ii) The amount on which the assessee is required to pay capital gains tax will be as under:-

<table>
<thead>
<tr>

**Question 23**

Specify the items of capital assets in respect of which the cost of acquisition shall be taken as 'nil' under the provisions of the Income-tax Act, 1961 while computing capital gains.

**Answer**

According to section 55 of the Income-tax Act, 1961, the cost of acquisition shall be taken to be 'nil' in the case of the following capital assets:

1. Self generated goodwill of a business
2. Bonus shares
3. Right to subscribe to rights issues
4. Tenancy rights
5. Stage carriage permits
6. Loom hours
7. Any right to manufacture, produce or process any article or thing; and
8. A trademark or brand name associated with the business.

**Question 24**

_Dalal entered into an agreement with Shroff for the sale of his property and received earnest money of ₹1,00,000 on 1.4.2010. The balance of ₹4,00,000 was to be paid within 3 months, failing which Dalal was entitled to a compensation of ₹50,000. The earnest money was also liable to forfeited. Shroff defaulted in the payment of the balance within the time specified and therefore the earnest money was forfeited. A suit was also filed for breach of contract and ₹50,000 was awarded, which was received on 28.3.2011. Discuss the nature of the two receipts from the point of view of liability to tax._

**Answer**

The nature of the two receipts from the point of view of liability to tax are as follows:

- **Earnest money:** The earnest money paid by Shroff was referred to in the agreement and was not a part of the purchase consideration. It was paid as a guarantee for the performance of the contract. Therefore, the earnest money is not taxable.

- **Compensation money:** The compensation money awarded to Dalal was for breach of contract and was not a part of the purchase consideration. It was paid as a compensation for the defaulted payment. Therefore, the compensation money is also not taxable.
Forfeiture of earnest money: The matter relating to the liability to tax of earnest money and compensation has arisen for consideration by the Apex Court in *Travancore Rubber and Tea Co Ltd v. CIT* 243 ITR 159. The quality and nature of receipt for income-tax purposes are fixed once and for all when the subject of the receipt is received and subsequent operations do not change that nature. Section 51 preserves this rule enunciated in *Morley (Inspector of Taxes) v. Tattersall* 7 ITR 316. There is a distinction between earnest money and compensation, but it loses its significance in the context of section 51 which includes “other moneys” in addition to earnest money. Accordingly, the amount received by way of earnest money is not taxable but would go to reduce the cost of acquisition of asset at the time of its ultimate sale.

Compensation for breach of contract: The compensation received for breach of contract is also not chargeable to tax at the time of receipt but would go to reduce the cost of acquisition of the asset while reckoning capital gain at the time of its ultimate sale.

**Question 25**

(i) Chand Ltd decided to effect buy-back of share capital by purchase of shares in open market. During the year ended 31.3.2011, Chand Ltd, purchased its own 10,000 shares. Discuss the tax implications in the hands of Chand Ltd and shareholders.

(ii) Discuss the tax treatment of surplus arising out of deep discount bonds:

   (a) On sale of such bonds
   
   (b) On realization of such bonds on maturity.

**Answer**

(i) Section 46A provides for the taxability of capital gains in the hands of shareholders, when the shares are purchased by the company in the open market in order to buy-back its shares. In the hands of Chand Ltd, there shall be no liability to tax as the payment is on capital account.

In the case of shareholders, the difference between the consideration received by the shareholders and the cost of acquisition will be chargeable to tax as capital gains. Any payment made by a company on purchase of its own shares in accordance with section 77A of the Companies Act, 1956 will not constitute dividend section 2(22). Hence, there is no liability on the part of the company to deduct tax at source.

(ii) The CBDT has clarified vide Circular No.2/2002 dated 15-02-2002, that the difference between the cost of acquisition and market value as on 31st March immediately succeeding shall be taxable as interest income. In respect of subsequent assessment years, the difference in market values as on the closing dates of the respective previous years shall be taken as interest income.

---

7.23
Where the bonds are sold before maturity, the sale price less the market value as on the closing date of the immediately preceding financial year shall be taken as the capital gain/loss. If the bonds are transferred within 12 months from the date of acquisition, the resultant will be short term capital gain/loss. Where it is transferred after 12 months, it will be a long term capital gain/loss.

In the year of redemption, the redemption price and the market value as on 31st March immediately preceding the date of redemption will be compared and will be treated as interest income.

If the bonds are kept as trading asset instead of interest income, the income will obtain the character of business income.

The Circular No.2/2002 has stated that small non-corporate investors having deep discount bonds upto an aggregate face value of Rs.1 lakh can continue to offer income for tax in accordance with the earlier circular F.No.225/45/96 dated 03-12-1996, which clarifies that the difference between purchase price and redemption price is taxable as interest income. If the bonds are transferred before maturity, the sale consideration less cost of acquisition is taxable as capital gain.

**Question 26**

*Mukherjee furnishes the following information:*

<table>
<thead>
<tr>
<th>Purchase of shares</th>
<th>Month &amp; Year of purchase</th>
<th>Shares dematted month and year</th>
</tr>
</thead>
<tbody>
<tr>
<td>1,000</td>
<td>March, 1995</td>
<td>July, 2002</td>
</tr>
<tr>
<td>500</td>
<td>March, 1998</td>
<td>---</td>
</tr>
<tr>
<td>1,000</td>
<td>December, 1999</td>
<td>October, 2001</td>
</tr>
</tbody>
</table>

He sold 1,500 shares in January, 2011 out of the demated shares. He seeks your advice as to the taxability towards capital gains for the assessment year 2011-12.

**Answer**

Assuming that the shares dematted represent equity shares of a company, the resultant long term capital gain on transfer in respect of which Securities Transaction Tax is paid, is exempt under section 10(38).

It is assumed that the long term capital gain arising from the transfer of shares is not exempt under section 10(38), the following could be taken as the guidance for deciding the tax implication.

Section 45(2A) is to be applied and it says that any profits and gains arising from the transfer made by the depository shall be chargeable as the income of the beneficial owner in the previous year in which the transfer takes place. The Central Board of Direct Taxes, by its
Circular No. 768 dated 24.6.1998 has directed that the cost of acquisition of shares and the period of holding shall be determined on the basis of first-first-out method (FIFO). The FIFO method will apply only to the dematted shares and not to those held in physical form. The dematted shares were acquired in the years 1995 and 1999 and therefore as per the provisions read with the circular, the shares dematted first will be construed as sold first.

As per the given facts of the case, the shares sold were 1500. For arriving at the liability to capital gains tax:

(a) The purchase cost of 1000 shares acquired in December, 1999 (first dematted) and the proportionate purchase cost of 500 shares out of the shares acquired in March 1995 will be taken as cost of shares. The transfer has to be construed in the same manner and not the year of their acquisition.

The indexation of the cost is permissible as per section 48 of the Income-tax Act. The loss or gain shall be arrived at after deducting the indexed cost.

Question 27

A Manufacturing company was transporting two of its machines from unit ‘A’ to unit ‘B’ (which is at a distance of 100 miles) on 1st September, 2010 by a truck. On account of a civil disturbance, both the machines were damaged. The insurance company paid Rs. 5 lakhs for the damaged machines. On these facts, for submitting the return of income for the previous year ending 31st March, 2011, your advice is sought as to:

(i) Whether the damage of machines result in any transfer?
(ii) How the amounts received from the insurance company are to be treated for taxability?
(iii) Would there be any impact on the written down value of the block of plant and machinery as at 31st March 2011?

Answer

As per section 45(1A), receipt of insurance compensation in the form of money or any asset is to be treated as consideration and capital gain is accordingly to be charged to tax. The two qualifying conditions prescribed are (a) the compensation should have been received because of damage or destruction of capital asset and (b) the damage or destruction is as a result of circumstances mentioned therein.

In the facts of the case, both the conditions are satisfied and therefore, the compensation is to be treated as consideration. Applying section 45(1A) the answers to the issues are:

(i) in the case of damage or destruction, there is no actual transfer;
(ii) the receipt of insurance compensation of Rs. 5 lakhs has to be treated as consideration in accordance with the provisions of section 45(1A).
(iii) in the instant case, as per the provisions of section 43(6)(c) the receipt of compensation of Rs.5 lakhs calls for adjustment in the written down value of the block of assets. If the written down value is more than Rs.5 lakhs, then Rs.5 lakhs should be deducted from written down value. On the other hand, if the written down value is less than Rs. 5,00,000, the difference would be treated as short term capital gain.

Question 28

Gama Ltd, located within the corporation limits decided in December, 2010 to shift its industrial undertaking to non-urban area. The company sold some of the assets and acquired new assets in the process of shifting. The relevant details are as follows:

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Land</th>
<th>Building</th>
<th>Plant &amp; Machinery</th>
<th>Furniture</th>
</tr>
</thead>
<tbody>
<tr>

<td>7</td>
<td>17</td>
<td>2</td>
</tr>
</tbody>
</table>

Compute the capital gains of Gama Ltd for the assessment year 2011-12.

Answer

Section 54G deals with deduction in respect of any capital gain that may arise from the transfer of an industrial undertaking situated in an urban area in the course of or in consequence of shifting to a non-urban area.

If the assessee purchases new machinery or plant or acquires a building or land or constructs a new building or shifts the original asset and transfers the establishment to the new area, within 1 year before or 3 years after the date on which the transfer takes place, then, instead of the capital gain being charged to tax, it shall be dealt with as under:

1. If the capital gain is greater than the cost of the new asset, the difference between the capital gain and the cost of the new asset shall be chargeable as income ‘under section 45’.

2. If the total gain is equal to or less than the cost of the new asset, section 45 is not to be applied.

The capital assets referred to in section 54G are machinery or plant or land or building or any rights in building or land. Capital gains arising on transfer of furniture does not
Capital Gains

qualify for exemption under section 54G. No exemption is therefore available under section 54G in respect of investment of Rs. 2 lakh in acquiring furniture.

1. The first step therefore is to determine the capital gain arising out of the transfer and thereafter apply the provisions of section 54G.

(a) **Land** – Sale proceeds (Non depreciable) 8,00,000
   Less: Indexed cost 4,00,000
   Long term capital gain 4,00,000
   Less: Cost of new assets purchased within one year before the transfer (under section 54G) (See note 1 below) 3,00,000
   Taxable Long term capital gain 1,00,000

(b) **Building** – sale proceeds (depreciable assets) 18,00,000
   Less: WDV is deemed as cost of acquisition u/s.50 4,00,000
   Short term capital gain 14,00,000

(c) **Plant & machinery** sale proceeds (depreciable asset) 16,00,000
   Less: WDV is deemed cost under section 50 5,00,000
   Short term capital gain 11,00,000

(d) **Furniture** sale proceeds (depreciable asset) 3,00,000
   Less: WDV is deemed cost under section 50 2,00,000
   Short term capital gain (see note 2 below) (A) 1,00,000

**Summary**

Short term capital gain : Building 14,00,000
Short term capital gain : Plant & machinery 11,00,000
Less: New assets purchased U/s.54G (See Note below) 25,00,000
Net short term capital gain (B) Nil

Total short term capital gain (A)+(B) = 1 lakh

**Note** – Total exemption available under section 54G is Rs. 28 lakh (Rs. 4 lakh + Rs.7 lakh + Rs.17 lakh). The exemption should first be exhausted against short term capital gain as the incidence of tax in case of short-term capital gain is more than in case of long term capital gain. Therefore, Rs.25 lakh is exhausted against short term capital gain and the balance of Rs. 3 lakh against long term capital gain.

**Question 29**

Anand entered into an agreement for sale of certain properties in which there were tenants subject to vacant possession. He had accordingly to pay certain consideration to the tenants for their agreeing to vacate the properties and claimed such payments to secure vacant possession as incurred in connection with the transfer of the property within the meaning of section 48(1) of the Act. Would Anand succeed in his claim?
Anand’s claim is valid in law. Under the agreement, the assessee had to give vacant possession. Payments made to tenants to obtain vacant possession was incurred wholly and exclusively in connection with the agreement of sale which preceded the transfer and in fulfillment of a condition of sale. The amount paid to the tenants is, therefore, deductible as expenditure under section 48(1) of the Act.

Question 30

Balance sheet of JB Opticals Limited as on 31-03-2010 reads as under:

<table>
<thead>
<tr>

The company acquired Unit B on 1.04.2008. They made certain capital additions in the form of Generator set and additional building etc., for Rs.25 lacs during the year 2008-09. The members of the company have authorized the Board in their meeting held on 28.01.2011 to dispose of the unit ‘B’. The company decides to sell the Unit ‘B’ by way of slump sale for Rs.225.00 lacs as consideration. The buyer has agreed with the vendor-company to give time for putting thought the sale but not later than 30.06.2011 subject to a discount of 1% on agreed sale consideration. However, this discount is not applicable if the sale is completed after 31.03.2011. The company now approaches you to advise them as a measure of tax planning to determine the date of sale keeping in view of the capital gains tax.

Answer

Determination of net worth of Unit B of M/s. J.B. Opticals Ltd.

Note: The assessee is advised to effect slump sale after 31.03.2011 as the tax liability arising out of long term capital gains is less than the tax liability arising on short term capital gain if transferred before 31.03.2011.

Question 31

The assessee was a company carrying on business of manufacture and sale of art-silk cloth. It purchased machinery worth Rs.4 lakhs on 1-5-2006 and insured it with United India Assurance Ltd against fire, flood, earthquake etc. The written down value of the asset as on 01.04.2010 was Rs.2,08,800. The insurance policy contained a reinstatement clause requiring the insurance company to pay the value of the machinery, as on the date of fire etc., in case of destruction of loss. A fire broke out in August, 2010 causing extensive damage to the machinery of the assessee rendering them totally useless. The assessee company received a sum of Rs.6 lakhs from the insurance company on 15th March, 2011. Discuss the issues arising on account of the transactions and their tax treatment.

(Cost inflation index for financial year 2006-07 and 2010-11 are 519 and 711 respectively)

Answer

Under section 45(1A) provison, where any person receives any money or other assets under an insurance from an insurer on account of damage to or destruction of capital asset, then, any profits and gains arising form the receipt of such money or other assets, shall be chargeable to income tax under the head “Capital Gains” and shall be deemed to be the income of such person of the previous year in which such money or asset was received.

For the purpose of section 48, the money received or the market value of the asset shall be deemed to be the full value of the consideration accruing as a result of the transfer of such capital asset. Since the asset was destroyed and the money from the insurance company was received in the previous year, there will be a liability to capital gains in respect of the insurance moneys received by the assessee.

The written down value of the asset as Rs.2,08,800 as on 01.04.2010 the computation of capital gain and tax implication is given below:
Under section 45(1A) any profits and gains arising from receipt of insurance moneys is chargeable under the head “Capital gains”. For the purpose of section 48, the moneys received shall be deemed to be the full value of the consideration accruing or arising. Under section 50 the capital gains in respect of depreciable assets had to be computed in the following manner:

<table>
<thead>
<tr>
<th>Description</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full value of the consideration</td>
<td>Rs.6,00,000</td>
</tr>
<tr>
<td>Less: Written down value as on 1st, 2010</td>
<td>Rs.2,08,800</td>
</tr>
<tr>
<td>Short term capital gains</td>
<td>Rs.3,91,200</td>
</tr>
</tbody>
</table>
CHAPTER 8

INCOME FROM OTHER SOURCES

Some Key Points : Recent Amendments

Transfer of property without consideration [Section 56(2)(vii)(b)]

Any immovable property received by an individual or HUF on or after 01.10.2009 without any consideration it is chargeable to tax as income under the head ‘other sources’ if the stamp duty value of such property exceeds Rs.50,000.

Transfer of immovable property for inadequate consideration is not liable to tax in the hands of the transferee (which was the case as per the amendment made by the Finance (No.2) Act, 2009, which was subsequently reversed in the Finance Act, 2010 on retrospective basis).

Meaning of the term ‘property’

The Finance Act, 2010 has amended clause (d) of the Explanation to section 56(2)(vii) dealing with the term ‘property’.

“Property” means the following capital asset of the assessee namely:–

(a) Immovable property being land or building or both;
(b) Shares and securities;
(c) Jewellery
(d) Archaeological collections;
(e) Drawings
(f) Paintings;
(g) Sculptures;
(h) Any work of art; or
(i) Bullion

Transfer of shares to firm and company liable to tax [Section 56(2)(viia)]

Where a firm or company (not being a company in which public are substantially interested) receives, in any previous year, from any person or persons, on or after 01.06.2010, any property, being shares of the company not being a company in which public are substantially interested –

(a) Without consideration, the aggregate fair market value of which exceeds Rs.50,000, the whole of the aggregate fair market value is taxable;

(b) For a consideration, which is less than the aggregate fair market value by an amount exceeding Rs.50,000, the aggregate fair market value of such property as exceeds the consideration.
**Exception:** The abovesaid provisions for shares received without consideration or for inadequate consideration will not apply in respect of any transactions covered by section 47(via) or section 47(vic) or section 47(vicb) or section 47(vid) or section 47(vii).

**Question 1**

Mr. Ganesh received the following gifts during the P.Y.2010-11 from his friend Mr. Sundar, -

1. Cash gift of Rs. 51,000 on his birthday, 19th June, 2010.
2. 50 shares of Beta Ltd., the fair market value of which was Rs. 60,000, on his birthday, 19th June, 2010.
3. 100 shares of Alpha Ltd., the fair market value of which was Rs. 70,000 on the date of transfer. This gift was received on the occasion of Diwali. Mr. Sundar had originally purchased the shares on 10-8-2010 at a cost of Rs. 50,000.

Further, on 20th November, 2010, Mr. Ganesh purchased land from his sister’s mother-in-law for Rs. 5,00,000. The stamp value of land was Rs. 7,00,000.

On 15th February, 2011, he sold the 100 shares of Alpha Ltd. for Rs. 1 lakh.

Compute the income of Mr. Ganesh chargeable under the head “Income from other sources” and “Capital Gains” for A.Y.2011-12.

Income from Other Sources 1,81,000

**Computation of “Capital Gains” of Mr. Ganesh for the A.Y.2011-12**

| Sale Consideration (15.02.2011) | 1,00,000 |
| Less: Cost of acquisition [deemed to be the fair market value charged to tax under section 56(2)(viii)] | 70,000 |

Short-term capital gains 30,000
Question 2

Mrs. Harini Rao, who draws a salary of Rs.12,000 p.m. received the following gifts during the previous year 2010-11 -

(i) Gift of Rs.1,50,000 on 15-5-2010 from her close friend.
(ii) Gift of jewellery worth Rs.3,00,000 on 1-8-2010 from her fiancée.
(iii) Gifts of Rs.51,000 each received from her two friends on the occasion of her marriage on 30-10-2010.
(iv) Gift of Rs.51,000 on 1-11-2010 from her father's sister.
(v) Gift of Rs.21,000 from her husband's friend on 1-1-2011.
(vi) Gift of Rs.25,000 on 12-1-2011 from her family friend.
(vii) Gift of Rs.11,000 on 12-2-2011 from her brother's mother-in-law.
(viii) Gift of Rs.75,000 from her sister-in-law.

Compute her gross total income for the assessment year 2011-12.

Answer

| Gross Total Income          | 6,51,000        |
Question 3

Explain in the context of provisions of the Act, whether the income derived during the year ended on 31.03.2011 in each of the following case shall be subject to tax in the A.Y. 2011-12:

Chitra received gifts of Rs.1,00,000 from her father-in-law and of Rs.11,000 each from her 10 friends at the time of her marriage on 11.03.11.

Answer

The cash gifts received by Chitra at the time of her marriage shall not be subject to tax by virtue of clause (b) of the second proviso to section 56(2)(vii). Therefore, gifts of Rs.1 lakh received from her father-in-law and Rs.1.10 lakh received @ Rs.11,000 each from her 10 friends shall not be taxable as all such gifts were received by her on the occasion of her marriage.

Question 4

MNO Ltd. is a company in which the public are not substantially interested. K is a shareholder of the company holding 15% of the equity shares. The accumulated profits of the company as on 31.3.2010 amounted to Rs.10,00,000. The company lent Rs.1,00,000 to K by an account payee bank draft on 1.10.2010. The loan was not connected with the business of the company. K repaid the loan to the company by an account payee bank draft on 30.3.2011. Examine the effect of the borrowal and repayment of the loan by K on the computation of his total income for the assessment year 2011-12.

Answer

As per section 2(22)(e), any payment by a company, in which the public are not substantially interested, by way of advance or loan to a shareholder, being a person who is the beneficial owner of shares holding not less than 10% of the voting power, shall be treated as dividend to the extent to which the company possesses accumulated profits.

In the instant case, MNO Ltd. is a company in which the public are not substantially interested. The company has accumulated profits of Rs.10,00,000 on 31.3.2010. The loan given by the company to K was not in the course of its business. K holds more than 10% of the equity shares in the company. Therefore, assuming that K has voting power equivalent to his shareholding, section 2(22)(e) comes into play and the sum of Rs.1,00,000, representing the amount lent by the company to K, is includible as dividend in the total income of K for the assessment year 2011-12.

Under section 2(22)(e), the liability arises the moment the loan is borrowed by the shareholder and it is immaterial whether the loan is repaid before the end of the accounting year or not. Therefore, the repayment of loan by K to the company on 30.3.2011 will not affect the taxability of the sum of Rs.1,00,000 as dividend in his hands.

Question 5

Discuss the taxability or otherwise of the following gifts received by M, an individual, during the financial year 2010-11:

(i) Rs.24,000 each from his four friends on the occasion of his birthday.
(ii) **Wrist watch valued at Rs.60,000 from his friend.**

(iii) **Acquired a vacant site from a friend (non-relative). The stamp duty value of the land was Rs.5 lakhs but the consideration paid and agreed was Rs.3 lakhs.**

(iv) **Received a gift of vacant land from grandfather’s younger brother, the stamp duty value of the land being Rs.1,50,000**

**Answer**

(i) Section 56(2)(vii) provides that where any sum of money is received without consideration by an individual or a Hindu undivided family from any person or persons exceeding Rs.50,000 in aggregate in any previous year, the whole of the aggregate value of such sum will be liable to tax. In the instant case, M has received Rs.24,000 from each of his four friends. The aggregate amount of gifts received works out to Rs.96,000. As such, the entire amount of Rs.96,000 is taxable under the head “Income from other sources”.

(ii) Section 56(2)(vii) brings within its scope, in addition to any sum of money, the value of property received without consideration. For this purpose, “property” means immovable property being land and building or both, shares and securities, jewellery, archaeological collections, drawings, paintings, sculptures or any work of art. Therefore, the gift of wrist watch valued at Rs.60,000 received by M from his friend is not covered by the term ‘property’. Accordingly, it is not chargeable to tax.

(iii) The Finance Act, 2010 has substituted sub-clause (b) of section 56(2)(vii) with retrospective effect from 01.10.2009. After the amendment, where any immovable property is obtained without consideration and if the stamp duty value of the property exceeds Rs.50,000, the stamp duty value of such property is chargeable to tax as income. In this case, there was some consideration but it was less than the stamp duty value. Only in the absence of consideration, is a transaction in respect of immovable property received from a non-relative chargeable to tax. Therefore, the difference between stamp duty value and actual consideration is not chargeable to tax in the hands of the vendee.

(iv) There is no consideration on receipt of gift of land from the younger brother of grandfather. Since the younger brother of grandfather is not a ‘relative’ as per Explanation to section 56(2)(vii), the stamp duty value is chargeable to tax as income under the head ‘income from other sources’.

**Question 6**

The Assessing Officer found, during the course of assessment of a firm, that it had paid rent in respect of its business premises amounting to Rs.60,000, which was not debited in the books of account for the year ending 31.3.2010. The firm did not explain the source for payment of rent. The Assessing Officer proposes to make an addition of Rs.60,000 in the hands of the firm for the assessment year 2010-11. The firm claims that even if the addition is made, the sum of Rs.60,000 should be allowed as deduction while computing its business income since it has been expended for purposes of its business. Examine the claim of the firm.
Answer

The claim of the firm for deduction of the sum of Rs.60,000 in computing its business income is not tenable. The action of the Assessing Officer in making the addition of Rs.60,000, being the payment of rent not debited in the books of account (for which the firm failed to explain the source of payment) is correct in law since the same is an unexplained expenditure under section 69C. The proviso to section 69C states that such unexplained expenditure, which is deemed to be the income of the assessee, shall not be allowed as a deduction under any head of income. Therefore, the claim of the firm is not tenable.

**Question 7**

D, a lady, received the following gifts during the year ending 31.3.2011:

(i) Rs.30,000 from her elder sister.

(ii) Rs.1,25,000 from various friends on the occasion of her marriage.

(iii) Rs.50,000 from the daughter of her elder sister.

*Discuss the taxability or otherwise of these gifts in the hands of D*

**Answer**

(i) Section 56(2)(vii) provides for taxation of gifts exceeding Rs.50,000, received by an individual from any person other than those specified, under the head “Income from other sources”. The proviso states that gifts received from any relative would not be so taxed. *Explanation* to section 56(2)(vii) defines the term “relative”. Sister of the individual is included in the said definition. Therefore, gift of Rs.30,000 received by D from her elder sister is not taxable.

(ii) The proviso to section 56(2)(vii) stipulates that gifts received by an individual on the occasion of the marriage of the individual, is not taxable. Therefore, gifts amounting to Rs.1,25,000 received by D from her friends on the occasion of her marriage are not taxable.

(iii) Daughter of the elder sister of an individual is not a “relative” within the definition of the term as contained in *Explanation* to section 56(2)(vii). Since the amount received from the daughter of her elder sister is exactly Rs.50,000 and the gifts received in (i) and (ii) above are not chargeable, the whole of the amount gifted shall not be included in D’s total income. Therefore, the entire sum of Rs.50,000 is not taxable in the hands of D.

**Question 8**

M, an individual, is 70 years of age. He is a sitting member of the State Assembly of Karnataka and for the financial year 2010-11 received the following amounts from the Assembly Secretariat:

(i) Basic pay Rs.16,000 p.m.

(ii) Constituency allowance Rs.8,000 p.m.

(iii) Telephone allowance Rs.4,000 p.m.

(iv) Electricity allowance Rs.3,000 p.m. [from June, 2010 onwards]
He owns a house in Delhi which has been let out at Rs.15,000 p.m. He received rent for 10 months only, the house having remained vacant for two months. Municipal taxes of Rs.12,000 were paid by the tenant. Interest of Rs.50,000 was paid by M on the amount borrowed by him to buy the house.

Compute his total income for the assessment year 2011-12.

**Answer**

**Computation of total income of Mr. M for A.Y.2011-12**

**Note** – 1. In the absence of other information, rent received has been taken as the Gross Annual Value.

2. The pay and allowances of a member of the State Assembly would be taxable under the head “Income from other sources”, since there is no employer-employee relationship in this case.

**Question 9**

V.G. had placed to deposit of Rs.10 lakhs in a bank on which he received interest of Rs.80,000. He had also borrowed Rs.5 lakhs from the same bank on the security of the deposit and was liable to pay Rs.50,000 by way of interest to the bank. He therefore offered the difference between two amounts of Rs.30,000 as income from other sources. Is this correct?
**Answer**

The interest income from deposit in the bank is assessable under the head "Income from Other Sources". The deduction admissible against this income is any expenditure (not being in the nature of capital expenditure) laid out or expended wholly and exclusively for the purpose of making or earning such income. However, the interest paid on the borrowing of Rs.5 lakhs does not fall in this category. This has been held by the Supreme Court in CIT v. Dr. V. Gopinathan (2001) 248 ITR 449. In that case, the Supreme Court observed that the interest received by the assessee from the bank on a fixed deposit is income in his hands and there could be no deduction there from unless there is a law permitting such deduction. The interest on a loan taken by the assessee on the security of the fixed deposit would not go to reduce the income by way of interest on the fixed deposit as there is no provision for deduction of such interest on the loan.

Therefore, in this case, the full sum of Rs.80,000 will be liable to tax under the head “Income from Other Sources”.

**Note:** In case the assessee had deposited business funds and availed loan against such deposit for business use of such loan, the interest on loan against deposit is eligible for deduction.

**Question 10**

Parimal, Managing Director of Heavens Engg. Pvt. Ltd. holds 70% of its paid up capital of Rs.20 lakhs. The balance as at 31-03-10 in General Reserve was Rs.6 lakhs. The company on 1-07-10 gave an interest-free loan of Rs.5 lakhs to its Supervisor having salary of Rs.4,000 p.m., who in turn on 15-8-10 advanced the said amount of loan so taken from the company to Shri Parimal. The Assessing Officer had taxed the amount of advance in the hands of Parimal. Is the action of Assessing Officer correct?

**Answer**

The company had advanced a loan to an employee who in turn had advanced the same to the Managing Director of the company holding 70% of its capital. By virtue of the provisions of section 2(22)(e), the same shall be treated as the payment by a company in which public are not substantially interested, on behalf of, or for individual benefit of any such shareholder (who holds not less than 10% of the voting power), to the extent to which the company possesses accumulated profits.

In this case, the company has reserves of Rs.6 lakhs on 31st March of the preceding year and the amount of loan advanced on 1st July is Rs.5 lakhs. Therefore, the payment is to be treated as deemed dividend. The amount of interest-free loan of Rs.5 lakhs given by the company to the supervisor who in turn had given the same to Mr.Parimal, shall be construed as the amount given for the benefit of Mr. Parimal and is treated as deemed dividend chargeable to tax in the hands of Mr. Parimal. This has been held by the Supreme Court in the case of L.Alagusundaram Chettiar v. CIT (2001) 252 ITR 813/(2002) 121 Taxman 587.
Question 11

An enterprise engaged in manufacturing of steel balls discontinued its activities and decided to lease out its factory building, plant and machinery and furniture from 1.4.2010 on a consolidated lease rent of Rs.50,000 per month. Compute the income for Assessment Year 2011-12 of the assessee from following information:

Rs.
(i) Interest received on deposits 1,00,000
(ii) Brokerage paid on hundi loan taken 2,000
(iii) Interest paid on hundi and other loans which were given as deposits on interest to others 75,000
(iv) Expenses incurred on repairs of building, plant and machinery. 15,000
(v) Fire insurance premium of plant and machinery and furniture. 12,000
(vi) Depreciation for the year 1,47,500
(vii) Legal fees paid to an advocate for drafting and registering the lease agreement 1,500
(viii) Factory licence fees paid for the year 1,000
(ix) There is unabsorbed depreciation of Rs.2,75,000 of the Assessment Years 2005-06 and 2006-07.
(x) Interest paid includes an amount of Rs.25,000 remitted outside India on which TDS was not deducted at source.

Answer

The income derived from leased assets shall be chargeable to tax as 'Income from other sources' under section 56(2)(iii) of the Act but the computation thereof shall be made after allowing deductions specified under sections 30, 31 and 32 subject to section 38 of the Act. This is as per the provisions of section 57(ii) and 57(iii) of the Act.

Income from other sources

<table>
<thead>
<tr>
<th>Amount (Rs.)</th>
<th>Amount (Rs.)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Lease Rent for 12 months @ Rs.50,000 p.m. 6,00,000</td>
<td></td>
</tr>
<tr>
<td>Less: Expenses and deductions allowable under section 57(ii) &amp; 57(iii) of the Act:</td>
<td></td>
</tr>
<tr>
<td>Repairs 15,000</td>
<td></td>
</tr>
<tr>
<td>Fire Insurance Business 12,000</td>
<td></td>
</tr>
<tr>
<td>Legal expenses for drafting of lease agreement 1,500</td>
<td></td>
</tr>
<tr>
<td>Factory Licence fee 1,000</td>
<td></td>
</tr>
<tr>
<td>Depreciation for the year 1,47,500</td>
<td></td>
</tr>
<tr>
<td>Unabsorbed depreciation of earlier assessment years – eligible for deduction 2,75,000</td>
<td></td>
</tr>
<tr>
<td>4,52,000</td>
<td></td>
</tr>
<tr>
<td>1,48,000</td>
<td></td>
</tr>
</tbody>
</table>
(B) Interest on Deposits 1,00,000
Less: Expenses allowable U/s.57(i)
  Brokerage 2,000
  Interest on hundi loans (Note 2) 50,000
                              52,000

Total Income 48,000

1. Depreciation of Rs.2,75,000 pertains to earlier assessment years. The unabsorbed depreciation shall form part of the current year depreciation and can be set off against any other head of income. Accordingly, the amount of Rs 2,75,000 is adjustable / allowed to be set off against 'Income from other sources'.

2. Interest paid to non-resident is not eligible for deduction as the tax has not been deducted at source.

Question 12

Shyam was contributing amount to unrecognized provident fund. On 15th March, 2011, he had finally drawn the deposited amount along with interest. He seeks your advice as to how it has to be dealt, in his computation for assessment year 2011-12.

Answer

Shyam’s own contribution to the unrecognized provident fund will not attract any tax liability on its return to him. However, any payment received from an employer or former employer from an unrecognized provident fund to the extent to which it does not consist of contribution by him or interest on such contribution will constitute profits in lieu of salary under section 17(3)(ii) and will thus be chargeable to tax on receipt.

Hence, Shyam will be advised to include in his return of income the amounts withdrawn by him from the unrecognized provident fund to the extent it constitutes the contribution by the employer and interest thereon.

Interest on own contribution to unrecognized provident fund however is taxable under the head “income from other sources”.

---

8.10
Some Key Points

Transfer of income without transfer of asset [Section 60]

(i) If any person transfers the income from any asset without transferring the asset itself, such income is to be included in the total income of the transferor.

(ii) It is immaterial whether the transfer is revocable or irrevocable and whether it was made before the commencement of this Act or after its commencement.

(iii) For example, Mr. X confers the right to receive rent in respect of his house property on his wife, Mrs. X, without transferring the house itself to her. In this case, the rent received by Mrs. X will be clubbed with the income of Mr. X.

Exceptions to transfer [Section 62]

(i) Transfer not revocable during the life time of the beneficiary or the transferee – If there is a transfer of asset which is not revocable during the life time of the transferee, the income from the transferred asset is not includible in the total income of the transferor provided the transferor derives no direct or indirect benefit from such income. If the transferor receives direct or indirect benefit from such income, such income is to be included in his total income even though the transfer may not be revocable during the life time of the transferee.

(ii) Transfer made before April 1, 1961 and not revocable for a period exceeding six years – Income arising from the transfer of an asset before 01.04.1961, which was not revocable for a period exceeding six years, is not includible in the total income of the transferor provided the transferor does not derive direct or indirect benefit from such income.

In both the above cases, as and when the power to revoke the transfer arises, the income arising by virtue of such transfer will be included in the total income of the transferor.

“Income” includes “loss”

As per Explanation 2 to section 64, ‘income’ would include ‘loss’. Accordingly, where the specified income to be included in the total income of the individual is a loss, such loss will be taken into account while computing the total income of the individual. It is to be noted that this Explanation applies to clubbing provisions under both sections 64(1) and 64(2).
Distinction between section 61 and section 64

It may be noted that the main distinction between the two sections is that section 61 applies only to a revocable transfer made by any person while section 64 applies to revocable as well as irrevocable transfers made only by individuals.

Question 1

Mr. Korani transferred 2,000 debentures of Rs.100 each of Wild Fox Ltd. to Mrs. Rekha Korani on 3.10.09 without consideration. The company paid interest of Rs.30,000 in September, 2010 which was deposited by Mrs. Korani with Kartar Finance Co. in October, 2010. Kartar Finance Co. paid interest of Rs.3,000 upto March, 2011. How would both the interest income be charged to tax in A.Y. 2011-12?

Answer

As per section 64(1)(iv), income arising from assets transferred without adequate consideration by an individual to his spouse is liable to be clubbed in the hands of the individual. It may be noted that income on the asset transferred has to be clubbed but if there is accretion to the asset, any further income derived on such accretion should not be clubbed.

Therefore, applying the provisions of section 64(1)(iv), Rs.30,000, being the interest on debentures received by Mrs. Korani in September, 2010 will be clubbed with the income of Mr. Korani, since he had transferred the debentures of the company without consideration to her in October, 2009.

However, the interest of Rs.3,000 upto March 2011 earned by Mrs. Korani on the interest on the debentures deposited by her with Kartar Finance Company shall be taxable in her individual capacity and will not be clubbed with the income of Mr. Korani.

Question 2

Antaryami settled 1/4th share of his property under a trust for the education and maintenance of his minor daughter, Poulomi. Under the terms of the trust deed, the income accruing to the trust, after meeting the expenses of maintenance and education of Poulomi, was to be accumulated and paid over to her on her attaining majority. The Assessing Officer assessed the income arising from 1/4th share of the property, settled for the benefit of Poulomi, in the hands of Antaryami. Examine the correctness of the assessment.

Answer

As per section 64(1A), the income of a minor child should be included in the total income of that parent, whose total income before such inclusion is higher.

The Supreme Court, in CIT v. M.R. Doshi (1995) 211 ITR 1, held that where the income from the trust was to be accumulated until the child attained majority, the clubbing provisions would not get attracted, since no benefit accrues to the minor child during the period when such child is a minor.
However, in this case, the minor daughter Paulomi is eligible for the benefits during the period when she is a minor, since income from the trust is being used for meeting her education and maintenance expenses. Only the remaining income is to be accumulated and paid over to her on her attaining majority. Therefore, since benefit under the terms of the trust deed is accruing, even though to a limited extent, to the minor daughter Paulomi during the period when she is a minor, the ratio applicable in the Supreme Court decision cited above cannot be applied in this case. Accordingly, the clubbing provisions under section 64(1A) will get attracted.

Therefore, the stand taken by the Assessing Officer to tax the income in the hands of Antaryami is correct. However, only so much of income as is used for meeting the education and maintenance expenses of Paulomi during the current year should be clubbed in the hands of Antaryami after providing for an exemption of Rs.1,500 under section 10(32).

Question 3

Mr. Siddharth was a partner in a firm, representing his HUF, holding 25% of the share in the firm. His wife Vineeta, a house lady, was admitted in her individual capacity in the firm for 25% share. She was paid remuneration which has been proposed by the Assessing Officer to be clubbed in the hands of Siddharth-HUF by invoking section 64 of the Act.

Answer

As per section 64(1)(ii) of the Income-tax Act, in computing the total income of any "individual", the remuneration paid to spouse by a firm in which the individual has substantial interest shall be liable for clubbing. In the present case, Mr. Siddharth is not a partner in his individual capacity, but a partner in representative capacity.

The Supreme Court has, in the case of CIT vs. Om Prakash (1996) 217 ITR 785, held that an individual can be a partner in a partnership firm in his individual capacity or in the capacity of the karta of a Hindu undivided family or, for that matter, in any other capacity, e.g., as a trustee. Where a person is a partner as the karta of a Hindu undivided family, the capacity in which he is a partner in the partnership firm is relevant as between him and the other members of the Hindu undivided family. The income the karta receives as a partner is not his individual income; it is the income of the Hindu undivided family and he receives it on behalf of the Hindu undivided family. It is for this reason that the income of the wife arising from her membership of the partnership firm, is held not includible in the income of the Hindu undivided family since the total income of the Hindu undivided family is not the total income of the individual (husband). For section 64(1) to get attracted, it is necessary that the spouse should be a partner in a partnership firm in his individual capacity. It is not attracted where he is a partner as the karta of the Hindu undivided family to which his wife belongs.

The action of the Assessing Officer in this case is, therefore, not correct.
Question 4

H, a mentally retarded minor, has a total income of Rs.1,20,000 for the assessment year 2011-12. The total income of his father L and of his mother R for the relevant assessment year is Rs.3,40,000 and Rs.2,80,000 respectively. Discuss the treatment to be accorded to the total income of H for the relevant assessment year.

Answer

Section 64(1A) provides that all income accruing or arising to a minor child has to be included in the income of that parent, whose total income is greater. However, the income of a minor child suffering from any disability of the nature specified in section 80U shall not be included in the income of the parents but shall be assessed in the hands of the child. Thus, the total income of H has to be assessed in his hands and cannot be included in the total income of either his father or his mother.

Question 5

Dinesh, an individual engaged in the business of finance, advances Rs.5 lacs to his HUF on interest at 12% p.a., which is the prevailing market rate. The HUF invests the amount in its business and earns profit of Rs.2 lacs from this money. Can the assessing officer add a sum of Rs.1,40,000 (i.e. Rs.2,00,000-Rs.60,000) as income of Dinesh under section 64(2) of the Income-tax Act? Will it make any difference if Dinesh does not charge any interest?

Answer

Section 64(2) shall be applicable only where an individual member of HUF converts his property into the property of HUF or throws it into the common stock of the HUF without adequate consideration.

In this case, Dinesh does not transfer money to his HUF but only lends an amount of Rs.5 lakhs to his HUF at an interest of 12%, which is the prevailing market rate. This is a transaction of loan, which pre-supposes, repayment. Dinesh continues to be the owner of the amount lent. Thus, there is no transfer of property from Dinesh to the HUF. Therefore, the Assessing Officer cannot add the profit arising to HUF in the total income of Dinesh by invoking section 64(2).

Even if no interest is charged by Dinesh, the nature of transaction will not change. It still remains as a loan transaction.

Question 6

Mr. Rose, out of his own funds, had taken an FDR for Rs.10,00,000 bearing interest @ 10% p.a. payable half-yearly in the name of his wife Lilly. The interest earned during the financial year 2009-10 of Rs.1,00,000 was invested by Mrs. Lilly in the business of packed spices which
resulted in a net profit of Rs. Rs. 55,000 for the year ended 31.03.2011. How shall the interest on FDR and income from business be taxed for the Assessment Year 2011-12?

Answer

Section 64(1)(iv) of the Act specifies that the income derived by the spouse of an assessee from the assets transferred directly or indirectly without adequate consideration or intention to live apart shall be clubbed with the income of the transferor. Therefore, the interest income of Rs. 1 lakh on the FDR of Rs. 10 lakhs shall be clubbed with the income of Mr. Rose.

When Mrs. Lilly invested the interest income in a business and earned profits therefrom, such profits shall not be clubbed with the income of her husband but shall be taxable in her individual capacity. This is so because the income from the accretion of the transferred assets is not to be clubbed with the income of the transferor. CIT v. M.S.S. Rajan (2001) 252 ITR 126 (Mad).

Question 7

In the following cases discuss whether the loss could be set off:

(i) Smt. Shanti carried on business with gifted funds of her husband Mahesh. For the financial year 2010-11 Shanti incurred loss of Rs. 2 lakhs which loss Mahesh wants to set off from his taxable income.

(ii) Smt. Bhanu succeeded to the business of her husband Sri. Bhavesh who died on 10th September 2010. She carried on the business as proprietrix. The business of Bhavesh up to the date of his death resulted in a loss. Smt. Bhanu earned profit in business for the period ending 31.03.2011. Bhanu wants to set off the loss of her husband for the period ending 10th September, 2010 against her income.

Answer

(i) Under section 64(1)(iv), where any asset is transferred directly or indirectly to the spouse by an individual, otherwise than for adequate consideration or in connection with an agreement to live apart, the income arising therefrom is included in the hands of the transferor. The term “income” in this context includes “loss” as well. Therefore, the loss sustained by Shanti in the business carried on by her with funds gifted by her husband can be set off by her husband.

(ii) Section 78(2) says that where any person carrying on any business or profession is succeeded in such capacity by another person otherwise than by inheritance, no person other than the person incurring the loss is entitled to carry forward the loss and set it off against his income.

The facts of the case seem to indicate that Smt. Bhanu has succeeded to the business by inheritance and is not affected by the provisions of section 78(2). Therefore she is
eligible to carry forward and set off the loss of her husband against her own income. Succession by inheritance is an exception to the general bar against carry forward and set off contained in section 78(2).

Question 8

Naresh is a fashion designer having lucrative business. His wife is a model. Naresh pays her monthly salary of Rs.10,000. The Assessing Officer while admitting that the salary is an admissible deduction, in computing the total income of Naresh had applied the provisions of section 64(1), and had clubbed the income (salary) of his wife in Naresh hands.

Discuss the correctness of the action of the Assessing Officer

Answer

This question is based on the principles laid down by Madras High Court in the case of CIT v. Smt. R.Bharati (240 ITR 697) (240 ITR 772) where the interpretation of the terms “professional qualifications” and “knowledge” came up for consideration as per proviso to section 64(1).

These words do not necessarily connote a qualification conferred by a recognized university after examining the candidate who has undergone a course of study in a technical subject or course of study preparing him for a profession of law, accountancy etc. Accordingly, the term “qualification” must be given a wide meaning as referring to the qualities which are required to be possessed by a person performing the work that he does, so long as that work is capable of being regarded as technical or professional.

The word “professional” is a term capable of very broad meaning and would encompass a variety of occupations. A large number of occupations are being practiced which form a source of livelihood and are capable of being regarded, as professions as long as they require certain degree of skill. A person having skill, experience and competence in a line of work can be regarded as professionally qualified for the purpose of section 64(1)(ii).

A model in the light of above is having skill, competence and experience in her line and is thus professionally qualified. Hence, the action of the Assessing Officer is not correct.
SET OFF AND CARRY FORWARD OF LOSSES

Some key points

Inter source adjustment [Section 70]
Any loss incurred by the assessee in respect of one source shall be set off against income from any other source under the same head of income, since the income under each head is to be computed by grouping together the net result of the activities of all the sources covered by that head. In simpler terms, loss from one source of income can be adjusted against income from another source, both the sources being under the same head.

Inter head adjustment [Section 71]
Loss under one head of income can be adjusted or set off against income under another head. The following points are worth noting -

(i) Where the net result of the computation under any head of income (other than capital gains) is a loss, the assessee can set off such loss against his income assessable for that assessment year under any other head, including capital gains.

(ii) However, the net result of the computation under the head ‘profits and gains of business or profession’ is a loss, such loss cannot be set off against income under the head ‘salaries’.

(iii) Where the net result of computation under the head ‘capital gains’ is a loss such loss cannot be set off against income under any other head.

(iv) Speculation loss and loss from the activity of owning and maintaining race horses cannot be set off against income under any other head.

Carry forward and set off of losses of specified business [Section 73A]
Any loss in respect of specified business referred to in section 35AD shall be set off only against profits and gains, if any, of any other specified business.

The unabsorbed loss, if any, will be carried forward for set off against profits and gains of any specified business in the following assessment year and so on.

There is no time limit specified for carry forward and set off and therefore, such loss can be carried forward indefinitely for set off against income from specified business.
**Direct Tax Laws**

**Carry forward and set off in the case of change in constitution of firm or succession [Section 78]**

Where there is a change in the constitution of a firm, so much of the loss proportionate to the share of a retired or deceased partner remaining unabsorbed, shall not be allowed to be carried forward by the firm. This restriction however, will not apply to unabsorbed depreciation of the firm.

Where any person carrying on any business or profession has been succeeded in such capacity by another person otherwise than by inheritance, such other person is not eligible to carry forward and set off of the loss incurred by the predecessor.

Where there is succession to business by inheritance the legal heirs are entitled to set off the business loss of the predecessor. Such carry forward and set off is possible even if the legal heirs constitute themselves as a partnership firm. In such a case, the firm can carry forward and set off the business loss of the predecessor.

**Question 1**

*Explain those conditions which are required to be fulfilled by the predecessor and successor co-operative banks in order to claim benefit of section 72AB of the Act.*

**Answer**

The benefit of carry forward and set-off of accumulated loss and unabsorbed depreciation allowance in case of business re-organisation of co-operative banks would be available under section 72AB only on fulfillment of the following conditions -

**(a) Conditions to be fulfilled by the predecessor bank**

1. it should have been engaged in the business of banking for three or more years; and
2. it should have held at least three-fourths of the book value of fixed assets as on the date of the business re-organisation, continuously for two years prior to the date of business re-organisation.

**(b) Conditions to be fulfilled by the successor bank**

1. it should hold at least three-fourths of the book value of fixed assets of the predecessor co-operative bank acquired through business re-organisation, continuously for a minimum period of five years immediately succeeding the date of business re-organisation;
2. it continues the business of the predecessor co-operative bank for a minimum period of five years from the date of business re-organisation; and
3. it fulfils such other conditions as may be prescribed to ensure the revival of the business of the predecessor cooperative bank or to ensure that the business re-organisation is for genuine business purpose.
Question 2

M/s. JKLM, a firm, consists of four partners namely, J, K, L and M. They shared profits and losses equally during the year ended 31.3.2010. The assessed business loss of the firm for the assessment year 2010-11 which it is entitled to carry forward amounts to Rs.3,60,000. A new deed of partnership was executed among J, K, L and M on 1.4.2010 in terms of which they agreed to share profits and losses in the ratio of 15:15:20:50 respectively.

Compute the amount of business loss relating to the assessment year 2010-11, which the firm is entitled to set off against its business income for the assessment year 2011-12. The business income of the firm for the assessment year 2011-12 is Rs.3,30,000. Your answer should be supported by reasons.

Answer

The firm is entitled to set off its brought forward business loss amounting to Rs.3,60,000 relating to the assessment year 2010-11 to the extent of Rs.3,30,000 against its business income of Rs.3,30,000 for the assessment year 2011-12 as per the provisions of section 72(1).

Section 78(1) which deals with carry forward and set-off of losses in the case of change of constitution of firm is applicable only where there is retirement or death of a partner. It is not applicable to a case where there is a change in the ratio of sharing profits and losses amongst the existing partners. Therefore, section 78(1) is not applicable to the case of M/s. JKLM. The unabsorbed business loss of Rs.30,000 relating to the assessment year 2010-11 will be carried forward further after its set-off against the business income of the assessment year 2011-12.

Question 3

An assessee sustained a loss under the head “Income from house property” in the previous year relevant to the assessment year 2010-11, which could not be set off against income from any other head in that assessment year. The assessee did not furnish the return of loss within the time allowed under section 139(1) in respect of the relevant assessment year. However, the assessee filed the return within the time allowed under section 139(4). Can the assessee carry forward such loss for set off against income from house property of the assessment year 2011-12?

Answer

Section 139(3) stipulates that an assessee claiming carry forward of loss under the heads “Profits and gains of business or profession” or “Capital gains” should furnish the return of loss within the time stipulated under section 139(1). There is no reference to loss under the head “Income from house property” in section 139(3). The assessee, in the instant case, has filed the return showing loss from property within the time prescribed under section 139(4). The
assessee is, therefore, entitled to carry forward such loss for set off against the income from house property of the subsequent assessment year.

**Question 4**

*M, an individual, was carrying on a business as sole proprietor. On his death, his legal heirs decide to continue the same business by forming a firm.*

*At the time of death, M had a determined business loss of Rs.2 lakhs, under the provisions of the Income-tax Act, to be carried forward.*

*Does the firm, consisting of all the legal heirs of M, get a right to have this loss adjusted against its current income? Discuss.*

**Answer**

Section 78(2) provides that where a person carrying on any business or profession has been succeeded in such capacity by another person, otherwise than by inheritance, then the successor is not entitled to carry forward and set-off the loss of the predecessor against his income. This implies that the only exception is when the business passes on to another by inheritance.

The Apex Court, in *CIT v. Madhukant M. Mehta (2001) 247 ITR 805*, has held that where the business is succeeded by inheritance, the legal heirs are entitled to the benefit of carry forward of the loss of the predecessor. Even if the legal heirs constitute themselves as a partnership firm, the benefit of carry forward and set off of the loss of the predecessor should be made available to the firm.

In this case, the business of M was continued by his legal heirs after his death by constituting a firm. Hence, the exception contained in section 78(2) along with the decision of the Apex Court discussed above, would apply in this case. Therefore, the firm is entitled to carry forward the business loss of Rs.2 lakhs of M.

**Question 5**

*A private limited company has share capital in the form of equity share capital. The shares were held until 31st March, 2009 by four members A, B, C and D equally. The company made losses/profits for the past three assessment years as follows:*  

<table>
<thead>
<tr>
<th>Assessment Year</th>
<th>Business Loss</th>
<th>Unabsorbed Depreciation</th>
<th>Total</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Rs.</td>
<td>Rs.</td>
<td>Rs.</td>
</tr>
<tr>
<td>2007-2008</td>
<td>Nil</td>
<td>15,00,000</td>
<td>15,00,000</td>
</tr>
<tr>
<td>2008-2009</td>
<td>Nil</td>
<td>12,00,000</td>

<td>2009-2010</td>
<td>9,00,000</td>
<td>9,00,000</td>
<td>18,00,000</td>
</tr>
<tr>
<td>Total</td>
<td>9,00,000</td>
<td>36,00,000</td>
<td>45,00,000</td>
</tr>
</tbody>
</table>
The above figures have been accepted by the tax department.

During the previous year ended 31.3.2010, A sold his shares to Y and during the previous year ended 31.3.2011, B sold his shares to Z. The profits for the past two previous years are as follows:

31.3.2010 Rs.18,00,000 (before charging depreciation of Rs.9,00,000)
31.3.2011 Rs.45,00,000 (before charging depreciation of Rs.7,50,000)

Compute taxable income for A.Y.2011-12. Workings must form part of your answer.

Answer

A, B, C and D are the four shareholders of a private limited company. The shareholding pattern of the company in the last three financial years are given below:

<table>
<thead>
<tr>
<th>As on 31st day of March</th>
<th>A</th>
<th>B</th>
<th>C</th>
<th>D</th>
<th>Y</th>
<th>Z</th>
</tr>
</thead>
<tbody>
<tr>
<td>%</td>
<td></td>
<td></td>
<td></td>

<td>25</td>
</tr>
</tbody>
</table>

Section 79 provides that, in case of a closely held company, no loss incurred in the previous year shall be carried forward and set off against the income of the subsequent previous year unless the shares carrying at least 51% of the voting power of the company are beneficially held on the last day of the previous year in which the loss is sought to be set off, by the same shareholders, who beneficially held the shares carrying at least 51% of the voting power on the last day of the previous year in which the loss was incurred.

Since shareholders holding at least 51% of the voting power are the same in the first and second year, the restriction imposed by section 79 is not applicable for the second year. Thus, the taxable income for the assessment year 2010-2011 would be:

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Business profit</td>
<td>18,00,000</td>
</tr>
<tr>
<td>Less: Current year's depreciation</td>
<td>9,00,000</td>
</tr>
<tr>
<td></td>
<td>9,00,000</td>
</tr>
<tr>
<td>Less: Brought forward business loss (as per section 72(2))</td>
<td>9,00,000</td>
</tr>
<tr>
<td>Taxable income</td>
<td>Nil</td>
</tr>
</tbody>
</table>

Unabsorbed depreciation relating to the earlier assessment years can be carried forward to the next assessment year i.e. 2011-12. There is no brought forward business loss and section 79 is not applicable in case of carry forward of unabsorbed depreciation. Section 32 governs
the carry forward and set off of depreciation for which the shareholding pattern is not relevant at all. Consequently, the income for A.Y.2011-12 will be determined as under:

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Business income</td>
<td>45,00,000</td>
</tr>
<tr>
<td>Less: Current year’s depreciation</td>
<td>7,50,000</td>
</tr>
<tr>
<td></td>
<td>37,50,000</td>
</tr>
</tbody>
</table>

Less: Unabsorbed depreciation:-

<table>
<thead>
<tr>
<th>Assessment year</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>2007-08</td>
<td>15,00,000</td>
</tr>
<tr>
<td>2008-09</td>
<td>12,00,000</td>
</tr>
<tr>
<td>2009-10</td>
<td>9,00,000</td>
</tr>
<tr>
<td>Taxable Income for A.Y.2011-12</td>
<td>1,50,000</td>
</tr>
</tbody>
</table>

**Question 6**

*Rajesh & Co.*, the sole proprietary concern of Mr. Rajesh got converted into partnership after his death on 02-04-10 by his two sons and the business of *Rajesh & Co.*, was continued to be carried in the same manner. There were business losses of Rs.4.25 lakhs till 31-03-10. The net results of the business for the year ended 31-03-11 were profits of Rs.5 lakhs. The partners want to set off the losses of Rs.4.25 lakhs from the profits of the firm. Can they do so?

**Answer**

The business of sole proprietary concern was converted into a partnership because of the death of the proprietor. His two sons, who are the legal heirs, continued the business. Section 78(2) provides that in the case of succession by inheritance, the successor can carry forward and set-off the loss of predecessor against his income. The Supreme Court, in the case of *CIT v. Madhukant M. Mehta [2001] 247 ITR 805*, has held that where the legal heirs of a deceased-proprietor enter into partnership and carry on the same business in the same premises under the same trade name, there is succession by inheritance as contemplated in section 78(2) and the assessee-firm is entitled to carry forward and set off the deceased’s business loss against its income for subsequent years.

Therefore, the partnership firm formed by the two sons who inherited the business of Mr. Rajesh can set-off the loss of the predecessor i.e. sole-proprietary concern.

**Question 7**

*X Ltd.*, a pharmaceutical company having accumulated losses and unabsorbed depreciation to be set off in future for Rs.130 lakhs and Rs.250 lakhs as on 31.3.2010 was demerged on 16.5.2010 and 30% of its total assets were transferred to the resulting company, XY Ltd. How
shall the accumulated losses and unabsorbed depreciation of the demerged company be dealt with in the return for Assessment Year 2011-12 of the resulting company:

(i) When the same are not directly relatable to the undertakings transferred and
(ii) When the same are directly relatable to the undertakings transferred.

Answer

The accumulated business loss and unabsorbed depreciation of the demerged company shall be carried forward and set off by the resulting company under section 72A(4) of the Act in the following manner:

(i) Where such loss or unabsorbed depreciation is not directly relatable to the undertaking transferred to the resulting company, such loss shall be apportioned between the demerged company and the resulting company in the same proportion in which assets of the undertaking have been retained by the demerged company and transferred to the resulting company and shall be allowed to be carried forward and set off in the hands of the demerged company or the resulting company, as the case may be. In this case, therefore, 30% of Rs.130 lakhs and Rs.250 lakhs, shall be allowed to be carried forward and set off by the resulting company and the balance by the demerged company.

(ii) Where such loss or unabsorbed depreciation is directly relatable to the undertaking transferred to the resulting company, the entire loss or unabsorbed depreciation shall be allowed to be carried forward and set off in the hands of the resulting company. Accordingly, in such a case, the entire amount of Rs.130 lakhs and Rs.250 lakhs shall be allowed to be set off in the hands of the resulting company.

Question 8

Write short note on:

Carry forward and set off of losses in the event of change in shareholdings of companies in which public are not substantially interested.

Answer

Section 79 prescribes the condition for carry forward and set off of losses in the case of companies, not being companies in which the public are substantially interested. No loss incurred in any year prior to the previous year shall be carry forward and set off unless the persons who beneficially held shares of the company carrying not less than 51% of the voting power on the last day of the year or years in which loss was incurred continue to be the shareholders on the last day of the previous year on which the loss is to be set off.

There are two exceptions to this rule.
Direct Tax Laws

(i) Where a change in the voting power takes place consequent upon the death of a shareholder or on account of transfer of share by way of gift to any relative of such shareholder.

(ii) Where a change in the voting power takes place in an Indian subsidiary of a foreign company as a result of amalgamation or demerger of a foreign company provided 51% of the shareholders of the amalgamating or demerged company continue to be shareholders of the amalgamated or the resulting foreign company.

Question 9

Amalgamation of companies ‘A’ and ‘B’ has been approved by the BIFR in order to rehabilitate the sick company ‘B’. During the course of assessment of ‘B’ company, the Assessing Officer refuses to allow carry forward of losses under section 72A of the Income-tax Act for the reason that the activities of the sick company had been closed consequent to labour unrest and that the loss suffered by the said company was “Capital loss”. Is the Assessing Officer justified?

Answer

The Assessing Officer is not justified in treating the loss as capital loss since the order of BIFR is a speaking order and binding on the transferee-company under amalgamation. In order to rehabilitate the sick company, the BIFR constituted by the Central Government passed an order to enable the transferee-company to enjoy the benefits of carry forward of losses under section 72A. The order has been passed in the interest of public, shareholders and institutions, who have funded the cost of the project and the workmen. The Assessing Officer has no jurisdiction to deny the benefits granted under section 72A in the course of assessment of company, if the prescribed conditions are satisfied.

Some Key Points : Recent Amendments

Deduction cannot exceed income [Section 80A(4)]
Where profits and gains are eligible for deduction under sections 10A or 10AA or 10B or under any other provision of Chapter VI-A under the heading “C – Deductions in respect of certain incomes” no further deduction shall be allowed under any other provision of the Act and deduction shall in no case exceed the profits and gains of such undertaking or unit or enterprise or eligible business, as the case may be.

No deduction when it is not claimed in the return [Section 80A(5)]
Where the assessee is eligible for deduction under sections 10A or 10AA or 10B or 10BA or under any provisions of Chapter VI-A under the heading “C – Deductions in respect of certain incomes” but has failed to make a claim in his return of income, no deduction shall be allowed to him.

No further deduction in respect of specified business [Section 80A(7)]
Where a deduction under Chapter VI-A is claimed and allowed in respect of profits of any specified business referred to in section 35AD for any assessment year, no deduction shall be allowed under the provisions of section 35AD in relation to such specified business for the same or any other assessment year.

Furnishing of return before the due date [Section 80AC]
Any assessee eligible for deduction under sections 80-IA or 80-IAB or 80-IB or 80-IC or 80-ID or 80-IE shall file his return before the due date specified under section 139(1). Where the return is not filed before the due date, the assessee cannot claim the benefit of deduction under these provisions.

Contributions to pension scheme of Central Government [Section 80CCD]
In addition to Central Government employees, any person in employment under any employer (State and private sector) or any other assessee (including self employed) being an individual is eligible to claim deduction under this provision. The limit is 10% of salary in case of employees (Central, State or private sector) and 10% of gross total income in the case of others (self employed, etc).

Subscription to long term infrastructure bonds [Section 80CCF]
From the assessment year 2011-12, in the case of individual and HUF assessees subscription to notified long term infrastructure bonds is eligible for deduction. The maximum amount eligible for deduction under this provision is Rs.20,000.
Question 1

Mr. Srinivasan, aged 68 years, furnishes the following particulars for the year ending 31.03.2011:

(a) Life Insurance Premium paid – Rs.30,000, actual capital sum of the policy assured for Rs.1,20,000;

(b) Contribution to Public Provident Fund – Rs.40,000 in the name of father;

(c) Tuition fee payment – Rs.8,000 each for 2 sons pursuing full time graduation course in Calcutta; Tuition fee for daughter pursuing PHD in Kellogs University, USA – Rs.2.50 lakh;

(d) Housing loan principal repayment – Rs.32,000 to Axis Bank. This property is under construction at Calcutta as on 31.03.2011;

(e) Principal repayment of housing loan taken from a relative – Rs.70,000. The property is self-occupied situated at Pune;

(f) Deposit under Senior Citizens Savings Scheme – Rs.15,000;

(g) Five-year deposits in an account under Post Office Time Deposit Scheme – Rs.20,000;

(h) Investment in National Savings Certificate – Rs.25,000;

(i) Subscription to notified long term infrastructure bonds Rs.30,000.

Compute the deduction eligible under appropriate provisions of Chapter VI-A for A.Y. 2011-12.

Answer

Computation of eligible deduction under section 80C for A.Y.2011-12

**Deduction U/s.80CCF :** Amount invested in notified infrastructure bond is eligible for deduction subject to a maximum of Rs.20,000.
Notes:

1. Any amount of life insurance premium paid in excess of 20% of capital sum assured shall be ignored for deduction under section 80C. In the given case, 20% of actual capital sum assured is Rs.24,000, whereas, the premium paid during the year is Rs.30,000. Therefore, the excess premium of Rs.6,000 does not qualify for deduction.

2. In the case of an individual, contribution to PPF can be made in his name, or in the name of his spouse or children to qualify for deduction under section 80C. **As the contribution was made in the name of his father, deduction is not allowable.**

3. Tuition fee paid is eligible for deduction under section 80C for a maximum of two children. Therefore, Rs.16,000 shall be allowed as deduction. **Tuition fee paid to an educational institution situated outside India is not eligible for deduction.**

4. In order to claim the principal repayment on loan borrowed for house property as deduction, the construction of such property should have been completed and should be chargeable to tax under the head "Income from house property". In the given case, since the property is under construction, principal repayment does not qualify for deduction.

5. Repayment of principal on housing loan is not allowed as deduction in case the loan is borrowed from friends, relatives etc. In order to qualify for deduction, the loan should have been obtained from Central Government / State Government / bank / specified employer / institution.

6. The scope of eligible savings instruments have been widened by the Finance Act, 2008. Accordingly, the following investments would also be eligible for deduction under section 80C:-

   (1) five year time deposit in an account under Post Office Time Deposit Rules, 1981; and
   
   (2) deposit in an account under the Senior Citizens Savings Scheme Rules, 2004.

**Question 2**

(a) **Mr.Harsh, aged 42 years, furnishes the following information relating to premium on mediclaim policy paid by cheque for the year ending 31.03.2011:**

   (i) for self – Rs.8,000;
   
   (ii) for spouse, aged 35 years – Rs.8,000;
   
   (iii) for non-dependent father, aged 70 years - Rs.21,000;
   
   (iv) for dependent mother-in-law, aged 65 years - Rs.11,000.

Compute his eligible deduction under section 80D for A.Y.2011-12. **Would your answer be different, in case the premium was paid in cash?**
(b) Mr. Ravi, a Cost Accountant, derives Rs.4,12,000 as taxable professional income. Income of Mr. Ravi from other sources is Rs.21,000. He pays medical insurance premium of Rs.28,000 for insuring the health of his non-dependant parents who are senior citizens; Rs.17,000 for self and spouse and Rs.4,000 for his sister. He incurs expenditure of Rs.25,000 on medical treatment of his dependant mentally retarded (severe disability) brother in an approved hospital duly certified. He pays rent of Rs.4,000 per month. Calculate his total income for the assessment year 2011-12.

Answer
(a) In the given case, Mr. Harsh has paid Rs.16,000 in aggregate towards self and spouse’s mediclaim premium, deduction in respect of which shall be restricted to Rs.15,000. Mediclaim premium of Rs.21,000 paid for insuring the health of his father, who is a senior citizen, is eligible for additional deduction of up to Rs.20,000 even though his father is not dependent on him. Therefore, total deduction of Rs.35,000 [i.e., Rs.15,000 + Rs.20,000] shall be allowed to Mr. Harsh under section 80D.

It may be noted that, Rs.11,000 paid for dependent mother-in-law is not allowable, since the definition of the term ‘family’ does not include mother-in-law.

Section 80D requires payment of premium on health insurance by any mode other than cash. In case the payment is made by cash, the amount paid cannot be availed as deduction.

(b) Computation of total income of Mr. Ravi for the A.Y. 2011-12

Less: Deductions under Chapter VI-A
1. Medical insurance premium paid under section 80D – (15,000 + 20,000) [See Note 1] 35,000
2. Expenditure for dependant mentally retarded - section 80DD [See Note 2] 1,00,000
3. Rent paid under 80GG [See Note 3] least of the following is eligible for deduction -
   (i) Excess of rent paid over 10% of total income (48,000 - 29,800) = 18,200
   (ii) 25% of total income = 74,500
   (iii) Ceiling limit Rs.2,000 p.m. = 24,000

**Total income** 2,79,800
Notes -

(1) Medical insurance premium paid for self and spouse would qualify for deduction under section 80D subject to a maximum of Rs.15,000.

Mediclaim insurance premium paid for parents shall qualify for additional deduction under section 80D, subject to a maximum of Rs.20,000 (since they are senior citizens), irrespective of whether they are dependent or non-dependent on Mr. Ravi.

Medical insurance premium paid for insuring the health of sister does not qualify for deduction under section 80D, since sister does not fall within the definition of “family”.

(2) Deduction under section 80DD is a flat amount of Rs.1,00,000, irrespective of the actual expenditure incurred in respect of a dependent, who is a person with severe disability. It is assumed that Mr.Ravi has furnished a copy of the certificate issued by the medical authority, in the prescribed form and manner, along with the return of income under section 139 in respect of A.Y.2011-12.

(3) Total income for the purpose of section 80GG would be -

</tbody>
</table>

It is presumed that all the conditions for claim of deduction under section 80GG have been fulfilled by Mr. Ravi.

Question 3

Examine the correctness of the statement that “there exists no difference in the treatment of income claimed under section 10 with those claimed under Chapter VI-A of the Income-tax Act”.

Answer

The statement is incorrect. Section 10 lists out the items of income which do not form part of total income. Thus, such incomes are fully or partly exempt from tax. Items of income which are exempt under section 10 shall not form part of any head of income. Therefore, the income which are claimed as exempt under section 10 are excluded from gross total income, in the sense, they are not included in the computation of gross total income. However, for claiming deduction under Chapter VI-A, the income must be included under the respective head of income for computation of gross total income and thereafter, deduction can be claimed under the respective section as specified in Chapter VI-A to arrive at the total income. In short,
section 10 provides for exemption of income whereas Chapter VI-A provides for deductions from gross total income.

**Question 4**

*Can an assessee, fulfilling all the prescribed conditions, having total income of Rs.1,84,000 and paying house-rent @ Rs.4,800 p.m. in respect of the residential accommodation occupied by him at Mumbai, claim the deduction for the house rent so paid while computing his taxable income?*

**Answer**

An individual, who is not in receipt of house rent allowance and complying with all the conditions as specified in section 80GG, shall be entitled to claim deduction (in respect of rent paid by him for the residential accommodation) of an amount, equal to the least of the following limits, under section 80GG -

<table>
<thead>
<tr>
<th>Description</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Actual rent less 10% of total income i.e., Rs.57,600 less 18,400, (10% of Rs.1,84,000)</td>
<td>39,200</td>
</tr>
<tr>
<td>(ii) 25% of total income i.e., 25% of Rs.1,84,000</td>
<td>46,000</td>
</tr>
<tr>
<td>(iii) Amount calculated at Rs.2,000 p.m.</td>
<td>24,000</td>
</tr>
</tbody>
</table>

Deduction allowable (least of the above) 24,000

**Note** - It is assumed that Rs.1,84,000 is the total income before allowing deduction under section 80GG.

**Question 5**

*"The profits and gains of an industrial undertaking established in specified areas and engaged in carrying out certain activities are enjoying tax holiday." Specify such areas and the activities."

**Answer**

This question can be answered on the either on the basis of the provisions of section 10A or section 80-IB or section 80-IC.

**Section 10A**

This section provides tax holiday in respect of newly established industrial undertakings in free trade zones, electronic hardware technology parks and software technology parks set up in accordance with a scheme notified by the Central Government. The section exempts the profits and gains of such undertakings derived from the export of articles or things or computer software.

The benefit of exemption under this section is available to all categories of assessees who derive any profits or gains from an undertaking engaged in export of articles or things or...
computer software. The profits and gains derived from on-site development of computer software (including services for development of software) outside India shall be deemed to be the profits and gains derived from the export of computer software outside India.

**Section 80-IB**
The tax holiday under section 80-IB is available in respect of the following industrial undertakings –
(a) Small Scale Industrial undertakings
(b) Industrial undertakings set up in an industrially backward State specified in the Eighth Schedule. Industrial undertakings in the State of Jammu & Kashmir should not manufacture or produce cigarettes/cigar, distilled and brewed alcoholic drinks, aerated branded beverages and their concentrates.
(c) Industrial undertakings, set up in notified backward districts, producing articles other than those given in the Eleventh Schedule.

**Section 80-IC**
The tax holiday under section 80-IC is available in respect of the industrial undertakings set up in Sikkim, Himachal Pradesh, Uttaranchal and North-Eastern States. If the undertaking is set up in the specified zone in the States of Sikkim, Himachal Pradesh and Uttaranchal, it should manufacture any article or thing other than those given in the Thirteenth Schedule. If the undertaking is set up in any other area in these States, it should manufacture any article given in the Fourteenth Schedule. Specified zones include export processing zone, integrated infrastructure development centre, industrial growth centre, industrial estate, industrial park, software technology park, industrial area or theme park.

**Question 6**
*State briefly the conditions to be satisfied by hospitals located anywhere in India other than excluded area for the purpose of obtaining deduction @ 100% of the profits under section 80-IB of the Act.*

**Answer**
As per section 80-IB(11C) for granting deduction of 100% of profit derived by an undertaking from the business of operating and maintaining a hospital located anywhere in India, other than the excluded area, the following conditions are to be satisfied:
(i) The hospital should be constructed and should start functioning between 1st April, 2008 to 31st March, 2013.
(ii) The hospital should have at least 100 beds for patients.
(iii) The construction of the hospital should be in accordance with the regulations or bye-laws of the local authority.
Question 7

Ayush, an employee of M/s Isomer Solutions Ltd., provides the following information relating to his income for the financial year 2010-11:

(i) He received salary Rs.25,000 per month including conveyance allowance @ Rs. 2,500 per month for official purposes.

(ii) He deposited Rs.2,500 per month in his account under a pension scheme notified by the Central Government.

(iii) He paid a sum of Rs.60,000 during the year as interest on loan taken in April, 2006 from bank for higher studies of his daughter.

(iv) He paid health insurance premium for himself and for his family members Rs.8,500 in cash and Rs.9,000 by credit card.

(v) He invested Rs.40,000 in notified bonds issued by NABARD in July, 2010.

(vi) Equity shares having fair market price of Rs.1,00,000 (on the date of exercise of option) were allotted to him by the company at a concessional price of Rs. 20,000 on 30.5.2010, which were sold by him for Rs.1,80,000 on 28.2.2011.

Compute the total income of Ayush for assessment year 2011-12 and give reasons for treatment to each of the items.

Answer

Computation of total income of Mr. Ayush for the Assessment Year 2011-12

<table>

<tr>
<td><strong>Gross Total Income</strong></td>
<td><strong>4,30,000</strong></td>
</tr>
</tbody>
</table>
Less: Deduction under Chapter VIA

Under section 80C
For investment in notified bonds of NABARD 40,000

Under section 80CCD
For deposit in pension scheme notified by Central Government
[Rs.30,000 but restricted to 10% of salary i.e. 10% of Rs.2,70,000] 27,000

Under section 80D
For payment of health insurance premium by credit card 9,000

Under section 80E
For payment of interest on loan taken from bank for higher studies of daughter 60,000 1,36,000

Total Income 2,94,000

Notes:

(i) Conveyance allowance received for official duties is fully exempt under section 10(14).

(ii) Section 80CCD provides for deduction of employee’s and employer’s contribution to pension scheme notified by the Central Government. This deduction has been extended also to individuals employed by any other employer on or after 1.1.2004. However, if the amount contributed exceeds 10% of salary, then the deduction would be restricted to 10% of salary. [As per Explanation to section 80CCD, salary for this purpose would include dearness allowance if the terms of employment so provide, but excludes all other allowances and perquisites]. Therefore, “salary” for the purpose of section 80CCD would be Rs.2,70,000 (Rs.3,00,000 – Rs.30,000).

(iii) The deduction under section 80E available to an individual in respect of interest on loan taken for his higher education has been extended to include interest on such loan taken for higher education of his relative i.e. his or her spouse and children. Hence, interest on loan taken by Mr. Ayush from bank for the higher studies of his daughter is eligible for deduction under section 80E.

(iv) For claiming deduction under section 80D, the payment of medical insurance premium has to be made by any mode other than cash. Hence, payment of Rs.8,500 made in cash will not qualify for deduction under section 80D.

(v) Subscription to notified bonds issued by NABARD will qualify for deduction under section 80C(2)(xxii).

(vi) The value of any specified security or sweat equity shares allotted or transferred by the employer, free of cost or at a concessional rate to the employee would be treated as a perquisite in the hands of the employee. The value would be the fair market value of the specified security or sweat equity shares on the date on which the option is exercised by the employee as reduced by the amount actually paid by, or recovered from the employee in respect of such security or shares.
Consequently section 49(2AA) provides that for the purpose of computing capital gains in the hands of the employee at the time of sale of such securities/shares by the employee, the cost of acquisition shall be the fair market value which has been taken into account for the purpose of computing the perquisite value in the hands of the employee.

**Question 8**

*Explain the meaning of “eligible business” referred to in section 80-IE granting tax holiday in respect of profits and gains of certain undertakings in North-Eastern States.*

**Answer**

Eligible business as referred to in section 80-IE of the Act means the business of:

(a) hotel (not below two star category),
(b) adventure and leisure sports including ropeways;
(c) providing medical and health services in the nature of nursing home with a minimum capacity of 25 beds;
(d) running an old-age home;
(e) operating vocational training institute for hotel management, catering and food craft, entrepreneurship development, nursing and para-medical, civil aviation related training, fashion designing and industrial training;
(f) running information technology related training center;
(g) manufacturing of information technology hardware; and
(h) bio-technology.

**Question 9**

*PQR Co-operative Bank, a co-operative society, having its area of operation confined to Gubbi Taluk and the principal object of which is to provide for long-term credit for agricultural and rural development activities, has received the following amounts during the year ending 31.3.2011:*

(i) Interest amounting to Rs.1,00,000 from its members on loans advanced to them.
(ii) Interest amounting to Rs.1,50,000 on deposits with other co-operative societies.
(iii) Rent amounting to Rs.2,00,000 from letting out its godowns for storage of commodities.

**PQR Co-operative Bank seeks your advice in the matter of taxability of the above amounts and the eligibility for deduction, if any, in respect thereof for the assessment year 2011-12.**

**Answer**

Sub-clause (viia) to section 2(24) includes within the scope of definition of income, the profits and gains of any business of banking (including providing credit facilities) carried on by a co-operative society with its members. Hence, the interest of Rs.1,00,000 received by PQR Co-operative Bank on loans advanced to its members constitutes its income.
Further, interest received amounting to Rs.1,50,000 on deposits with other co-operative societies and rent amounting to Rs.2,00,000 received from letting out its godowns for storage of commodities also constitute the income of the co-operative bank.

Sub-section (4) of section 80P provides that section 80P shall not apply to any co-operative bank other than a primary agricultural credit society or a primary co-operative agricultural and rural development bank.

Explanation to section 80P(4) defines a primary co-operative agricultural and rural development bank to mean a society having its area of operation confined to a taluk and the principal object of which is to provide for long-term credit for agricultural and rural development activities.

PQR Co-operative Bank is a primary co-operative agricultural and rural development bank as defined in the said Explanation since it is a co-operative society having its area of operation confined to Gubbi Taluk and its principal object is to provide long-term credit for agricultural and rural development activities. Therefore, it is eligible for deduction under section 80P.

Interest of Rs.1,00,000 received by the bank on loans advanced to its members is eligible for deduction in full under section 80P(2)(a)(i).

Interest of Rs.1,50,000 received by the bank from deposits with other co-operative societies qualifies for deduction in full under section 80P(2)(d).

Rent of Rs.2,00,000 received by the bank from letting out its godowns for storage of commodities is eligible for deduction in full under section 80P(2)(e).

**Question 10**

Chand, an individual resident in India, paid medical insurance premium amounting to Rs.20,000 by cash during the year ending 31.3.2011 out of his income chargeable to tax in respect of the policy taken on the health of his dependent father in accordance with the scheme framed by the General Insurance Corporation of India and approved by the Central Government.

Besides, he paid Rs.90,000 during the year ending 31.3.2011 for the medical treatment of his dependent mother, aged 69 years, in respect of a disease specified in Rule 11DD(1) of the Income-tax Rules, 1962. He received Rs.20,000 from the insurance company for the said medical treatment of his mother.

**Chand seeks your advice on the deductions available in respect of these two payments.**

**Answer**

Section 80D provides for deduction in respect of medical insurance premium paid by an individual or a Hindu undivided family subject to certain conditions and limitations. One of the conditions for allowance of the deduction is that the premium should be paid by any mode
other than cash. Chand has paid the premium by cash and is therefore, not eligible for
deduction under section 80D.

However, Chand is eligible for deduction under section 80DDB in respect of the payment
made by him during the relevant previous year for the medical treatment of his dependent
mother in respect of the specified disease. The ceiling limit of deduction is Rs.60,000 since
the payment made is in respect of his dependent mother who is above 65 years of age.

Section 80DDB provides that the assessee shall be allowed a deduction of the amount
actually paid for medical treatment of the specified disease or Rs.60,000 (since the payment is
in respect of a senior citizen), whichever is less, in respect of that previous year in which such
amount was actually paid. The second proviso to that section provides that deduction under
that section shall be reduced by the amount received under an insurance. From a combined
reading of the section and the proviso, it can be inferred that in this case, Rs.20,000, being the
amount received from the insurer, should be deducted from Rs.60,000, which is the deduction
allowable as per section 80DDB (since it is lower than the amount of Rs.90,000 actually paid).
Therefore, Rs.40,000 [i.e. Rs.60,000 minus Rs.20,000] is the deduction available under
section 80DDB.

Question 11

(a) An institution has been established wholly for charitable and religious purposes within the
meaning of sections 11 and 12 of the Income-tax Act. Donations made to such an institution
do not automatically qualify for deduction under section 80G. Discuss the validity of this
proposition.

(b) Expenditure on medical treatment of an assessee and members of his family constitute a
major element of a household budget, particularly if he or a member of his family suffers from
physical disability. Discuss the relevant provisions which provide relief or deductions available
to a non-salaried person, in this respect.

Answer

(a) An institution which has been established wholly for charitable and religious purposes
within the meaning of sections 11 and 12 has to satisfy certain other conditions to qualify
for deduction under section 80G (vide sub-section 5). The additional conditions required
to be satisfied are:

1. The instrument under which the institution is established should not contain any
   provision for the transfer or application at any time of the whole or any part of the
   income or assets for any purpose other than a charitable purpose.

2. The institution should not be for the benefit of any particular religious community or
caste.

3. The institution should maintain regular accounts of its receipts and expenditure.
4. The institution should be constituted either as a public charitable trust or registered under the Societies Registration Act or section 25 of the Companies Act or be a university established by law or an institution financed wholly or in part by the Government or a local authority.

5. In relation to donations made after 31.5.1992, the institution should for the time being, be approved by the Commissioner of Income-tax in accordance with rules made in this behalf.

Charitable purpose does not include any purpose of a religious nature with two exceptions:

(a) An institution established for the benefit of Scheduled Caste, Backward classes, Scheduled Tribes or of women and children, shall not be deemed to be an institution expressed to be for the benefit of a religious community or caste.

(b) Incurred of expenditure not exceeding 5% of its total income of that previous year for religious purpose will not disqualify an institution for the purpose of section 80G.

Students may note that Finance (No.2) Act, 2009 has omitted proviso to clause (vi) of sub-section 5 of section 80G to provide that once an approval is granted it shall continue to be valid in perpetuity. However, the Commissioner has the power to withdraw the approval if he is satisfied that the activities of the institution or fund are not genuine or are not being carried out in accordance with the objects of the institution or fund.

Approvals expiring on or after 01.10.2009 shall be deemed to have been extended in perpetuity unless specifically withdrawn. Where the approvals expire before 01.10.2009, these have to be renewed and once renewed these shall continue to be valid in perpetuity unless specifically withdrawn.

(b) Sections 80D, 80DD, 80DDB and 80U of Chapter VI-A of the Income-tax Act, 1961 provide deduction in respect of medical insurance premium paid/ medical expenditure incurred/ amount deposited with LIC or any other insurer approved by the IRDA.

Sections 80DD and 80U, which particularly provide for deduction in respect of a person with disability, are discussed hereunder -

(i) Under section 80DD, deduction is allowable to an individual or HUF, resident in India, in respect of any expenditure incurred for the medical treatment (including nursing), training and rehabilitation of a dependent with disability or a payment made to L.I.C. or any other insurer approved by the IRDA for the maintenance of a dependent with disability. The deduction under this section is Rs.50,000, irrespective of the quantum of expenditure incurred or deposit made. The deduction is Rs.1,00,000, where the dependent is a person with severe disability.

(ii) Under section 80U, an individual who is a resident and who is certified by a medical authority to be a person with disability at any time during the previous year, shall be entitled to a deduction of Rs.50,000. If it is a case of severe disability, deduction
shall be Rs.1,00,000. A copy of the certificate issued by the Medical authority is required to be furnished in respect of the assessment year for which the deduction is claimed along with the return of income.

Question 12
What is the deduction allowable in respect of donations for political purposes? How will expenditure on advertisements in souvenirs of political parties be dealt with, in computing income from business?

Answer
Sections 80GGB and 80GGC have been inserted in the Income-tax Act, 1961 by the Election and Other Related Laws (Amendment) Act, 2003 w.e.f. 11.9.2003.

As per section 80GGB, any sum contributed by an Indian company in the previous year to any political party shall be allowed as deduction while computing its total income. For the purpose of this section, the word “contribute” has the meaning assigned to it under section 293A of the Companies Act, 1956, which provides that:

(a) a donation or subscription or payment given by a company to a person for carrying on any activity which is likely to effect public support for a political party shall also be deemed to be contribution for a political purpose;

(b) the expenditure incurred, directly or indirectly, by a company on advertisement in any publication (being a publication in the nature of a souvenir, brochure, tract, pamphlet or the like) by or on behalf of a political party or for its advantage shall also be deemed to be a contribution to such political party or a contribution for a political purpose to the person publishing it.

As per section 80GGC, any amount of contribution made by an assessee being any person, except local authority and every artificial juridical person wholly or partly funded by the Government shall be allowed as deduction while computing the total income of such person.

For the purposes of sections 80GGB and 80GGC, “political party” means a political party registered under section 29A of the Representation of the People Act, 1951.

As regards expenditure on advertisements in souvenirs of political parties, the meaning of the word “contribute” as discussed above as per section 80GGB makes it clear that such expenditure is deemed to be a contribution to a political party or for a political purpose.

However, section 37(2B) provides that no allowance shall be made in respect of expenditure incurred by an assessee on advertisement in any souvenir, brochure, tract, pamphlet or the like published by a political party. Therefore, the provisions of section 37(2B) have to be given effect to in computing gross total income. Thereafter, while allowing Chapter- VIA deductions, such expenditure would be allowed under section 80GGB.

The Finance (No.2) Act, 2009 has extended the scope for deduction under sections 80GGB and 80GGC in respect of any sum contributed to “electoral trust”. The meaning of “electoral trust” is defined in section 2(22AAA), which means a trust approved by the Board in
Deductions from Gross Total Income

acCORDANCE with the scheme made in this regard by the Central Government. Hence, contribution made to electoral trust is also eligible for deduction under section 80GGB or section 80GGC.

Question 13

Roxy Cine Arts of Mumbai is engaged in distribution of cinematography films. It started construction of a multiplex theatre and convention hall in Navi Mumbai in April, 2004 and completed in December, 2004. The profits for the year ended 31-03-11 of all the activities are:

(i) Distribution of Cinematography Films Rs. 5 lakhs
(ii) Convention Centre Rs. 2 lakhs
(iii) Multiplex Theatre Rs. 1 lakh.

Compute the taxable income for the Assessment year 2011-12 with reasons.

Answer

Income from multiplex theatre is eligible for deduction under section 80-IB(7A) @ 50% for five assessment years provided the multiplex theatre was constructed before 31.03.2005. No deduction could be claimed under this section beyond fifth year.

Similarly, the construction of convention centre ought to have completed before 31.03.2005 for availing deduction under section 80-IB(7B) for five years @ 50% of the profits and gains derived therefrom.

Therefore, deduction under section 80-IB(7A) and 80-IB(7B) is allowable only upto A.Y. 2009-10. Hence, no deduction under section 80-IB(7A) and under section 80-IB(7B) would be allowable for the assessment year 2011-12.

Question 14

The assessee, a Co-operative Society, earned interest income out of the reserve funds, which had been invested with SBI/RBI in compliance with statutory provisions in order to carry on banking business and claimed deduction under Section 80P(2)(a) of Income-tax Act. The Assessing Officer declined to allow the claim, but restricted its claim to that part of interest income derived from working or circulating capital. Examine the validity of the action of the Assessing Officer.

Answer

No deduction under section 80-P would be allowed from the assessment year 2007-08 unless the assessee is a primary agricultural credit society or a primary co-operative agricultural and rural development bank.

Assuming the society is eligible for deduction by being a primary agricultural credit society or a primary co-operative agricultural and rural development bank, the eligibility for deduction under section 80-P vis a vis the validity of the action of the Assessing Officer is to be decided. In order to carry on the business of banking, the society had to make investments out of the...
reserve funds with SBI/ RBI in compliance with statutory provisions and the same was necessary and consequently, such investments are part of the business activities falling within the scope of section 80P(2)(a) of the Income-tax Act.

There is nothing in the phraseology in section 80P(2)(a)(i) which makes it applicable only to income derived from working or circulating capital. Thus, the action of the Assessing Officer is not correct in law and he should allow the total interest income derived from investments made out of reserve funds under section 80P(2)(a). [CIT vs. Karnataka State Co-operative Apex Bank 251 ITR 194 (SC)].

Question 15

Write a short note on deduction in respect of loan taken for higher education

Answer

Section 80-E governs the deduction in respect of repayment of loan taken for higher education. It applies to individuals and the deduction is limited to payment of interest on loan taken from any financial institution or any approved charitable institution for the purpose of pursuing his higher education or for the purpose of higher education of his or her relative i.e. spouse or children of the individual or the student for whom the individual is a legal guardian. There is no monetary limit in respect of the interest on educational loan paid by the assessee. The deduction is admissible for the initial assessment year and seven assessment years succeeding that year or until the interest is paid by the assessee in full, whichever is earlier.
CHAPTER 12
INTER-RELATIONSHIP BETWEEN ACCOUNTING AND TAXATION

Some Key Points
Accounting is the foundation on which the provisions of tax laws are applied. The books of account maintained by the assessee forms the basis for taxing an event or transaction. However, in the recent times some of the provisions in the tax laws are enacted for the sake of ease in implementation and hence have dispensed with the requirement of relying on books of account and resorted to collection of taxes by way of deeming / presumptive provisions.

Similarly, to regulate the taxpayers some deeming provisions are inserted in the tax law to allow certain deductions on actual payment basis or tax certain incomes on actual receipt basis. Section 43B is a provision allowing deduction on actual payment basis and section 56(2)(viii) relating to interest on compensation / enhanced compensation provides for taxing a receipt on actual receipt basis.

Sections 43B, 115JB and 145A are some of the legal provisions which override or even negate the time tested accounting practices. Similarly, presumptive provisions such as sections 44AD, 44AE, 44B, 44BB, 44BBA are meant for estimation of deemed income for tax purposes and thus shifting the basis of determining the income away from the books of account.

Enhancing the turnover limit for getting the accounts audited under section 44AB and prescribing presumptive income scheme for all assessee (except LLP and corporates) under section 44AD in respect of business income signifies simplification and acceptance of approximate income determination by the tax administration in the recent times.

Question 1

ABC Co. Ltd engaged in manufacture of boilers received a subsidy of Rs.20 lakhs from the Government for having commenced an industry in a backward area. The assessee claims that the subsidy so received is not liable to tax and accordingly credited the subsidy directly to capital reserve account. Is the contention of assessee, valid in law?

Answer

The Supreme Court in its judgment in the case of Sahney Steel And Press Works Ltd v. CIT (1997) 228 ITR 253 (SC) has held that the payment from public funds to assist the assessee
in carrying on trade or business must be treated as revenue receipt. The subsidy granted to the assesse such as sales tax refund, power concession or refund of bills paid and exemption from payment of water charges are to be treated as revenue receipts chargeable to tax. It was held that the character of the subsidy in the hands of the recipient will have to be determined having regard to the purpose for which the subsidy is given.

The subsidy in this case, was received as a matter of encouragement to commence an industry in a backward area. Whether it is received before or after commencement of production is of no consequence. Therefore, the subsidy so received as a matter of incentive is not liable to tax. However, if the subsidy was by way of refund of sales tax or power consumption etc then it is liable to tax.

Question 2

Critically analyse the validity or otherwise of the proposition that income computed on the basis of method of accounting is no longer a binding factor for taxation of income.

Answer

As per the provisions of section 145, assessees can follow either cash or mercantile system of accounting in respect of income from business or profession. However, even in cases where mercantile system is followed certain deductions are allowed only on actual payment basis. Such provisions are briefly outlined as under:

Section 40A(7) – Provision for gratuity allowable on payment basis only.

Section 43B – This is one of the most important provisions in this regard and the items covered by this section are deductible only on payment basis. They are -

1. Tax, duty, cess or fee.
2. Contribution to any provident fund, superannuation fund, gratuity fund or welfare fund.
3. Payment of bonus or commission.
4. Interest payable to certain financial institutions.
5. Interest payable to scheduled banks.

Section 56(2)(viii) provides for taxation of interest received on compensation or enhanced compensation on receipt basis with deduction at 50% prescribed in section 57(iv).

Thus the proposition given above is correct.

Question 3

State the tax provisions which provide for determination of income ignoring the books of account and method of accounting of the assesse.
Answer

Section 44AD provides for presumptive determination of income for computing profits and gains of any business (other than those covered by section 44AE) meant for resident assessee by deeming income at 8% of the turnover. However, to opt this presumptive provision the turnover of the assessee from business should not exceed Rs.60 lakhs. This presumptive provision however is not applicable in respect of income from profession.

Section 44AE is meant for persons carrying on the business of plying, hiring or leasing goods carriages. The revised presumptive income rates are Rs.5,000 per month or part of a month in respect of each heavy goods vehicle and Rs.4,500 per month for each other goods vehicle from the assessment year 2011-12 onwards.

Section 44B prescribes presumptive income determination in the case of non-residents engaged in shipping business at 7.5% of the aggregate amounts (i) received for carriage of passengers, livestock, mail or goods shipped at any port in India; and (ii) any amount received or deemed to be received in India on account of the aforesaid items shipped at any port outside India.

Section 44BB is applicable for non-residents engaged in the business of providing services or facilities in connection with supplying plant and machinery on hire which are used in the prospecting for or extracting or production of mineral oils by deeming income at 10% of amounts received towards provision of services and facilities.

Section 44BBA is a presumptive income scheme meant for computing deemed business income from operation of aircrafts in the case of non-residents and the presumptive income rate is prescribed at 5% of the amounts received or deemed to be received from any place in India or outside India towards carriage of passengers, livestock, mail or goods to India.

Section 44BBB for foreign companies engaged in the business of civil construction or erection of plant and machinery or testing or commissioning thereof in connection with turnkey power projects approved by the Central Government. The presumptive income chargeable on deemed basis is at 10% of the amounts so received by the foreign company.

Question 4

*Tax provisions override the accounting practices since the tax provisions are meant for achievement of certain desired objectives.*

Answer

True that the tax provisions override the accounting practices as the tax provisions are specifically designed to achieve the desired objectives. The Apex Court, in *Tuticorin Alkali Chemicals & Fertilizers Ltd v. CIT (1997) 227 ITR 172 (SC)*, made reference to the case of *B.S.C.Footwear Ltd v. Ridgway (Inspector of Taxes) (1970) 77 ITR 857, 860 (CA)* wherein the court rejected the argument of well settled accountancy practice as a basis for accepting the same for tax purposes.
The Court held that the income-tax law does not march step by step in the divergent footprints of the accountancy profession. Even a consistent accounting practice could not be treated as having the sanction of law and would not be acceptable for the purpose of computation of taxable income.

**Question 5**

*Explain how the accounting principle is applied on dissolution of firm for tax purposes.*

**Answer**

The going concern concept of accounting provides for valuation of inventory at cost or market price whichever is less. However, on dissolution of firm there is settlement of account inter se amongst the partners. The accounting practice prescribes valuation of inventory on market value basis. The provisions of tax law do not provide for such market price valuation though section 45(4) prescribes for adopting market value in respect of capital assets.

The Apex Court in *ALA Firm v. CIT (1991) 189 ITR 285 (SC)* has held that when the firm is dissolved and business is discontinued, the closing stock is to be valued at market price and not at cost. It is possible to argue that the tax law also provides for such valuation by means of section 45(4) by interpreting that on dissolution and discontinuance of business, the stock in trade loses the exception prescribed in section 2(14) and becomes a capital asset, thus falling within the domain of section 45(4).

It may be of interest to note that when there is dissolution of firm by operation of law but there is no discontinuance of business, the stock valuation will not be at market price as held in *Sakthi Trading Co. v. CIT 250 ITR 871 (SC)*.

Even dissolution of firm due to demise of one partner and continuation of business by the other partner as proprietor was held as not within the ambit of section 45(4) as held in *CIT v. Moped & Machines (2006) 281 ITR 52 (MP)* on the reasoning that there was no transfer as contemplated under section 2(47) of the Act.
Some Key Points: Recent Amendments

Increase in rate of MAT as well as its scope of coverage [Section 115JB]

(i) Section 115JB provides that in the case of a company, where 15% of its book profit exceeds the tax on its total income, then the book profit shall be deemed to be the total income and the tax payable on such total income shall be 15% thereof.

(ii) The rate of MAT has been increased from 15% to 18% of book profits.

(iii) With effect from A.Y. 2011-12, if tax on the total income of a company is less than 18% of its book profit, then MAT provisions are attracted and the book profit is deemed to be the total income and tax is payable @ 18% thereof.

(iv) The effect of this amendment is that more companies would fall under the MAT net, since, those companies whose tax on total income is higher than 15% of book profit but lower than 18% of book profit would also be required to pay MAT. Further, their tax burden and cash outflow would be higher on account of the increase in rate of MAT from 15% to 18%.

Question 1

M/s. Harilal Industries, a partnership firm, submits the following profit and loss account for computation of its business income for the assessment year 2011-12.

**Profit and loss account for the year ending 31.03.2011**

<table>

<td>60%</td>
<td>90,000</td>
</tr>
</tbody>
</table>

Remuneration allowable as per 40(b)(v) **3,60,000**

Since the actual remuneration of Rs.2,50,000 is less than the allowable limit of Rs.3,60,000, only Rs.2,50,000 is deductible.

Question 2

ABC Ltd., engaged in diversified activities, earned a net profit of Rs.42,50,000 after debit/credit of the following items to its profit and loss account for the year ended on 31.3.2011:

(a) **Items debited to Profit and Loss Account**

- Provision for income-tax: 8,64,000
- Dividend distribution tax: 1,00,000
- Provision for deferred tax: 70,000
- Wealth-tax: 1,90,000
- Securities Transaction Tax: 1,35,000
- Transfer to General Reserve: 1,50,000
- Provision for gratuity based on actuarial valuation: 1,20,000
- Provision for losses of subsidiary company: 1,40,000
- Proposed dividend: 1,60,000
- Preference dividend: 1,30,000
- Expenditure to earn agricultural income: 50,000
- Expenditure to earn LTCG exempt under section 10(38): 40,000
- Expenditure to earn dividend income: 20,000
- Depreciation (including depreciation of Rs.1,50,000 on revaluation): 3,50,000

(b) **Items credited to Profit and Loss Account**

- Amount credited to P&L A/c from Special Reserve: 1,00,000
- Amount credited to P&L A/c from Revaluation Reserve: 1,80,000
- Agricultural income: 2,50,000
- LTCG exempt under section 10(38): 1,60,000
- Dividend income: 1,20,000

The company provides the following additional information:

Brought forward Business Loss/Unabsorbed Depreciation:
You are required to examine the applicability of section 115JB of the Income-tax Act, and compute book profit and the tax credit to be carried forward, assuming that the total income computed as per the provisions of the Income-tax Act is Rs.25,00,000.

Answer

**Computation of Book Profit under section 115JB**

<tr>
<td>Add: Education cess @ 2%</td>
<td>15,000</td>
</tr>
<tr>
<td>Secondary and higher education cess @ 1%</td>
<td>7,500</td>
</tr>
</tbody>
</table>

### Tax Payable as per the Income-tax Act

7,72,500

In case of a company, it has been provided that where income-tax payable on total income computed as per the provisions of the Act is less than 18% of book profit, the book profit shall be deemed as the total income and the tax payable on such total income shall be 18% thereof plus education cess @ 2% and secondary and higher education cess @ 1%. Accordingly, in this case, since income-tax payable on total income computed as per the provisions of the Act is less than 18% of book profit, the book profit of Rs.48,14,000 is deemed to be the total income and income-tax is payable @ 18% thereof plus education cess @2% and secondary and higher education cess @1%. The tax liability, therefore, works out to Rs.8,92,515.

Section 115JAA provides that where tax is paid in any assessment year in relation to the deemed income under section 115JB(1), the excess of tax so paid, over and above the tax payable under the other provisions of the Income-tax Act, will be allowed as tax credit in the subsequent years. The tax credit is, therefore, the difference between the tax paid under section 115JB(1) and the tax payable on the total income computed in accordance with the other provisions of the Act. This tax credit is allowed to be carried forward for ten assessment years succeeding the assessment year in which the credit became allowable. Such credit is
allowed to be set off against the tax payable on the total income in an assessment year in which the tax is computed in accordance with the provisions of the Act, other than section 115JB, to the extent of excess of such tax payable over the tax payable on book profits in that year.

</tr>
</tbody>
</table>

Notes:
1. Wealth-tax and securities transaction tax do not form part of income-tax and hence, should not be added back to net profit for computing book profit.
2. Provision for gratuity based on actuarial valuation is a provision for meeting an ascertained liability. Therefore, it should not be added back for computing book profit.
3. Long-term capital gains on sale of equity shares through a recognized stock exchange on which securities transaction tax (STT) is paid is exempt under section 10(38). One of the adjustments to the book profit is that exempt income under section 10, which is credited to profit and loss account, would be deducted in arriving at the book profit. However, deduction of such long-term capital gains is not allowed for computing book profit. Consequently, expenditure to earn such income should not be added back to arrive at the book profit. Section 10(38) also provides that such long term capital gain of a company shall be taken into account in computing the book profit and income-tax payable under section 115JB.

Question 3

**JK Associates is an Association of Persons (AOP) consisting of two members, J and K. Shares of the members are: 60% (J) and 40%(K). Income of the AOP for the previous year 2010-11 is Rs.6 lakh.**

**Compute tax liability of the AOP and the members in the following situations:**

(i) J and K have their income, other than income from AOP, amounting to Rs.1 lakh and Rs.1.70 lakh, respectively.

(ii) J and K's income, other than income from AOP, amount to Rs.1 lakh and Rs.1.20 lakh, respectively.

**Answer**

Computation of tax of AOP is governed by section 167B of the Income-tax Act. Tax on total income of AOP is computed as follows:
(i) If individual share of a member is known, and the total income of any member exceeds the basic exemption limit, then the AOP will pay tax at the maximum marginal rate.

(ii) If individual share of a member is known and no member has total income exceeding the basic exemption limit, then the AOP will pay tax at the rates applicable to an individual.

Section 86 provides for assessment of share in the hands of members of AOP as follows:

A member’s share in the total income of AOP will be treated as follows:-

(i) If an AOP has paid tax at the maximum marginal rate or a higher rate, the member’s share in the total income of AOP will not be included in his total income and will be exempt.

(ii) If the AOP has paid tax at regular rates applicable to an individual, the member’s share in the income of AOP will be included in his total income and he will be allowed rebate at the average rate of tax in respect of such share.

**Tax Liability of J K Associates, AOP**

(i) As K’s income, other than that from the AOP, exceeds the basic exemption limit, the AOP shall pay tax at maximum marginal rate of 30.90% (i.e. 30% plus education cess@2% plus secondary and higher education cess@1%). Thus the tax payable by AOP = Rs.6,00,000 x 30.90% = Rs.1,85,400.

(ii) Since none of the members have income, other than income from the AOP, exceeding the basic exemption limit, the AOP would be taxed at the rates applicable to an individual. Therefore, the AOP’s tax liability = Rs.54,000 + Rs.1,620 = Rs.55,620.

**Tax Liability of J and K**

**Question 4**

The net profit of ABC Ltd. for the year ending 31.03.2011 amounted to Rs.7,22,000 after debiting/crediting following items:

(i) Payment of interest on money borrowed from bank for purchase of land and building Rs.2,22,000.

(ii) Commission Rs.1,00,000 paid in the month of February, 2011 and Rs.1,25,000 paid in March, 2011. Tax deducted at source from the payments was deposited to the Government on 20.09.2011.

(iii) Travelling expenses of Rs.90,000 on a foreign tour of a director for negotiating collaboration with a foreign manufacturer for initiation of new line of business.

(iv) Securities transaction tax paid Rs.10,000. Income from trading in shares already credited to profit and loss account Rs.3,82,000.

(v) As part of the restructuring of its debt, the company has converted arrears of interest of Rs.3,00,000 on term loan into a new term loan with a revised repayment schedule.

The company has paid Rs.50,000 towards such funded interest during the year. Entire Rs.3,00,000 has been debited to profit and loss account. However, out of this, a further sum of Rs.50,000 was paid before the due date of filing of return.

(vi) Rs.5,00,000, being contribution to S Ltd. (wholly owned subsidiary company) for construction of a school for the benefit of its employees.

(vii) Provision for gratuity based on actuarial valuation Rs.6,00,000. Actual gratuity paid Rs.1,50,000 was debited to provision for gratuity account.

**Other information:**

(1) Provision for bonus for the year 2009-10 paid on 15.11.2010 Rs.98,000. It is inclusive of payment by bearer cheque of Rs.34,000.
(2) The company has purchased a commercial vehicle of Rs. 8,00,000 for the purpose of business on 21.03.2011 and calculated depreciation @ 15% for the full year. Depreciation debited to the profit and loss account is calculated on all other assets as per the rates prescribed in the Income-tax Act.

(3) The company collected Rs. 3,00,000 from its customers towards sales tax in the year 2006-07 and remitted it to the State Government in due time. On the levy being challenged in the High Court, the Court held the levy as illegal and the State Government refunded the amount to the company in February, 2011. The company refunded Rs. 2,00,000 to the customers and the remaining amount of Rs. 1,00,000 was shown under the head "current liabilities".

Compute the income chargeable to tax in assessment year 2011-12 and work out the amount of tax payable on such income, ignoring the provisions of section 115JB.

Answer

(a) Computation of total income and tax liability of ABC Ltd. for A.Y.2011-12

Education cess @ 2%  9,348
Secondary and higher education cess@1%  4,674
Total tax payable  4,81,422

Notes:

(1) As per section 36(1)(iii), interest on borrowed capital is allowed as deduction, if the borrowed capital is used for the purpose of business of the assessee. The section does not distinguish between borrowed capital used for financing capital expenditure and borrowed capital used for the financing revenue expenditure. Assuming that land and building was acquired for business purpose, interest on money borrowed is allowable under section 36(1)(iii). It is presumed that the interest liability pertains to a period after the asset is put to use.

(2) As per section 40(a)(ia), tax deducted and remitted in respect of commission paid in the months of February and March 2011 is deductible since the TDS was remitted on 20.09.2011 being the date before the due date meant for filing return of income.

(3) Travelling expenses incurred on foreign tour of a director for initiating a new line of business is a capital expenditure. The same is, therefore, not deductible under section 37(1).

(4) Securities transaction tax is allowable as deduction under section 36(1)(xv) if the income arising from taxable securities transaction is included in computing the income under the head “Profits and gains of business or profession”. As income from trading in shares is included in computation of business income, securities transaction tax of Rs.10,000 is allowable as deduction.

(5) As per section 43B, any sum payable by the assessee as interest on any loan or borrowing from, inter alia, any public financial institution or scheduled bank shall be allowed only in computing the income of that previous year in which sum is actually paid. In respect of the previous year in which the liability to pay such sum was incurred, deduction will also be allowed in relation to the sum or part thereof which is paid on or before the due date of filing of return for that year. As per Explanations 3C and 3D to section 43B, a deduction of any sum, being interest payable on any loan or borrowing from a public financial institution or scheduled bank shall be allowed, if such interest has been actually paid and such interest which has been converted into a loan or borrowing shall not be deemed to have been actually paid.

The manner in which the converted interest will be allowed as deduction has been clarified vide Circular No.7/2006 dated 17.7.2006. The unpaid interest, whenever actually paid to the financial institution or scheduled bank, will be in the nature of revenue expenditure deserving deduction in the computation of income. Therefore,
irrespective of the nomenclature, the deduction will be allowed in the previous year in which the converted interest is actually paid.

Accordingly, out of Rs.3 lakh, only Rs.1 lakh (Rs. 50,000 + Rs. 50,000), being the funded interest actually paid, is allowable as deduction while computing business income of P.Y.2010-11. It is presumed that the installment of Rs. 50,000 paid before the due date of filling the return relates to P.Y.2010-11. Since the entire amount of Rs.3 lakh, representing arrears of interest converted into term loan, has been debited to the profit and loss account, the balance Rs.2 lakh (i.e., Rs.3 lakh – Rs.1 lakh) has to be added back.

(6) Contribution to a wholly owned subsidiary company for construction of a school for the benefit of its employees is allowable under section 37(1).

(7) Under section 40A(7), no deduction is allowed in respect of any provision made for the payment of gratuity to the employees on retirement or termination of employment for any reason. However, gratuity actually paid is admissible as deduction. Therefore, provision for gratuity of Rs.6,00,000 is to be disallowed. Actual gratuity paid Rs.1,50,000 debited to provision for gratuity account is allowable. Hence, only the net sum of Rs.4,50,000 has to be added back.

(8) As per section 40A(3), expenditure in respect of which payment is made in a day in a sum exceeding Rs.20,000 otherwise than by account payee cheque or account payee bank draft is disallowed. In this case, provision for bonus for the previous year 2009-10 would have been disallowed under section 43B for non-payment by due date for filing of return of income for assessment year 2010-11. Payment of bonus made after the said date is allowed in the year of actual payment. However, such deduction allowable in the year of payment is subject to the provisions of section 40A(3). Hence, the sum of Rs.34,000 being bonus paid by bearer cheque shall not be allowed as deduction in the year of payment. Assuming that the balance amount of Rs.64,000 (i.e., Rs.98,000 – Rs.34,000) is paid by account payee cheque or account payee bank draft, it is admissible as deduction in the A.Y.2011-12.

(9) Depreciation on commercial vehicle has been calculated @15% and, consequently, Rs.1,20,000 has been debited to profit and loss account. Since it was acquired in March 2011 only, 50% of normal depreciation is allowable. The excess depreciation of Rs.50,000 is hence disallowed.

(10) Sales tax collected by the assessee is to be treated as a trading receipt of the assessee as held by the Supreme Court in the case of Chowringhee Sales Bureau Private Limited v. CIT (1973) 87 ITR 542 (SC). Sales tax paid by the assessee is to be deducted from its profits. If any deduction is so allowed and subsequently the sales tax is refunded by the Government, the refund so made has the character of a revenue receipt. Therefore, the amount is taxable as deemed income under section 41(1). However, the assessee is entitled to claim deduction of the amount of refund.
of sales tax as and when the same is refunded by the assessee to the purchaser. This view finds support from CIT v. Thirumalaiswamy Naidu and Sons v. CIT 230 ITR 534 (SC). In view of this, the amount not yet refunded to the customers is taxable. Accordingly, the sum of Rs.1,00,000, being sales tax not refunded to the customers, is added back.

Question 5

Laxmi Tea Limited is engaged in growing and manufacturing tea in Assam and West Bengal. The company’s profit and loss account for the year ended 31st March, 2011 shows a net profit of Rs.550 lacs after debiting or crediting the following amounts:

(a) Depreciation Rs.40 lacs.

(b) Interest amounting to Rs.2 lacs on term loan from a bank for purchase of machinery for one of its tea factories.

(c) Repairs to factory building amounting to Rs.15 lacs for which a sum of Rs.10 lacs was withdrawn from Tea Deposit account maintained with National Bank for Agricultural and Rural Development (NABARD) as per section 33AB of the Income-tax Act.

(d) Profit from sale of green tea leaves plucked in own gardens Rs.20 lacs.

(e) Rs.5 lacs on account of stamp duty and registration fees for the issue of bonus shares.

(f) Rs.10 lacs, being sales tax dues of earlier years determined during the year on disposal of appeals by the appellate authority, for which the company has furnished a bank guarantee to the Commercial Tax Authority.

(g) Rs.5 lacs written off as bad in respect of a trade debt transferred from Saraswati Tea Limited in previous year 2008-09 pursuant to a scheme of amalgamation approved by the jurisdictional High Court.

(h) Rs.2 lacs contributed to Employees’ Welfare Trust.

(i) Interest on inter-corporate deposit Rs.1 lac and Rs.1.50 lacs for February, 2011 and March, 2011, respectively, for which tax deducted at source was paid to the Central Government in June, 2011.

Following additional information are furnished by the management:

(i) Depreciation as per Tax Audit Report under section 44AB Rs.55 lacs.

(ii) One financial institution converted arrear interest of Rs.10 lacs into a new loan in financial year 2007-08, which is repayable in five annual instalments. The company has paid Rs.2 lacs towards the instalment due for the financial year 2010-11 in February, 2011.
(iii) A sum of Rs.250 lacs deposited in NABARD on 15th June, 2011 as per the provision of Section 33AB.

Compute total income of the company for the Assessment Year 2011-12 stating the reasons for each item. Ignore provision relating to Minimum Alternate Tax.

Answer

**Computation of total income of Laxmi Tea Ltd. for the A.Y.2011-12**

13.13
Amount deposited 2,50,00,000

40% of the profit from business of growing and manufacturing tea computed under the head "profits and gains from business and profession" before making this deduction (Rs.5,35,00,000 x 40%) 2,14,00,000 2,14,00,000

Less : 60% of above, being agricultural income as per Rule 8 1,92,60,000

Business income 1,28,40,000

Gross Total Income 1,28,40,000

Less : Deduction under Chapter VIA Nil

Total Income 1,28,40,000

Notes:

1. As per section 36(1)(iii), interest paid in respect of capital borrowed for the purpose of business or profession is allowed as deduction. The term loan was taken for purchasing machinery for use in a tea factory. Thus, the term loan was used for the purpose of business. Hence, interest on term loan is allowable as deduction. As interest has already been debited to the profit and loss account, no adjustment is required. It is assumed that–
   (i) the new machinery was not acquired for extension of the business of the company; and
   (ii) the interest has been actually paid.

2. As per section 33AB(6), where any amount standing to the credit of the assessee in the account maintained with NABARD is utilized by the assessee for the purpose of any expenditure in connection with such business in accordance with the scheme approved by the Tea Board, such expenditure shall not be allowed as deduction. Therefore, the amount of Rs.10 lacs withdrawn and utilized for incurring expenditure on repair to factory building is to be disallowed.

3. The Supreme Court, in the case of CIT vs. General Insurance Corporation (2006) 286 ITR 232, observed that there is no inflow of fresh funds or increase in capital employed on account of issue of bonus shares. There is only reallocation of company's fund on account of issue of bonus shares by capitalization of reserves. The company has not acquired any benefit of enduring nature. There is no increase in capital base of the company. Therefore, stamp duty and registration fee in connection with issue of bonus shares is allowable as revenue expenditure under section 37(1).

4. According to section 43B, any tax, duty, cess or fee (by whatever name called) is allowed as deduction if they are actually paid on or before the due date of filing return of income under section 139(1) irrespective of the method of accounting followed by the assessee.
In the case of CIT vs. Udaipur Distillery Company Limited (2004) 268 ITR 305 (Raj), it was held that actual payment requires that amount must flow from the assessee to the public exchequer as specified in section 43B. Mere furnishing of bank guarantee by the assessee towards sales tax dues does not mean actual payment of sales tax dues. Therefore, sales tax liability determined on appeal shall be disallowed under section 43B for non-payment.

5. Under section 36(1)(vii) read with section 36(2), an assessee can claim deduction in respect of bad debt, provided the amount of such debt has been taken into account in computing total income of the assessee and it is written off in the books of account of the assessee. In the case of CIT vs. T.Veerabhadra Rao, K.Koteswara Rao & Co. (1985) 155 ITR 152 (SC), the Apex Court held that the successor of a business is entitled to write off the predecessor’s debt as a bad debt and claim deduction if the other conditions are fulfilled. This is so because the benefit of deduction in respect of bad debt is not accrued to the assessee by way of personal relief but relates to the business. Therefore, the assessee company is entitled to deduction under section 36(1)(vii) read with section 36(2) in respect of debt transferred from the amalgamating company, Saraswati Tea Limited.

6. As per section 40A(9), any contribution made by the assessee as an employer to any fund, trust, company, association of persons, body of individuals, society registered under the Societies Registration Act or other institution for any purpose shall be disallowed, except where such contribution is paid to a recognised provident fund or approved superannuation fund or approved gratuity fund. Therefore, contribution to the Employees’ Welfare Trust is to be disallowed.

7. Section 40(a)(ia) seeks to disallow interest paid to any resident, if tax is not deducted at source or, after deduction, tax is not deposited to the Central Government on or before the due date prescribed under section 139(1) of the Act.

In this case, tax has been deducted and paid before the due date prescribed under section 139(1). Hence, the expenditure shall be allowed.

8. As per Explanation 3C to section 43B, a deduction of any sum, being interest payable on any loan or borrowing from a public financial institution shall be allowed, if such interest has been actually paid and such interest which has been converted into a loan or borrowing shall not be deemed to have been actually paid.

The manner in which the converted interest will be allowed as deduction has been clarified vide Circular No.7/2006 dated 17.7.2006. The unpaid interest, whenever actually paid to the financial institution, will be in the nature of revenue expenditure deserving deduction in the computation of income. Therefore, irrespective of the nomenclature, the deduction will be allowed in the previous year in which the converted interest is actually paid. Accordingly, the sum of Rs.2 lacs, being installment paid in February, 2011 shall be allowed as deduction while computing business income of P.Y.2010-11.
Question 6

The net profit as per the profit and loss account of XYZ Ltd., a resident company, for the year ended 31.3.2011 is Rs.190 lacs arrived at after making the following adjustments:

(i) Depreciation on assets Rs. 100 lacs
(ii) Reserve for currency exchange fluctuation Rs. 50 lacs
(iii) Provision for tax Rs. 40 lacs
(iv) Proposed dividend Rs.120 lacs

Following further information are also provided by company:

(a) Net profit includes Rs.10 lacs received from a subsidiary company by way of dividend.
(b) Provision for tax includes Rs.16 lacs of tax payable on distribution of profit and of Rs.2 lacs of interest payable on income-tax.
(c) Depreciation debited in P&L account includes Rs.40 lacs towards revaluation of assets.
(d) Amount of Rs.50 lacs credited to P & L account was drawn from revaluation reserve.
(e) Balance of profit and loss account shown in balance sheet at the asset side as at 31.3.2010 was Rs.30 lacs representing unabsorbed depreciation.

Compute the income of the company for the year ended 31.3.2011 liable to tax under MAT.

Answer

Computation of income of XYZ Ltd. liable to tax under MAT for the year ended 31.3.2011

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Net Profit as per Profit &amp; Loss Account</td>
<td>1,90,00,000</td>
<td></td>
</tr>
<tr>
<td>Add : Net profit to be increased by the following amounts as per Explanation 1 to section 115JB</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Depreciation</td>
<td>1,00,00,000</td>
<td></td>
</tr>
<tr>
<td>Reserve for currency exchange fluctuation, since the amount carried to any reserve, by whatever name called, has to be added back</td>
<td>50,00,000</td>
<td></td>
</tr>
<tr>
<td>Provision for tax</td>
<td>40,00,000</td>

<td>3,10,00,000</td>
</tr>
<tr>
<td></td>
<td></td>
<td>5,00,00,000</td>
</tr>
</tbody>
</table>

Less : Net profit to be decreased by the following amounts as per Explanation 1 to section 115JB
Depreciation other than depreciation on revaluation of assets (Rs.100 lacs - Rs.40 lacs) 60,00,000
Withdrawal from revaluation reserve restricted to the extent of depreciation on account of revaluation of assets (Rs.50 lacs or Rs.40 lacs, whichever is less) 40,00,000
Unabsorbed depreciation or brought forward business loss, whichever is less, as per the books of account (Rs.30 lacs or Nil) NIL
Dividend income [exempt under section 10(34)] 10,00,000 1,10,00,000
Income liable to tax under MAT 3,90,00,000

Note –
The Finance Act, 2008 has inserted Explanation 2 after sub-section (2) of section 115JB to clarify that income-tax includes, inter alia, dividend distribution tax / tax on distributed income and interest. Therefore, the entire provision of Rs.40 lacs for income-tax has to be added back for computing book profit for levy of MAT.

Question 7
X, Y and HUF of Z (represented by Z) are partners with equal shares in profits and losses of a firm, M/s Popular Cine Vision, which is engaged in the production of TV serials and telefilms. In the previous year 2009-10, one partner ‘A’ retired, but his dues have been settled in the previous year 2010-11.

The earlier partnership deed did not authorise payment of remuneration or interest to partners. The partnership deed was revised by the partners on 1st June, 2010 to authorise payment of remuneration of Rs.1 lac per month to each working partner and simple interest at 15% per annum to X and Y on their capital. X, Y and Z are actively associated with the affairs of the firm.

The Profit & Loss Account of the firm for the year ended 31st March, 2011 shows a net profit of Rs.10 lacs after debiting/crediting the following:

(a) Interest amounting to Rs.7.5 lacs each was paid to partners X and Y on the balances standing to their capital accounts from 1st April, 2010 to 31st March, 2011.
(b) Remuneration to the partners including partner in representative capacity Rs.30 lacs.
(c) Interest amounting to Rs.2 lacs paid to Z on loan provided by him in his individual capacity at 16% interest.
(d) Royalty of Rs.5 lacs paid to partner X, who is litterateur and a professional script writer, for use of his scripts as per an agreement between the firm and X.

(e) Two separate payments of Rs.18,000 and Rs.15,000 made in cash on 1st February, 2011 to Altaf, a hairdresser, against his bill for services rendered in January, 2011 and two payments of Rs.19,000 and Rs.10,000 made in cash on 1st February and 2nd February, 2011, respectively, to Priyam, an assistant cameraman, against her bill for services provided in January, 2011.

(f) Amount of Rs.5 lacs provided in the books on 31st March 2011 as liability for remuneration to Shreyashi, a film artist and a non-resident. Tax deducted at source under section 195 from the amount so credited was paid on 3rd June, 2011.

(g) Amount of Rs.6 lacs provided as gratuity for the year on the basis of actuarial valuation. Gratuity paid to retired employees is Rs.1.50 lacs.

(h) Interest of Rs.1.20 lacs received on income-tax refund under section 244(1A) in respect of assessment year 2009-10.

The firm has also provided the following additional information:

The amount due to A, the former partner, was Rs.15 lacs. The dues were settled on 30th September, 2010 by transferring a plot of land purchased two years back having a book value of Rs.10 lacs. The difference of Rs.5 lacs was credited to partners’ capital accounts in their profit sharing ratio. The fair market value of the plot on the date of transfer was Rs.16 lacs.

Compute the total income of the firm for the assessment year 2011-12 stating the reasons for treatment of each item.

**Answer**

**Computation of Total Income of M/s. Popular Cine Vision for the A.Y.2011-12**

Income from other sources
Interest on income-tax refund 1,20,000

Gross Total Income 30,83,000
Deductions under Chapter VI-A Nil
Total Income 30,83,000

Notes:
1. As per section 40(b) simple interest at 12% p.a. to partners relating to the period after the date of partnership deed is allowable. Therefore, interest to partners from 1st April to 31st May, 2010 should be disallowed. Further, the excess interest @ 3% paid from 1st June, 2010 to 31st March, 2011 should also be disallowed.

   Rs.
   Interest for April and May, 2010 15,00,000 x 2/12 2,50,000
   Excess interest from June’10 to March’11 (15,00,000 x 3/15) x 10/12 2,50,000
   5,00,000

2. Even though Z is a partner in a representative capacity, he is still a partner. Therefore, remuneration to Z should also be subject to the limits prescribed in section 40(b). This
view finds support from the decision of the Supreme Court in the case of Rashik Lal & Co. vs CIT (1998) 229 ITR 458 (SC).

3. As per Explanation 1 to section 40(b) where an individual is a partner in a firm in a representative capacity, the provisions of section 40(b) shall not apply to any interest payable by the firm to such individual in his personal capacity. Z represents his HUF in the firm. However, Z gave the loan in his individual capacity. Hence, assuming that the provisions of section 40A(2) do not get attracted in this case, such interest shall be allowed as deduction in full even though the interest rate is more than 12% p.a.

4. It may be noted that the limits specified under section 40(b)(v) are applicable in case of payment of salary, bonus, commission, or remuneration, by whatever name called, to a working partner. From a plain reading of the section, it is clear that any remuneration, by whatever name called, paid to a working partner, is subject to the limits laid down in section 40(b)(v). Therefore, the royalty of Rs.5 lakh paid to partner X would also be subject to the limits laid down in section 40(b)(v). Hence, the same has to be added back for computing book profits.

5. Section 40A(3) provides for disallowance of any expenditure in respect of which aggregate of payments made otherwise than by an account payee cheque or account payee bank draft in a single day to a person exceeds a sum of Rs.20,000. Hence, the payments of Rs.18,000 and Rs.15,000 in cash on 1.2.2011 to Altaf, a hairdresser, shall be disallowed, since the aggregate payment of Rs.33,000 exceeds the limit of Rs.20,000.

In case of payment of bill of the assistant cameraman of Rs.19,000 and Rs.10,000 respectively on 1st February and 2nd February is not liable for disallowance under section 40A(3) since the aggregate payment in cash on a single day has not exceeded Rs.20,000.

6. As per section 40(a)(i), any sum payable to a non-resident shall not be allowed as deduction, if tax has not been deducted at source or after deduction, has not been paid within the time limit prescribed in section 200(1). Tax deducted from the amount of remuneration credited to payee's account on 31st March 2011 has to be deposited latest by 31st May, 2011. The firm has paid the tax on 3rd June, 2011 and hence, the remuneration shall not be allowed.

7. As per section 40A(7), any provision made for payment of gratuity to employees on their retirement or on termination of employment for any reason is disallowed. However, any provision made for the purpose of payment of a sum by way of any contribution to an approved gratuity fund or for the purpose of payment of gratuity which has become payable during the previous year shall be allowed as deduction. The question does not mention any approved gratuity fund. However, gratuity of Rs.1.50 lacs paid to retired employees is allowable as deduction. Hence, the balance provision of Rs.4.50 lacs (i.e., Rs.6 lacs – Rs.1.50 lacs) is to be disallowed.
8. Interest on income-tax refund is assessable under the head "Income from other sources".

9. Distribution of a capital asset by a firm to its partner on dissolution or otherwise attracts capital gains tax liability as per the provisions of section 45(4) and the fair market value of the asset on the date of transfer is deemed to be the full value of consideration received or accruing as a result of the transfer. The words "or otherwise" includes within its scope, cases of distribution of capital assets on retirement of a partner also. [CIT vs. A. N Naik Associates 265 ITR 346 (Bom.).] Therefore, distribution of a plot of land on retirement of a partner would attract section 45(4).

Rs.16 lacs, being the fair market value of the plot on the date of transfer, is deemed to be the full value of consideration. Therefore, the capital gain would be Rs.6 lacs (i.e., Rs.16 lacs – Rs.10 lacs).

**Question 8**

Hyper Ltd., engaged in diversified activities, earned a net profit of Rs.14,25,000 after debit/credit of the following items to its profit and loss account for the year ended on 31.3.2011:

(a) **Items debited to Profit and Loss Account**

The company provides the following additional information:

(i) Depreciation includes Rs.1,50,000 on account of revaluation of fixed assets.

(ii) Depreciation allowable as per Income-tax Rules is Rs.2,80,000.

(iii) Brought forward Business Loss/Unabsorbed Depreciation:
You are required to:

(i) compute the total income of the company for the assessment year 2011-12 giving the reasons for treatment of items and
(ii) examine the applicability of section 115JB of the Income-tax Act, and compute book profit and the tax credit to be carried forward.

In case of a company, it has been provided that where income-tax payable on total income computed as per the provisions of the Act is less than 18% of book profit, the book profit shall be deemed as the total income and the tax payable on such total income shall be 18% thereof plus education cess @ 2% and secondary and higher education cess @ 1%.

Accordingly, in this case, since income-tax payable on total income computed as per the provisions of the Act is less than 18% of book profit, the book profit of Rs.10,75,000 is deemed to be the total income and income-tax is payable @ 18% thereof plus education cess @ 2% and secondary and higher education cess @ 1%. The tax liability, therefore, works out to be Rs.1,99,305.

Section 115JAA provides that where tax is paid in any assessment year in relation to the deemed income under section 115JB(1), the excess of tax so paid, over and above the tax payable under the other provisions of the Income-tax Act, will be allowed as tax credit in the subsequent years.

The tax credit is, therefore, the difference between the tax paid under section 115JB(1) and the tax payable on the total income computed in accordance with the other provisions of the Act. This tax credit is allowed to be carried forward for ten assessment years succeeding the assessment year in which the credit became allowable.
Such credit is allowed to be set off against the tax payable on the total income in an assessment year in which the tax is computed in accordance with the provisions of the Act, other than section 115JB, to the extent of excess of such tax payable over the tax payable on book profits in that year.

Notes:

1. Income from industrial unit under section 10A and profit from 100% E.O.U. under section 10B are exempt from income-tax. However, MAT is leviable on income eligible for exemption under section 10A and 10B. Hence, such income should not be reduced while computing book profits and consequently, expenses relating to such units should not be added back while computing book profits.

2. Long-term capital gains on sale of equity shares through a recognized stock exchange on which securities transaction tax (STT) is paid is exempt under section 10(38). One of the adjustments to the book profit is that exempt income under section 10, which is credited to profit and loss account, would be deducted in arriving at the book profit. However, deduction of such long-term capital gains is not allowed for computing book profit. Consequently, expenditure to earn such income should not be added back to arrive at the book profit.

**Question 9**

The net profit for the year ended 31.3.2011 of India Biotech Ltd. engaged in the business of bio-technology works out to Rs.45 lacs after debit/credit of the following items:

(i) Profit of Rs.2,50,000 from a hedging contract entered into for meeting out the loss in foreign currency payments towards an imported machinery of Rs.80 lacs installed on 1.2.2011.

(ii) Incidental charges of Rs.20 lacs paid to a financial institution for taking short-term loan of Rs.25 crores repayable in 18 months.

(iii) Commission of Rs.25,000 paid to a recovery agent for getting realisation of an old outstanding. Tax deducted and remitted as per Chapter XVII-B of the Act.

(iv) Registration fees of Rs.20,000 and listing fees of Rs.30,000 paid to the Registrar of Companies and the Stock Exchange respectively on the issue of bonus shares.

(v) Amount of Rs.1,00,000 towards carry forward losses for Asst. year 1998-99 of X Ltd., which got merged with the company during the financial year 2003-04.

(vi) Interest received from banks of Rs.90,000 net of TDS of Rs.10,000.
(vii) Amount of Rs.1,50,000 incurred towards reconditioning of generator.

(viii) Employer’s share to the EPF for the month of March, 2011 of Rs.40,000. The amount was deposited with the PF Commissioner on 22.4.2011.

Compute the total income of the company for Asst. year 2011-12 and give brief reasons for the treatment given to each of the items.

**Answer**

**Computation of Total Income of India Biotech Ltd. for A.Y. 2011-12**

<table>
<thead>
<tr>

<td></td>
</tr>
<tr>
<td>Profit from hedging contract</td>
<td>2,50,000</td>
</tr>
<tr>
<td>Interest from banks</td>
<td>90,000</td>
</tr>
<tr>
<td>Add: Employee’s share already charged in Profit &amp; Loss Account is allowable under section 43B since it is deposited before the due date of filing return under section 139(1) i.e. 30.09.2011.</td>
<td>NIL</td>
</tr>
<tr>
<td>Add: Depreciation on plant and machinery on account of hedging profit (7.5% on Rs.2,50,000)</td>
<td>18,750</td>
</tr>
<tr>
<td>Additional depreciation (10% on Rs.2,50,000)</td>
<td>25,000</td>
</tr>
</tbody>
</table>

**Income from other sources**

Interest received from banks (gross) _____ 1,00,000

**Total Income** 43,03,750

**Notes** -

1. Hedging contract is entered into for safeguarding against any loss that may arise due to currency fluctuation. The profit from such contract entered into for meeting loss in foreign currency payments towards imported machinery has to be adjusted against the cost of plant and machinery. Consequently, the same will have an impact on depreciation and additional depreciation on imported plant and machinery. It is presumed that the conditions for claim of additional depreciation are satisfied and accordingly, the additional depreciation has been charged to profit and loss account. Since there is a reduction in...
the cost of plant and machinery on account of the hedging profit of Rs.2,50,000, the excess depreciation and additional depreciation debited to the profit and loss account have to be added back to the profits.

2. Incidental charges incurred for raising short term loan from financial institutions is allowable as deduction, since, as per CBDT letter F.No.32/6/62-IT(A-1) dated 16.1.1963,—
   (i) it is in respect of a short term loan of a duration of not more than 2 years; and
   (ii) it does not exceed 1% of Rs.25 crores, being the amount of loan raised.

3. Commission of Rs.25,000 paid to a recovery agent for realisation of old outstanding is an allowable expense under section 37 as per DCIT v. Super Tannery (India) Ltd. (2005) 274 ITR 338 (All).

4. The Supreme Court has, in CIT v. General Insurance Corporation (2006) 286 ITR 232, observed that the issue of bonus shares does not result in expansion of the capital base of the company. Therefore, the expenditure incurred by the company on account of registration fees and listing fees for the issue of bonus shares is allowable as revenue expenditure.

5. As per section 72A, the unabsorbed business loss of the amalgamating company shall be deemed to be the loss of the amalgamated company for the previous year in which the amalgamation took place. Therefore, such loss can be set-off against the income of the amalgamated company in the year of amalgamation and the balance, if any, can be carried forward and set-off against the business income of the amalgamated company in the subsequent years. Such loss can be carried forward by the amalgamated company for a maximum period of 8 years from the year of amalgamation. In this case, the amalgamation took place in the financial year 2003-04 and therefore, the 8 year period has not expired in the financial year 2010-11. Therefore, the set-off of losses of Rs.1 lakh relating to X Ltd. is in order. It is assumed that the conditions specified in section 72A are satisfied.

6. Interest received from banks is chargeable to tax under the head “Income from other sources”, assuming that there is no nexus between the interest income and the business of the assessee. For this purpose, the net amount of interest has to be grossed up by adding the amount of TDS of Rs.10,000. Since the net interest of Rs.90,000 is credited to profit and loss account, the same has to be reduced to compute the business income.

7. Expenditure on reconditioning of the generator is in the nature of normal repairs and is eligible for deduction under section 31.

**Question 10**

Prakash, a member in two AOPs, namely, “AOP & Co.” and “Prakash & Akash”, provides the following details of his income for the year ended on 31.3.2011:

(a) “AOP & Co.”, assessed at normal rates of tax, had credited in his account, amount of Rs.96,000 as interest on capital, Rs.96,000 as salary and Rs.20,000 as share of profit.
(b) A house property located at Jaipur was purchased on 1.7.2005 with the borrowed capital in “Prakash & Akash” jointly shared equally and occupied by both of them for self residential purposes. Total interest paid for the year 2010-11 on the borrowed capital was Rs.1,60,000.

Compute the income and the tax liability thereon for the A.Y. 2011-12 and support your answer with brief reasons and the provisions of the Act.

Answer

Mr. Prakash is a member in two AOPs, namely, AOP & Co. and Prakash & Akash. Though Prakash & Akash is an AOP, the income from the house property will not be assessed as income of the AOP, but will be included in the hands of the individual members as per section 26, since the share of each member is definite and ascertainable. Hence, Prakash’s share of income from house property would be assessed in his individual hands.

Since AOP & Co., has been taxed at normal rates of tax, Mr.Prasak’s share income from the AOP (i.e. salary, interest on capital and his share of profit) would be included in his total income. Mr. Prakash, however, would be entitled to a relief under section 86 in respect of this income which has been included in his total income but on which tax has already been paid by the AOP. As per section 110, the relief shall be allowed at the average rate of tax calculated on the total income inclusive of such income.

Hence, the tax liability in the hands of Mr. Prakash would be as under:-

NIL
Question 11

HSP, a partnership firm engaged in the business of running a heritage hotel approved by the competent authority provides the following information relating to the year ended on 31.3.2011:

(a) Net profit as per P & L account of Rs.200 lacs was arrived at after charge of the following:

(i) Depreciation on hotel building having W.D.V. on 1.4.2010 of Rs.500 lacs was charged by treating the same as plant and machinery.

(ii) Expenses of Rs.1,00,000 incurred for the purpose of promoting family planning among its employees.

(iii) Payment of Rs.50,000 for an advertisement published in the souvenir released on 15th August by Bhartiya Janta Party.

(iv) Compensation of Rs.1,00,000 paid to the suppliers of automatic kitchen appliances because of termination of the contract after receipt of 50% of appliances.

(v) Wines and liquor imported in F.Y. 2009-10 for Rs.20 lacs and were available in the stock on 1.4.2010 cost Rs.5 lacs were confiscated by the Govt. authority and therefore were written off.

(vi) Expenses of Rs.20 lacs incurred on replacement of carpets in the foyer, lounge and bar.

(b) Amount of Rs.4 lacs equal to U.K. £5000 was remitted and paid to a travel agent resident of U.K. as commission for the booking of international tourists in the hotel. Tax at source was not deducted out of such payment.

(c) Amount of Rs.40,000 each was paid in cash to the suppliers of vegetables, milk products and eggs on 05.09.2010 because of suspension of banking operations due to strike of bank employees.

(d) Amount of Rs.5 lacs written off in the F.Y. 2008-09 as irrecoverable from a travel agent; an amount of Rs.2 lacs out of it was recovered on 13.3.11 and credited to a reserve account.

Compute the income chargeable to tax for A.Y. 2011-12 and give reasons in brief for treatment given to each of the items.
### Computation of taxable income of M/s. HSP for the A.Y.2011-12

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Amount in Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Net profit as per profit and loss account</td>
<td>2,00,00,000</td>
</tr>
<tr>
<td><strong>Add :</strong> Items charged in profit and loss account which are not allowable</td>
<td></td>
</tr>
<tr>
<td>Excess depreciation on building @ 5% (i.e. 15% - 10%) on Rs.500 lakh</td>
<td>25,00,000</td>
</tr>
<tr>
<td>Expenses on promoting family planning amongst the employees</td>
<td>1,00,000</td>
</tr>
<tr>
<td>Advertisement in souvenir of a political party</td>
<td>50,000</td>
</tr>
<tr>
<td>Compensation to a supplier of kitchen appliances</td>
<td>1,00,000</td>
</tr>
<tr>
<td><strong>Add :</strong> Recovery of bad debts credited in reserve but chargeable under section 41 (4)</td>
<td>2,00,000</td>
</tr>
<tr>
<td><strong>Total Income</strong></td>
<td><strong>2,29,50,000</strong></td>
</tr>
</tbody>
</table>

Reasons for treatment given to each of the items specified:-

1. Hotel building does not constitute plant and machinery and therefore, depreciation chargeable thereon is 10%. However, depreciation has been charged in the profit and loss account at the rate applicable to plant and machinery i.e. @ 15%. Accordingly, the excess depreciation charged in the profit and loss account @ 5% (15%-10%) has to be added to income.

2. Expenses on promoting family planning amongst employees is allowable under section 36(1)(ix) only to a company assessees. In this case, since the assessees is a firm, such expenses are not allowable and therefore, the same has to be added back.

3. Advertisement of any nature given in a magazine / souvenir published by a political party is not allowable as per section 37(2B).

4. Compensation paid for breach of a contract for supply of a capital asset is in the nature of capital expenditure as held by the Supreme Court in case of Swadeshi Cotton Mills Co. Ltd. vs. CIT (1967) 63 ITR 65. Accordingly, the same will be disallowed and added back to income.

5. The Apex Court in case of Dr. T.A. Quereshi vs CIT (2006) 287 ITR 0547 observed that loss of stock-in-trade has to be considered as a trading loss. Explanation to section 37(1) is not relevant here since it is not a case of business expenditure but one of business loss. Business loss is allowable on ordinary commercial principles.
Therefore, since wine and liquor formed part of stock-in-trade of the firm, confiscation of the same has to be allowed as a business loss.

(6) The expenditure incurred on replacement of carpets by a hotel are in the nature of expenses incurred for the purposes of business and are allowable as revenue expenses under section 37(1).

(7) The payment to a non-resident outside India without deduction of tax at source is an allowable expense notwithstanding the withdrawal of CBDT Circular No.786 dated 7.2.2000 by means of Circular No.7 of 2009 dated 22.10.2009 as there is no income accruing or arising to the non-resident in India.

(8) The cash payments made totaling Rs.1,20,000 on the day when bank employees were on strike is an exception as per rule 6DD(k) and clarification of CBDT as per letter No.142(14)/70 dated 28/9/1970. Therefore, disallowance under section 40A(3) is not attracted.

(9) The recovery of a debt which was earlier written off under section 36(1)(vii) and was allowed as deduction is chargeable to tax under section 41(4) in the year of such recovery. Accordingly, such amount has to be added to income despite the fact that the same was credited by the firm in a reserve account.

Question 12

M/s. HIG, a firm, consisting of three partners namely, H, I and G, carried on the business of purchase and sale of television sets in wholesale and manufacture and sale of pens under a deed of partnership executed on 1.4.2006. H, I and G were partners in their individual capacity.

The deed of partnership provided for payment of salary amounting to Rs.1,25,000 each to H and G, who were the working partners. A new deed of partnership was executed on 1.10.2010 which, apart from providing for payment of salary to the two working partners as mentioned in the deed of partnership executed on 1.4.2006, for the first time provided for payment of simple interest @ 12% per annum on the balances standing to the credit of the Capital accounts of partners from 1.4.2010.

The firm was dissolved on 31.3.2011 and the Capital assets of the firm were distributed among the partners on 20.4.2011. The net profit of the firm for the year ending 31.3.2011 after payment of salary to the working partners and debit/credit of the following items to the Profit and Loss Account was Rs.1,50,000:

(i) Interest amounting to Rs.1,00,000 paid to the partners on the balances standing to the credit of their capital accounts from 1.4.2010 to 31.3.2011.

(ii) Interest amounting to Rs.50,000 paid to the partners on the balances standing to the credit of their Current accounts from 1.4.2010 to 31.3.2011.

(iii) Interest amounting to Rs.20,000 paid to the Hindu undivided family of partner H @ 18% per annum.
Direct Tax Laws

(iv) Payment of Rs.25,000 towards purchase of television sets made by crossed cheque on 1.11.2010.
(v) Rs.30,000 being the value of gold jewellery received as gift from a manufacturer for achieving sales target.
(vi) Depreciation amounting to Rs.15,000 on motor car bought and used exclusively for business purposes, but not registered in the name of the firm.
(vii) Depreciation under section 32(1)(ii) amounting to Rs.37,500 of new machinery bought and installed for manufacture of pens on 1.11.2010 at a cost of Rs.5,00,000. There was no increase in the installed capacity as a result of the installation of the new machinery.
(viii) Interest amounting to Rs.25,000 received from bank on fixed deposits made out of surplus funds.

The firm furnishes the following information relating to it:
(a) Closing stock-in-trade was valued at Rs.60,000 as per the method of lower of cost or market rate consistently followed by it. The market value of the closing stock-in-trade was Rs.65,000.
(b) Brought forward business loss relating to the assessment year 2010-11 was Rs.50,000.
(c) The fair market value of the capital assets as on 31.3.2011 was Rs.20,00,000 and the cost of their acquisition was Rs.15,00,000.

Compute the total income of M/s. HIG for the assessment year 2011-12.
You are required to furnish explanations for the treatment of the various items given above.

### Explanation for the treatment of various items

(i) Interest to partners authorised by the partnership deed will be allowed as deduction only for the period beginning with the date of the partnership deed and not for any earlier period as per section 40(b)(iv). Therefore, interest paid to the partners on the balances standing to the credit of their capital accounts from 1.10.2010 alone is eligible for deduction, since the partnership deed was executed only on 1.10.2010. Interest for the period prior to 1.10.2010 is not allowed.

(ii) The partnership deed of 1.10.2010 provides for payment of interest on balances in capital accounts of partners only. As such, the interest paid on the balances standing to the credit of the current accounts of partners is not allowable under section 40(b). The Kerala High Court has, in *Novel Distributing Enterprises v. DCIT & Anr. (2001) 251 ITR 704 (Ker)*, on identical facts, held that interest paid to the partners on their current account balances is not allowable.
Since H is a partner in his individual capacity, interest paid to the Hindu Undivided Family of partner H does not attract disallowance under section 40(b)(iv).

Section 40A(3) provides for disallowances @ 100% of the expenditure incurred otherwise than by an account payee cheque / account payee bank draft. Since the firm has made payment of Rs.25,000 towards purchase of television sets after 13.7.2010 by a crossed cheque and not by an account payee cheque, 100% of such expenditure would be disallowed.

Gold jewellery valued at Rs.30,000 received as gift from a manufacturer for achieving sales target is taxable under section 28(iv), being a benefit arising from business.

Depreciation on motor car bought and used exclusively for the purposes of business is allowable though not registered in the name of the firm in view of the ratio of the decision of the Supreme Court in Mysore Minerals Ltd. v. CIT (1999) 239 ITR 775.

The firm is entitled to additional depreciation @ 20% under section 32(1)(iia) in respect of the new machinery installed for manufacture of pens. Since the new machinery is put to use for less than 180 days during the relevant previous year, the additional depreciation is restricted to 50% of the prescribed rate of 20% i.e. it is restricted to 10%.

Interest received from bank on fixed deposits made out of surplus funds is assessable under the head 'Income from other sources'. Hence, it is not taken into account for the purpose of computing book-profit.

The Supreme Court has, in A.L.A Firm v. CIT (1991) 189 ITR 285, held that the closing stock has to be valued at market rate in the case of a dissolved firm. As such, the closing stock-in-trade of the firm has to be valued at the market rate.

Net profit shown in the profit and loss account computed in the manner laid down in Chapter IV-D as increased by the aggregate amount of the remuneration paid or payable to all the partners constitutes book profit as per Explanation 3 to section 40(b). Carry forward and set off of business loss is covered under Chapter VI. Hence, brought forward business loss relating to the assessment year 2010-11 is not considered for calculation of book-profit.

Section 45(4) is not applicable to the firm for the assessment year 2011-12, though the dissolution of the firm took place on 31.3.2011, there was no transfer by way of distribution of capital assets during the relevant previous year. The distribution of the capital assets took place on 20.4.2011. The capital gains will be assessable in the assessment year 2012-13.

**Question 13**

RST Ltd. is engaged in the manufacture and sale of drugs and pharmaceuticals. Its net profit for the year ending 31-3-2011 after debit/credit of the following items to the Profit and Loss Account was Rs.28,00,000.

i) Income-tax paid on non-monetary perquisites provided to the employees Rs.1,00,000.
(ii) Legal fees incurred in defending title to factory premises Rs.2,00,000.

(iii) Expenditure on scientific research (not in respect of cost of land or building) on in-house research and development facility approved by the prescribed authority Rs.10,00,000.

(iv) Interest paid on arrears of sales tax Rs.1,00,000.

(v) Cash payment of Rs.20,000 made on 10.10.2010 to a supplier towards purchase of raw material.

(vi) Rent received from letting out vacant land Rs.1,00,000.

(vii) Arrears of rent received in respect of a house property, which was let out in the earlier years and which was not charged to tax in any earlier year Rs.2,00,000. The said property was sold during the year ending 31.3.2009.

The company had paid royalty in India to a foreign company amounting to Rs.3,00,000 on 1.5.2009, which was disallowed by the Assessing Officer for the assessment year 2010-11 since tax was not deducted thereon. The company deducted and paid tax at source on the said amount of royalty on 1.1.2011.

The company has brought forward loss from property relating to the assessment year 2009-10 amounting to Rs.40,000.

Compute the total income of RST Ltd. for the assessment year 2011-12.

Furnish explanations for the treatment of the various items given above.

considered under other heads of income

Rent received from letting out vacant land 1,00,000
Arrears of rent received in respect of property let out in the earlier years 2,00,000 3,00,000 13,00,000

Income from house property

Arrears of rent received in respect of property let out in earlier years 2,00,000
Less: 30% of Rs.2,00,000 60,000 1,40,000
Less: Brought forward loss from property relating to A.Y.2009-10 set off 40,000 1,00,000

Income from other sources

Rent received from letting out vacant land 1,00,000

Total Income 15,00,000

Explanations for the treatment of the various items are furnished herein below -

(i) Income-tax paid by an employer on non-monetary perquisites provided to the employees is not deductible as per section 40(a)(v).

(ii) Legal fees incurred in defending title to factory premises is an expenditure incurred wholly and exclusively for the purpose of business and is, therefore, allowable under section 37(1). This was held by the Supreme Court in Dalmia Jain & Co. Ltd. v. CIT (1971) 81 ITR 754.

(iii) Expenditure on scientific research incurred by the company is entitled to deduction at 2 times as per section 35(2AB)(1). Since the company has debited Rs.10,00,000 in the profit and loss account, the additional deduction of Rs.10,00,000 is claimed while computing its total income.

(iv) Interest paid on arrears of sales tax is not penal in nature but is compensatory in character and is an allowable deduction under section 37(1) as held by the Supreme Court in Lachmandas Mathuradas v. CIT (2002) 254 ITR 799.

(v) Disallowance under section 40A(3) is attracted where cash payment in excess of Rs.20,000 is made in respect of any expenditure. In such a case, 100% of the expenditure is disallowed. Since the cash payment made by the company is Rs.20,000, that is, not exceeding Rs.20,000, the expenditure does not attract disallowance under section 40A(3).
(vi) Rent received from letting out vacant land is assessable under the head “Income from other sources”.

(vii) Arrears of rent received in respect of the house property let out in earlier years is deemed to be income from house property in the year of receipt. Such arrears of rent, after deduction of 30% thereof, is assessable as income from house property even though the assessee is not the owner of the property in the year of its receipt as provided in section 25B.

(viii) Royalty paid during the year 2009-10 in respect of which tax was deducted and paid during the previous year ending 31.3.2011 is allowable as deduction for the assessment year 2011-12 as per the proviso to section 40(a)(i).

(ix) Brought forward loss from house property relating to the assessment year 2009-10 is set off against the deemed income from house property for the assessment year 2011-12 in accordance with the provisions of section 71B.

**Question 14**

*ABC Ltd.* is engaged in the manufacture and sale of textiles. Its net profit for the year ending 31.3.2011 after debit/credit of the following items to the Profit and Loss Account was Rs.75,00,000:

(i) Payment to two employees of Rs.2,50,000 each in connection with their voluntary retirement.

(ii) Income-tax paid Rs.1,00,000.

(iii) Charges of Rs.2,00,000 paid for the advertisement in souvenir published by a Political Party registered with the Election Commission of India.

(iv) Retrenchment compensation paid to employees of one of the units closed down during the year Rs.10,00,000.

(v) Capital expenditure incurred for the purpose of promoting family planning amongst its employees Rs.3,00,000.

(vi) Interest paid under section 234B for short payment of advance tax pertaining to the assessment year 2010-11 Rs.1,10,000.

(vii) Loss incurred in transactions of purchase and sale of shares of various companies Rs.3,00,000.

(viii) Compensation received from supplier for delay in supply of raw materials Rs.1,00,000.

(ix) Dividend received from a foreign company Rs.2,00,000.

Compute the total income of ABC Ltd. for the assessment year 2011-12.

Furnish explanations for the treatment of the various items given above.

</tr>
<tr>
<td><strong>Total income</strong></td>
<td>86,50,000</td>
</tr>
</tbody>
</table>

Explanations for the treatment of the various items in computing the total income of the company are furnished below:

(i) Section 35DDDA provides for amortisation of expenditure incurred under voluntary retirement scheme over a period of five years in equal instalments. The company is, therefore, entitled to deduction of Rs.1,00,000, being one-fifth of the total sum of Rs.5,00,000 paid to the two employees in connection with their voluntary retirement for the relevant assessment year.

(ii) Income tax paid is not allowable as deduction from business profits as per section 40(a).
(iii) Section 37(2B) prohibits allowance of any expenditure incurred by an assessee on advertisement in any souvenir, brochure, pamphlet or the like published by a political party. As such, advertisement charges paid in respect of souvenir published by a political party is not allowable as deduction from business profits of the company.

However, under section 80GGB, expenditure incurred by an Indian company on advertisement in any publication, including a souvenir, by a political party is deemed to be a contribution of such amount to the political party and is, therefore, allowable as deduction in the hands of the company. It is logical to presume that ABC Ltd. is an Indian company.

(iv) Retrenchment compensation paid to employees at the time of closure of one of the units of the business is allowable as per the decision of the Allahabad High Court in CIT V. JK Cotton Spinning & Weaving Co. Ltd. (2005) 145 Taxman 591.

(v) Capital expenditure incurred for the purpose of promoting family planning amongst employees is deductible over a period of 5 years as per the first proviso to section 36(1)(ix). Hence, only Rs.60,000 is deductible in the current year in respect of such expenditure incurred by the company.

(vi) Interest paid for delayed payment of tax by the assessee is part and parcel of the liability to pay income-tax. When income-tax paid is itself not allowable as a deduction under section 40(a)(ii), the interest paid under section 234B cannot qualify for deduction. Thus, interest paid under section 234B is not deductible.

(vii) Loss of Rs.3 lakhs incurred by the company in dealing of shares constitutes speculation loss in view of the Explanation to section 73. In the absence of any speculative profit for the year, speculation loss is to be carried forward under section 73(2) for set off against speculation profits of subsequent assessment years. It can be carried forward for a maximum of 4 assessment years.

(viii) Compensation received from supplier for delay in supplying the raw materials is a trading receipt.

(ix) Dividend received from a foreign company in assessable under the head “Income from other sources”.

Question 15
(a) T and Q are individuals, who constitute an Association of persons, sharing profit and losses in the ratio of 2:1. For the accounting year ended 31st March, 2011, the Profit and Loss account of the business was as under:

Notes –

1. Since one of the members has individual income more than the basic exemption limit, the AOP will be assessed at the maximum marginal rate. The maximum marginal rate includes the surcharge applicable in relation to the highest slab of income in case of an individual. As such surcharge shall not be chargeable as the total income does not exceed the prescribed limit.

Since the AOP is taxed at maximum marginal rate, the share income of members is not taxable in their hands individually.

2. Since the employer’s contribution to PF has been paid during the previous year itself, it is allowable as deduction.

3. Penalty imposed for delay in filing sales tax return is not deductible since it is on account of infraction of the law requiring filing of the return within the specified period. – CIT v. Ratanchand Bhanalanath (S.S) (1986) 160 ITR 500 (M.P.)
(iii) Computation of tax liability of members T & Q for the A.Y.2011-12

Members of the AOP have to pay tax on their total income taking into account savings/investments etc. The share income from AOP is not taxable in their personal assessment.

Question 16

A domestic company is liable to pay minimum alternate tax under section 115JB for the Assessment Year 2011-12. While computing book profit under section 115JB the company claims provision for deferred tax charged to Profit & Loss account in accordance with Accounting Standard-22 of the Institute of Chartered Accountants of India, which is sought to be disallowed by the Assessing Officer. Is the action of the Assessing Officer valid in law?

Answer

Clause (h) to the Explanation to section 115JB provides that the amount of deferred tax and any provision therefor, is to be added to the net profit of the company. Similarly, any amount credited to profit and loss account being the amount of deferred tax is to be reduced / deducted for computing the book profit under section 115JB. Therefore, the action of the Assessing Officer is valid in law.

Question 17

Netherlands Oil Corporation is a Foreign Company engaged in the exploration of oil and gas in all countries including India. In respect of its Indian business, the company has prepared the Profit and Loss Account in accordance with Part II and III of Schedule VI to the Companies Act, 1956 and such Profit and Loss Account for the previous year ended 31.03.2011 shows a Net Profit of Rs.65 lakhs. The Net Profit from activities in all other countries stands at Rs.550 lakhs. The company informs that while arriving at the Net Profit as indicated above in respect of Indian business, the following debits/credits have been made in its Profit and Loss Account.

<td>Tax on total income @ 40%</td>
<td>2,80,000</td>
</tr>
</tbody>
</table>

In case of a company, it has been provided that where income-tax payable on total income computed as per the provisions of the Act is less than 18% of book profit, the book profit shall be deemed as the total income and the tax payable on such total income shall be 18% thereof plus education cess @ 2% and secondary and higher education cess @ 1%. Accordingly, in this case, since income-tax payable on total income computed as per the provisions of the Act is less than 18% of book profit, the book profit of Rs.43,00,000 is deemed to be the total income and income-tax is payable @ 18% thereof plus education cess @2% and secondary and higher education cess @1%. The tax liability, therefore, works out to Rs.7,74,000.

**Note:**

1. Amount withdrawn from reserve is to be excluded while computing “Book Profit” as the said amount was added and increased the book profit of the earlier assessment year. Also, such amount would be excluded for computing total income as net profit of Rs.65 lakhs stands increased by the said credit of Rs.3 lakhs to the profit & loss account.

2. As per section 115JB of the Act, amount of loss brought forward or unabsorbed depreciation as per books, whichever is less, has to be reduced from net profit. As only brought forward loss is indicated at Rs.12 lakhs in the question, it has been assumed that there is no unabsorbed depreciation as per books of account. Therefore, no adjustment has been made in this respect for computing the “Book Profit”.

13.45
3. Since the company is a foreign company it is not liable to be taxed in respect of its profits attributable to its activities outside India.

4. Section 115JB of the Act does not provide for the increase of net profit by the amount of expenditure relatable to any income to which section 80-IC of the Act applies. It also does not provide for the exclusion of income relatable to industrial undertaking covered under section 10B of the Act. Accordingly, no adjustment in respect of both expenditure and income pertaining to an undertaking covered under sections 10B and 80-IC of the Act was made while computing book profit.

5. Profits from undertaking qualifying for deduction under section 10B of the Act is not eligible for exclusion from the assessment year 2008-09 onwards. Similarly, expenditure of the eligible undertaking covered by section 80-IC is not to be adjusted for the purpose of computing Book Profit under section 115JB.

**Note:** It is possible to assume that the company, though a foreign company, has made prescribed arrangements for the declaration, distribution or payment of dividends in India, and accordingly calculate the tax at 30% plus education cess at 3% thereon treating it as a domestic company.

**Question 18**

A firm consisting of four partners was dissolved consequent to the death of one of the partners. The remaining partners reconstituted the firm immediately, without discontinuance of the business, and carried on the business as before. The inventory of stocks on the date of dissolution was valued at cost, which was lower than the market value and all other assets were valued at book value, for the purpose of transfer to the reconstituted firm. The Assessing Officer, while arriving at the total income of the firm was constituted prior to dissolution, valued the stocks as well as the other assets at market value. You are required to comment on the correctness of the Assessing Officer’s action.

**Answer**

The position regarding the valuation of stocks and other assets on dissolution of a firm has been the subject matter of litigation for a long time. In *ALA Firm v. CIT* 189 ITR 295, the Supreme Court held that in taking accounts for the purposes of dissolution, the firm and partners would value the assets only on a realistic basis and not at cost or any other value appearing in the books of account.

In *Sakthi Trading Company v. CIT* 250 ITR 871 the Supreme Court reviewed all the cases relating to valuation and held that in ALA Firm’s case, there was not only a dissolution but also a discontinuance thereof and the stocks had therefore to be valued at market value for settling the accounts of the partners. Where there is no discontinuance of the business, the stocks have to be valued at cost or market value, whichever is lower. This is the established rule of commercial practice and accountancy.
In respect of other assets, section 45(4) will apply and hence other assets have to be valued at fair market value for the purpose of computing capital gains upon dissolution of firm due to death of a partner. Section 45(4) would be applicable only in the year where the distribution of assets takes place consequent to dissolution.

**Question 19**

“NEPTUNE” is a shipliner, used in carrying passengers and cargo, owned by M/s Thomas & Thomas of U.K. The ship carried the passengers and cargo in June, 2010 from Singapore to Mumbai and vice versa and collected charges thereof amounting to Rs.200 lacs. It left Mumbai port on 15.6.10 for its journey to Korea. No other journey to India was undertaken by any of the vessels of the company during the year ended on 31.3.11. The non-resident company had authorized its Indian agent to comply with the income tax provisions.

You are consulted by the company to explain about the procedure as to return of income to be filed and the period within which the assessment thereof will be completed by the Assessing Officer.

**Answer**

M/s. Thomas & Thomas of U.K shall be required to file the return of income in India for the journey of its ship before it leaves for onward journey to Korea.

However, as per the proviso to section 172(3), where the Assessing Officer is satisfied that it is not possible for the master of the ship to furnish the return before the departure of the ship from the port, and if satisfactory arrangements have been made for filing of return and payment of tax by the authorised agent in India, he may permit filing of return within 30 days of departure of the ship.

Section 172(4A) provides a time limit of 9 months for completion of assessment in such cases. The period of 9 months is reckoned from the end of the financial year in which the return under section 172(3) is furnished.

**Question 20**

The directors of a private company are personally liable to pay the income tax due from the company. Discuss.

**Answer**

Section 179 contains the provisions relating to the liability of directors of a private company in liquidation in respect of tax due from the company. Where any tax due from a private company in respect of income of any previous year or from any other company in respect of any income of any previous year during which such other company was a private company cannot be recovered, then, every person who was a director of such company at any time during the relevant previous year shall be jointly and severally liable for the payment of such
Direct Tax Laws

tax. However, the director shall not be so liable if he proves that the non-recovery cannot be attributed to any gross neglect, misfeasance or breach of duty on his part in relation to the affairs of the company.

Question 21

In respect of the taxes due from a Private Limited company, which could not be recovered from it, the Tax Recovery Officer attached the properties of an erstwhile director for recovery thereof. It was contended by the director that a notice under section 156 had not been served on him and therefore, the proceedings for recovery were not valid. What is the correct legal position?

Answer

The liability of a director of a private limited company for arrears due from the company is provided in section 179. There is no necessity to issue a notice to a director, because the position of a person on whom liability is fastened is equated to that of an `assessee` in default. For the purpose of section 220(4) of the Income-tax Act, the person held liable under section 179 would be deemed to be an assessee in default. This may be contrasted with the arrears of a partnership firm which may be recovered from the erstwhile partners only after issue of a notice under section 156 and a default is committed by them.

Under section 179 every person who was a director of a private limited company at any time during the relevant previous year shall be jointly and severally liable for the payment of taxes which cannot be recovered from the company, unless he proves that the non-recovery cannot be attributed to any gross negligence, misfeasance or breach of duty on his part in relation to the affairs of the company.

Question 22

The net profits of XYZ Ltd. for the year ended 31st March, 2011, after debiting/crediting the following items, were Rs.9 lakhs:

(a) The company had taken on lease an old building for the purposes of locating its business. Due to old age of the building, it was demolished and a new building put up, which was used for purposes of XYZ's business from September, 2010. The cost of the new building Rs.10 lakhs was written off as revenue expenditure. The lessor permitted the company to have an extension of the lease by another twenty years.

(b) Rs.1 lakh was paid as an annual fee for technical services to a foreign collaborator under an agreement approved by the Government.

(c) The company collected Rs.3 lakhs from its customers by way of sales tax in the year 2006-07 and had remitted it to the State Government in due time. On the levy being challenged in the High Court, the Court held the collection as illegal and the State Government in February, 2011 refunded the amount to the company.
(d) Land development charges of Rs.1.5 lakhs were paid to the State Industrial Development Corporation on allotment of a commercial plot.

(e) A criminal case was filed against a Director of the company, in his official capacity. The company spent legal expenses of Rs.50,000 defending him in the proceedings. The Director was acquitted of the charges at the end.

(f) The company issued in the year bonus shares to its shareholders and for that purpose had to enhance the authorised capital. Fees of Rs.1.5 lakhs were paid to the Registrar of Companies in this regard. These have been written off in the accounts as revenue expenses.

(g) The company paid Rs.70,000 as interest on deposits to some of the non-resident buyers on advances received from them. No tax at source was deducted on the payment.

(h) Overdraft interest of Rs.40,000 was paid to the company’s bank to enable the company to pay its income tax dues.

(i) The opening and closing stocks of the year were Rs.90,000 and Rs.1,17,000 respectively and were undervalued by 10% on cost.

(j) Some investments were held by the company (not as stock in trade), which had to be depreciated by Rs.4.8 lakhs due to a directive from the Government.

The balance on 1st April, 2010 to the Profit and Loss Account, shown separately in the Balance Sheet, was a debit of Rs.2 lakhs.

The company had the following claims brought forward from the prior years:

**Business losses relating to**
- Assessment year 2002-03: Rs.8 lakhs
- Assessment year 2008-09: Rs.4 lakhs

**Losses under the head capital gains -**
- Long-term
  - Assessment year 2009-10: Rs.3 lakhs

**Unabsorbed depreciation**
(Both as per IT records and books of account of the company): Rs.12.50 lakhs

Required to:
(a) Calculate the total income of XYZ Ltd. for the assessment year 2011-12 [Your answer should clearly indicate the reasons for the treatment of the individual items given above.]

(b) Examine the applicability of section 115JB of the Income-tax Act to the company for the same assessment year.
### Answer

(a) **Computation of total income of XYZ Ltd. for the A.Y.2011-12**

<td>Add: Education cess and SHEC @ 3%</td>
<td>6,372</td>
</tr>
<tr>
<td><strong>Total Tax Payable</strong></td>
<td><strong>2,18,772</strong></td>
</tr>
</tbody>
</table>

Since the income-tax payable on the total income of the company computed under the Income-tax Act is not less than 18% of its book profit, section 115JB will not apply for A.Y.2011-12.

Notes:

1. As per *Explanation 1* to section 32(1), where an assessee carries on business or profession in a building which is not owned by him but in respect of which he holds a lease or other right of occupancy, depreciation is to be allowed on account of any capital expenditure incurred by the assessee on construction of any structure for improvement/renovation of the building as if the structure is a building owned by the assessee. Therefore, depreciation is allowable on the capital expenditure of Rs.10 lakhs incurred by XYZ Ltd. towards the cost of the new building put up after demolition of the old building.

2. The rate of depreciation on buildings is 10%. Since it is put to use for more than 182 days during the previous year 2010-11, full depreciation is allowable.

3. Payment of annual fees for technical services to a foreign collaborator is an allowable business expense and has been correctly charged to profit and loss account. Therefore, no adjustment is required.
4. Sales tax refund from the Government has to be treated as a revenue receipt. Since it has been correctly credited to profit and loss account, no adjustment is required.

5. Land development charges paid to SIDC on allotment of a commercial plot is a capital expenditure [Jaswant Trading Co. v. CIT (1995) 212 ITR 293 (Raj)]

6. Section 37(1) does not make any distinction between expenditure incurred in civil litigation and that incurred in criminal litigation. If the expenditure is bona fide incurred wholly and exclusively for the purpose of the business, it is allowable as deduction [CIT v. Birla Cotton Spinning & Weaving Mills Ltd. (1971) 82 ITR 166 (SC)]. Therefore, in this case, since legal expenses were incurred by the company for defending the Director in a criminal case filed against him in his official capacity, it is allowable as deduction.

7. Fees paid to Registrar of Companies for enhancement of authorised capital to issue bonus shares is deductible since it is related to issue of bonus shares. Alternatively, if it is a mere increase in authorized capital then such expenditure is a capital expenditure and not deductible under section 37(1)[Punjab State Industrial Development Corporation Ltd. v. CIT 225 ITR 792 (SC)].

8. Since no tax has been deducted at source on payment of interest to non-residents, interest paid will not be allowed as a deduction as per section 40(a)(i).

9. Interest paid to bank on overdraft for payment of income-tax dues is not an expenditure incurred wholly and exclusively for the purpose of business and is hence, not deductible under section 37(1) as per the Supreme Court’s decision in East India Pharmaceutical Works Ltd. v. CIT (1997) 224 ITR 627.

10. The under valuation of both opening and closing stocks will have an impact on the profits for the year and accordingly, the difference in valuation of stock has to be credited to profit and loss account to the extent of 10% of cost.

11. Value of investment written down is on capital account and hence not allowed, even if such write down was on a directive from the Government. Clause (i) of Explanation to section 115JB provides for increasing the net profit if any amount is set side as provision for diminution in the value of any asset. Though it is stated as written off in the question, it is assumed that the charge to profit and loss account is by way of provision to meet possible loss in future and accordingly adjusted in the solution while computing book profit.
Question 23

Tarun Shipping Co. Ltd., having its registered office in Mumbai, plies two ocean-going vessels which it owns. The registered tonnage of the two vessels are 47,549 tonnes and 800 kgs and 25,759 tonnes and 400 kgs respectively. In the accounting year 2010-11, the first vessel was operated for 360 days and the second for 200 days.

The accounts of the company reveal the following results:
(i) Profit from core shipping activity Rs.60.50 lakhs
(ii) Profit from incidental activity Rs.15,000

Compute the tax payable by the company for the assessment year 2011-12, taking note of the provisions of the law relating to taxation of income of shipping companies. Also indicate the specified conditions for the applicability of the procedure.

Answer

Computation of tax payable by Tarun Shipping Company Ltd. for the A.Y.2011-12

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tonnage income (See Working Note below)</td>
<td>59,43,000</td>
</tr>
</tbody>
</table>

Tax @ 30%: 17,82,900

Add: Surcharge (Not applicable as the income is below Rs.100 Lakhs) Nil

Add: Education cess @ 3% 53,487

Total tax payable 18,36,387

Round Off 18,36,390

Working Note

Since the income under tonnage tax scheme is lower than the normal income of Rs. 60.50 lakh, the tonnage tax scheme is taken for computing tax payable.

Computation of Tonnage Income [Section 115VG]

</tr>
</tbody>
</table>

12,085 7,962
Direct Tax Laws

Tonnage income -
Ship 1 (12,085 × 360)  43,50,600
Ship 2 (7,962 × 200)  15,92,400

59,43,000

Note: Tonnage is to be rounded off to the nearest multiple of 100 tons. Hence, the first vessel will pay for 47,500 tons and the second for 25,800 tons.

As per section 115VF, the tonnage income computed under section 115VG would be deemed to be the profits chargeable under the head “Profits and gains of business or profession”. This is, however, subject to fulfillment of the conditions mentioned below in the next paragraph. Then, the relevant shipping income referred to in section 115-VI(1), which includes the profit from core shipping activity (i.e. Rs.60.50 lakhs) and the profit from incidental activity (Rs.15,000), shall not be chargeable to tax.

The following are the conditions to be fulfilled by the company for applicability of the tonnage tax scheme -
(i) An option to get assessed under Chapter XII-G has to be filed by the company.
(ii) The company is required to credit to a reserve account called Tonnage Tax Reserve Account, at least 20% of the book profits derived from its core and incidental activities to be utilized before the expiry of a period of 8 years for acquisition of a new ship for the purposes of the business of the company. Until the acquisition of a new ship, the amount can be utilized for the purposes of the business of operating qualifying ships. However, the amount should not be used for distribution of dividends or profits or for remittance outside India as profit or for creation of assets outside India.

Question 24

SK Private Limited is engaged in the business of civil construction. The Profit and Loss account of the company for the year ended 31st March, 2011 is as under:

<table>
<thead>
<tr>
<th>Description</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Opening stock of building materials</td>
<td>40,000</td>
</tr>

<td></td>
</tr>
<tr>
<td>Current tax</td>
<td>1,00,000</td>
</tr>
<tr>
<td>Deferred tax</td>
<td>43,000</td>
</tr>
<tr>
<td>Net profit</td>
<td>89,000</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>41,40,000</strong></td>
</tr>
</tbody>
</table>

The following additional information is also available:

(i) Municipal tax of godown includes Rs. 3,000 not paid by the company.

(ii) The book value of the plant and machinery, which was insured against fire, was Rs. 4,20,000. The written down value of plant and machinery block under section 43(6) as on 31st March, 2010 was Rs. 1,85,000.

(iii) The entire building materials were purchased from a firm in which the managing director of this company is a partner. The fair market value of the materials purchased is Rs. 20,00,000.

(iv) Interest on loan includes Rs. 15,000 being interest on loan taken for investment in shares of various companies.

(v) Office administration expenses include Rs. 90,000 paid as a donation to a charitable organization recognized under Section 80G.

(vi) The prescribed rate of depreciation under the Income-tax rules for plant and machinery is 15%.

(vii) The company has decided to follow the presumptive tax provision in respect of its business income.

Compute the total income of SK Private Ltd. for the assessment year 2011-12. Your answer should include explanations of your treatment of various items. Ignore the provision of minimum alternate tax under Section 115JB.
## Answer

**Computation of total income of S.K. Private Limited for the A.Y. 2011-12**

Assessment of Various Entities

Dividend from companies [Exempt under section 10(34), assuming that dividend is from domestic companies] - 25,000

Gross Total Income 8,10,500

Less: Deduction under Chapter VI-A

Section 80G

Donation to recognised charitable organisation

Amount donated 90,000
Qualifying Amount (restricted to 10% of Gross Total Income) 81,050
Deduction under this section (50% of qualifying amount) 40,525

Total income 7,69,975

Notes:

1. As per section 44AD, in the case of an assessee engaged in the business of civil construction or supply of labour for civil construction, an amount equal to 8% of gross receipts paid or payable to the assessee shall be deemed to be profits and gains from such business at the option of the assessee. The option is available if the gross receipt does not exceed Rs.60 lakhs in the relevant previous year. In this case, the company's gross receipt in the previous year on account of such business did not exceed Rs.60 lakhs. Thus, the company is entitled to exercise the option of paying tax under presumptive tax system.

2. Where the assessee opts for paying income tax under presumptive tax provisions of section 44AD, the deductions allowable under sections 30 to 38, including depreciation, shall be deemed to have been allowed. Therefore, separate deductions are not allowable for salary, purchase of materials, interest on loan, office administration expenses, travel expenses and directors' remuneration, since they are deemed to have been already allowed.

3. As deductions under sections 30 to 38 are deemed to have been allowed, the question of disallowance under section 40A(2) or any other provision does not arise. Therefore, even if the assessee company makes payment for purchase of materials to a firm, where the managing director is a partner, disallowance u/s 40A(2) is not attracted.

4. Similarly, WDV of assets used for such business shall be deemed to have been computed as if depreciation has been actually allowed.

5. Since dividend income is fully exempt under section 10(34), no deduction can be claimed in respect of any expenditure incurred to earn such income as per the provisions of section 14A. Therefore, interest on loan taken for investment in shares, dividend from which is exempt under section 10(34), is not allowable as deduction.
A & Co. Limited, engaged in the business of manufacturing, shows a net profit of Rs.65.00 lacs for the financial year ended 31-3-2011. A scrutiny of the Profit & Loss Account revealed the following:

(i) Rent of Rs.2.40 lakhs from a commercial property owned by the company and let to a bank was included in the profit.

(ii) Loss of Rs.5 lakhs due to non-realisation of advances given to a wholly owned subsidiary Company engaged in the business of hire-purchase financing charged to Profit & Loss Account.

(iii) The Company used to include interest cost in valuation of its finished stock upto the financial year 2009-10. During the financial year 2010-11 the Company changed its accounting policy and excluded interest cost in valuation of finished stock. This has resulted in a decrease in the year’s profit by Rs.15.40 lacs.

(iv) Municipal taxes on commercial property debited Rs.0.22 lacs, which were ultimately paid on 1-12-2011.

(v) The Company has received equity shares of AB Ltd. valued at Rs.1.25 lacs in exchange of equity shares of CD Ltd. in a scheme of amalgamation during the year. The shares in CD Ltd. were acquired in 2005-06 at a cost of Rs.0.40 lacs. The surplus has been credited to Profit & Loss account. Both AB and CD are Indian companies.

(vi) An executive, while on business trip abroad, died and gratuity paid voluntarily amounted to Rs.6.00 lacs.

(vii) As restructuring of its debt, the company has converted arrears of interest of Rs.5.00 lakhs on term loan into a new term loan with a revised repayment schedule. The company has paid Rs.0.50 lac towards such funded interest during the year.

(viii) Legal charges in connection with alteration of the Articles of Association Rs.1.50 lacs and for issue of bonus shares Rs.5.00 lacs.

(ix) The company has purchased scrap materials amounting to Rs.0.60 lacs, the payment for which was made in cash on 15th August, 2010.

(x) The profit, as shown above, includes Rs.5.00 lacs received from a Foreign Government for use of company’s product. This was, however, not brought into India.

Compute the net income of the company for the assessment year 2011-12 clearly indicating the basis of treatment of each item.
### Answer

**Computation of net income of A & Co. Ltd. for the A.Y. 2011-2012**

<table>
<thead>
<tr>

<th>Rs. in lacs</th>
</tr>
</thead>
<tbody>
<tr>
<td>I. Income from House Property (Working Note 1)</td>
<td>1.68</td>
</tr>
<tr>
<td>II. Profits and gains of business or profession (Working Note 2)</td>
<td>71.47</td>
</tr>
<tr>
<td><strong>Gross Total Income</strong></td>
<td><strong>73.15</strong></td>
</tr>
<tr>
<td><strong>Less:</strong> Deduction under Chapter VI-A</td>
<td></td>
</tr>
<tr>
<td><strong>Total Income</strong></td>
<td><strong>73.15</strong></td>
</tr>
</tbody>
</table>

**Working Note 1**

Computation of income from house property

Gross annual value (See Note 3 below)  2.40

Less: Municipal taxes are not allowable as deduction since they were not paid in the previous year. -

**Net Annual Value (NAV)**  2.40

Less: 30% of NAV 0.72

**Income from house property**  1.68

**Working Note 2**

Computation of income under the head “Profits and gains of business or profession”.

Net profit as per profit and loss account  65.00

Add: Inadmissible expenditure

(i) Loss on non-realization of advance to wholly owned subsidiary company does not arise in the normal course of business, since the assessee is engaged in the business of manufacturing and not financing. Hence, loss is to be disallowed.  5.00

(ii) Municipal tax on commercial property is not allowable as a deduction under this head of income.  0.22

(iii) Arrears of interest converted into funded interest term loan not allowed. However, amount of funded interest term loan paid allowed as deduction.  4.50

(iv) Legal expenses of Rs 1.50 lacs for amendment of Articles of Association is deductible. [Allahabad High Court in CIT vs Modi Spinning & Weaving Mills Co Ltd. (1973) 89 ITR 304]. --
(v) Legal expenses in connection with the issue of bonus shares is a revenue expenditure and hence allowable. [Warner Hindustan Ltd v. CIT 171 ITR 224 (AP) and CIT v. General Insurance Corpn.(2006) 156 Taxman 96 (SC)]

<table>
<thead>
<tr>
<th>Less: Admissible deductions and income not taxable/considered separately</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Rent of commercial property let out on rent to a bank. This is taxable under the head &quot;Income from House Property&quot; and has been considered separately.</td>
</tr>
<tr>
<td>(ii) Surplus on exchange of shares on amalgamation of companies – (See note 2 below)</td>
</tr>
<tr>
<td>Income under the head &quot;Profits and gains from business or profession&quot;</td>
</tr>
</tbody>
</table>

Note:-

1. Rs.5 lacs received from a foreign Government for use of company's product though not brought into India it is taxable as the assessee is assumed as domestic company and resident in India.

2. Under section 47(vii) any transfer by a shareholder, in a scheme of amalgamation, of a capital asset, being shares held by him in the amalgamating company does not attract capital gains tax, if the transfer is made in consideration of the allotment of any shares in the amalgamated company and the amalgamated company is an Indian company. Since the surplus is credited to profit and loss account, it is excluded by way of deduction.

3. Rent of commercial property has been taken as its gross annual value in the absence of other information.

4. A company can change its method of valuation of stock provided the change is made for bona fide reason and is followed consistently in future. The assessee changed its method of valuation of stock in line with the Accounting Standard – 2 Valuation of inventories issued by ICAI, being a pronouncement of a professional body. Therefore, the genuineness of the change in method of valuation of stock cannot be questioned. Hence, even though the profit is lower by Rs.15.40 lacs, it would not have any impact on the computation of income.

5. Payment of gratuity Rs.6.00 lacs on account of death of an executive while on business trip is allowable as deduction. [CIT vs. Laxmi Cement Distributors (P) Ltd. (1976) 104 ITR 711 (Gujarat)]. Since it has already been debited to the profit and loss account, no further adjustment is required.

6. Payment for scrap materials was made on 15th August being the "Independence Day" on which banks are closed. Such payment is covered by Rule 6DD(j) of the Income-tax Rules. Therefore, the expenditure cannot be disallowed under section 40A(3).
Question 26

A domestic company, ABC Ltd., has an undertaking newly established for export of Computer Software in a free trade zone, the profits of which have been merged in the net profit of the company as per Profit and Loss Account prepared in accordance with the provisions of Parts II and III of Schedule VI to the Companies Act. It furnishes the following particulars in respect of Assessment Year 2011-12 and seeks your opinion on the application of section 115JB. You are also required to compute the total income and tax payable.

(1) Net profits as per P and L A/c as per schedule VI Rs.200 lakhs
(2) Profit and Loss A/c includes:
   (a) Credits  Dividend income Rs. 20 lakhs
       Excess realized on sale of land held as investment Rs. 30 lakhs
       Net profit of the undertaking for export of computer software Rs.100 lakhs
   (b) Debits:  Depreciation on straight line method basis Rs.100 lakhs
              Provision for loss of subsidiary company Rs. 60 lakhs
(3) Depreciation allowable as per the Income-tax Act and Rules Rs.150 lakhs
(4) Capital gains as computed under Income-tax Act Rs. 40 lakhs
(5) Losses brought forward as per books of account and as per Income-tax Act, 1961:
       Business loss Rs. 50 lakhs
       Unabsorbed depreciation Rs. 60 lakhs

The company has represented to you that the excess realized on sale of land cannot form part of the book profit for purposes of section 115JB. You will have to deal with this issue.

Answer

In the case of a company, it has been provided that where tax on 18% of book profit exceeds tax on total income computed as per normal provisions, the book profit shall be ‘deemed to be the total income’ for tax purposes.

It is therefore necessary to compute total income as per Income-tax Act as well as book profits.

I. Computation of Total income as per Income-tax Act (Rs. in lakhs)
   Net profit as per P & L A/c 200
   Add: Depreciation debited to P&L account 100
   Provision for losses of subsidiary company 60 160
   Less: Dividend income – exempt under section 10(34) 20
   Excess realized on sale of land (considered separately) 30

13.61
### Direct Tax Laws

**Net profit of the undertaking in Free Trade Zone**

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Exempted under section 10A</td>
<td>100</td>
</tr>
</tbody>
</table>

**Depreciation allowable as per Income-tax Rules**

<table>
<thead>
<tr>
<th>Amount</th>
<th>150</th>
</tr>
</thead>
</table>

**Business Income**

<table>
<thead>
<tr>
<th>Amount</th>
<th>60</th>
</tr>
</thead>
</table>

**Less:** Set-off of brought forward business loss (See Note 1 below)

<table>
<thead>
<tr>
<th>Amount</th>
<th>50</th>
</tr>
</thead>
</table>

**Capital gains as per Income-tax Act**

<table>
<thead>
<tr>
<th>Amount</th>
<th>40</th>
</tr>
</thead>
</table>

**Less:** Set-off of unabsorbed depreciation (See Note 1 below)

<table>
<thead>
<tr>
<th>Amount</th>
<th>50</th>
</tr>
</thead>
</table>

**Total Income as per Income-tax Act**

<table>
<thead>
<tr>
<th>Amount</th>
<th>Nil</th>
</tr>
</thead>
</table>

**Note:**

1. It has been assumed that the figures of unabsorbed depreciation and business loss as per Income-tax Act and as per the books of account are same in the given problem.

2. Total unabsorbed depreciation b/f from P.Y. is Rs.60 lakhs against which Rs.50 lakhs is set-off in the current year. The balance of Rs.10 lakhs is to be carried forward to the next assessment year.

### Computation of book profit under section 115JB (Rs. in lakhs)

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Net profit as per P &amp; L A/c</td>
<td>200</td>
</tr>
<tr>
<td>Add: Provision for loss of subsidiary</td>
<td>60</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td>260</td>
</tr>
</tbody>
</table>

**Less:** Dividend income exempt under section 10(34)

| Amount | 20 |

**Business loss which is less than unabsorbed depreciation**

<table>
<thead>
<tr>
<th>Amount</th>
<th>50</th>
</tr>
</thead>
</table>

**"Book Profit"**

| Amount | 190 |

I. Since total income is 'nil' as per the Income-tax Act, the tax payable is also 'nil'.

II. 18% of book profit of Rs.190 lakhs is Rs.34.20 lakhs.

**Note:** Since 18% of book profit exceeds the total income, the book profit of Rs.190 lakhs shall be 'deemed to be the total income' and the tax payable on such total income shall be 18% thereof i.e. Rs.34,20,000 plus surcharge @ 7.5% of Rs.2,56,500 plus education cess @ 3% of tax and surcharge being Rs.1,10,295. Total tax liability Rs.37,86,795.

With regard to the company's representation, in respect of long term capital gain whether liable for book profit tax under section 115 JB, it may be noted that under item (xii)(b) of para 3 of Part II of Schedule VI, profits or losses in respect of transactions of an exceptional or non-recurring nature, if material in amount, are to be disclosed. Since the excess realized on sale of land has been included in net profit computed under Schedule
VI, it will form part of book profit [Bombay High Court judgment in CIT v. Veekay Lal Investment Co. Pvt. Ltd. 249 ITR 597].

Depreciation debited to profit and loss account excluding depreciation on account of revaluation of assets is to be allowed. Depreciation is debited on SLM basis and no revaluation of asset was involved. Hence, no adjustment is made in respect of depreciation while computing book profit under section 115JB.

Question 27
The accounts of a public company have been prepared in accordance with provisions of Parts II and III of Schedule VI to the Companies Act and its Profit and Loss Account laid before the Annual General Meeting for the previous year ending 31st March, 2011 shows a net profit of Rs.15 lakhs. The following information relevant for the purpose of computing its assessable income has been extracted from a scrutiny of the profit and loss account:

Credits in Profit and Loss A/c

(1) Profit from a new industrial undertaking qualifying for deduction under section 80-IA (Net) 17,00,000
(2) Profits from a new industrial undertaking qualifying for deduction under section 10A (Gross) 10,00,000
(3) Long-Term capital gains 3,00,000

Debits in Profit and Loss A/c

(1) Expenditure relating to industrial undertaking qualifying for deduction under section 10 A 7,00,000
(2) Depreciation relating to 2007-2008 brought forward 10,00,000
(3) Business loss relating to 2007-2008 brought forward 12,00,000
(4) Current year depreciation 10,00,000
(5) Penalty for infraction of law 1,00,000
(6) Provision for sales-tax 3,00,000
(7) Dividend proposed 2,00,000

Depreciation admissible under the Income-tax Act and Rules for the previous year is Rs.19,50,000. The capital gain has been invested in specified assets under section 54EC. Sales tax provided in the accounts has been remitted before the due date. There is no loss or unabsorbed depreciation to be carried forward and adjusted as per IT assessment.

You are required to compute the total tax liability of the company for the assessment year 2011-12.
Direct Tax Laws

Answer

The impact of the provisions of section 115JB has to be ascertained and for this purpose the income-tax on the total income as computed under the Income-tax Act has to be compared with 18% of the book profits ascertained under section 115JB.

Computation of total income under the Income-tax Act, 1961

\[
\begin{align*}
\text{Net Profit as Profit and Loss account} & \quad 15,00,000 \\
\text{Add : Expenses not allowable:} & \\
\quad \text{Unabsorbed Depreciation} & \quad 10,00,000 \\
\quad \text{Business Loss} & \quad 12,00,000 \\
\quad \text{Penalty – not an admissible deduction} & \quad 1,00,000 \\
\quad \text{Proposed dividend} & \quad 2,00,000 \\
\hline
& \quad 25,00,000 \\
\text{Less : Expenses deductible:} & \\
\quad \text{Depreciation for the year additionally allowable} & \quad 9,50,000 \\
\quad (\text{Rs.19,50,000} – 10,00,000 \text{ i.e. debited in P&L account}) & \\
\hline
& \quad 30,50,000 \\
\text{Less : LTCG to be considered under the respective head} & \quad 3,00,000 \\
\hline
& \quad 27,50,000 \\
\text{Less : Exemption under section 10A profits} & \\
\quad (10,00,000 – 7,00,000) & \quad 3,00,000 \\
\hline
\text{Profit and Gains from business} & \quad 24,50,000 \\
\text{Capital Gains} & \quad 3,00,000 \\
\text{Less : Exemption under section 54EC (Note 5)} & \quad 3,00,000 \quad \text{Nil} \\
\hline
& \quad 24,50,000 \\
\text{Less : Deduction under section 80-IA} & \\
\hline
\text{Total Income} & \quad 7,50,000 \\
\text{Tax payable @ 30.9\% = Rs. 2,31,750} & \\
\end{align*}
\]

Computation of Book Profit under section 115JB

\[
\begin{align*}
\text{Net Profit (see note 7)} & \quad 37,00,000 \\
\text{Proposed dividend} & \quad 2,00,000 \\
\hline
& \quad 39,00,000 \\
\text{Less: Brought forward depreciation (see Note 4)} & \quad 10,00,000 \\
\hline
\end{align*}
\]
Book profit under section 115JB  
\[ 29,00,000 \]

Tax at 18% of 29,00,000 = Rs.5,22,000 plus education cess @ 3%.
The tax liability is Rs.5,37,660.

Since tax payable on income computed as per the provisions of the Income-tax Act, 1961 is less than 18% of the book profit, the book profit of Rs. 29 lakh would be deemed to be the total income and tax is payable @18% thereon plus 2% education cess and 1% secondary and higher education. The total tax liability would be Rs. 5,37,660.

**Note:**

1. Income from new industrial undertaking qualifying for deduction under section 80-IA will not be reduced in computing book profit under section 115 JB.
2. Provision for sales-tax is an ascertained liability. Hence it is not to be added [See clause (c) of Explanation].
3. Book profit includes capital gains (*CIT v. Veekely Investment Co Ltd 249 ITR 597*)
4. Brought forward depreciation or business loss, whichever is less is deductible while computing book profit under section 115JB.
5. Capital gains are not chargeable to tax as the assessee has invested the gain in specified assets mentioned in section 54EC.
6. Income from the units eligible for deduction under sections 10A / 10B is not to be excluded while computing book profit.
7. Students may note that the debit entries pertaining to unabsorbed depreciation and brought forward business loss are not in consonance with Parts II and III of Schedule VI to the Companies Act, 1956. These items are part of the balance sheet under “Reserves and Surplus” on the liabilities side of “Profit & Loss Account” (as the case may be) on the assets side. In order to rectify the treatment in the books of account, the following adjustments should be made:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Net Profit</td>
<td>15,00,000</td>
</tr>
<tr>
<td>Add : Debits incorrectly made:</td>
<td></td>
</tr>
<tr>
<td>Unabsorbed depreciation</td>
<td>10,00,000</td>
</tr>
<tr>
<td>B/f business loss</td>
<td>12,00,000</td>
</tr>
<tr>
<td>Net Profit as per Schedule VI</td>
<td>37,00,000</td>
</tr>
</tbody>
</table>

**Question 28**

*Xtra Ltd. gives the following information for the year ended 31.3.2011:*

- *Net Profit as per Profit and Loss Account for the financial year 2009-10 Rs.33,00,000 was included in General Reserve.*
On 1.8.2010, the company redeemed its redeemable bonus shares for Rs.9,09,000.

A shareholder holding 10% equity shares of the company borrowed Rs.3,00,000 from the company @ 18% per annum on 31.8.2010.

The company declared dividend of Rs.14,00,000 at its annual general meeting held on 30.9.2010. But the dividend remained unpaid up to 31.3.2011.

Compute the tax liability of the company under section 115-O (tax on distributed profits)

Also give reasons for treatment of each item.

Answer

Computation of tax liability of Xtra Ltd. under section 115-O [for the A.Y. 2011-12]

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Redemption of Bonus Shares [See Note 1 below]</td>
<td>9,09,000</td>
</tr>
<tr>
<td>Dividend declared at AGM [See Note 3 below]</td>
<td>14,00,000</td>
</tr>
<tr>
<td>Taxable Dividend</td>
<td>23,09,000</td>
</tr>
<tr>
<td>Tax payable on distributed profits under section 115-O [Rs.23,09,000×16.609%] [See Note 4 below]</td>
<td>3,83,496</td>
</tr>
</tbody>
</table>

Notes –

(1) It is assumed that the bonus shares are in the form of redeemable preference shares, since only then such redemption is possible. If such bonus shares are issued to equity shareholders, it does not amount to distribution of dividend at the time of issue of bonus shares, as there is no release of assets. However, when bonus shares are redeemed, there will be release of assets and in that event it would constitute dividend under section 2(22)(a).

(2) Borrowing by a shareholder holding 10% equity shares of the company is deemed dividend under section 2(22)(e), taxable in the hands of shareholder. Therefore, the company is not liable to pay any tax on it.

(3) The tax on distributed profits shall be paid within 14 days from the date of declaration or distribution or payment of any dividend, whichever is earliest. Therefore, in this case, the dividend distribution tax is payable within 14 days of the declaration though dividend is not actually paid up to end of the previous year.

Question 29

Explain the incidence of taxation on mutual concerns.
Answer

The concept of “mutuality” means that the contributors and beneficiaries are identical. Since one cannot make profit by dealing with oneself, there is no taxable profit involved wherever such concept applies. A mutual concern or association stands on the same principle. All the contributors to the common fund are entitled to participate in the surplus and all the participants to the surplus are contributors in the case of a mutual concern. The excess of income over expenditure in a year shall supplement the common fund for future utilization to the benefit of the contributors and the excess of expenditure over income shall be absorbed by the common fund.

Generally the surplus derived by a mutual concern is not chargeable to tax. Therefore, a trade, professional or similar association which functions on the principle of mutuality concept is not chargeable to tax, if there is any surplus on account of subscriptions, membership fees, entrance fees etc., exceeding the expenditure incurred.

However, the following additional points need to be taken into consideration-

(i) Where a mutual concern carries on the business of insurance, the profits therefrom are chargeable to tax. Section 44 provides that the profits for this purpose have to be computed in accordance with the method prescribed in the Rules contained in the First Schedule.

(ii) In the case of trade, professional or similar associations, the income derived from specific services performed for its members is chargeable to tax u/s 28(iii). However, if there is a loss on account of expenditure exceeding the subscription etc. from members, such shortfall shall be absorbed by the income chargeable to tax u/s 28(iii). This set off as per section 44A cannot exceed 50% of the total income of such associations as computed before allowing the set off.

(iii) In the case of a mutual concern, if income is derived both from mutual activity as well as from non-mutual activity, the exemption applies only to the income from the mutual activity. The income attributable to the non-mutual activity will be liable to tax as was held by the Gujarat High Court in Sports Club of Gujarat Ltd. vs CIT (1987) 171 ITR 504.

Note: Students may also refer to decisions such as Canara Bank Golden Jubilee Staff Welfare Fund v. Dy.CIT (2009) 308 ITR 202 (Kam); CIT v. Trivandrum Club (2006) 153 Taxman 481 (Ker); CIT v. Willingdon Sports Club (2008) 302 ITR 279 (Bom) and Madras Gymkhana Club v. Dy.CIT (2009) 183 Taxman 333 (Mad) to know the nuances of the principle of mutuality in various practical situations.

Question 30

X Co Ltd., a domestic company, holds 50% of the share capital of Y Co Ltd. which is another domestic company. Y Co Ltd. paid total dividend for the year ended on 31-03-10 of Rs.50 lakhs. Out of the dividend received from Y Co Ltd., the X Co Ltd. distributed dividend of Rs.15
Explain with reasons the amount of dividend chargeable to tax and dividend distribution tax payable by X Co Ltd.

Answer

The dividend received by X Co Ltd from Y Co Ltd is exempt from tax under section 10(34) if such dividend is covered by section 115-O. It is pertinent to note that the dividend covered by section 115-O is also not liable for 'book profit tax' under section 115JB in the assessment of recipient company i.e. X Co Ltd in this case.

It may be of interest to note that X Co Ltd while paying dividend distribution tax under section 115-O is eligible to reduce the dividend received from the dividend paid / declared by it. Since the dividend paid by X Co Ltd is less than the dividend received from its subsidiary, i.e. Y Co Ltd the tax liability under section 115-O would be 'nil'.

If X Co Ltd had distributed dividend of Rs.60 lakhs the dividend distribution tax at 16.609% is payable on the net payout of Rs.35 lakhs only (i.e. dividend declared Rs.60 lakhs less Rs.25 lakhs being the dividend received from subsidiary domestic company which has paid DDT on the dividend declared by it).

Question 31

A non-resident Indian has the following sources of income in India. You are required to compute his total income and determine his tax liability. Details of your workings, with reasons, should form part of your answer:

1. Dividend from Indian company Rs.50,000
2. Interest on debentures of an Indian company invested out of remittances in convertible foreign exchange Rs.75,000
   Less: Interest paid on money borrowed in India for investment in the debentures Rs.25,000
   Net Rs.50,000
3. Long-term capital gains on sale of shares subscribed in convertible foreign exchange:
   Cost in 2006-07 Rs.2,00,000
   Sale in 2010-11 Rs.3,00,000
   Less: Brokerage Rs. 10,000
   Inflation index 2006-07 519
   2010-11 711
   Net Rs.90,000
4. Property income in India (Net) Rs.3,00,000
   T.D.S Rs.30,000

The property was acquired partly out of a loan from HDFC. The repayment of loan made during the year amounted to Rs.20,000. The assessee also claims deduction of Rs.10,000 by
way of donation to the Prime Minister’s Relief Fund and of Rs.20,000 towards interest on loan taken for higher education in India in 2005 before his migration.

**Answer**

Chapter XII–A, comprising of sections 115C to 115-I, contains special provisions which provide concessional tax treatment in relation to certain incomes of non-residents (i.e. investment income and long term capital gains). Therefore, in this case, the income of the non-resident has to be computed applying the provisions of Chapter XII-A.

According to section 115-C –

(a) The income derived by a non-resident Indian from any foreign exchange asset other than dividend referred to in section 115-O is called as “Investment income”

(b) Foreign exchange asset includes debentures issued by an Indian public company acquired or purchased with or subscribed to in, convertible foreign exchange.

Section 115-D provides that in computing such “Investment income” or “Long-term capital gains” of a non-resident Indian –

(i) No deduction in respect of any expenditure or allowance under any provision of the Income-tax Act is allowable in computing such investment income;

(ii) No deduction under Chapter VI-A shall be allowed in respect of both investment income and long term capital gains; and

(iii) No indexation will be applicable in respect of long term capital gains.

Section 115-E provides that the investment income and/or long-term capital gains in respect of foreign exchange asset will constitute a separate block of income and investment income will be charged to income-tax at a flat rate of 20% and long term capital gains at a flat rate of 10%. If the non-resident Indian has any other income in India, such other income will constitute altogether a separate block of income and will be charged to tax as if such other income is the total income. The aggregate of the income-tax so calculated in respect of the said two blocks of income will be the total tax payable.

**Computation of total income for A.Y. 2011-12**

</tr>
</thead>
<tbody>
<tr>
<td>Dividend income – Exempt under section 10(34)</td>
<td>Nil</td>
</tr>
<tr>
<td>Debenture Interest (interest on loans borrowed for investment not allowable as deduction as per section 115D(1))</td>
<td>75,000</td>
</tr>
<tr>
<td>Long-term capital gains : Assuming it was subjected to Securities Transaction Tax, the entire long term capital gain from sale of shares is exempt under section 10(38)</td>
<td>NIL</td>
</tr>
</tbody>
</table>
### Direct Tax Laws

1. **Property Income (Net)** [See Note below] 3,00,000

#### Gross Total Income 3,75,000

**Less:**
- Deduction under section 80C in respect of housing loan repaid 20,000
- Deduction under section 80E allowable in respect of interest paid on loan taken for higher education 20,000
- Deduction under section 80G in respect of donation to Prime Minister’s Relief fund 10,000 50,000

**Total income** 3,25,000

#### Note:
It has been assumed that Property Income (Net) implies the Income from house property is net of all deductions.

### Computation of tax payable

- **Tax at 20% on debenture interest of Rs.75,000** 15,000
- **Total Income (as reduced by investment income)** i.e. Rs.3,25,000 minus Rs.75,000 2,50,000
- **Tax thereon** 9,000 18,000

<table>
<thead>
<tr>
<th>Add: Education cess @ 3%</th>
<th>720</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Less: Tax Deducted at Source</strong></td>
<td>30,000</td>
</tr>
<tr>
<td><strong>Balance tax refundable</strong></td>
<td>5,280</td>
</tr>
</tbody>
</table>

#### Note -
It may be noted that section 115-I enables the non-resident to opt out of the applicability of Chapter XII-A for any assessment year by furnishing his return of income for that assessment year under section 139 declaring therein that the provisions of the Chapter XII-A shall not apply to him for that assessment year and his total income shall be computed as per regular provisions of the Act and tax on such total income shall be charged accordingly.

Since the debenture interest is taxed at 20% as against the regular slab rate of 10% applicable for total income upto Rs.5 lakhs, the assessee by opting for normal provisions of the Act could minimize his tax liability as given below:

- **Debenture interest** 75,000
- **Rental income** 3,00,000
- **Gross total income** 3,75,000

<table>
<thead>
<tr>
<th>Less :Deduction U/s.80C</th>
<th>20,000</th>
</tr>
</thead>
</table>

**13.70**
Assessment of Various Entities

<table>

<tbody>
<tr>
<td>Deduction U/s.80E</td>
<td>20,000</td>
</tr>
<tr>
<td>Deduction U/s.80G</td>
<td>10,000</td>
</tr>
<tr>
<td>Total income</td>
<td>50,000</td>
</tr>
<tr>
<td>Tax thereon</td>
<td>16,500</td>
</tr>
<tr>
<td>Add : Cess @ 3%</td>
<td>495</td>
</tr>
<tr>
<td>Total tax</td>
<td>16,995</td>
</tr>
<tr>
<td>TDS</td>
<td>30,000</td>
</tr>
<tr>
<td>Balance refundable</td>
<td>13,005</td>
</tr>
</tbody>
</table>

In this case, the assessee will gain by opting for regular provisions of the Income-tax Act, 1961 as the income liable for 20% rate of tax would be taxed at 10% as the total income is below Rs.5 lakhs.

**Question 32**

*Raj & Family is a HUF in which Mrs. Raj has impressed upon a house property owned by her for the common hotchpot of the family. Examine whether the personal property of Mrs. Raj so blended by her can be treated as a property of HUF.*

**Answer**

The Apex Court has, in the case of *Pushpa Devi v. CIT (1977) 109 ITR 730*, held that "to blend" means to share along with others and not to surrender one’s interest in favour of others to the exclusion of oneself. If a Hindu female, who is a member of an undivided family, impresses her absolute, exclusive property with the character of joint family property, she creates new claimants to her property to the exclusion of herself because, not being coparcener, she has no right to demand a share in the joint family property by asking for a partition. The expression “blending” is inapposite in the case of a Hindu female who puts her separate property, be it the absolute property or limited estate, in the joint family stock.

Therefore, applying the decision of the above case to the case on hand, Mrs. Raj cannot blend her personal property with the character of joint family property because the right to blend is limited to coparceners as per principle laid down by the Apex Court.

**Note** – With effect from 9.9.2005, due to the amendment of the Hindu Succession Act, the daughter of a coparcener shall, by birth, become a coparcener in her own right in the same manner as a son. However, this amendment would not affect the answer, since in this case, Mrs. Raj is not the daughter of a coparcener of the HUF, Raj & Family, but is the wife of one of the coparceners.
Question 33

Fun India Limited has a carried forward credit of Rs.2 lacs under section 115JAA(3A) of the Income-tax Act from assessment year 2010-11. In the A.Y. 2011-12, the company's total income and book profit under section 115JB are Rs.5 lacs and Rs.7 lacs, respectively. Compute the tax payable by the company for assessment year 2011-12 and the amount to be carried forward under section 115JAA.

Answer

According to section 115JAA, the tax credit to be allowed under the section is the difference between the minimum alternate tax paid under section 115JB and the tax payable by the assessee on his total income computed as per the other provisions of the Income-tax Act.

The amount of tax credit determined as aforesaid can be carried forward for ten assessment years. The brought forward tax credit shall be allowed to be set off in any assessment year to the extent of the difference between the tax on total income and minimum alternate tax which would have been payable under section 115JB for that assessment year.

Question 34

Vijay Agencies, a partnership firm constituted by three partners with equal shares was dissolved on 1-04-2010 after a search. The liability to tax finally decided against the firm outstanding to be paid was Rs.15 lakhs. Out of three partners, one was declared insolvent on 18-03-11 by the Court. The Assessing Officer, for recovering the demand, attached the Bank Accounts of other two partners and could recover an amount of Rs.6 lakhs from the Account of one such partner. You are asked by the partners of dissolved firm:

(i) **About the liability of each of them to pay outstanding demand.**
(ii) Whether the action of Assessing Officer to attach the Bank Account of partners against demand of dissolved firm is justified?

Answer

(i) As per section 189(3), every person who was at the time of dissolution, a partner of the firm, shall be jointly and severally liable for the amount of tax, penalty or other sum payable and all the provisions of the Act relating to assessment of such tax or imposition of such penalty or other sum, shall apply. Therefore, the three partners (till one was declared as insolvent by the Court) are jointly and severally liable for making the payment of outstanding dues of Rs.15 lakhs. After insolvency of one of the partners, the other two partners shall be jointly and severally liable to pay such demand.

(ii) Accordingly, the action of the Assessing Officer to attach the bank accounts of the partners for recovery of outstanding demand is correct and the amount of Rs.6 lakhs recovered by attachment of the bank account of one of the partners is also in order.

Question 35

(a) Ravi Traders, a partnership firm consisting of three partners. ‘A’, ‘B’ and ‘C’ is assessed to Income-tax as partnership firm assessed as such. ‘B’ and ‘C’ retired from the partnership with effect from 31st December 2010 ‘A’ took over the business and continued as a proprietor. The stock in trade as at 31st December, 2010 was valued at average purchase price for settlement of accounts, which was the system consistently followed. On these facts, you are consulted on the following issues:

Under which provisions of the Income-tax Act, 1961 M/s. Ravi Traders for the period 1.4.2010 to 31.3.2011 shall be assessed for the assessment year 2011-12? Can the Assessing Officer dispute the stock valuation in the assessment of the firm?

(b) ‘A’ desires to admit three partners from 1st April, 2010. Amongst the partners, it is agreed that two partners, shall be the working partners and be paid remuneration, your advice is sought as to the requirements to see that the remuneration to the working partners is allowable in the hands of the firm under the Income-tax Act.

Answer

(a) M/s. Ravi Traders was a partnership firm and it became a proprietary concern thereafter. Therefore there was a discontinuance of the firm. Section 189 of Income-tax Act provides for the assessment in the case of a discontinuance or dissolution of the firm to safeguard the interests of the Revenue for the assessment of the firm and levy of tax. The section proceeds on the premise that the firm is deemed to be a continuing firm for purposes of assessment in that assessment year. The section provides that (a) the assessment shall be made as if no discontinuation has taken
place (b) every person who was a partner at the time of discontinuance of the firm and the legal representative of any such partner who is deceased, shall be jointly and severally liable for the tax and penalty and or other sums payable and (c) all the other provisions of the Act so far as may be, shall apply to any such assessment or imposition of penalty or other sum. Penalty proceedings can be initiated and penalty may be imposed on such firm even after the discontinuance and/or dissolution. Therefore the firm M/s. Ravi Traders shall be assessed as partnership firm assessed as such as per the provisions of section 189.

On the issue whether the Assessing Officer can dispute the stock valuation at the time of conversion of firm into proprietary concern, the answer is “no”. The settled principle is that when the partnership firm is converted into a proprietary concern of one of the partners and the closing stock is taken over by him at the cost and there is no revaluation of stock, it cannot be said that any profit accrued to the firm. This is the principle laid down by Gujarat High Court in Chunilal Khushaldas Patel v. CIT (66 ITR 522 (Guj)).

Dissolution is different from discontinuance and in the present facts of the case the firm has become a proprietary concern because one of the partners took over the firm’s business and continued the business. Therefore the principle laid down by Supreme Court in the case of ALA Firm v. CIT 189 ITR 285 will not apply to the facts of the case. Hence the Assessing Officer cannot dispute the stock valuation.

(b) Any payment of remuneration by whatever name called to a working partner shall be allowed as deduction under section 40(b)(v), provided the following conditions are satisfied.

(i) The payment is to be authorized by the deed of partnership in writing.

(ii) It should be in accordance with the terms of the partnership.

(iii) The remuneration per month should be quantified. It cannot be left open to be determined by the partners as at the end of accounting period (vide Board Circular 739 dated 25th March, 1996)

(iv) The maximum amount of remuneration of all working partners put together should not exceed the limits prescribed in clause (v) of section 40(b) of the Act.

(v) On the first Rs. 3 lakh of book profit or in case of loss, the limit would be the higher of Rs. 1,50,000 or 90% of book profit and on the balance of book profit, the limit would be 60%.
Some key points

Difference between tax evasion and tax avoidance

The Direct Taxes Enquiry Committee (Wanchoo Committee) has tried to draw a distinction between the two items in the following words.

“The distinction between ‘evasion’ and ‘avoidance’, therefore, is largely dependent on the difference in methods of escape resorted to. Some are instances of merely availing, strictly in accordance with law, the tax exemptions or tax privileges offered by the government. Others are maneuvers involving an element of deceit, misrepresentation of facts, falsification of accounting calculations or downright fraud. The first represents what is truly tax planning, the latter tax evasion. However, between these two extremes, there lies a vast domain for selecting a variety of methods which, though technically satisfying the requirements of law, in fact circumvent it with a view to eliminate or reduce tax burden. It is these methods which constitute “tax avoidance”.

Substance versus form

Where form prevailed: A firm transferred its business assets to a company formed for its purposes. The same business was carried by the company consisting of the erstwhile partners as its shareholders. The Income-tax Officer sought to withdraw the depreciation allowed (the difference between sale price and written-down value) of machinery. Tribunal and High Court held that there was change only in the form of ownership as persons behind both firm and company were the same. Supreme Court held that legal form should prevail and restored the order of Income-tax Officer. This is a case where the form came to the assistance of revenue – CIT v. B.M.Kharwar (1969) 72 ITR 603 (SC).

Where substance prevailed: (1) The assessee received compensation ostensibly paid for premature termination of managing agency and claimed that the receipt was not liable to tax as a capital receipt. The Supreme Court upheld the action of authorities in ignoring the legal façade which merely disguised the real intention between the parties to cloak payment of income nature as a capital one – Juggilal Kamlapat v. CIT (1969) 73 ITR 712 (SC).

(2) Certain shares were held in the name of others, but the deceased was the real owner of the shares as was found with reference to evidence. The High Court had held that the shares were not includible in the estate of the deceased as they were not in his name. The Supreme Court pointed out that, in substance, the deceased was the owner though only beneficially and upheld the inclusion for estate duty purposes – CED v. Aloke Mitra (1981) 126 ITR 599 to 611 (SC).
Question 1

Mr. Gavaskar sought voluntary retirement from a Government of India Undertaking and received compensation of Rs.40 lakhs on 31st January, 2011. He is planning to use the money as capital for a business dealership in electronic goods. The manufacturer of the product requires a security deposit of Rs.15 lakh, which would carry interest at 8% p.a. Gavaskar's wife is a graduate and has worked as marketing manager in a multinational company for 15 years. She now looks for a change in employment. She is willing to join her husband in running the business. She expects an annual income of Rs.3 lakhs. Mr. Gavaskar would like to draw a monthly remuneration of Rs.40,000 and also interest @10% p.a. on his capital in the business. Mr. Gavaskar has approached you for a tax efficient structure of the business.

Discuss the various issues, which are required to be considered for formulating your advice. Computation of income or tax liability is not required.

Answer

The selection of the form of organisation to carry on any business activity is essential in view of the differential tax rates prescribed under the Income-tax Act, 1961 and specific concessions and deductions available under the Act in respect of different entities. For the purpose of formulating advice as to the tax efficient structure of the business, it is necessary for the tax consultant to consider the following issues:

1. In the case of sole proprietary concern, interest on capital and remuneration paid to the proprietor is not allowable as deduction under section 37(1) as the expenditure is of personal nature. On the other hand, in the case of partnership firm, both interest on capital and remuneration payable to partners are allowable under section 37(1) subject to the conditions and limits laid down in section 40(b). Remuneration and interest however should be authorised by the instrument of partnership and paid in accordance with such instrument. Interest to partners can be allowed up to 12% on simple interest basis, while the limit for allowability for partners' remuneration is based on book profit under section 40(b). The Finance (No.2) Act, 2009 has increased the basic limit for working partner salary and it merits consideration in formulating the strategy.

2. Partner's share in the profits of firm is not taxed in the hands of the partners by virtue of section 10(2A).

3. If a proprietary concern is formed, the salary of Mrs. Gavaskar shall be allowed as deduction under section 37(1).

4. The possibility of invoking section 40A(2) cannot be ruled out as salary is payable to a relative, who is an interested person within the meaning of section 40A(2). However, it can be argued successfully that salary of Rs.3 lakh is justified in view of her long experience as marketing manager of a multinational company and the fair market value of services to be rendered by her to the concern.
5. An issue arises as to whether remuneration of Mrs. Gavaskar would be includible in the total income of Mr. Gavaskar. Under section 64(1)(ii), remuneration of the spouse of an individual working in a concern in which the individual is having a substantial interest shall be included in the total income of the individual. However, the clubbing provision does not apply if the spouse possesses technical or professional qualification and the income is solely attributable to the application of his or her technical or professional knowledge and experience. Further, technical or professional qualification would not necessarily mean the qualifications obtained by degree or diploma of any recognized body [Batta Kalyani vs. CIT (1985) 154 ITR 0059 (AP)] The experience of Mrs. Gavaskar as a marketing manager in a multinational company for 15 years may reasonably be considered as a professional qualification for this purpose.

6. If Mrs. Gavaskar joins the proprietary concern of her husband as employee, remuneration of Rs.3 lakhs shall be taxed in her hands under the head "salary".

7. If she joins as partner in the business, remuneration shall be taxed in her hand as business income under section 28 to the extent such remuneration is allowed in the hands of the firm under section 40(b).

8. The tax rate applicable to an individual depends on the level of his/her income, whereas for partnership firms it is flat rate at 30%. For individuals, the rate of tax is at 10% upto Rs.5 lakh and @ 20% for income exceeding Rs.5 lakhs but not exceeding Rs.8 lakhs and @ 30% in respect of income exceeding Rs.8 lakhs for the assessment year 2011-12. Education Cess @ 2% and Secondary and Higher education Cess @ 1% is attracted in both the cases.

Note: Considering the comparatives given above, Mr. Gavaskar is advised to commence a proprietary concern and pay salary to Mrs. Gavaskar. In the event of the business expanding and necessitating inclusion of Mrs. Gavaskar, it can always be resorted to with zero tax consequence by converting into a partnership firm or limited liability partnership, as the case may be, to avail all the advantages.

Question 2

Explain the doctrine of form and substance in the context of tax planning.

Answer

The following are certain principles enunciated by the Courts on the question as to whether it is the form or substance of a transaction, which will prevail in income-tax matters:

(i) Form of transaction is to be considered in case of genuine transactions- It is well settled that when a transaction is arranged in one form known to law, it will attract tax liability whereas, if it is entered into in another form which is equally lawful, it may not. Therefore, in considering whether a transaction attracts tax or not, the form of the transaction put through is to be considered and not the substance. However, this rule
Direct Tax Laws

appli es only to genuine transactions. [*Motor and General Stores (P) Ltd. v. CIT (1967) 66 ITR 701 (AP)*]

(ii) **True legal relation is the crucial element for taxability** - It is open for the authorities to pierce the corporate veil and look behind the legal facade at the reality of the transaction. The taxing authority is entitled as well as bound to determine the true legal relation resulting from a transaction. The true legal relation arising from a transaction alone determines the taxability of a receipt arising from the transaction [*CIT v. B.M. Kharwar (1969) 72 ITR 603 (SC)*].

(iii) **Substance (i.e. actual nature of expense) is relevant and not the form –**

(a) In the case of an expenditure, the mere fact that the payment is made under an agreement does not preclude the department from enquiring into the actual nature of the payment [*Swadeshi Cotton Mills Co. Ltd. v. CIT (1967) 63 ITR 57 (SC)*].

(b) In order to determine whether a particular item of expenditure is of revenue or capital nature, the substance and not merely the form should be looked into. [*Assam Bengal Cement Co. Ltd. v. CIT (1955) 27 ITR 37 (SC)*].

**Question 3**

**Distinguish between Tax planning and Tax Evasion**

**Answer**

Tax planning is carried out within the framework of law by availing the deductions and exemptions permitted by law and thereby minimizing tax liability. Tax planning is an arrangement by which full advantage is taken of the concessions and benefits conferred by the statute, without violation of legal provisions. Tax evasion on the other hand is an attempt to reduce tax liability by dubious or artificial methods or downright fraud. It is illegal and denies the State its legitimate share of tax.

**Question 4**

Specify with reason whether the following acts can be considered as (i) tax management; or (ii) tax planning; or (iii) tax evasion:

(i) P deposits Rs.50,000 in PPF account so as to reduce his total income from Rs.3,40,000 to Rs.2,90,000.

(ii) PQP Industries Ltd. installed an air conditioner costing Rs.75,000 at the residence of a director as per terms of his appointment; but treats it as fitted in quality control section in the factory. This is with the objective to treat it as plant for the purpose of computing depreciation.

(iii) SQL Ltd. maintains register of tax deduction at source effected by it to enable timely compliance.
(iv) R. Ltd. issues a credit note for Rs.40,000 for brokerage payable to Suresh, who is son of R, managing director of the company. The purpose is to increase his income from Rs.1,40,000 to Rs.1,80,000 and reduce its income correspondingly.

Answer

(i) It is a case of tax planning, since depositing money in PPF and claiming deduction under section 80C is as per the provisions of law.

(ii) It is a case of tax evasion, as the air conditioner fitted at residential place is furniture, depreciable@10%, whereas the rate of depreciation applicable for plant and machinery is higher. The wrong treatment unjustifiably increases the amount of depreciation and consequently, reduces profit.

(iii) It is tax management because maintaining register of payments subject to TDS helps in complying with the obligations under the Income-tax Act.

(iv) Net effect of the transaction is reduction of tax liability of the company by improper means. The company is liable to tax at a flat rate of 30% whereas Suresh would be liable to pay tax @10% slab rate on Rs.20,000, being the excess over the basic exemption limit of Rs.1,60,000. The issue of credit note to reduce the liability of company amounts to tax evasion.
Some key points

Bilateral relief

Under this method, the Government of two countries can enter into an agreement to provide relief against double taxation by mutually working out the basis on which the relief is to be granted. The Government of India has entered into such Double Taxation Avoidance Agreement (DTAA) with more than 70 countries so far.

The DTAA would override the general provisions of the Income-tax Act, 1961 and the assessee may choose the treaty or the regular provisions whichever is beneficial to him.

Bilateral relief may be granted in either one of the following methods.

(a) **Exemption method** by which a particular income is taxed in only one of the two countries;

(b) **Tax relief method**, under which, an income is taxable in both the countries in accordance with the agreement. However, the country of residence of the taxpayer would allow him the credit for the tax charged thereon in the country of source.

In India, double taxation relief is provided by a combination of the two methods.

Unilateral relief

This method provides relief of some kind by the home country even where no mutual agreement has been entered into between the two countries.

Question 1

Kalpesh Kumar (aged 50 years) is a musician deriving income of Rs.75,000 from concerts performed outside India. Tax of Rs.10,000 was deducted at source in the country where the concerts were performed. India does not have any double tax avoidance agreement with that country. His income in India amounted to Rs.2,25,000. Compute tax liability of Kalpesh Kumar for the assessment year 2011-12 assuming he has deposited Rs.10,000 in Public Provident Fund and paid medical insurance premium in respect of his father (aged 76 years) Rs.20,000.

Answer

An assessee shall be allowed deduction under section 91 provided all the following conditions are fulfilled :-

(a) The assessee is a resident in India during the relevant previous year.
Direct Tax Laws

- The income accrues or arises to him outside India during that previous year.
- Such income is not deemed to accrue or arise in India during the previous year.
- The income in question has been subjected to income-tax in the foreign country in the hands of the assessee and the assessee has paid tax on such income in the foreign country.
- There is no agreement under section 90 for the relief or avoidance of double taxation between India and the other country where the income has accrued or arisen.

In view of the aforesaid provisions, deduction under section 91 will be calculated as follows:

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Indian Income</td>
<td>2,25,000</td>
</tr>
<tr>
<td>Foreign Income</td>
<td>75,000</td>
</tr>
<tr>
<td>Gross Total Income</td>
<td>3,00,000</td>
</tr>
<tr>
<td>Less:</td>
<td></td>
</tr>
<tr>
<td>Deduction under section 80C</td>
<td></td>
</tr>
<tr>
<td>PPF Contribution</td>
<td>10,000</td>
</tr>
<tr>
<td>Deduction under section 80D</td>
<td></td>
</tr>
<tr>
<td>Medical insurance premium of father</td>
<td>20,000</td>
</tr>
<tr>
<td>Total Income</td>
<td>2,70,000</td>
</tr>
</tbody>
</table>

Tax on total income: 11,000

Add: Surcharge: Nil

Add: Education Cess @ 2%: 220

Secondary and higher education cess @ 1%: 110

Total: 11,330

Average rate of tax in India [i.e. Rs.11,330/2,70,000 x 100] 4.20%

Average rate of tax in foreign country [i.e. Rs.10,000/ Rs.75,000 x 100] 13.33%

Doubly taxed income: 75,000

Rebate under section 91 on Rs.75,000 @ 4.20% (lower of average Indian tax rate and foreign tax rate): 3,150

Tax payable in India [Rs.11,330 – Rs.3,150]: 8,180
Notes:
(1) It has been assumed that Mr. Kalpesh Kumar is a resident.
(2) In respect of medical insurance premium paid for father Rs.20,000 is allowed in full under section 80D.

Question 2
An assessee, on fulfillment of certain conditions, can claim relief in respect of the income arising in those countries with which India does not have any double taxation agreement. Do you agree?

Answer
The assessee shall be allowed relief in respect of such income under section 91 provided all the following conditions are fulfilled :-
(a) The assessee is a resident in India during the relevant previous year.
(b) The income accrues or arises to him outside India during that previous year.
(c) Such income is not deemed to accrue or arise in India during the previous year.
(d) The income in question has been subjected to income-tax in the foreign country in the hands of the assessee and the assessee has paid tax on such income in the foreign country.
(e) There is no agreement under section 90 for the relief or avoidance of double taxation between India and the other country where the income has accrued or arisen.

Question 3
Mr. Bansal, a resident Indian and aged 67 years, has derived the following income during the previous year 2010-11:

<table>
<thead>
<tr>
<th>Description</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Income from business in India</td>
<td>2,50,000</td>
</tr>
<tr>
<td>(ii) Commission (Gross) from a company in Hong Kong (Tax paid in Hong Kong Rs.60,000)</td>
<td>3,00,000</td>
</tr>
<tr>
<td>(iii) Dividend (Gross) from a company in Hong Kong (Tax paid in Hong Kong Rs.18,000)</td>
<td>90,000</td>
</tr>
<tr>
<td>(iv) Interest on fixed deposit and savings account with banks in India</td>
<td>2,00,000</td>
</tr>
</tbody>
</table>

India has no double tax avoidance agreement with Hong Kong. Compute the income and tax payable by Mr. Bansal for assessment year 2011-12.

Answer
Mr. Bansal is entitled to relief under section 91, since :-
(i) He is a resident in India during the relevant previous year.
(ii) Income, by way of commission and dividend, accrues or arises to him outside India (in Hong Kong) during the previous year.

(iii) Such income is not deemed to accrue or arise in India during the previous year.

(iv) The income in question, namely, commission and dividend, has been subjected to income-tax in Hong Kong in the hands of Mr. Bansal and he has paid tax on such income in Hong Kong.

(v) There is no agreement under section 90 for the relief or avoidance of double taxation between India and Hong Kong.

Therefore, he is entitled to the deduction under section 91, from the Indian income-tax payable by him, of a sum, calculated on such doubly taxed income at the Indian rate of tax or at the Hong Kong rate of tax, whichever is lower.

**Computation of total income and tax liability of Mr. Bansal for A.Y.2011-12**

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Income from business in India</td>
<td>2,50,000</td>
</tr>
<tr>
<td>Commission received from a company in Hong Kong</td>
<td>3,00,000</td>
</tr>
<tr>
<td>Dividend received from a company in Hong Kong</td>
<td>90,000</td>
</tr>
<tr>
<td>Interest on fixed deposits and savings account with banks in India</td>
<td>2,00,000</td>
</tr>
<tr>
<td><strong>Total Income</strong></td>
<td><strong>8,40,000</strong></td>
</tr>
</tbody>
</table>

Tax on the above:
- Upto Rs.2,40,000: Nil
- Over Rs.2,40,000 & upto Rs.5,00,000 @ 10%: 26,000
- Over Rs.5,00,000 & upto Rs. 8,00,000 @ 20%: 60,000
- Over Rs.8,00,000 @ 30%: 12,000

Total tax liability: 1,00,940

Average rate of income-tax in India: 12.02%

Average rate of income-tax in Hong Kong: 20%

Double tax relief under section 91 shall be @12.02% or 20% of foreign income, whichever is less [i.e., 3,90,000 x 12.02%] 46,878

Net tax liability (Rs.1,00,940 – Rs.46,878): 54,062
Question 4
An individual resident in India, having income earned outside India in a country with which no agreement under section 90 exists, asks you to explain whether the credit for the tax paid on the foreign income will be allowed against his income-tax liability in India.

Answer
The assessee is a resident in India and accordingly, the income accruing or arising to him globally is chargeable to tax in India. However, section 91 specifies that if a person resident in India has paid tax in any country with which no agreement under section 90 exists, then, for the purpose of relief or avoidance of double taxation, a deduction is allowed from the Indian income-tax payable by him, of a sum calculated on such doubly taxed income at Indian rate of tax or the rate of tax of such foreign country, whichever is lower, or at the Indian rate of tax, if both the rates are equal. Accordingly, the assessee shall not be given any credit of the tax paid on the income in other country, but shall be allowed a deduction from the Indian income-tax payable by him as per the scheme of section 91.

Question 5
The Income-tax Act, 1961 provides for taxation of a certain income earned by X. The Double Taxation Avoidance Agreement, which applies to X, excludes the income earned by X from the purview of tax. Is X liable to pay tax on the income earned by him? Discuss.

Answer
Section 90(2) makes it clear that where the Central Government has entered into a Double Taxation Avoidance Agreement, then in respect of an assessee to whom such agreement applies, the provisions of the Act shall apply to the extent they are more beneficial to the assessee. This means that where tax liability is imposed by the Act, the Double Taxation Avoidance Agreement may be resorted to for reducing or avoiding the tax liability.

Question 6
What is the circumstance in which it is not necessary for a non-resident Indian, whose total income is above the taxable limit, to file his return of income under section 139(1)?

Answer
Section 115G of the Income-tax Act, 1961 provides that it is not necessary for a non-resident Indian to furnish a return of income under section 139(1) if his total income only consisted of
investment income or long-term capital gain or both and the tax deductible at source under Chapter XVII-B has been deducted from such income.

**Question 7**

Arif is a resident of both India and another foreign country in the previous year 2010-11. He owns immovable properties (including residential house) in both the countries. He earned income of Rs. 50 lakhs from rubber estates in the foreign country during the financial year 2010-11. He also sold some property situated in foreign country resulting in short-term capital gain of Rs. 10 lakhs during the year. Arif has no permanent establishment of business in India. However, he has derived rental income of Rs. 6 lakhs from property let out in India and he has a house in Lucknow where he stays during his visit to India.

The Article 4 of the Double Taxation Avoidance Agreement between India and the foreign country where Arif is a resident, provides that “where an individual is a resident of both the Contracting States, then he shall be deemed to be resident of the Contracting State in which he has permanent home available to him. If he has permanent home in both the Contracting States, he shall be deemed to be a resident of the Contracting State with which his personal and economic relations are closer (centre of vital interests)”.

You are required to state with reasons whether the business income of Arif arising in foreign country and the capital gains in respect of sale of the property situated in foreign country can be taxed in India.

**Answer**

Section 90(1) of the Income-tax Act, 1961 empowers the Central Government to enter into an agreement with the Government of any country outside India for avoidance of double taxation of income under the Indian law and the corresponding law of that country. Section 90(2) provides that where the Central Government has entered into an agreement with the Government of any other country for granting relief of tax or for avoidance of double taxation, then, in relation to the assessee to whom such agreement applies, the provisions of the Income-tax Act, 1961 shall apply to the extent they are more beneficial to that assessee.

Arif has residential houses both in India and foreign country. Thus, he has a permanent home in both the countries. However, he has no permanent establishment of business in India. The Double Taxation Avoidance Agreement (DTAA) with foreign country provides that where an individual is a resident of both the countries, he shall be deemed to be resident of that country in which he has a permanent home and if he has a permanent home in both the countries, he is deemed to be resident of that country, which is the centre of his vital interests i.e. the country with which he has closer personal and economic relations.

Arif owns rubber estates in a foreign country from which he derives business income. However, Arif has no permanent establishment of his business in India. Therefore his personal and economic relations with foreign country are closer, since foreign country is the place where –

(a) the property is located and
(b) the permanent establishment (PE) has been set-up

Therefore, he shall be deemed to be resident of the foreign country for A.Y. 2011-12.

The fact of the case and issues arising therefrom are similar to that of CIT vs. P.V.A.L. Kulandagan Chettiar (2004) 137 Taxman 460, where the Supreme Court held that if an assessee is deemed to be a resident of a contracting State where his personal and economic relations are closer, then in such a case, the fact that he is a resident in India to be taxed in terms of sections 4 and 5 would become irrelevant, since the DTAA prevails over sections 4 and 5.

Therefore, in this case, Arif is not liable to income tax in India for assessment year 2011-12 in respect of business income and capital gains arising in the foreign country.
Some key points

Safe harbour rules [Section 92CB]
The Finance (No.2) Act, 2009 has inserted section 92CB empowering the Board to make rules for safe harbour. The determination of arm’s length price under section 92C or section 92CA shall be subject to safe harbour rules.

“Safe harbour” means circumstances in which the income-tax authorities shall accept the transfer price declared by the assessee.

Penalties

- Section 271 provides for penalty in respect of cases where the Assessing Officer adjusts total income by determining ALP. The penalty for such concealment is minimum 100% and maximum 300% of tax on such concealed income.

- Sections 271AA and 271G provide for penalty for failure to keep and maintain transfer price information or documentation or to produce the same during assessment proceedings. If any person fails to keep and maintain any such information as required by section 92D (1) and (2) or fails to produce the same under section 92D(3), the Assessing Officer or Commissioner (Appeals) may direct such person to pay by way of penalty, a sum equal to 2% of the value of each international transaction entered into by such person.

- Section 271BA provides for penalty for failure to furnish accountant’s report. The penalty for failure to furnish a report from Chartered Accountant as required by section 92E is Rs.1 lakh.

- In all the above cases, if the assessee can show that there was reasonable cause for the failure, no penalty will be leviable.

Question 1

A Limited, an Indian Company supplied billets to its holding company, U. Limited, UK during the previous year 2010-11. A Limited also supplied the same product to another UK based company, V. Limited, an unrelated entity. The transactions with U. Limited are priced at Euro 500 per MT (FOB), whereas the transactions with V. Limited are priced at Euro 700 per MT (CIF). Insurance and Freight amounts to Euro 200 per MT. Compute the arm’s length price for the transactions with U. Limited.
Direct Tax Laws

Answer

In this case, A Ltd., the Indian company, supplied billets to its foreign holding company, U Ltd. Since the foreign company, U Ltd., holds more than 26% shares in A Ltd., A Ltd. and U Ltd. shall be deemed to be associated enterprises within the meaning of section 92A.

As A Ltd. supplies similar product to an unrelated entity, V Ltd., UK, the transactions between A Ltd. and V. Ltd. can be considered as comparable uncontrolled transactions for the purpose of determining the arm’s length price of the transactions between A. Ltd. and U Ltd. Comparable Uncontrolled Price (CUP) method of determination of arm’s length price (ALP) would be applicable in this case.

Transactions with U Ltd. are on FOB basis, whereas transactions with V Ltd. are on CIF basis. This difference has to be adjusted before comparing the prices.

<table>
<thead>
<tr>
<th>Amount in Euro</th>
</tr>
</thead>
<tbody>
<tr>
<td>Price per MT of billets to V. Ltd.</td>
</tr>
<tr>
<td>Less: Cost of insurance and freight per M.T.</td>
</tr>
<tr>
<td>Adjusted Price per M.T.</td>
</tr>
</tbody>
</table>

Since the adjusted price for V. Ltd., UK and the price fixed for U Ltd. are the same, the arm’s length price is Euro 500 per MT. Since the sale price to related party (i.e., U Ltd.) and unrelated party (i.e., V Ltd.) is the same, the transaction with related party U Ltd. has also been carried out at arm’s length price.

Question 2

X Ltd., operating in India, is the dealer for the goods manufactured by Yen Ltd. of Japan. Yen Ltd. owns 55% shares of X Ltd. and out of 7 directors of the company, 4 were appointed by them. The Assessing Officer, after verification of transactions of Rs.300 lacs of X Ltd. for the relevant year and by noticing that the company had failed to maintain the requisite records and had also not obtained the accountants report, adjusted its income by making an addition of Rs.30,00,000 to the declared income and also issued a show cause notice to levy various penalties. X Ltd seeks your expert opinion.

Answer

The facts of the case indicate that X Ltd. and Yen Ltd. of Japan are associated enterprises since Yen Ltd. holds shares carrying more than 26% of the voting power in X Ltd. and has appointed more than half of the board of directors of X Ltd. Since Yen Ltd. is a non-resident, any transaction between X Ltd. and Yen Ltd. would fall within the meaning of “international transaction” under section 92B. Therefore, the income arising from such transactions have to be computed having regard to the arm’s length price. The action of the Assessing Officer in making addition to the declared income and issuing show cause notice for levy of various penalties is correct since X Ltd. had committed defaults, as listed hereunder, in respect of which penalty, as briefed hereunder, is imposable -
(i) Since X Ltd. has entered into an international transaction as defined in section 92B, any amount added or disallowed in computing the total income under section 92C(4), shall be deemed to represent income in respect of which particulars have been concealed or inaccurate particulars have been furnished which makes it liable for penalty under section 271(1)(c) read with Explanation 7. The penalty would be 100% to 300% of the amount of tax sought to be evaded.

(ii) Failure to maintain the requisite records as required under section 92D in relation to international transaction makes it liable for penalty under section 271AA which will be 2% of the value of each international transaction.

(iii) Failure to furnish report from an accountant as required under section 92E makes it liable for penalty under section 271BA i.e., a fixed penalty of Rs.1 lakh.

The Assessing Officer shall give an opportunity of hearing to the assessee with a notice as to why the arm’s length price should not be determined on the basis of material or information or document in the possession of the Assessing Officer.

Question 3

EF Limited, an Indian company, is engaged in manufacturing electronic components. 74% of shares of the company are held by EF Inc., incorporated in USA. EF Limited has borrowed funds from EF Inc. at LIBOR plus 150 points. The LIBOR prevalent at the time of borrowing is 4% for US $. The borrowings allowed under the External Commercial Borrowings guidelines issued under Foreign Exchange Management Act are LIBOR plus 200 basis points. Discuss whether the borrowing made by EF Limited is at arm’s length (‘LIBOR’ means London Inter-Bank Offer Rate).

Answer

One of the methods for determination of arm’s length price in an international transaction is Comparable Uncontrolled Price method (CUP). Under the CUP method, the price charged or paid for property transferred or services rendered in a comparable uncontrolled transaction, or a number of such transactions, is identified. Such price is adjusted to account for differences, if any, between the international transaction and the comparable uncontrolled transaction or between the enterprises entering into such transactions, which could materially affect the price in the open market. The adjusted price so arrived at is taken to be an arm’s length price in respect of the property transferred or services provided in the international transaction.

EF Inc., USA and EF Limited, the Indian company shall be deemed to be associated enterprises since the former holds more than 26% voting power in the latter.

The arm's length rate of interest can be determined by using CUP method having regard to the rate of interest on external commercial borrowing permissible as per guidelines issued under Foreign Exchange Management Act. The interest rate permissible is LIBOR plus 200 basis points i.e., 4% + 2% = 6%, which can be taken as the arm’s length rate. The interest rate applicable on the borrowing by EF Limited, India from EF Inc., USA, is LIBOR plus 150 basis
points i.e., 4% + 1.5% = 5.5%. Since the rate of interest, i.e. 5.5% is less than the arm’s length rate of 6%, the borrowing made by the EF Ltd. is not at arm’s length. However, in this case, the taxable income of EF Ltd., India, would be lower if the arm’s length rate is applied. Hence, no adjustment is required since the law of transfer pricing will not apply if there is a negative impact on the existing profits.

**Question 4**

*In the context of transfer pricing provisions, read with rules, what are the factors to be considered while selecting the most appropriate method?*

**Answer**

Rule 10C deals with the determination of the most appropriate method. Under this Rule, the method which is best suited to the facts and circumstances of each particular international transaction, and which provides the most reliable measure of an arm’s length price in relation to the international transaction will be considered as the most appropriate method.

For the purpose of selecting the most appropriate method, the following factors should be taken into account -

(i) the nature and class of the international transaction;

(ii) the class or classes of associated enterprises entering into the transaction and the functions performed by them taking into account assets employed or to be employed and risks assumed by such enterprises;

(iii) the availability, coverage and reliability of data necessary for application of the method;

(iv) the degree of comparability existing between the international transaction and the uncontrolled transaction and between the enterprises entering into such transactions;

(v) the extent to which reliable and accurate adjustments can be made to account for differences, if any, between the international transaction and the comparable uncontrolled transaction or between the enterprises entering into such transactions;

(vi) the nature, extent and reliability of assumptions required to be made in application of a method.

**Question 5**

*Anush Motors Ltd., an Indian company declared income of Rs.300 crores computed in accordance with Chapter IV-D but before making any adjustments in respect of the following transactions for the year ended on 31.3.2011:*

(i) 10,000 cars sold to Rida Ltd. which holds 30% shares in Anush Motors Ltd. at a price which is less by $200 each car than the price charged from Shingto Ltd.*
Transfer Pricing

(ii) Royalty of $ 1,20,00,000 was paid to Kyoto Ltd. for use of technical know-how in the manufacturing of car. However, Kyoto Ltd. had provided the same know-how to another Indian company for $ 90,00,000.

(iii) Loan of Euro 1000 crores carrying interest @ 10% p.a. advanced by Dorf Ltd., a German company, was outstanding on 31.3.2011. The total book value of assets of Anush Motors Ltd. on the date was Rs.90,000 crores. The said German company had also advanced a loan of similar amount to another Indian company @ 9% p.a. Total interest paid for the year was EURO 100 crores.

Explain in brief the provisions of the Act affecting all these transactions and compute the income of the company chargeable to tax for A.Y.2011-12 keeping in mind that the value of 1$ and of 1 EURO was Rs.45 and Rs.55, respectively, throughout the year.

Answer

Any income arising from an international transaction, where two or more “associated enterprises” enter into a mutual agreement or arrangement, shall be computed having regard to arm’s length price as per the provisions of Chapter X of the Act.

Section 92A defines an “associated enterprise” and sub-section (2) of this section speaks of the situations when the two enterprises shall be deemed to associated enterprises. Applying the provisions of section 92A(2)(a) to (m) to the given facts, it is clear that “Anush Motors Ltd.” is associated with :

(i) Rida Ltd. as per section 92A(2)(a), because this company holds shares carrying more than 26% of the voting power in Anush Motors Ltd.;
(ii) Kyoto Ltd. as per section 92A(2)(g), since this company is the sole owner of the technology used by Anush Motors Ltd. in its manufacturing process;
(iii) Dorf Ltd. as per section 92A(2)(c), since this company has financed an amount which is more than 51% of the book value of total assets of Anush Motors Ltd.

The transactions entered into by Anush Motors Ltd. with different companies are, therefore, to be adjusted accordingly to work out the income chargeable to tax for the A.Y. 2011-12.

Income of Anush Motors Ltd. as computed under Chapter IV-D, prior to adjustments as per Chapter – X

Add: Difference on account of adjustment in the value of international transactions:

(i) Difference in price of car @ $ 200 each for 10,000 cars ($ 200 x 10,000 x 45) Rs.9 crore
(ii) Difference for excess payment of royalty of $ 30,00,000 ($ 30,00,000 x 45) [See Note below] Rs.13.5 crore
(iii) Difference for excess interest paid on loan of EURO 1000 crores (55*1000*1/100) Rs. 550 crore

Total Income Rs.872.5 crore
Note – The difference for excess payment of royalty has been added back presuming that the manufacture of cars by Anush Motors Ltd is wholly dependent on the use of know-how owned by Kyoto Ltd.

Question 6

What is the legislative objective of bringing into existence the provisions relating to transfer pricing?

Answer

The presence of multinational enterprises in India and their ability to allocate profits in different jurisdictions by controlling prices in intra-group transactions prompted the Government to set up an Expert Group to examine the issues relating to transfer pricing.

There is a possibility that two or more entities belonging to the same multinational group can fix up their prices for goods and services and allocate profits among the enterprises within the group in such a way that there may be either no profit or negligible profit in the jurisdiction which taxes such profits and substantial profit in the jurisdiction which is tax haven or where the tax liability is minimum. This may adversely affect a country’s share of due revenue. The increasing participation of multinational groups in economic activities in India has given rise to new and complex issues emerging from transactions entered into between two or more enterprises belonging to the same multinational group. The profits derived by such enterprises carrying on business in India can be controlled by the multinational group, by manipulating the prices charged and paid in such intra-group transactions, which may lead to erosion of tax revenue. Therefore, transfer pricing provisions have been brought in by the Finance Act, 2001 with a view to provide a statutory framework which can lead to computation of reasonable, fair and equitable profits and tax in India, in the case of such multinational enterprises.

Question 7

US Ltd., a US company has a subsidiary, IND Ltd. in India. US Ltd. sells computer monitors to IND Ltd. for resale in India. US Ltd. also sells computer monitors to CMI Ltd., another computer reseller. It sells 50,000 computer monitors to IND. Ltd. at Rs.11,000 per unit. The price fixed for CMI Ltd. is Rs.10,000 per unit. The warranty in case of sale of monitors by IND Ltd. is handled by IND Ltd. However, for sale of monitors by CMI Ltd., US Ltd. is responsible for the warranty for 3 months. Both US Ltd. and IND Ltd. offer extended warranty at a standard rate of Rs.1,000 per annum. On these facts, how is the assessment of IND Ltd. going to be affected?

Answer

US Ltd., the foreign company and IND Ltd., the Indian company are associated enterprises since US Ltd holds not less than 26% voting rights in IND Ltd. (being a subsidiary of US Ltd., more than 50% of its voting rights would be held by US Ltd.). US Ltd. sells computer monitors
to IND Ltd. for resale in India. US Ltd also sells identical computer monitors to CMI Ltd, which is not an associated enterprise. The price charged by US Ltd. for a similar product transferred in comparable uncontrolled transaction is, therefore, identifiable. Therefore, Comparable Uncontrolled Price (CUP) method for determining arm’s length price can be applied.

While applying CUP method, the price in comparable uncontrolled transaction needs to be adjusted to account for difference, if any, between the international transaction (i.e. transaction between US Ltd. and IND Ltd.) and uncontrolled transaction (i.e. transaction between US Ltd. and CMI Ltd.) and the price so adjusted shall be the arm’s length price for the international transaction.

For sale of monitors by CMI Ltd., US Ltd. is responsible for warranty for 3 months. The price charged by US Ltd. to CMI Ltd. includes the charge for warranty for 3 months. Hence arm's length price for computer monitors being sold by US Ltd. to IND Ltd. would be:

<table>
<thead>
<tr>
<th>Particulars</th>
<th>No.</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sale price charged by US Ltd. to CMI Ltd.</td>
<td>10,000</td>
<td></td>
</tr>
<tr>
<td>Less: Cost of warranty included in the price charged to CMI Ltd. (Rs.1,000 x 3 /12)</td>
<td>250</td>
<td></td>
</tr>
<tr>
<td><strong>Arm's length price</strong></td>
<td></td>
<td>9,750</td>
</tr>
<tr>
<td>Actual price paid by IND Ltd. to US Ltd.</td>
<td></td>
<td>11,000</td>
</tr>
<tr>
<td><strong>Difference per unit</strong></td>
<td></td>
<td>1,250</td>
</tr>
<tr>
<td>No. of units supplied by US Ltd. to IND Ltd.</td>
<td></td>
<td>50,000</td>
</tr>
<tr>
<td>Addition required to be made in the computation of total income of IND Ltd. (1,250 x 50,000)</td>
<td></td>
<td>6,25,00,000</td>
</tr>
</tbody>
</table>

No exemption or deduction under section 10A/10B or under chapter VI-A would be allowable in respect of the enhanced income of Rs.6.25 crores.

Question 8

Discuss the concept of Arm’s length price as envisaged in section 92C of the Income-tax Act. What are the methods under which the arm’s length price, relating to an international transaction, is determined under section 92C?

Answer

“Arm’s length price” is defined in section 92F(ii) to mean price which is applied or proposed to be applied in a transaction between persons other than associated enterprises, in uncontrolled conditions. Section 92C deals with the method to be adopted for determining the arm’s length price and the factors to be considered for applying a particular method.
Section 92C provides that the arm's length price in relation to an international transaction shall be determined by any of the following methods, being the most appropriate method, having regard to the nature of the transaction or class of transaction or class of associated persons or functions performed by such persons or such other relevant factors as the Board may prescribe, namely:-

(a) comparable uncontrolled price method;
(b) resale price method;
(c) cost plus method;
(d) profit split method;
(e) transactional net margin method;
(f) such other method as may be prescribed by the Board.

Out of the above, the most appropriate method shall be selected in the manner as may be prescribed by the Rules. However, if more than one price is determined by the most appropriate method, then the arithmetical mean of such price shall be taken as arm’s length price.

The Finance (No.2) Act, 2009 has inserted a further proviso to section 92C(2) whereby if the variation between the arm’s length price determined and the price at which the transaction was actually undertaken does not exceed 5% of the latter (i.e. the actual transaction price) then the price at which the international transaction was undertaken shall be deemed to be the arm’s length price.

Question 9

(a) When shall a transaction be considered as an international transaction?

(b) In what circumstances shall a transaction entered into with a person other than an associated enterprise be deemed to be a transaction between two associated enterprises?

Answer

(a) An international transaction is one which satisfies the following criteria -

(i) A transaction between two or more associated enterprises, either or both of whom are non-residents;
(ii) It is in the nature of purchase, sale or lease of tangible or intangible property, or provision of services, lending/borrowing money or any other transaction having a bearing on the profits, income, losses or assets of such enterprises;
(iii) It includes a transaction in the nature of a mutual agreement, or arrangement between two or more associated enterprises for the allocation or apportionment of
any contribution, cost or expense incurred (or to be incurred) in connection with a benefit, service or facility provided (or to be provided) to any one or more of such enterprises.

(b) As per the provisions of section 92B(2), a transaction entered into by an enterprise with a person other than the associated enterprise, shall for the purposes of sub-section (1), be deemed to be a transaction entered into between two associated enterprises if

(i) there exists a prior agreement in relation to the relevant transaction between such other person and the associated enterprise; or

(ii) the terms of the relevant transaction are determined in substance between such other person and the associated enterprise.

Question 10

R, an individual resident in India, bought 1,000 equity shares of Rs.10 each of A Ltd. at Rs.50 per share on 30.5.2010. He sold 700 equity shares at Rs.35 per share on 30.9.2010 and the remaining 300 shares at Rs.25 per share on 20.12.2010. A Ltd. declared a dividend of 50%, the record date being 10.8.2010. R sold on 1.2.2011, a house from which he derived a long-term capital gain of Rs.75,000.

Compute the amount of capital gain arising to R for the assessment year 2011-12.

Answer

The amount of capital gains arising to R has to be computed applying the provisions of sub-section (7) of section 94, which provides that "where:

(a) any person buys or acquires any securities or unit within a period of three months prior to the record date; and

(b) such person sells or transfers -

(i) such securities within a period of three months after such date; or

(ii) such unit within a period of nine months after such date; and

(c) the dividend or income on such securities or unit received or receivable by such person is exempted,

then the loss, if any, arising to him on account of such purchase and sale of securities or unit, to the extent such loss does not exceed the amount of dividend or income received or receivable on such securities or unit, shall be ignored for the purpose of computing his income chargeable to tax".

For this purpose, “record date” means such date as may be fixed by a company for the purpose of entitlement of the holder of the securities to receive dividend and “securities” includes stocks and shares.
### Computation of capital gains of Mr. R for the assessment year 2011-12

<table>

### Computation of capital gain on sale of shares of A Ltd. by Mr. R

| Date of purchase of shares                      | 30.5.2010 |
| Record date                                     | 10.8.2010 |
| Date of sale of shares                          | 30.9.2010 | 20.12.2010 |
| Number of shares sold                           | 700 | 300 |
| Sale price per share                            | Rs.35 | Rs.25 |

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sale consideration</td>
<td>24,500</td>
<td>7,500</td>
</tr>
<tr>
<td>Less: Cost of acquisition</td>
<td>35,000</td>
<td>15,000</td>
</tr>
<tr>
<td></td>
<td>10,500</td>
<td>7,500</td>
</tr>
<tr>
<td>Less: Dividend income as per section 94(7) [700\times 10\times 50%] [See Note below]</td>
<td>3,500</td>
<td>Not deductible</td>
</tr>
<tr>
<td><strong>Short-term capital loss on sale of shares</strong></td>
<td>7,000</td>
<td>7,500</td>
</tr>
</tbody>
</table>

**Note:**

1. 700 shares are sold within 3 months after the record date, hence related dividend income should be deducted from the loss as per section 94(7).
2. 300 shares having been sold after 3 months of record date, section 94(7) is not applicable. So, the dividend income of Rs.1,500/- should not be deducted. Such dividend is exempt under section 10(34).
3. Short-term capital loss can be set-off against long-term capital gains as per the provisions of section 74(1)(a). Therefore, short-term capital loss on sale of shares can be set-off against long-term capital gains on sale of building.
Some key points

(a) The tax liability of a foreign collaborator and the Indian counter part is dependent on their residential status and the applicable provisions of DTAA, if any.

(b) The residential status and the tax incidence are closely related. Also, the scope of income chargeable to tax hinges on their residential status.

(c) Place where the income is received also has some bearing on the taxability of such receipt. An income received outside India when remitted to India it will not attract any tax in India for the simple reason that the same income cannot be received more than once (Banaras State Bank Ltd v. CIT (1970) 75 ITR 167 (SC)).

(d) Receipt of capital sums in India is not chargeable to tax. Where the receipt of income is in some other form other than cash, the market value of the items received should be determined and such amount is assessable to tax. [CIT v. Central India Industries Ltd 82 ITR 555 (SC)].

(e) Choice of the method of accounting and form of organization also has some influence in taxation of international transactions.

Question 1

"X", while making payment to a non-resident for providing technical services on a world bank aided project "Net of Tax", had deducted tax as per rates prescribed but says that the payee is not entitled for the TDS certificate since the tax was not to be borne by the payee as per agreement. Examine.

Answer

Section 195A provides that where under an agreement, the tax chargeable on any income is to be borne by the person by whom the income is payable, then, for the purpose of deduction of tax at source, such income shall be increased to such amount as would, after deduction of tax thereon, be equal to the net amount payable under the agreement. The CBDT has, vide Circular No.785 dated 24.11.99, clarified that even in those cases where the tax has been borne by the payer of income under an agreement, the payer is under a legal obligation to furnish a TDS Certificate as per the provisions of section 203 of the Income-tax Act, 1961. Therefore, the contention of Mr. X that the payee is not entitled for the TDS certificate is incorrect.
Question 2

The net result of the business carried on by a branch of foreign company in India for the year ended 31.03.2011 was a loss of Rs.100 lacs after charge of head office expenses of Rs.200 lacs allocated to the branch. Explain with reasons the income to be declared by the branch in its return for the assessment year 2011-12.

Answer

Section 44C restricts the allowability of the head office expenses to the extent of lower of an amount equal to 5% of the adjusted total income or the amount actually incurred as is attributable to the business of the assessee in India.

For the purpose of computing the adjusted total income, the head office expenses of Rs.200 lakh charged to the profit and loss account have to be added back.

The amount of income to be declared by the assessee for A.Y. 2011-12 will be as under:

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Net loss for the year ended on 31.03.2011</td>
<td>(100 lacs)</td>
</tr>
<tr>

<td>200 lacs</td>
</tr>
<tr>
<td>Adjusted total income</td>
<td>100 lacs</td>
</tr>
<tr>
<td>Less: Head Office expenses allowable under section 44C is the lower of</td>
<td></td>
</tr>
<tr>
<td>(i) Rs.5 lacs, being 5% of Rs.100 lacs and</td>
<td></td>
</tr>
<tr>
<td>(ii) Rs.200 lacs.</td>
<td></td>
</tr>
</tbody>
</table>

Income to be declared in return 95 lacs

Question 3

A foreign company, ST, has entered into an agreement with an Indian Company KN for supply of know-how and the agreement is within the Industrial Policy conditions laid down by the Central Government. In the year 2010-11, Rs.50 lakhs was paid, under the agreement, to ST by KN.

ST claims to have spent Rs.14 lakhs as expenses in India to be recognized as a deduction.

In the following situations, what will be your decision on the tax liability of the parties:

(i) The agreement having been entered into before 1st June, 2002 and approved by the Government, KN pays to the Indian income-tax authorities the tax payable by ST;

(ii) There is no agreement as to KN bearing the tax liability; the royalty payable is decided to be Rs.59 lakhs (net of taxes).
Answer

(i) As per section 10(6A), in the case of a foreign company deriving income by way of royalty or fees for technical services from the Government or an Indian concern under the terms of an agreement entered into before 1.6.2002 relating to a matter included in the industrial policy of the Central Government, the tax paid by the Government or an Indian concern on such income would not be included in the total income of the foreign company. Hence, such tax paid would be exempt in the hands of the foreign company.

Therefore, in the present case, the tax paid by KN will be exempt from tax in the hands of ST. In this case, section 195A is not applicable and consequently, the royalty of Rs.50 lakhs should not be grossed up. As per section 44D, where a foreign company receives income by way of royalty from an Indian concern in pursuance of an agreement made on or after 1st April, 1976 but before 1st April, 2003, no deduction is allowable in respect of any expense or allowance under sections 28 to 44C in computing such income.

The rate of tax is 20% as per section 115A(1)(b)(A), if the royalty is received in pursuance of an agreement made after 31.5.1997 but before 1.6.2005.

(ii) Since there is no agreement as to KN bearing the tax liability, the benefit under section 10(6A) is not available. However, KN has to deduct tax at source on royalty payment to ST, a foreign company, as per section 195. Since in this case, KN has to pay the royalty of Rs.59 lakhs ‘net of taxes’ to ST, therefore, the royalty has to be grossed up.

The tax liability of ST has to be computed as under:

- Net royalty income: 59,00,000
- Gross royalty income (59,00,000 x 100/79.40): 74,30,730
- Tax on royalty of 74,30,730 @ 20.60%: 15,30,730

KN has to deduct this tax of Rs.15,30,730 at source under section 195.

Question 4

XY Pvt. Ltd., a company having registered head office in Singapore, for the first time had carried out operations during the year 2010-11 of purchase of goods in India on four occasions. Immediately after purchase, the company exported the same to China. The total value of such exports was Rs.100 lakhs, on which it earned profits of Rs.20 lakhs, before the expenses of Rs.12 lakhs, which were directly paid by H.O. The company seeks your advice regarding its tax liability in India:

How much of income for the A.Y. 2011-12 shall be subjected to tax?

Answer

Section 2(26) defines an “Indian Company”. The proviso to section 2(26) states that for a company to be an Indian company, the registered or principal office should be in India. In this case, since the registered office is in Singapore, XY Pvt. Ltd. is not an Indian company.
A company, other than an Indian company, would be considered as resident in India only if the control and management is wholly in India. In this case, the control and management is not wholly in India and therefore, XY Pvt. Ltd. is a non-resident / not a domestic company.

XY Pvt. Ltd. is a non-resident assessee during the previous year relevant to assessment year 2011-12. As per Explanation (b) of section 9(1)(i), no income shall be deemed to accrue or arise in India to a non-resident through or from operations which are confined to purchase of goods in India for the purpose of export. XY Pvt. Ltd. had purchased the goods in India and thereafter exported the same in total to China and accordingly no income of the non-resident company shall be subject to tax for assessment year 2011-12.

**Question 5**

*M/s. Kangaru Australia, a non-resident foreign company, had entered into a collaboration agreement on 21.02.2002 with an Indian company and was in receipt of the following payments during the previous year ended on 31.03.11. How do you deal with them for computation, in the case of M/s. Kangaru Australia?*

(i) Interest on 8% debentures for Rs.50 lakhs issued by Indian company on 01.07.2010 in consideration of providing of technical know-how, manufacturing process and designs.

(ii) Service charges @ 2½% of the value of Plant & Machinery for Rs.500 lakhs leased out to Indian company payable each year before 31st March.

**Answer**

The foreign non-resident company had entered into a collaboration agreement with the Indian company and was in receipt of interest on debentures and service charges during the year. These incomes shall be subject to tax as under:-

(i) The interest on debentures of Rs.3 lakhs, being 8% of Rs.50 lakhs, for the period from 1st July to 31st March (9 months) shall be chargeable as “Income from other sources”.

(ii) The service charges of Rs.12.50 lakhs for the year, being 2½% of the value of the plant & machinery of Rs.500 lakhs, will be a payment by the collaborator in the nature of royalty as per Explanation 2(iva) to section 9(1)(vi) and accordingly, will be subject to tax under section 115A(1)(b).

**Question 6**

*Human Life Insurance Co. of U.K. conducted business in India during 2010-11. It seeks your advice for the computation of its income from Life Insurance business in India, in accordance with the provisions of Income-tax Act, 1961.*

**Answer**

The income of Human Life Insurance Corporation of U.K. in respect of the business conducted in India shall be worked out in accordance with Rule-6 of First Schedule read with section 44 of the Act. The income chargeable to tax will be computed as under:
Foreign Collaboration

(a) That proportion of the world income which corresponds to the proportion which its
premium income derived from India bears to its total premium income.

(b) The world income shall be computed in the manner as laid down in the Act for computing
the profits and gains of life insurance business carried on in India.

Question 7

M/s. Global Airlines incorporated as a company in USA operated its flights to India and vice
versa during the year 2010-11 (April, 2010 to March, 2011) and collected charges of Rs.125
lakhs for carriage of passengers and cargo out of which Rs.65 lakhs were received in U.S
Dollars for the passenger fare booked from New York to Mumbai. The total expenses for the
year on operation of such flights were Rs.195 lakhs. Income chargeable to tax of the foreign
airlines may please be computed.

Answer

The income of Global Airlines is to be calculated and computed with reference to the
provisions contained in section 44BBA on presumptive basis at the rate of 5 per cent of the
total amount of passenger fares received and charges for handling of cargo, whether received
in India or outside India. Therefore, the airlines is to be assessed on Rs.6.25 lakhs for the
relevant assessment year, which is 5% of total collection of Rs.125 lakhs from flights to India
and vice versa. The expenses incurred on operation of such flights are to be ignored.

Question 8

A foreign company has entered into an agreement with an Indian company on 1st February
2002 under which industrial equipment belonging to the firms has been leased to the latter on
an annual lumpsum payment of $ 50,000. How will the lease rent be taxed in the hands of the
foreign company in respect of assessment year 2011-12?

Answer

Under clause (iva) of Explanation 2 to section 9(1) inserted w.e.f 01.4.2002, the expression
“royalty” would include any lump sum consideration for the use of or the right to use of any
industrial, commercial or scientific equipment. Under section 44D, no deduction will be allowed
in respect of any expenditure or allowance in computing the income by way of royalty.

Under section 115A, income-tax payable on such royalty under an agreement entered into
after 31st May, 1997 but before 1st day of June, 2005 will be 20%. This will be subject to the
provisions of the Double Taxation Avoidance Agreement between India and the country in
which the foreign company is assessed.

Question 9

Write short notes on

Global depository receipts and their impact on non-residents
Direct Tax Laws

Answer

Under section 115AC, in the case of non-resident, the income by way of dividends, other than dividends referred to in section 115-O, on GDR’s is subjected to concessional rate of tax.

Global Depository Receipts means any instrument in the form of depository receipt or certificate (by whatever name called) created by the Overseas Depository Bank outside India and issued to non-resident investors against the issue of ordinary shares or foreign currency convertible bonds of issuing company.

The tax payable on both the dividend income and long-term capital gains, arising out of the transfer of GDR’s will be 10%. No deduction under section 28 to 44C or section 57 will be allowed against such income. The deduction under chapter VI-A will be allowed only after reducing such income from the gross total income of the assessee. The benefits of indexation are also not available in computing capital gains arising on transfer of GDR’s.

Question 10

Nadal, a tennis professional and a non-Indian citizen participated in India in a Tennis Tournament and won the prize money of Rs.15 lacs. He contributed articles on the tournament in a local newspaper for which he was paid Rs.1 lakh. He was also paid Rs.5,00,000 by a Soft Drink company for appearance in a T.V. advertisement. Although his expenses in India were met by the sponsors, he had to incur Rs.3,00,000 towards his travel costs to India. He was a non-resident for tax purposes in India.

What would be his tax liability in India for assessment year 2011-12? Is he required to file his return of income under section 139(1)?

Answer

Under section 115BBA, all the three items of receipts in India are chargeable to tax. No expenditure is allowable against such receipts. The rate of tax chargeable is 10 per cent, plus education cess @2% and secondary and higher education cess @1%. The total tax liability works out to Rs. 2,16,300 being 10.3% of Rs.21 lakhs.

Thus, Nadal will be liable to tax on the income earned in India. He is not required to file his return of income if (a) his total income during the previous year consists only of income arising under section 115BBA and (b) the tax deductible at source under the provisions of Chapter XVIII-B has been deducted from such income.

Question 11

A foreign company has the following two options before it for negotiation with an Indian company. It seeks your advice as to the incidence to tax, under the provisions of Income-tax Act, 1961, to exercise the better option.
(i) Receiving royalty for the use of rights of manufacturing process
(ii) Outright sale of manufacturing process.

Answer

The use of a manufacturing process yields a return by way of royalty and the tax thereon is leviable at 20% under section 115A (1) clause (b) if the agreement made before 1st June 2005. Where the agreement is made after 1st June 2005, the rate of tax shall be 10%.

The agreement governing the payment of royalty should be approved by the Central Government or where it relates to a matter included in the industrial policy, it should be in accordance with that policy.

The sale of manufacturing process would yield capital gain which is also chargeable to tax at 20% under section 112(1) clause (c). Therefore, under either option, the incidence of tax is the same if the agreement is made before 01-06-2005. If the agreement is made after 01-06-2005 then it would be beneficial to offer the income as per section 115 A instead of section 112 (1)(c) as the tax rate applicable would be @ 10%.
CHAPTER 18

BUSINESS RESTRUCTURING

Some key points

Prominent methods of business restructuring

(a) Amalgamation and Merger [Section 2(1B)]: The exemption from capital gain is contained in sections 47(vi) and 47(vii). In the case of international restructuring, the condition for exemption is contained in section 47(via). Carry forward and set off of accumulated loss and unabsorbed depreciation is governed by section 72A of the Act. Subject to satisfaction of prescribed conditions, the following unabsorbed expenditures of the amalgamating company could be carried forward and set off by the amalgamating company.

(i) Capital expenditure on scientific research (section 35)
(ii) Expenditure in connection with amalgamation (section 35DD)
(iii) Expenditure for obtaining licence to operate telecommunication services (section 35ABB)
(iv) Preliminary expenses (section 35D)
(v) Deduction for expenditure on prospecting etc for minerals (section 35E)

(b) Demerger [Section 2(19AA)]: It is applicable only in the case of corporate assesses. A demerger transaction is free from capital gains both with respect to transfer of assets as well as issue of shares to the shareholders. The accumulated loss and depreciation to the extent attributable to demerged unit is eligible for carry forward and set off by the resulting company.

(c) Conversion of sole proprietary business into company [Section 47(xiv)]: Subject to certain conditions contained therein conversion of proprietary concern into a corporate entity is not liable for capital gains tax.

(d) Conversion of firm into company [Section 47(xiii)]: Conversion firm into a company subject to certain conditions, is not chargeable to capital gains tax.

(e) Conversion of company into LLP [Section 47(xiiiib)]: The Finance Act, 2010 has inserted this clause to provide tax exemption in respect of capital gains on conversion of company into a LLP.
(f) Slump sale of business [Section 2(42C)] : It is applicable on transfer of one or more undertakings for a lump sum consideration without assigning value to individual assets and liabilities. It is applicable to a non-corporate entities is also. If the undertaking was owned and held for more than 36 months the gain thereon is taxable as long term capital gain. Where the holding period is less than 36 months before transfer, it is taxable as short term capital gain.

Question 1

Your client, Ashavari Ltd. has two industrial undertakings—one engaged in production of audio music CDs and cassettes and the other engaged in production of video CDs. As a restructuring drive, the company has decided to sell its undertaking producing video CDs as a going concern by way of slump sale for Rs. 450 lakhs to a new company called Tori Ltd., in which it holds 75% equity shares. The balance sheet of Ashavari Ltd. as on 31st March, 2011 reads as follows:

<table>
<thead>
<tr>
<th>Rs. in lakhs</th>
<th>Audio Unit</th>
<th>Video Unit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fixed Assets</td>
<td>150</td>
<td>225</td>
</tr>
<tr>
<td>Debtors</td>
<td>150</td>
<td>112.5</td>
</tr>
<tr>
<td>Inventories</td>
<td>75</td>
<td>37.5</td>
</tr>
<tr>
<td>Liabilities</td>
<td>42</td>
<td>75</td>
</tr>
<tr>
<td>Paid up share capital</td>

</tr>
<tr>
<td>Share premium</td>
<td>Rs. 33 lakhs</td>
<td></td>
</tr>
<tr>
<td>Revaluation Reserve</td>
<td>Rs. 140 lakhs</td>
<td></td>
</tr>
</tbody>
</table>

The company set up the video unit on 1st April, 2007. The written down value of the block of assets for tax purpose as on 31st March, 2011 is Rs.200 lakhs of which Rs.85 lakhs are attributable to video unit.

(i) Determine the tax liability which would arise to Ashavari Ltd. from slump sale; (5 Marks)

(ii) Suggest modification of the restructuring plan of Ashavari Ltd. without changing the amount of consideration so as to make it more tax efficient.

Answer

(i) As per section 50B, any profits or gains arising from the slump sale in the previous year is chargeable to income tax as capital gains arising from the transfer of capital assets and shall be deemed to be the income of the previous year in which the transfer takes place.

If the assessees owned and held the undertaking transferred under slump sale for more than 36 months before such slump sale, the capital gain shall be deemed to be long-term capital gain.
### Calculation of capital gains

<table>

</tbody>
</table>

### Working Note:

- **Net worth of Video unit Rs**
  - WDV of block of assets 85,00,000
  - Debtors 1,12,50,000
  - Inventories 37,50,000
  - **Net worth 1,60,00,000**

**Note** - Indexation benefit is not available in the case of slump sale as per section 50B(2)

(ii) Transfer of any capital asset from a holding company to its 100% Indian subsidiary company is exempt from tax under section 47(iv). Therefore, if it is possible for Ashavari Ltd to acquire the entire shareholding of Tori Ltd and then make slump sale, in which case, the resultant capital gain shall not attract capital gains tax.

However, Ashavari Ltd should not transfer any shares in Tori Ltd for a period of 8 years from the date of such (slump) sale.
Some key points

E-commerce means consumer and business transactions conducted over network, using computers and telecommunications. It includes on-line shopping, on-line trading of goods and services, electronic fund transfers, electronic data exchanges and on-line trading of financial instruments.

OECD defines e-commerce transactions as commercial transactions between individuals and organizations, based on the processing or transmission of digitized data units, sound and visual images, which are carried out over open networks (like internet) or closed networks (like minitel) with a gateway to open networks. This more specific definition would therefore exclude electronic data interchange (EDI), carried out over closed networks, if such EDIs are being used by themselves, without access to open network (example, credit cards used over a closed network, connecting specified merchants with a card organization).

Difficulties in taxing e-commerce transactions

(a) Determination of economic attachment  
(b) Identification of the existence of permanent establishment  
(c) Tracing commencing and end point of transaction  
(d) Lack of documentation to know the nature of contract.

Business through e-commerce

(a) Electronic advertising  
(b) Electronic sales  
(c) Electronic delivery

Question 1

Explain the core reasons for difference between the e-commerce transactions and the traditional business transactions causing difficulty to tax the income of e-commerce transactions.

Answer

The core reasons for difference between e-commerce transactions and traditional business transactions causing difficulty to tax the income from e-commerce transactions under the
Direct Tax Laws

Income-tax Act, 1961 are absence of national boundaries, non-requirement of physical presence of goods and non-requirement of physical delivery in e-commerce transactions. Since e-commerce transactions are completed in cyberspace, it is often not clear as to the place where the transaction is effected, thereby causing difficulty in implementing source rule taxation.

Question 2

E-commerce transactions have replaced concepts generally associated with international transactions traditionally. Discuss briefly the issues involving such transactions.

Answer

E-commerce transactions, in its widest sense, means business transactions conducted over a network, using computers and telecommunication. E-commerce is a method of transacting business and is not a transaction by itself. Such a method will involve electronic advertising, electronic sales and electronic delivery.

The issues involving e-commerce transactions are as follows:

(i) Traditional business rests squarely on the physical presence and delivery of goods, but e-commerce transcends geographical barriers.

(ii) Income out of an international transaction is subject to tax both in the Home State by virtue of “personal attachment” to the transfer and in the host State by virtue of “economic attachment” to the income itself. Thus, this gives rise to double taxation of the same income.

(iii) Tax treaties seek to tax profits on the basis of what is popularly known as “Permanent Establishment”. However, in the case of e-commerce transactions, no establishment is required across the border to carry on business.

(iv) Taxable jurisdiction of any country covers its national boundaries. E-commerce takes place through satellite and the server can be in any part of the globe and in all probability, in a tax haven country.

(v) For adopting the existing principles to e-commerce situations, there are two key areas:

(a) the extent to which a web-site can constitute a permanent establishment and how income may be attributed to it;

(b) the manner in which payments for digitized products are to be characterized.

The source rule of taxation embodied in section 9 will become increasingly difficult to apply and increasing emphasis would be given on the Residence Rule. Such a situation could spell diminishing revenues for developing countries, particularly in situations of technology transfers, where host States are generally developing countries.
Some key points

**Change of income-tax authorities [Section 129]**

(a) Where an income-tax authority succeeds another income-tax authority, then the succeeding income-tax authority may continue the proceedings from the stage at which the proceedings were left by his predecessor.

(b) The assessee can also demand that before continuance of the proceedings as in (a) above, the previous proceedings or any part thereof be reopened or be reheard before passing of any assessment order.

**Authorisation to Additional Director / Additional Commissioner / Joint Director / Joint Commissioner [Section 132]**

The authorization warrant issued by Additional Director/ Additional Commissioner / Joint Director / Joint Commissioner upto 30th September, 2009 are valid, whether or not they have been specifically empowered by the CBDT to issue such warrants.

However, with effect from 1st October, 2009, an Additional Director / Additional Commissioner/ Joint Director / Joint Commissioner can issue warrant of authorization only if he has been specifically empowered to do so by the CBDT.

**Question 1**

*Examine the correctness of the statement “that the jurisdiction of an Assessing Officer cannot be objected by the assessee”.*

**Answer**

According to section 124(3), the assessee can raise a question as to the jurisdiction of an Assessing Officer within the prescribed time limit as under:

(i) **where a return has been filed** under section 139(1) then, within one month from the date of service of notice under section 142(1) or section 143(2) or before the completion of assessment, whichever is earlier.

(ii) **where no return has been filed**, then, within the expiry of time allowed by the notice under section 142(1) or section 148 for filing the return or within the time allowed in show
cause notice issued seeking as to why a best judgment assessment under section 144 should not be made, whichever is earlier.

Where the assessee calls in question the jurisdiction of an Assessing Officer and the Assessing Officer is not satisfied with such claim, he shall refer the matter for determination by the Director General or Chief Commissioner or Commissioner before the assessment is made.

Therefore, in view of the above provisions, the statement that “the jurisdiction of an Assessing Officer cannot be objected by the assessee” is not correct.

**Question 2**

*The Assessing Officer issued notices under section 133 to four banks requiring particulars relating to a customer in a specific format duly verified in a prescribed manner. One of the banks refused to part with the information on the ground that the letter did not specify about any proceeding pending against the said customer under the Income-tax Act.*

**Answer**

*It is not necessary that any proceeding should be pending against the customer for the purpose of invoking section 133(6) of the Income-tax Act.* It is with a view to collecting information that power is given to an Assessing Officer under section 133(6) to issue notice requiring a banking company to furnish information in respect of such points or matters as may be useful or relevant to any enquiry or proceeding under the Act. **The second proviso to section 133(6) makes it clear that such information can be sought for even when no proceeding under the Act is pending; such power can be exercised even in case of an enquiry, the only safeguard being that before this power can be invoked by the Assessing Officer, the approval of the Director or the Commissioner, as the case may be, has to be obtained [Karnataka Bank Ltd. vs. Secretary, Government of India (2002) 255 ITR 508(SC)].**

The action of the Assessing Officer in this case is correct if he has obtained the prior approval of the Director or the Commissioner, as the case may be.

**Question 3**

*An Assessing Officer entered a hotel run by a person, in respect of whom he exercises jurisdiction, at 8 p.m. for the purpose of collecting information, which may be useful for the purposes of the Act. The hotel is kept open for business every day between 9 a.m. and 9 p.m. The hotelier claims that the Assessing Officer could not enter the hotel after sunset.*

*The Assessing Officer wants to take away with him the books of account kept at the hotel.*

*Examine the validity of the claim made by the hotelier and the proposed action of the Assessing Officer with reference to the provisions of section 133B of the Income-tax Act, 1961.*
Answer

Section 133B(2) of the Income-tax Act, 1961 empowers an income-tax authority to enter any place of business during the hours at which such place is open for the conduct of business. The hotel is open from 9.00 a.m. to 9.00 p.m. for the conduct of business. The Assessing Officer entered the hotel at 8.00 p.m. which falls within the working hours. The claim made by the hotelier to the effect that the Assessing Officer could not enter the hotel after sunset is not in accordance with law.

Section 133B(3) provides that an income tax authority acting under this section shall, on no account, remove or cause to be removed from the place wherein he has entered, any books of account. In view of this clear prohibition in section 133B(3), the proposed action of the Assessing Officer to take away with him the books of account kept at the hotel is not valid in law.

Question 4

In the course of search operations under section 132, a tax payer makes a declaration under section 132(4) on the earning of income not disclosed. Can that statement save the tax payer from a levy of penalty under section 271(1)(c)?

Answer

Explanation 5 to section 271(1)(c) providing immunity from concealment penalty in respect of search cases for the admission given in the statement recorded at the time of search under section 132(4) will not apply where the search is initiated on or after 01.06.2007.

The Finance (No.2) Act, 2009 has substituted Explanation 5A and therefore no immunity from concealment penalty could be obtained by making a statement / declaration under section 132(4) of the Act.

However, where penalty is proposed under section 271AAA, statement recorded at the time of search under section 132(4) would shield the assessee from levy of penalty. It may be noted that section 271AAA meant for imposition of penalty in respect of search cases is applicable from 01.06.2007 and could be imposed only for the previous year which has ended before the date of search and the due date for filing the return under section 139(1) had not expired before the date of search and the assessee has not filed return of income for the previous year before the said date.

In other words, section 271AAA penalty including its possible waiver could cover the previous year preceding the year of search and would not cover the earlier assessment years.

Question 5

State whether the information regarding possession of unexplained assets and income received from the Central Bureau of Investigation, a Government agency, can constitute “information” for action under section 132 of the Act. Discuss
Answer

As per section 132(1)(c), authorization for search and seizure can take place if the authority, in consequence of information in his possession, has reason to believe that any person is in possession of money, bullion, jewellery or other valuable article or thing and these assets represent, either wholly or partly, income or property which has not been, or would not be disclosed by such person for the purposes of this Act. In the absence of such information, a search cannot be validly authorized.

The Apex Court in *UOI v Ajit Jain* [2003] 260 ITR 80 has held that mere intimation by the CBI that money was found in the possession of the assessee, which according to the CBI was undisclosed, without something more, does not constitute “information” within the meaning of section 132, on the basis of which a search warrant could be issued. Consequently, the Supreme Court held that the search conducted on this basis and the (block) assessment made pursuant to such search as not valid.

**Question 6**

(a) In the course of search on 25.03.2011, assets were seized. State the procedure laid down to deal with such seized assets under the Act.

(b) The Director of Income-tax received information that Mr. X has unaccounted cash exceeding Rs.50 lakhs. Can the Director pass orders for seizure of the cash invoking his powers under section 131(1A)? Does the Director have any other course open to him for the seizure of cash?

**Answer**

(a) Section 132B of the Income-tax Act deals with the application of assets seized under section 132. Such assets will be first applied towards the existing liability under the Income-tax Act, Wealth-tax Act, Expenditure-tax Act, Gift-tax Act and the Interest-tax Act. Further, the amount of liability determined on completion of search assessment and in respect of which the assessee is in default or deemed to be in default, may be recovered out of such assets.

Where the nature and source of acquisition of such seized assets is explained to the satisfaction of the Assessing Officer, the amount of any existing liability mentioned in para 1 above may be recovered out of such asset and the remaining portion, if any, of the asset may be released, with the prior approval of the Chief Commissioner or Commissioner as the case may be. The release must be made within 120 days from the date on which the last of the authorisations for search was executed. The assets would be released to the person from whose custody they were seized.

When the assets consist of solely of money, or partly of money and partly of other assets, the Assessing Officer may apply such money in the discharge of the liabilities referred to in para 1 above and the assessee shall be discharged of such liability to the extent of the money so applied. However, the assets other than money may also be

---

20.4
applied for the discharge of such liabilities if the complete recovery could not be made from the money seized or the money seized was not sufficient.

(b) The powers under section 131(1A) deals with power of discovery and production of evidence. They do not confer the power of seizure of cash or any asset. The Director, for purposes of making an enquiry or investigation relating to any income concealed or likely to be concealed by any person or class of persons within his jurisdiction shall be competent to exercise powers conferred under section 131(1), which confine to discovery and inspection, enforcing attendance, compelling the production of books of account and other documents and issuing commissions. Thus, the power of seizure of unaccounted cash is not one of the powers conferred on the Director under section 131(1A).

However, under section 132(1), the Director has the power to initiate search proceeding by issuing search warrant and effect seizure through an authorized officer, if he has reason to believe that any person is in possession of any money which represents wholly or partly income which has not been disclosed. Therefore, the proper course open to the Director is to exercise his power under section 132(1) and authorise the officers concerned to enter the premises in which the cash is kept and seize the unaccounted cash.

Question 7

During the course of survey operations under Section 133A, carried on 5th March, 2011, the Income-tax authority, impounded the books of account and other documents inspected by him, relating to the assessee and retained the same in his custody. Is the action of the officer justified under law?

Answer

Section 133A empowers the Income-tax Authority to impound and retain in his custody, books of account or other documents inspected by him during survey subject to recording of reasons for so doing. However, such impounded books of account or other documents shall not be retained for more than 10 days (exclusive of holidays) without obtaining the approval of the Chief Commissioner or Director General as the case may be.

Hence, assuming that the above conditions are fulfilled, the action of the Income-tax authority is justified.

Question 8

The business premises of Ram Bharose Ltd. and the residence of two of its directors at Delhi were searched under section 132 of the Act by the DDI, Delhi. The search was concluded on 9.8.2010 and following were also seized besides other papers and records:

(i) Papers found in the drawer of an accountant relating to Shri Krishna Ltd., Mumbai indicating details of various business transactions. However, Ram Bharose Ltd. is not
having any direct or indirect connection of any nature with these transactions and Shri Krishna Ltd., Mumbai and its directors.

(ii) Jewellery worth Rs. 5 lacs from the bed room of one of the director, which was claimed by him to be of his married daughter.

(iii) Papers recording certain transactions of income and expenses having direct nexus with the business of the company for the period from 16.4.07 to date of search. It was admitted by the director that the transactions recorded in such papers have not been incorporated in the books.

You are required to answer on the basis of aforesaid and the provisions of Act, following questions:

(a) What action the DDI shall be taking in respect of the seized papers relating to Shri Krishna Ltd., Mumbai?

(b) Whether the contention raised by the director as to jewellery found from his bed-room will be acceptable?

(c) What presumption shall be drawn in respect of the papers which indicate transactions not recorded in the books?

(d) Proceedings for how many years shall now be taken up and within which time limit the assessment thereof be completed by the Assessing Officer?

(e) Can the company move an application for settlement of case as per Chapter XIX-A of the Act?

Answer

(a) The authorised officer being DDI, Delhi is not having any jurisdiction over Shri Krishna Ltd., Mumbai, and therefore as per section 132(9A), the papers seized relating to this company shall be handed over by him to the Assessing Officer having jurisdiction over Shri Krishna Ltd., Mumbai within a period of 60 days from the date on which the last of the authorisations for search was executed for taking further necessary action thereon.

(b) The contention raised by the Director will not be acceptable because as per the provisions of sub-section (4A)(i) of section 132, where any books of account, other documents, money, bullion, jewellery or other valuables are found in the possession or control of any person in the course of search, then, in respect thereof, it may be presumed that the same belongs to that person.

(c) As per section 132(4A), the presumptions in respect of the papers, indicating transactions not recorded in the books but having direct nexus with the business of the company, are that the same belong to the company, contents of such papers are true and the handwriting in which the same are written is/are of the persons(s) whose premises have been searched.
The search was conducted after 31.05.2003 and therefore, as per provisions of section 153A, the Assessing Officer will issue notices to the company to furnish the return of income in respect of each assessment year falling within six assessment years immediately preceding the assessment year relevant to the previous year in which the search is conducted. The date of search as 09.08.2010, notices for A.Y. 2005-06 to 2010-11 shall be issued by the Assessing Officer.

The assessment for six assessment years shall be completed (as per provisions of section 153B(1)(a) read with proviso) within a period of 21 months from the end of the financial year in which the last of the authorisation for search was executed. Therefore, the assessment for the six assessment years shall be required to be completed by the Assessing Officer by 31.12.2012 as the search was concluded on 09.08.2010.

The Finance Act, 2010 has inserted clause (iii) in the proviso to section 245A w.e.f. 01.06.2010. Consequent to the change of law, the assessee can approach the Settlement Commission at any time after the date of issue of notice under section 153A or section 153C initiating the assessment proceedings. Therefore, an application can be made to the Settlement Commission where search has been initiated under section 132 followed by assessment under section 153A or section 153C from 01.06.2010.

The Finance Act 2010 has inserted proviso to section 245C(1) to prescribe the monetary limit for making application for settlement of cases. In respect of search cases, the additional amount of income-tax payable on the income disclosed in the application must exceed Rs.50 lakhs so that application for settlement of the case is eligible for admission.

Question 9

Cash of Rs.25 lacs was seized on 12.9.2010 in a search conducted as per section 132 of the Act. The assessee moved an application on 27.10.10 to release such cash after explaining the sources thereof, which was turned down by the department. The assessee seeks your opinion on, the following issues:

(i) Can the department withhold the explained money?

(ii) If yes, then to what extent and upto what period?

Answer

The proviso to section 132B(1)(i) provides that where the person concerned makes an application to the Assessing Officer, within 30 days from the end of the month in which the asset was seized, for release of the asset and the nature and source of acquisition of the asset is explained to the satisfaction of the Assessing Officer, then, the Assessing Officer may, with the prior approval of the Chief Commissioner or Commissioner, release the asset after recovering the existing liability under the Income-tax Act, Wealth-tax Act etc. out of such asset. Such asset or portion thereof has to be released within 120 days from the date on which the last of the authorizations for search under section 132 was executed.
In this case, since the application was made to the Assessing Officer within the 30 day period the amount of existing liability may be recovered out of the asset and the balance may be released within 120 days from the date on which the last of the authorizations for search under section 132 was executed.

**Note** - It may be noted that one of the conditions mentioned above for release of an asset is that the nature and source of acquisition of the asset should be explained to the satisfaction of the Assessing Officer. However, in this case, it has been given that the assessee's application for release of the asset, explaining the sources thereof, was turned down by the Department. It is possible to take a view that the application was turned down by the Department due to the reason that it was not satisfied with the explanation given by the assessee as to the nature and source of acquisition of the asset. In such a case, the above condition is not satisfied, and the asset (namely, cash) cannot be released.
Recent amendments

Alternate dispute resolution mechanism [Section 144C]

The Finance (No.2) Act, 2009 has introduced reference to Dispute Resolution Panel by eligible assesses. Following are the salient features of the section.

(1) The Assessing Officer shall forward a draft of the proposed order of assessment to eligible assessee if he proposes to make any variation in the income or loss returned, which is prejudicial to the interest of the assessee. It is applicable in respect of any draft order made on or after 01.10.2009.

(2) On receipt of the draft order, the assessee shall within 30 days file his acceptance of the variations to the Assessing Officer or file his objections to such variation with (i) the Dispute Resolution Panel; and (ii) the Assessing Officer.

(3) The Assessing Officer shall complete the assessment on the basis of the draft order if the assessee intimates the acceptance of the variation or no objection was received within the period of 30 days from the date of receipt of draft order by the assessee.

(4) The Assessing Officer shall pass an order within one month from the end of the month in which the acceptance of the assessee is received for variation or the period for filing objection mentioned herein before has expired.

(5) Where the assessee has objected to the variation proposed in the draft order by the Assessing Officer, the Dispute Resolution Panel shall issue such directions, as it thinks fit, for the guidance of the Assessing Officer to enable him to complete the assessment.

(6) The Dispute Resolution Panel shall issue the direction referred to above after considering the following namely – (a) draft order; (b) objections filed by the assessee; (c) evidence furnished by the assessee; (d) report if any, of the Assessing Officer, Valuation Officer or Transfer Pricing Officer or any other authority; (e) records relating to the draft order; (f) evidence collected by or caused to be collected by it ; and (g) result of any enquiry made by, or caused to be made by, it.

(7) The Dispute Resolution Panel before issuing any direction shall make such further enquiry, as it may think fit or cause any further enquiry to be made by any income-tax authority and report the result of the same to it.
(8) The Dispute Resolution Panel may confirm, reduce or enhance the variations proposed in the draft order and it shall not set aside any proposed variation or issue any direction to the Assessing Officer for further enquiry and passing of the assessment order.

(9) If the members of the Dispute Resolution Panel defer in opinion on any point, the point shall be decided accordingly to the opinion of the majority of the members.

(10) Every direction issued by the Dispute Resolution Panel shall be binding on the assessing officer.

(11) If any direction is prejudicial to the interest of the assessee or interest of the revenue, then, the same can be issued only after an opportunity of being heard is given to the assessee or the Assessing Officer, as the case may be.

(12) Such direction has to be issued within 9 months from the end of the month in which the draft order is forwarded to the eligible assessee.

(13) Upon receipt of such direction, the Assessing Officer has to complete the assessment in accordance with the same, within one month from the end of the month in which the direction is received. There is no requirement of providing any further opportunity of being heard to the assessee.

(14) The CBDT is empowered to make rules for the efficient functioning of the Dispute Resolution Panel and speedy resolution of the objections filed by the eligible assessee.

(15) ‘Eligible assessee’ means (i) any person in whose case such variation arises as a consequence of the order of the Transfer Pricing Officer passed under sub-section (3) of section 92CA; and (ii) any foreign company.

Question 1

Is the Assessing Officer empowered to assess or reassess an income which is chargeable to tax and has escaped assessment, in a case which is pending before the Appellate Tribunal? Discuss.

Answer

As per second proviso in section 147 the Assessing Officer may assess or reassess an income which is chargeable to tax and which has escaped assessment, other than the income involving matters which are the subject matter of any appeal, reference or revision. Therefore, in respect of income involving the matters which are the subject matter of an appeal, it is not possible for the Assessing Officer to initiate proceeding under section 147.

Question 2

A search was conducted under section 132 in the business premises of Harish on 15th December, 2010. At that time, assessments under section 143(3) for assessment years 2008-
Assessment Procedure

09 and 2009-10 and reassessment proceeding under section 147 for assessment year 2007-08 were pending before the Assessing Officer.

(i) What are the assessment years for which notice can be issued for making post-search assessment?

(ii) What would be the fate of pending assessments and reassessment?

(iii) What would be the effect, if the post-search assessment orders are annulled by the Income-tax Appellate Tribunal?

Answer

(i) The notice under section 153A can be issued for six assessment years preceding the assessment year relevant to the previous year in which the search is conducted. In this case, the search is conducted in the previous year 2010-11, the relevant assessment year for which is A.Y.2011-12. Therefore, notice can be issued for the six preceding assessment years i.e. for assessment years 2005-06 to 2010-11.

(ii) As per section 153A, the assessment or reassessment relating to any assessment year, falling within the above period of six assessment years, pending on the date of initiation of the search under section 132, shall abate. In other words, they will cease to be applicable. Therefore, the assessments under section 143(3) for assessment years 2008-09 and 2009-10 and the reassessment proceeding under section 147 for assessment year 2007-08 shall abate.

(iii) Section 153A provides that where the post-search assessment order is annulled in any appeal or any other legal proceeding, the abated assessment and reassessment proceedings shall stand revived. Therefore, the assessments under section 143(3) relating to assessment years 2008-09 and 2009-10 and the reassessment proceeding relating to assessment year 2007-08, which abated on initiation of search, shall stand revived.

Question 3

Mr. X filed the return of A.Y.2009-10 declaring an income of Rs.3,25,000. He had been assessed under section 143(3) and the Assessing Officer made the following additions:

(i) Unexplained cash credit for want of confirmation from creditors Rs.2,00,000.

(ii) Disallowance in respect of travelling expenditure of Rs.46,000 for tour to Chennai for effecting sales there, as Mr. X failed to establish that the expenditure had been incurred for the purpose of business.

At a later stage, he has been served with a notice under section 148 for income escaping assessment in respect of A.Y. 2009-10. During the course of reassessment proceeding, the Assessing Officer sought to add unaccounted sales of Rs.4,00,000 made at Chennai.

During the course of hearing, the assessee produced confirmation from creditors and requested to delete the addition for unexplained cash credit of Rs.2,00,000 and to allow
deduction of travelling expenditure of Rs.46,000. Discuss the validity of the contention raised by the assessee.

Answer

Where reassessment is made under section 147 in respect of income which had escaped tax, the Assessing Officer’s jurisdiction is not only confined to such income which has escaped tax but also extends to reconsidering the whole assessment.

However, the law does not permit the assessee to reagitante questions which had been decided in original assessment proceedings, unless relatable to an item sought to be taxed as “escaped income”[CIT v. Sun Engineering Works (P) Ltd. [1992] 198 ITR 297(SC)]. Therefore, considering the Supreme Court decision in the above case, the assessee cannot seek a review of a concluded item, i.e., unexplained cash credit, which is unconnected with escaped income. However, request for allowing traveling expenditure can be considered because it is relatable to income which is sought to be assessed as escaped income i.e., unaccounted sales effected in Chennai.

Question 4

Does the Assessing Officer have power to make any adjustment to income disclosed by the assessee in the return of income in course of processing the return under section 143(1)?

Answer

As per section 143(1), the total income or loss of an assessee shall be computed after making the following adjustments to the returned income:

(i) any arithmetical error in the return; or

(ii) an incorrect claim, if such incorrect claim is apparent from any information in the return.

For the purpose of section 143(1), “an incorrect claim apparent from any information in the return” means such claim on the basis of an entry, in the return of income:

(i) if an item, which is inconsistent with another entry of the same or some other item in such return;

(ii) in respect of which, the information required to be furnished under the Income-tax Act to substantiate such entry, has not been so furnished;

(iii) in respect of a deduction, where such deduction exceeds specified statutory limit which may be expressed as monetary amount or percentage or ratio or fraction.

Thus, the Assessing Officer, in course of processing the return of income under section 143(1), has the power to make the above adjustments to the income disclosed by the assessee in the return.

Question 5

The assessee had failed to deposit the amount of tax under section 140A amounting to Rs.10,000 but filed his return of income in time. The Assessing Officer, besides charging of interest as per section 234B and section 234C, also issued show cause notice to levy a...
Assessment Procedure

penalty of Rs.2,000. The assessee claimed that there is no provision in the Act to impose penalty for non-payment of tax under section 140A.

Answer

The failure on the part of the assessee to pay the whole or any part of the self-assessment tax under section 140A of the Income-tax Act makes him an assessee-in-default within the meaning of section 140A(3). The Assessing Officer can levy a penalty on the assessee-in-default by virtue of provisions of section 221(1) of the Income-tax Act and the maximum penalty which can be levied upon the assessee is to the extent of amount of tax remaining unpaid. Therefore, the issue of show cause notice levying a penalty of Rs.2,000 on the assessee, for non-payment of self-assessment tax of Rs.10,000 under section 140A, is in order.

Question 6

Tai Ltd. filed its return of income for assessment year 2010-11 on 6th June, 2010. The return is selected for regular assessment under section 143(3) for which notice under section 143(2) is served on the company on 3rd October, 2011. The company responded to the notice under section 143(2). State whether the service of the notice is within time and if not, whether the assessment order can be challenged by the assessee.

Answer

The time limit for service of notice under section 143(2) is six months from the end of the financial year in which the return of income was furnished by the assessee. The return of income for assessment year 2010-11 was filed by the assessee on 6th June, 2010. Therefore, the notice under section 143(2) has to be served by 30th September, 2011. However, the notice was served on the assessee only on 3rd October, 2011. Hence the notice issued under section 143(2) is time-barred.

However, as per section 292BB, where an assessee had appeared in any proceedings or co-operated in any enquiry relating to an assessment or reassessment, it shall be deemed that any notice required to be served upon him, has been duly served upon him in time in accordance with the provisions of the Act and such assessee shall be precluded from raising any objection in any proceeding or enquiry that the notice was (a) not served upon him or (b) not served upon him in time or (c) served upon him in an improper manner. However, the above provision shall not be applicable where the assessee has raised such objection before the completion of such assessment or reassessment. Therefore, in the instant case if the assessee, Tai Limited, had raised an objection to the proceeding, on the ground of non-service of the notice under section 143(2) upon it on time, then the validity of the assessment order can be challenged. In absence of such objection, the assessment order cannot be challenged.
Question 7

The assessment was made under section 143(1) for assessment year 2007-08. The assessee has received a notice under section 148 on 6th April, 2010 for reopening of assessment. Can the assessee challenge the legality of the notice on the ground of change of opinion?

Answer

Under the scheme of section 143(1), only the adjustments relating to any arithmetical error in the return and incorrect claim which is apparent from any information in the return are permitted. In short, what is permissible is only correction of errors apparent on the basis of the return filed. Thus, while making the adjustments under section 143(1), the Assessing Officer has no power to go beyond the information given in the return and make any allowance or disallowance. Therefore, the intimation given under section 143(1) cannot be treated as an order of assessment. Hence, there being no assessment under section 143(1), the question of change of opinion does not arise.

Therefore, the assessee cannot challenge the legality of the notice issued under section 148 reopening the assessment on the ground of change of opinion in a case where no assessment is made under section 143(3), but only an intimation is issued under section 143(1). This inference is supported by the Supreme Court ruling in ACIT vs. Rajesh Jhaveri Stock Brokers P. Ltd. (2007) 291 ITR 500.

Question 8

Discuss the correctness or otherwise of the following proposition in the context of the Income-tax Act, 1961:

A fresh claim before the Assessing Officer can be made only by filing a revised return and not otherwise.

Answer

This proposition is correct. A return of income filed within the due date may be revised by filing a revised return under section 139(5) where the assessee finds any omission or wrong statement in the original return subject to satisfying other conditions. There is no provision in the Income-tax Act to make changes or modification in the return of income by filing a letter. In a case where a return of income has been filed within the due date, the only option available to the assessee to make an amendment to such return is by way of filing a revised return under section 139(5). Therefore, a fresh claim can be made before the Assessing Officer only by filing a revised return and not otherwise. The Supreme Court in Goetze (India) Ltd. vs. CIT (2006) 284 ITR 323 has held that there was no provision in the Income-tax Act to allow an amendment in the return of income filed except by way of filing a revised return.

Question 9

The Assessing Officer within the powers vested in him under section 142(2A), while examining the accounts of PNF Ltd., had ordered to get the same audited. The company challenges this
Assessment Procedure

order on the ground “that the opportunity was not provided to them by the Assessing Officer prior to passing of such an order”. Decide the correctness of the action of the Assessing Officer.

Answer

As per proviso to section 142(2A) the Assessing Officer shall not direct the assessee to get the accounts so audited unless the assessee has been given a reasonable opportunity of being heard.

Therefore, in this case, the order of the Assessing Officer is not valid since the assessee was not given an opportunity of being heard prior to passing of such order.

Question 10

Smt. Kanti engaged in the business of growing, curing, roasting and grounding of coffee after mixing chicory had a total income of Rs.4,80,000 from this business which was her only source of income during the year ended on 31.3.11. She consults you to have an opinion whether she is required to file return of income for the Asst. Year 2011-12 as per provisions of section 139(1) of the Act.

Answer

The clarification regarding filing of return of income by the coffee growers being individuals covered by Rule 7B of the Income tax Rules, 1962 is given in Circular No.10/2006 dated 16.10.06. According to Rule 7B, an individual deriving income from growing, curing, roasting and grounding of coffee with or without mixing chicory, would not be required to file the return of income if the aggregate of 40% of his or her income from growing, curing, roasting and grounding of coffee with or without mixing chicory and income under all other sources liable to tax in accordance with the provisions of this Act, is equal to or less than the basic exemption limit prescribed in the First Schedule of the Finance Act of the relevant year.

In this case, Smt. Kanti has a total income of Rs.4,80,000 from this business, which was her only source of income for P.Y.2010-11. 40% of her total income works out to Rs.1,92,000, which is more than the basic exemption limit of Rs.1,90,000 in respect of resident women assessee. Therefore, Smt. Kanti is required to file a return of income for the A.Y.2011-12 as per the provisions of section 139(1).

Question 11

Ram, an individual, filed his return of income for the assessment year 2010-11 on 15.6.2010. He later discovered that he had not claimed deduction under section 80-C in the said return. He claimed the said deduction through a letter addressed to the Assessing Officer. The Assessing Officer completed the assessment without allowing the deduction claimed by Ram. Is the Assessing Officer justified in doing so?
Direct Tax Laws

Answer

The Supreme Court has, in Goetze (India) Ltd. v. CIT (2006) 284 ITR 323, ruled that the assessing authority has no power to entertain a claim for deduction made after filing of the return of income otherwise than by way of a revised return. In the instant case, Ram has claimed the deduction under section 80C, which he omitted to claim in the original return of income, through a letter addressed to the Assessing Officer and not by filing a revised return under section 139(5). In view of the decision of the Supreme Court cited above, the Assessing Officer was justified in completing the assessment without allowing the deduction under section 80C.

Question 12

X, an individual, has got his books of account for the year ending 31.3.2011 audited under section 44AB. His total income for the assessment year 2011-12 is Rs.1,90,000. He desires to know if he can furnish his return of income for the assessment year 2011-12 through a Tax Return Preparer.

Answer

Section 139B provides for submission of return of income through Tax Return Preparers. It empowers the Central Board of Direct Taxes (CBDT) to frame a scheme for the purpose of enabling any specified class or classes of persons to prepare and furnish their returns of income through Tax Return Preparers. Specified class or classes of persons have been defined to mean any person, other than a company or a person whose accounts are required to be audited under section 44AB or under any other existing law, who is required to furnish a return of income under the Act. Thus, companies and persons whose accounts are liable for tax audit under section 44AB do not fall within the definition of 'specified class or classes of persons' and consequently, cannot furnish their returns of income through Tax Return Preparers. In the instant case, the books of account of X for the year ending 31.3.2011 have been audited under section 44AB. As such, he cannot furnish his return of income for the assessment year 2011-12 through a Tax Return Preparer.

Question 13

T, an individual, filed his return of income for the assessment year 2011-12 on 15.6.2011 declaring a total income of Rs.1,20,000. He later discovered that he had not claimed a particular deduction amounting to Rs.2,10,000 while computing his business income in the said return. He filed a revised return on 3.1.2012 declaring a total loss of Rs.90,000. The Assessing Officer proposes to disallow the claim of T for carry forward of the business loss amounting to Rs.90,000 for the reason that the revised return declaring loss for the first time was filed beyond the time prescribed under section 139(3). Examine the validity of the proposed action of the Assessing Officer.
Answer

T has filed his original return of income for the assessment year 2011-12 within the due date specified in section 139(1). Section 139(5) empowers an assessee, who discovers any omission or wrong statement in the return filed by him under section 139(1), to file a revised return before the expiry of one year from the end of the relevant assessment year or before the completion of the assessment, whichever is earlier. T, having discovered an omission to claim a particular deduction in the return filed by him under section 139(1), has filed a revised return within the time prescribed under section 139(5). A revised return has the effect of replacing the original return and relates back to the date of the original return. Thus, where a return was filed under section 139(1) declaring income and later it was revised declaring a loss, the loss shall be allowed to be carried forward as the revised return shall substitute the original return which was filed within time. There is no bar on filing a revised return showing loss for the first time. Therefore, the proposed action of the Assessing Officer to deny the benefit of carry forward of business loss to T is not valid in law. [CIT v. Periyar District Cooperative Milk Producers Union Ltd (2004) 266 ITR 705 (Mad)].

Question 14

Can an order of assessment, which was in accordance with the law as it stood on the date when it was passed, be rectified by the Assessing Officer under section 154 of the Income-tax Act, 1961, on account of a subsequent amendment of the law with retrospective effect?

Answer

An order of assessment, which was in accordance with the law as it stood on the date when it was passed, becomes erroneous on account of a retrospective amendment of the law made subsequently. Such an order falls within the scope of section 154. The Supreme Court has, in IAC of Agricultural I.T. v. V.K. Ravi Namboodiripad (1974) 96 ITR 73, held that an assessment based on the law as it stood on the date of assessment could be rectified after an amendment of the law with retrospective effect within the period of limitation. In CIT v. E. Sefton & Co. (P.) Ltd. (1989) 179 ITR 435, the Calcutta High Court observed that if the assessment order is plainly and obviously inconsistent with the specific and clear provision as amended retrospectively, indisputably there is a mistake apparent from record. In the light of the retrospective amendment, the assessment order had to be revised. In view of this, it can be said that the Assessing Officer can, under section 154 of the Income-tax Act, 1961, rectify the order of assessment in the light of the later amendment of the law with retrospective effect, subject to limitation provided under sub-section (7) of section 154.

Question 15

State whether the following persons have to mandatorily furnish their return of income for the assessment year 2011-12.
Direct Tax Laws

(i) Mr. Ashok, an individual, aged 50 years, whose gross total income before deduction under section 80C is Rs.2,60,000 and total income after deduction under section 80C and section 80D is Rs.1,05,000.

(ii) M/s. XYZ, a firm, which has incurred a loss.

Answer

(i) The fourth proviso to section 139(1) requires every person, whose total income without giving effect to the provisions of section 10A, 10B, 10BA and Chapter VIA exceeds the maximum amount not chargeable to tax, to compulsorily furnish the return of income for the relevant assessment year on or before the due date. The gross total income of Mr. Ashok before deduction under section 80C exceeds the basic exemption limit of Rs.1,60,000 and therefore, Mr. A has to furnish his return of income for the assessment year 2011-12.

(ii) It is compulsory for firms to furnish their returns of income and loss on or before the due date. Therefore, M/s XYZ has to furnish its return of loss for the assessment year 2011-12 on or before the due date.

Question 16

EIH Private Ltd’s assessment for assessment year 2005-06 was completed under Section 143(3) on 31st August, 2006. The company went in appeal to the Commissioner (Appeals) and the appeal was decided on 16th August, 2007 and the appeal effect was duly given by the Assessing Officer on 25th August, 2007. Thereafter, on 1st September, 2011 the Assessing Officer noticed a mistake in calculation of depreciation on a particular block of assets, which reduced the income excessively by Rs.1.10 lakh. The Assessing Officer issued notice under section 154 for the purpose of rectifying the mistake. Is such rectification permissible?

Answer

Any rectification order under section 154 has to be passed within 4 years from the end of financial year in which the order sought to be amended was passed. Order sought to be amended does not necessarily mean the original order. It could be any order including the amended or rectified order. Where any matter has been considered and decided in any proceeding by way of appeal or revision, the authority passing such order may amend the order in relation to any matter other than the matter which has been so considered and decided.

For subsequent rectification, the time limit of 4 years shall be from the end of the financial year in which the earlier rectification order was passed. [Hind Wire Industries Ltd vs. CIT (1995) 212 ITR 639 (SC)]. In the given case, the time limit of 4 years has to be reckoned from the end of the financial year in which the order giving effect to the CIT(Appeal)’s decision was passed. Therefore, the rectification order can be passed by the Assessing Officer at any time before expiry of 4 years from the end of the financial year 2007-08 i.e. on or before 31st
March, 2012. In this case, the mistake was noticed by the Assessing Officer on 1st September, 2011, for which he issued notice under section 154 for rectifying the mistake. Such rectification is permissible as the time limit of 4 years expires only on 31st March, 2012.

**Question 17**

A company submitted the return of income for assessment year 2009-10 on 10th October, 2009. The Assessing Officer served a notice u/s 143(2) on the company on 14th August, 2010 in order to make assessment under section 143(3). Thereafter, on 1st September, 2010, the Assessing Officer issued intimation under section 143(1). Such intimation shows a demand for Rs.10,500 towards tax and interest. The company argues that the issue of intimation under section 143(1) is bad in law. Discuss.

**Answer**

This issue came up before the Apex Court, in CIT v. Gujarat Electricity Board (2003) 260 ITR 84. The Supreme Court held that once regular assessment proceedings have commenced under section 143(2) of the Income-tax Act, 1961, it is a limitation on the jurisdiction of the Assessing Officer to commence proceedings under section 143(1)(a) of the Act. Section 143(1)(a) of the Act enacts a summary procedure for quick collection of tax and quick refunds. Under the scheme, if there is a serious objection to any of the orders made by the Assessing Officer determining the income, it is open to the assessee to ask for rectification under section 154. It is not open to the Revenue to issue intimation under section 143(1)(a) of the Income-tax Act, 1961, after notice for regular assessment is issued under section 143(2). The Legislature intended that where the summary procedure under section 143(1) has been adopted, there should be scope available for the Revenue, either suo moto or at the instance of the assessee, to make a regular assessment under section 143(2). However, the converse is not available. A regular assessment proceeding having been commenced under section 143(2), there is no need nor is it possible for a summary proceeding under section 143(1)(a).

**Question 18**

(a) J filed a return of income for the Assessment Year 1999-2000, in due time disclosing a total income of Rs.4 lakhs. The taxes due on the income were covered by taxes deducted at source, advance tax and self-assessment tax.

The return was taken for scrutiny by the Assessing Officer, who made large additions to the income disclosed by J. On appeal, the High Court set aside the order of assessment and directed a fresh assessment to be made after hearing the parties. The court order had become final since neither party had preferred an appeal against it.

The Assessing Officer did not make any fresh assessment with the result that the assessment became barred by time.
J has filed a petition that since no assessment of his income had been made by the Assessing Officer, the entire taxes paid, including the pre-assessment payments, must be refunded to him.

Is he justified in making this claim? Discuss.

(b) An assessment was completed by the Assessing Officer under section 143(3) on the basis of return submitted and other information furnished by the assessee. The Assessing Officer accepted the cost of the land after waiting for a reasonable period for report of the valuation officer to whom a reference was made. Subsequent to receiving the report from the valuer, it revealed that there was a variation by about Rs.3.00 lacs. On the basis of this valuation report, the Commissioner issued notice under section 263 to set aside the completed assessment.

Justify the action of the Commissioner.

(c) M filed return of income for Assessment Year 2009-10 claiming a refund of Rs.45,000. The said refund was granted and paid to the assessee on 1st March, 2010 after processing the return under section 143(1). Later on, the case was taken up for regular assessment by issue of notice under section 143(2) and the said assessment was completed on 16th August, 2011 resulting in demand of Rs.2500. Is the assessee liable to pay interest on the amount of refund already granted to him?

Answer

(a) The Gujarat High Court held, in Saurashtra Cement and Chemical Industries Ltd. v. ITO (1992) 194 ITR 659, that the liability to pay income-tax arose under section 4(1) of the Act and did not depend upon an assessment order being made by the Assessing Officer. It depends upon the enactment of the annual Finance Act laying down the rates of taxation for the relevant assessment year. Thus, as soon as the rates are prescribed, the liability to pay tax crystallizes.

On filing of return under section 139, the provisions of section 140A also get activated, since if any taxes over and above those paid by way of advance tax and tax deducted at source remain, payment has to be made under section 140A before a valid return of income could be filed by an assessee. Payment of pre-assessment taxes does not depend on an assessment being made by the Assessing Officer.

In the present case, J had paid taxes on the basis of his own declaration of income. J’s primary liability under section 4 of the Act is not absolved merely due to absence of a formal assessment. As decided by the Supreme Court in CIT v. Shelly Products (2003) 261 ITR 367, pre-assessment taxes paid on the basis of admitted income do not become refundable in the absence of an assessment. Hence J’s contention is incorrect.

(b) As per the facts of the case, the Assessing Officer completed the assessment before the valuation report was received. The valuation report was received subsequent to completion of the assessment. However, it may be noted that the said report forms part of the ‘record’, which the Commissioner may call for and examine under section 263(1).
A perusal of the valuation report revealed a variation of Rs.3 lakhs and to that extent it can be said that the order of the Assessing Officer was prejudicial to the interests of Revenue and also erroneous. The Commissioner is absolutely justified in issuing notice u/s 263 since the term "record" used in the said section includes all the records available at the time of examination by the Commissioner even though such records may not have been available at the time of regular assessment. This view was upheld by the Supreme Court in CIT v. Shree Manjunathesware Packing & Camphor Works (1998) 231 ITR 335.

(c) As per section 234D, where any refund is granted to the assessee after processing the return u/s 143(1) and later on, in the regular assessment there is no refund due or the amount refunded exceeds the amount refundable, the assessee shall be liable to pay simple interest at ½% for every month or part of a month from the date of grant of refund to the date of such regular assessment on the whole or the excess amount so refunded.

In this case, the assessee was granted refund after processing the return u/s 143(1) and upon regular assessment u/s 143(3) it was found that nothing is refundable and the assessee had to pay Rs.2,500 towards taxes. The assessee hence has to pay interest @ 1/2% per month or part of a month on the refund granted of Rs.45,000 from the date of grant of refund to the date of regular assessment.

Question 19
On whom and when does section 139(4C) cast responsibility to file a return of income. What will be the effect of failure to comply with the provisions of this section?

Answer
Section 139(4C) applies to -
(i) Research Association referred to in section 10(21).
(ii) News agency referred to in section 10(22B)
(iii) Association or institution referred to in section 10(23A) or 10(23B).
(iv) Fund or institution or trust or university or educational institution or any hospital or medical institution referred to in section 10(23C) and
(v) Trade union referred to in section 10(24)

These entities shall furnish their return of income if their total income without giving effect to the provisions of section 10, exceeds the maximum amount which is not chargeable to tax.

Failure to comply with the provisions of section 139(4C) will attract penalty under section 272A(2)(e) equal to Rs.100 for each day during which the default continues.

Question 20
M/s Shiv Traders, a partnership firm sustained business loss of Rs.2 lakhs, inclusive of admissible depreciation of Rs.1.15 lakhs (u/s 32 of I.T. Act) for the year ended 31.3.2010. The firm did not file its return for that year. The Assessing Officer issued a notice u/s 142(1) on 1st
March, 2011, in compliance to which the firm filed its return for the said year declaring the loss of Rs.2 lakhs, and sought carry forward for next year. Is the firm’s claim justified?

Answer

M/s. Shiv Traders failed to file its return of loss within the time allowed under section 139(3) and the same was filed by it in response to notice u/s 142(1). The provisions of section 80 read with section 139(3) clearly specify that the return filed by the assessee in response to notice u/s 142(1) is a belated return and therefore, the benefit of carry forward of business loss shall not be available. However, the assessee shall be entitled to carry forward the unabsorbed depreciation of Rs.1.15 lakhs as per provisions of section 32(2) of the Act. The unabsorbed depreciation shall be added to the depreciation allowance of the following previous year and will be deemed to be part of that allowance of that previous year.

Question 21

(a) In an order of assessment for the A.Y. 2009-10, the assessee noticed a mistake for which application u/s 154 was moved and the order was rectified. Subsequently, the assessee moved further application for rectification u/s 154 which was rejected by the Assessing Officer on the ground that the order once rectified cannot be rectified again. Is the contention of the Assessing Officer correct?

Answer

(a) It has been held by the Hon’ble Apex Court in the case of Hind Wire Industries Ltd. v. CIT (1995) 212 ITR 639 that the order once amended can also be rectified subsequently provided the mistake apparent from record is rectifiable u/s 154. The Apex Court enlarged the scope of the words used in that section by stating that it does not necessarily mean the original order. It could be any order including the amended or rectified order. The action of the Assessing Officer is therefore, incorrect.

(b) The return for A.Y.2009-10 was filed on time as per Section 139(1). The assessee during the course of assessment proceedings u/s 143(2), noticed certain omissions and therefore filed a revised return on 18.4.2011. The Assessing Officer ignoring the revised return so filed framed the order on 27.4.2011. Is the action of Assessing Officer correct?

Answer

(b) The original return was filed in time and the proceedings were already taken up for assessment u/s 143(2). The revised return filed by the assessee and it was not given cognizance and the action of the Assessing Officer in making the assessment in disregard of the revised return filed is correct because as per the provisions of section 139(5) the assessee can file the revised return only within a period of one year from the end of the relevant assessment year to which the return relates or before completion of the assessment, whichever is earlier.

In this case, the time limit of one year from the relevant assessment year had already expired and the assessee is not eligible to file a revised return. If at all a revised return
is filed, the Assessing Officer may ignore that return and proceed further. Hence, the action of the Assessing Officer is correct.

Question 22

Briefly discuss the concept of accelerated assessment applicable to Association of persons/body of individuals for the assessment year 2011-12.

Answer

Section 174A provides for accelerated assessments in cases of certain Association of Persons (AOP), Body of Individuals (BOI) & Artificial Juridical Persons. If such AOP, BOI etc. is formed or established for a particular event or purpose and the Assessing Officer, apprehends that the AOP/BOI is likely to be dissolved in the same year or in the next year before completion of assessment in the normal course, the Assessing Officer may make an assessment of the income upto the date of dissolution as income of the relevant assessment year even without waiting for the end of the previous year or filing of return by the assessee. This provision is on the same basis as contained in section 174 which deals with accelerated assessment of persons leaving India. The provisions of sub-section (2) to (6) of section 174 shall, so far as may be, apply to any proceedings in the case of any such person (AOP, BOI etc.) as they apply in the case of persons leaving India.

Question 23

Can the Assessing Officer complete the assessment under section 144 of the Income-tax Act, 1961 even though there is no failure on the part of the assessee under Section 139(1), (4), (5), 142(1), 142(2A) or 143(2) of the Act? If so, what are the situations?

Answer

As per section 144, the Assessing Officer is empowered to make an assessment of the total income to the best of his judgment when there are failures on the part of the assessee under sections 139(1), 139(4) and 139(5) or sections 142(1), or 142(2A) or 143(2).

The Assessing Officer can exercise this power legally in other situations contemplated under section 145 of the Act and he may make the assessment in the manner provided in section 144 of the Act. Such power is, however, optional and may be exercised in the following situations:

1. Where the Assessing Officer is not satisfied about the correctness or completeness of the accounts of the assessee;
2. Where the method of accounting has not been regularly followed by the assessee;
3. Where the Accounting Standards notified by the Central Government under section 145(2) of the Act have not been regularly followed by the assessee.
Question 24

*What do you understand by the expression Protective Assessment? Illustrate your answer with an example.*

**Answer**

Under the Income-tax Act, 1961, clubbing provisions enable the Assessing Officer to tax the income of a person in another person’s hands under certain circumstances. However, the same income cannot be taxed in the hands of two persons under the law. When the ownership of the income is in dispute or is a matter of doubt, it is open to the Assessing Officer to assess a particular income in the case of the person who is considered as liable to tax and include the same income in the case of another person also as a protective measure. Such an assessment is known as protective assessment.

For example, Mrs. A files her return of income showing a business income of Rs.2 lakhs, and if the Assessing Officer is of the view that said income belongs to her husband, Mr. A. The Assessing Officer can assess the sum of Rs.2 lakhs in the hands of Mr. A and shall proceed to assess the same amount in the hands of Mrs. A also in a protective basis.

Protective assessment is made to ensure that when the issue is finally settled, the assessment of such income is not barred by time limitation. When the issue is finally settled in appeal or otherwise, only one assessment will stand and the other one will be cancelled automatically.

Question 25

*Distinguish the correctness of the proposition that ‘assessment reopened under section 147 cannot be dropped’*

**Answer**

The proposition is not correct. Under section 152(2), where the assessment is reopened under section 147, an assessee may claim that the proceedings be dropped for the following reasons -

(a) He had been assessed on an amount or to a sum not lower than what he would be rightly liable for even if the income alleged to have escaped assessment had been taken into account; or

(b) His assessment or computation had been properly made and he has not impugned any part of the original assessment order for that year either under sections 246 to 248 or under section 264.

It may be noted that in a reassessment proceeding, the assessee is not eligible to reopen matters concluded by an order under sections 154 or 155 or 260 or 262 or 263.
Question 26

A return of income was filed within the statutory time provided under the Act, without making the payment of self assessment tax due as per return. The same was paid before completion of assessment. The Assessing Officer wants to declare the return as invalid. Is the Assessing Officer justified?

Answer

Section 140A directs the assessee to pay self assessment tax and interest due and enclose the proof of such payment along with the return. Still if a return is furnished without proof of payment of taxes, it has to be accepted and treated as a return. At the best it can be treated as a defective return.

Sub-section (3) of section 140A says that the assessee to be treated as an assessee in default for non payment of self assessment tax.

Hence, while the return is to be treated as defective, the application of section 140A(3) may also be pressed into service. A defective return is considered invalid only when the assessee fails to rectify the return within the specified time in spite of the intimation from the Assessing Officer.

Question 27

The assessment of Shah Ltd for the assessment year 2009-10 was completed under section 143(3) on 30.6.2011. There was an audit objection that interest on borrowals ought to have been disallowed partly as there was diversion of borrowed funds to sister concerns without charge of interest. Shah Ltd did not accept the audit objection. On these facts

(a) What are the options open to revenue to deal with audit objection?

(b) Can the assessment be re-opened?

Answer

(a) One of the options available to Revenue to disallow a part of the interest is by invoking section 263. The Supreme Court in the case of CIT v. Sree Manjunatheshwara Packing Products and Camphor Works 231 ITR 35 has held that the power of the Commissioner under section 263 is of wide amplitude. Section 263 empowers Commissioner to make or cause to be made such inquiry as he deems fit in order to find out whether any order passed by the Assessing Officer is erroneous in so far as is prejudicial to the interests of Revenue. Once he comes to the conclusion on the basis of material that the order of the Assessing Officer is prejudicial to the interests of Revenue, he is empowered to pass an order to enhance, modify, cancel or set aside the assessment and direct a fresh assessment. On the facts of the present case, the Commissioner can call for the records of the case and decide whether there is any error in not disallowing a part of the interest under section 36(1)(iii). If he is satisfied that such an error has been committed, he can issue a notice to the assessee and pass appropriate orders.
(b) The assessment cannot be reopened under section 147 on the basis of an audit objection. Audit party cannot express an opinion on the admissibility of an item of expenditure, since this a matter to be decided by the Assessing Officer having regard to the facts of the case. The amended provisions of section 147 empower the Assessing Officer, to reopen an assessment, if he has “reason to believe” that income has escaped assessment. The Delhi High Court has examined the scope of this power and had held that the belief must be own, not based on change of opinion on the same facts (Garden Silk Mills Pvt Ltd v. DCIT (1999) 237 ITR 671).

Question 28

On 1.9.2010, Prem & Sons have been searched. During the search, papers belonging to his close friend Mr. Shyam indicating concealed income have been found. How should the Assessing Officer proceed in such a situation under the Act?

Answer

Where the Assessing Officer is satisfied that any undisclosed income belongs to any person other than the person subjected to section 132 search proceedings or whose books or documents or assets were requisitioned under section 132A, then, the relevant books, records or assets seized or requisitioned shall be handed over to the Assessing Officer having jurisdiction over such other person and that Assessing Officer shall proceed against such other person. Section 153C provides for assessment of such other person subsequent to such transfer of books, records or assets seized or requisitioned.

Question 29

Examine whether the following actions initiated / taken by the Income-tax Authorities are proper and valid under the provisions of the Act.

(i) The Assessing Officer, within his jurisdiction, surveyed the residential house of an assessee who is engaged in money lending business therefrom on 12.7.2010 (Monday) at 4.30 p.m.

(ii) The assessment completed under section 143(3) for Assessment Year 2004-05 was found to have been based on wrong information given by the assessee. Accordingly, the income of Rs.1,32,500 earned on 03.05.2003 had escaped assessment, for which, notice under section 148 to reopen the assessment was issued on 11.3.2011.

Answer

(i) The Assessing Officer, under section 133A, is empowered to conduct a survey on the business premises of an assessee within his jurisdiction on any working day after sunrise but before sunset. In the present case, the assessee was engaged in money lending business from his residence which shall be construed as business premises and therefore, the action of the Assessing Officer to conduct survey on residential premises on Thursday, which was a working day, at 4.30 p.m. is correct.
(ii) The assessment under section 143(3) was completed for the assessment year 2004-05 and the notice under section 148 was issued on 11.03.2011. The validity of the notice is discussed hereunder.

An assessment completed under section 143(3) can be reopened under section 148 (where the income escaping assessment is more than Rs.1 lakh) within a period of 6 years from the end of the assessment year in which the income was first assessable. The income of Rs.1,32,500 which escaped assessment could be subjected to reassessment within a period of 6 years from the end of the assessment year to which it relates. The time limit of 6 years from the end of the relevant assessment year would expire on 31.03.2011 and since the notice was served on 11.03.2011, it is valid in law. However, after serving notice under section 148 the time limit for completion of assessment would be 9 months from the end of the financial year in which the notice was served. The time limit in this case would be available upto 31.12.2011.
**CHAPTER 22**

**SETTLEMENT OF CASES**

**Some Key Points : Recent Amendments**

The Finance Act, 2010 has amended section 245A whereby a proceeding for assessment or reassessment resulting from a search or as a result of requisition of books of account or other documents or any assets, shall be regarded as a case eligible for settlement by the Settlement Commission.

A proceeding for assessment or reassessment for any of the assessment years under section 153A or section 153C shall be deemed to have commenced on the date of issue of notice initiating such proceedings and concluded on the date on which the assessment is made.

**The monetary limit for making application**

(a) In a case where the proceedings for assessment or reassessment for any of the assessment years referred to in section 153A(1)(b) or section 153B(1)(b) in the case of a person referred to in section 153A or section 153C, the additional amount of income-tax payable on the income disclosed in the application must exceed Rs.50 lakhs.

(b) In any other case, the additional amount of income-tax payable on the income disclosed in the application must exceed Rs.10 lakhs.

**Time limit for passing the order**

(a) In respect of application made on or after 01.06.2007 but before 01.06.2010, within 12 months from the end of the month in which the application was made.

(b) In respect of application made on or after 01.06.2010, within 18 months from the end of the month in which the application was made.

**Question 1**

*Does the Settlement Commission have the power to reduce or waive interest levied under sections 234A, 234B and 234C of the Income-tax Act? Discuss.*
Direct Tax Laws

Answer
The matter concerning the power of the Settlement Commission to reduce or waive interest chargeable under section 234A, 234B or 234C has been settled by the Supreme Court in CIT v. Anjum M.H. Ghaswala reported in 252 ITR 1.

According to the judgment, sub-section (6) of section 245D is only procedural in nature providing for fixing the term by which the amounts settled under sub-section (4) will have to be paid. It does not empower the Commission either to reduce or waive the interest. Any settlement made by the Commission must be in accordance with the provisions of the Act.

The Settlement Commission does not have the power to reduce or waive the interest levied under sections 234A, 234B and 234C. It does not authorize the waiver or deduction of tax. The levy of interest under sections 234A, 234B or 234C is mandatory in nature and therefore any settlement made must include the interest under these sections.

Question 2
(a) Does the Settlement Commission have jurisdiction to entertain an application made under section 245C(1) in respect of a case covered by Chapter XIV-B (Search and seizure case).

(b) Power of the Settlement commission to grant immunity from prosecution and penalty is limitless.

Answer
(a) Clause (b) of section 245A has restricted the cases eligible to appear before the Settlement Commission. The term ‘case’ would mean any proceeding for assessment under the Act of any person in respect of any assessment year or years which is pending before the Assessing Officer and which alone shall be eligible for settlement by the settlement commission.

The following shall not be a proceeding for the purpose of filing an application under section 245C.

(i) a proceeding for assessment or reassessment or re-computation under section 147;

(ii) a proceeding for making fresh assessment in pursuance of an order under section 254 or section 263 or section 264 setting aside or cancelling an assessment.

In view of the amendment made by the Finance Act, 2010 in proviso to section 245A search cases are eligible settlement through the Settlement Commission. However, a proceeding shall be deemed to have been commenced on the date of issue of notice initiating assessment under section 153A or section 153C and would get concluded on the date on which the assessment is made. During this period, application for settlement of the case could be filed by the assessee. The monetary limit prescribed in respect of
The additional amount of income-tax payable is also be kept in mind in view of proviso to section 245C(1).

(b) The power of Settlement Commission to grant to immunity from prosecution is provided for in section 245H.

It also has the power to grant immunity in whole or in part from the imposition of any penalty under the Income-tax Act with respect to the case covered by the settlement, if any, only if the person who has made the application has co-operated with the Commission and has made a full and true disclosure of his income and the manner in which it was derived.

Further, if any proceeding for the prosecution for any such offence has been instituted before the date of receipt of application for settlement under section 245C of Income-tax Act, the Settlement Commission cannot grant immunity.

The Settlement Commission, however, shall not grant immunity from prosecution for any offence under the Indian Penal Code or under any Central Act other than this Act (Income-tax Act, 1961) and Wealth-tax Act, 1957 to a person who makes an application under section 245C on or after 01.06.2007.
Some key points

Restrictions on Appellate Authorities [Section 245RR]

Where a resident applicant has made an application to AAR and referred issues therein for decision of AAR, then, any Income-tax Authority or Tribunal should not take any decision in respect of such issues. In other words, a resident assessee cannot pursue both the remedies, i.e. an appeal or revision before Income-tax Authority / Appellate Authority as well as an application for Advance Ruling to AAR, in respect of an issue.

Applicability of Advance Ruling [Section 245S]

The advance ruling shall be binding only on the applicant who has sought it and in respect of the specific transaction in relation to which advance ruling was sought. It will also be binding on the Commissioner and the Income-tax Authorities subordinate to the Commissioner who are having jurisdiction over the applicant.

The advance ruling will continue to remain in force unless there is a change either in law or on facts, on the basis of which the advance ruling was pronounced.

Question 1

*Explain as to what the term 'Advance Ruling' means under the Income-tax Act 1961.*

**Answer**

The term 'Advance Ruling' has been defined in section 245N(a) to mean :-

(a) a determination by the Authority in relation to a transaction which has been undertaken or is proposed to be undertaken by a non-resident applicant; or

(b) a determination by the Authority in relation to the tax liability of a non-resident arising out of a transaction which has been undertaken or is proposed to be undertaken by a resident applicant with such non-resident, and such determination shall include the determination of any question of law or of fact specified in the application;

(c) a determination or decision by the Authority in respect of an issue relating to computation of total income which is pending before any income-tax authority or the Appellate Tribunal and such determination or decision shall include the determination or decision
on any question of law or of fact relating to such computation of total income specified in
the application.

Question 2
Q, a non-resident, made an application to the Authority for Advance Rulings on 2.7.2010 in
relation to a transaction proposed to be undertaken by him. On 31.8.2010, he decides to
withdraw the said application. Can he withdraw the application on 31.8.2010?

Answer
Section 245Q(3) of the Income-tax Act, 1961 provides that an applicant, who has sought for
an advance ruling, may withdraw the application within 30 days from the date of the
application. Since more than 30 days have elapsed since the date of application by Q to the
Authority for Advance Rulings, he cannot withdraw the application.

Question 3
A foreign company entered into contracts with several Indian companies for installation of
mobile telephone system and made an application to the Authority for Advance Rulings for
advance ruling on the rate of withholding tax on receipts from Indian companies. One of the
Indian companies had also made an application to the Assessing Officer for determination of
the rate at which tax is deductible on payment to the said foreign company. The Authority for
Advance Rulings rejected the application of the foreign company on the ground that the
question raised in the application is already pending before an income tax authority. Is the
rejection of the application of the foreign company justified in law?

Answer
The matter relates to the admission or rejection of the application filed before the Advance
Ruling Authority on the grounds specified in clause (i) of the first proviso to sub-section (2) of

Clause (i) of the first proviso of section 245R(2) provides that the Authority shall not
allow the application where the question raised in the application is already pending before any income-tax authority or Appellate Tribunal or any court.

In the above case, no application had been filed or contention urged by the applicant (foreign
company) before any income-tax authority/Appellate Tribunal/court, raising the question raised
in the application filed with AAR. One of the Indian companies, however, had raised the
question before the Assessing Officer, not on the applicant's behalf or with a view to benefit
the applicant, but only to safeguard its own interest, as it had a statutory duty to deduct the
proper amount of tax from payments made to a non-resident. Although the question raised
pertains to one of the payments made or to be made to the non-resident applicant, it was not
one pending determination before any income-tax authority in the applicant's case.
Therefore, as held by the AAR in *Ericsson Telephone Corporation of India AB v. CIT* (1997) 224 ITR 203, the application filed by the Indian company before the Assessing Officer cannot be treated to have been filed by the non-resident. Hence, it would not be proper to reject the application of the foreign company relying on clause (i) of the proviso to sub-section (2) of section 245R of the Income-tax Act. The application is, therefore, maintainable.

**Question 4**

*Can a person resident in India seek advance ruling from the Authority for Advance Ruling?*

**Answer**

Section 245N enables a resident falling within any such class or category of persons as may be notified by the Central Government to make an application for Advance Ruling. Such notified resident applicant can seek ruling in respect of issues relating to computation of total income which is pending before any income-tax authority or the Appellate Tribunal. Such a resident applicant can make an application to seek decision on a question of law or a question of fact.

Public sector companies as defined in section 2(36A) of the Income-tax Act, 1961 have been notified as applicant for this purpose.

Further, a resident can make an application seeking advance ruling in relation to the tax liability of a non-resident arising out of a transaction undertaken or proposed to be undertaken by him with such non-resident.

**Question 5**

*Discuss the following proposition:*

*An advance ruling can become void*

**Answer**

As per section 245T, an advance ruling can be declared to be void ab initio by the Authority for Advance Ruling if, on a representation made to it by the Commissioner or otherwise, it finds that the ruling has been obtained by fraud or misrepresentation of facts. Thereafter, all the provisions of the Act will apply as if no such advance ruling has been made. A copy of such order shall be sent to the applicant and the Commissioner.
Some key points

Condonation of delay by High Court in respect of statement of case [Section 256(2A)]

The Finance Act, 2010 has inserted sub-section (2A) to section 256 with retrospective effect from 01.06.1981 whereby the High Court may admit an application after the expiry of the period of six months referred to in sub-section (2), if it is satisfied that there was sufficient cause for not filing the same within that period.

Condonation of delay by High Court in respect of appeal [Section 260A(2A)]

The Finance Act, 2010 has inserted sub-section (2A) to section 260A with retrospective effect from 01.10.1998 whereby the High Court may admit an appeal after the expiry of the period of 120 days referred to in clause (a) of sub-section (2), if it is satisfied that there was sufficient cause for not filing the same within the prescribed time.

Tests to determine whether there is substantial question of law

The Apex Court in *Sir Chunilal V.Mehta & Sons Ltd v. Century Spinning & Mfg Co Ltd* AIR 1962 SC 1314 has laid down the following tests to determine whether there is a substantial question of law –

(a) whether directly or indirectly it affects the substantial rights of the parties; or
(b) the question is of general public importance; or
(c) whether it is an open question in the sense that the issue is not settled by pronouncement of the Supreme Court or Privy Council or by the Federal Court; or
(d) the issue is not free from difficulty; and
(e) it calls for a discussion for alternative view.

Question 1

*Can a rectification order under section 254 of the Income-tax Act be passed by the Income-tax Appellate Tribunal beyond four years from the date of the order sought to be revised?*

Answer

The issue as to whether a rectification order can be passed by the Income-tax Appellate Tribunal under section 254 beyond four years from the date of its order sought to be rectified has been
addressed in *Sree Ayyanar Spinning and Weaving Mills Ltd. v. CIT* (2008) 301 ITR 434 (SC).

Section 254(2), dealing with the power of the Appellate Tribunal to pass an order of rectification of mistakes, is in two parts. The first part refers to the *suo motu* exercise of the power of rectification by the Appellate Tribunal, whereas the second part refers to rectification on an application filed by the assessee or Assessing Officer bringing any mistake apparent from the record to the attention of the Appellate Tribunal. Where the application for rectification is made within four years from the date of the order, the Appellate Tribunal is bound to decide the application on merits and cannot reject the same on the ground of limitation.

**Question 2**

An Income-tax authority did not file an appeal to the Income-tax Appellate Tribunal against an order of the Commissioner (Appeals) decided against the Income-tax department on a particular issue in case of one assessee, Alpi for assessment year 2008-09 on the ground that the tax effect of such dispute was less than the monetary limit prescribed by CBDT. In assessment year 2009-10, similar issue arose in the assessments of Alpi and her sister Palki, which was decided by the Commissioner (Appeals) against the Department. Can the Income-tax department move an appeal to the Tribunal in respect of A.Y.2008-09 against the orders of the Commissioner (Appeals) for Alpi and her sister Palki?

**Answer**

Under section 268A(1), the CBDT is empowered to issue orders, instructions or directions to the other income-tax authorities, fixing such monetary limits, as it may deem fit, to regulate filing of appeal or application for reference by any income-tax authority.

Under section 268A(2), where an income-tax authority has not filed any appeal or application for reference on any issue in the case of an assessee for any assessment year, due to above-mentioned order/instruction/direction of the CBDT, such authority shall not be precluded from filing an appeal or application for reference on the same issue in the case of the same assessee for any other assessment year or any other assessee for the same or any other assessment year. Further, in such a case, it shall not be lawful for an assessee to contend that the income-tax authority has acquiesced in the decision on the disputed issue by not filing an appeal or application for reference in any case.

In view of above provision, it would be in order for the Income-tax Department to move an appeal to the Tribunal against the orders of the CIT(A) in respect of A.Y.2009-10 both for Alpi and Palki.

**Question 3**

A petition for stay of demand was filed before ITAT by XYZ Ltd. in respect of a disputed demand for which appeal was pending before it, on which stay was granted by the ITAT vide order dated 1.1.2010. The bench could not function thereafter till 1.2.2011 and therefore, the disputed matter could not be disposed off. The Assessing Officer attached the bank account on 16.2.11 and recovered the amount of Rs.15 lacs against the arrear demand of Rs.25 lacs.
The assessee requested the Assessing Officer to refund back the amount as it holds stay over it. The Assessing Officer rejected the contention of the assessee. Now the assessee seeks your opinion.

Answer

The Appellate Tribunal may, on merit, pass an order of stay in any proceedings relating to an appeal. However, such period of stay cannot exceed 180 days from the date of such order. The Appellate Tribunal has to dispose off the appeal within this period of stay. Where the appeal has not been disposed off within this period and the delay in disposing the appeal is not attributable to the assessee, the Appellate Tribunal can further extend the period of stay originally allowed. Section 254(2A) provides that the aggregate of the period originally allowed and the period or periods so extended or allowed shall not, in any case, exceed 365 days, even if the delay in disposing of the appeal is not attributable to the assessee. If the appeal is not disposed of within such period or periods, the order of stay shall stand vacated after the expiry of such period or periods.

Accordingly, even if an appeal is not heard by the bench, say, due to the bench not functioning or due to the department seeking adjournment, the stay granted by the Appellate Tribunal shall stand vacated after the period of 365 days, inspite of the assessee having taken all steps to ensure speedy disposal of the appeal and having a good prima facie case.

In the present case, the period of 365 days has expired on 31.12.2010, after which date the order of stay stands vacated. Accordingly, the recovery of Rs.15 lacs against the arrear demand of Rs.25 lacs made by the Assessing Officer is in order.

Question 4

An assessee who had been served with an order of assessment passed under section 143(3) read with section 147 on 1.1.2011 had filed an application against this order before the CIT as per section 264 on 11.1.2011. However, the CIT refused to entertain the application on the pretext of premature application. Assessee seeks your opinion.

Answer

An assessee, who is aggrieved by the order of the Assessing Officer under section 143(3) read with section 147 passed on 1.1.2011, had moved an application for revision of order under section 264 on 11.1.2011. The order passed by the Assessing Officer under section 143(3) read with section 147 is an order appellable before the Commissioner (Appeals). The time limit for filing an appeal is 30 days from the date of order i.e. upto 31.1.2011. This time limit had not expired on 11.1.2011 and the assessee had also not waived his right of appeal while filing the application for revision on 11.1.2011 before the Commissioner of Income-tax. The application filed before the Commissioner of Income-tax for revision under section 264 by the assessee will only be considered when the conditions specified under section 264(4) have been complied with. One of the conditions is that the Commissioner shall not revise any order where an appeal against the order lies to the Commissioner (Appeals) or Appellate Tribunal and the time within which such
appeal may be made has not expired, unless the assessee has waived his right of appeal. In the present case, the time limit had not expired on 11.1.2011 and the assessee had also not waived the right of appeal while filing the application for revision before the Commissioner of Income-tax on 11.1.2011 under section 264. Therefore, the Commissioner’s refusal to entertain such application is correct.

Note: In real life situations, the Commissioner could have kept the proceedings in abeyance till the expiry of the time prescribed for filing appeal by the assessee and thereafter could have assumed jurisdiction for making revision besides taking an undertaking from the assessee for waiving his right of appeal. In reality taxpayers usually will not prefer revision in such short time period nor would the Commissioner reject the application, the moment it is received by him.

Question 5

(a) The Commissioner of Income-tax issued notice to revise the order passed by an Assessing Officer under section 143. During the pendency of proceedings before the Commissioner, on the basis of material gathered during survey under section 133A, the Commissioner of Income-tax issued a second notice, the contents of which were different from the contents of the first notice. State with reasoning whether the action of the Commissioner is justified as to the second notice.

(b) State the circumstances where the appellant shall be entitled to produce additional evidence, oral or documentary, before the Commissioner of Income-tax (Appeals) other than the evidence produced during the proceedings before the Assessing Officer.

Answer

(a) The action of the Commissioner in issuing the second notice is not justified. The term “record” has been defined in clause (b) of Explanation to section 263(1). According to this definition “record” shall include and shall be deemed always to have included all records relating to any proceeding under the Act available at the time of examination by the Commissioner. In other words, the information, material, report etc. which were not in existence at the time the assessment was made and came into existence afterwards can be taken into consideration by the Commissioner for the purpose of invoking his jurisdiction under section 263(1). However, at the same time, in view of the express provisions contained in clause (b) of the Explanation to section 263(1), such information, material, report etc. can be relied upon by the Commissioner only if the same forms part of record when the action under section 263 is taken by the Commissioner.

Issuance of a notice under section 263 succeeds the examination of record by Commissioner. In the present case, the Commissioner initially issued a notice under section 263, after the examination of the record available before him. The subsequent second notice was on the basis of material collected under section 133A, which was totally unrelated and irrelevant to the issues sought to be revised in the first notice.
Accordingly, the material on the basis of which the second notice was issued could not be said to be “record” available at the time of examination as emphasised in Explanation \( b \) to section 263(1).

(b) As per Rule 46A(1) of the Income-tax Rules 1962, an appellant shall be entitled to produce before the Commissioner (Appeals), evidence, either oral or documentary, other than the evidence produced by him during the course of proceedings before the Assessing Officer, only in the following circumstances -

(a) where the Assessing Officer has refused to admit evidence which ought to have been admitted; or

(b) where the appellant was prevented by sufficient cause from producing the evidence which he was called upon to produce by the Assessing Officer; or

(c) where the appellant was prevented by sufficient cause from producing before the Assessing Officer any evidence which is relevant to any ground of appeal; or

(d) where the Assessing Officer has made the order appealed against without giving sufficient opportunity to the appellant to adduce evidence relevant to any ground of appeal.

Question 6

Discuss the correctness or otherwise of the following propositions in the context of the Income-tax Act, 1961:

(a) The powers of the Commissioner of Income-tax (Appeals) to enhance the assessment are plenary and quite wide.

(b) At the time of hearing of rectification application, the Income-tax Appellate Tribunal can re-appreciate the evidence produced during the proceedings of the appeal hearing.

(c) The High Court cannot interfere with the factual finding recorded by the lower authorities and the Tribunal, without any valid reasons.

Answer

(a) The proposition is correct in law. The Supreme Court has, in CIT vs. McMilan & Co. (1958) 33 ITR 182 and CIT vs. Kanpur Industrial Syndicate (1964) 53 ITR 225, held that in disposing of an appeal before him, the appellate authority can travel over a whole range of the assessment order. The scope of his powers is co-terminus with that of the Assessing Officer. He can do what the Assessing Officer can do and can also direct him to do, what he has failed to do. He can assess income from sources which have been considered by the Assessing Officer but not brought to tax. He can consider every aspect of the assessment order and give appropriate reliefs.

The Allahabad High Court has, in CIT v. Kashi Nath Chandiwala (2006) 280 ITR 318, held that the appellate authority is empowered to consider and decide any matter arising
out of the proceedings in which the order appealed against was passed notwithstanding
the fact that such matter was not raised before him by the assessee. The Commissioner
(Appellate) is entitled to direct additions in respect of items of income not considered by
the Assessing Officer.

Further, the Apex Court has, in the case of Jute Corporation of India Ltd. vs. CIT (1991)
187 ITR 688, held that the appellate authority is vested with all the plenary powers which
the subordinate authority may have in the matter. He also has the jurisdiction to permit
the appellant to raise an additional ground, if the ground became available subsequently
because of change in law or because of change in circumstances and such ground could
not have been raised at the time of filing the return or at the time of making an
assessment. He must be satisfied that the ground raised is bona fide and that the same
could not have been raised earlier for good reasons.

Thus, the powers of the appellate authority in enhancing the assessment are very wide
and plenary.

(b) The proposition is not correct as per law. This is because section 254(2) specifically
empowers the Appellate Tribunal to amend any order passed by it, either suo-moto or on
an application made by the assessee or Assessing Officer, with a view to rectifying any
mistake apparent from record, at any time within 4 years from the date of the order
sought to be amended.

The powers of the Tribunal under section 254(2) relating to rectification of its order are
very limited. Such powers are confined to rectifying any mistake apparent from the
record. The mistake has to be such that for which no elaborate reasons or inquiry is
necessary. Accordingly, the re-appreciation of evidence placed before the Tribunal
during the course of the appeal hearing is not permitted. It cannot re-adjudicate the issue
afresh under the garb of rectification. This issue came up for consideration before the
Punjab & Haryana High Court in the case of CIT vs. Vardhman Spinning (1997) 226 ITR
296. The Court observed that the jurisdiction to review or modify orders passed by the
authorities under the Act cannot be inferred on the basis of a supposed inherent right.

(c) The proposition is correct in law. A finding of fact cannot be disturbed by the High Court
in exercise of its powers under section 260A. The Income-tax Appellate Tribunal is a fact
finding authority and the findings of fact recorded by the Tribunal can be interfered with
by the High Court under section 260A only on the ground that the same were without
evidence or material, or if the finding is contrary to the evidence, or is perverse or there
is no direct nexus between conclusion of fact and the primary fact upon which that
conclusion is based.

In CIT vs. P. Mohanakala (2007) 291 ITR 278 and Commissioner of Agricultural income-
tax vs. M.N.Moni (2007) 291 ITR 387, the Apex Court observed that the High Court had
set aside the factual findings of the lower authorities and the Tribunal without any valid
reason. The Apex Court held that the findings of fact could not be interfered with by the
High Court without carefully considering the facts on record, the surrounding
circumstances and the material evidence. There is no scope for interference with the factual findings, unless the findings are *per se* without reason or basis, perverse and/or contrary to the material on record.

**Question 7**

*Answer the following in the context of provision contained in Income-tax Act, 1961:*

Assessment for A.Y. 2008-09 was completed as per section 143(3) considering the various claims so made by the assessee on 23.12.2009. Subsequently, this was reopened under section 147 on certain issues, but excluding the claim of the assessee as to “Lease Equalisation Fund”. The order of reassessment was passed on 24.11.2010. The Commissioner within the powers vested under section 263 passed an order on 11.4.2012 rejecting the claim of assessee as to “Lease Equalisation Fund”. The assessee challenges that the action of the CIT is not sustainable because the same was barred by limitation.

**Answer**

This issue was settled by the Supreme Court in *CIT v. Alagendran Finance Ltd.* (2007) 293 ITR 1. The Supreme Court observed that though there was no doubt that once an order of assessment is reopened, the previous assessment will be held to be set aside and the whole proceedings would start afresh, however, it would not mean that even when the subject-matter of reassessment is distinct and different, the entire proceeding would be deemed to have been reopened. The doctrine of merger would apply only in a case where the subject-matter of reassessment and the subject-matter of assessment are the same. However, in this case, the revision proceedings related to Lease Equalisation Fund, which was not the subject matter of reassessment. Therefore, the doctrine of merger does not apply in this case.

Section 263(2) provides no order shall be made under section 263(1) after the expiry of two years from the end of the financial year in which the order sought to be revised was passed. The period of limitation as referred to in section 263(2) relates to the assessment in which the claim of the assessee as to Lease Equalisation Fund was considered by the Assessing Officer. This issue was not the subject matter of reassessment proceedings.

Accordingly, the period of limitation shall be reckoned with reference to the original assessment order and not from the date of the order of reassessment. Therefore, in this case, the revision proceedings are barred by limitation since the original assessment order was made on 23.12.2009 and the revision should have been made by 31.3.2012.

**Question 8**

*An assessee, who is aggrieved by all or any of the following orders, is desirous to know the available remedial recourse and the time limit against each under the Income-tax Act, 1961:*

(i) passed under section 143(3) by the Assessing Officer.

(ii) passed under section 263 by the CIT.
(iii) passed under section 272A by the Director General.
(iv) passed under section 254 by the ITAT.

Answer

(i) An assessee, aggrieved by the order passed under section 143(3) by the Assessing Officer, can file an appeal before the Commissioner of Income-tax (Appeals) under section 246A(1) within 30 days of the date of service of the notice of demand relating to the assessment. However, where the assessee does not want to prefer an appeal, then he can move a revision petition before the Commissioner of Income-tax under section 264 within a period of one year from the date of on which the order was communicated to him or the date on which he otherwise came to know of it, whichever is earlier.

(ii) An assessee, aggrieved by the order passed under section 263 by the Commissioner of Income-tax, can file an appeal to Income-tax Appellate Tribunal under section 253(1)(c) within 60 days of the date on which the order sought to be appealed against is communicated to the assessee.

(iii) An assessee, aggrieved by the order passed under section 272A by the Director General, can file an appeal before the Income-tax Appellate Tribunal under section 253(1)(c) within 60 days of the date on which the order sought to be appealed against is communicated to the assessee.

(iv) An assessee, aggrieved by the order passed under section 254 by the Income-tax Appellate Tribunal, can file an appeal before the High Court under section 260A within 120 days from the date of receipt of order of Income-tax Appellate Tribunal, only where the order gives rise to a substantial question of law.

Question 9

Write a brief note on filing of memorandum of cross-objections before the Income-tax Appellate Tribunal.

Answer

Section 253(4) of the Income-tax Act, 1961 gives the respondent, in every appeal filed before the Income-tax Appellate Tribunal, a right to file a memorandum of cross-objections against any part of the order of the Commissioner (Appeals). This right of filing a memorandum of cross-objections is an independent right given to the respondent in an appeal and is in addition to the right of appeal which may or may not be exercised by the assessee or the Assessing Officer under section 253(1) or section 253(2). The memorandum of cross-objections has to be in the prescribed form and verified in the prescribed manner and has to be filed within 30 days of the receipt of notice of the appeal. The Tribunal is empowered to permit filing of memorandum of cross-objections after the expiry of the prescribed period if sufficient cause is shown. Such memorandum of cross-objections will be disposed of by the
Appeals and Revision

Appellate Tribunal as if it were an appeal presented within the time specified in section 253(3). There is no fee for filing a memorandum of cross-objections.

**Question 10**

An appeal was preferred by the assessee to the Commissioner (Appeals) against the order of assessment made by the Assessing Officer. The appeal was allowed by the Commissioner (Appeals). The assessee later found that he was entitled to a certain deduction, which was neither claimed by him nor allowed by the Assessing Officer in the course of assessment. The issue of deduction was not raised by the assessee in the appeal before the Commissioner (Appeals) and was not considered by the Commissioner (Appeals). Examine the power of the Commissioner to revise under section 264 the order of assessment in order to allow such deduction on an application by the assessee.

**Answer**

Section 264(4)(c) provides that the Commissioner shall not revise an order which has been made the subject of an appeal to the Commissioner (Appeals). This bar remains unaffected by the scope of the appeal to the Commissioner (Appeals). Therefore, the fact that the relief claimed in the application filed by the assessee under section 264(1) was not the subject matter of appeal to the Commissioner (Appeals) does not alter the position that the order of assessment was the subject of the appeal.

The Supreme Court has, in *Hindustan Aeronautics Ltd. v. CIT* (2000) 243 ITR 808, held that the Commissioner has no power to revise any order under section 264, if the order has been made subject to an appeal to the Appellate Tribunal, even if the relief claimed in the revision is different from the relief claimed in the appeal.

The word ‘order’ in section 264(4)(c) refers to the order appealed against and not to the relief claimed in appeal. In view of this, the Commissioner cannot exercise his powers under section 264 to revise the order of assessment and allow the deduction claimed by the assessee in his application.

**Question 11**

S, an individual, filed his return of income for the assessment year 2010-11 erroneously offering for taxation, interest received from notified Relief Bonds exempt under section 10(15)(iic), in the said return. The Assessing Officer completed the assessment under section 143(3) on 20.4.2011 accepting the income returned by S. S had furnished complete particulars relating to the interest income in the return of income. S approaches you for advice regarding the steps to be taken to secure exemption of the income. Advise S about the various remedies available under the Income-tax Act, 1961 for the redressal of his grievance.
Answer

S can file an appeal under section 246A, against the order of assessment, to the Commissioner (Appeals). The law is well settled that an appeal can be filed by an assessee even against inclusion in assessment, of such income erroneously included by him in the return of income. Reliance is placed on the decision of the Delhi High Court in CIT v. Bharat General Reinsurance Co. Ltd. (1971) 81 ITR 303.

If an assessee makes a mistake in submitting a return of income and submits to be assessed on a particular income before the assessing authority, he is not estopped or precluded by law from preferring an appeal and showing to the appellate authority that the income is, in fact, either wholly or partly, not exigible to tax. If such a contention is taken, it is the duty of the appellate authority to examine the matter and determine the proper tax leviable. There is no question of invoking the doctrine of estoppel in such a case [Narsepalli Oil Mills v. State of Mysore (1973) 32 STC 599 (Mys.)]

In the alternative, S can file a revision petition under section 264 with the Commissioner of Income-tax seeking exemption of interest from Relief Bonds, not claimed in the return of income and not allowed in the order of assessment.

The other course of action S could take is to file an application under section 154 with the Assessing Officer, seeking rectification of the order of assessment made. The consistent judicial view is that exemption not claimed by the assessee and not allowed by the Assessing Officer, though the material relating thereto was in the return of income, constitutes a mistake apparent from the record within the meaning of section 154 of the Act.

Question 12

The assessment of Ashok for assessment year 2009-10 was completed under section 143(3) on 15th January, 2011. The Commissioner acting under section 263 directed the Assessing Officer to add certain amount appearing in the balance sheet in total income of Ashok.

Ashok did not challenge the order of the Commissioner under section 263 by filing appeal to the Tribunal. The Assessing Officer passed a fresh assessment order on 1st October, 2011 including the said amount in total income of Ashok pursuant to the order of the Commissioner.

Ashok disputed the fresh assessment order in appeal to Commissioner (Appeals) under Section 246A. The Commissioner (Appeals) dismissed the appeal on the ground that the Assessing Officer only complied with direction of the Commissioner under section 263, which was not disputed by Ashok in appeal to Tribunal. Examine the correctness of the stand taken by the Commissioner (Appeals).

Answer

An assessee can file an appeal to the Tribunal against the order passed by the Commissioner u/s 263. However, in this case, the assessee did not file any appeal to the Tribunal against the order of the Commissioner u/s 263. He waited for the fresh assessment order to be
passed by the Assessing Officer in pursuance of the direction of the Commissioner. The order of any fresh assessment made under section 150 pursuant to a direction contained in an order of revision under section 263 is itself appealable under section 246A(1)(b). Therefore, the mere fact that the assessee did not dispute the order of the Commissioner by filing an appeal to the Tribunal does not take away the right of the assessee to dispute the fresh assessment order by filing appeal to Commissioner (Appeals) u/s 246A. Therefore, the stand taken by the Commissioner (Appeals) is not correct in law.

Question 13

Discuss the following propositions:

(i) The Income Tax Appellate Tribunal cannot admit additional evidence during the hearing of the appeal.

(ii) The Commissioner of Income Tax can revise an order during the pendency of an appeal before the First Appellate Authority.

(iii) The Commissioner of Appeals cannot admit an appeal filed beyond 30 days from the date of receipt of order by an Assessee.

Answer

(i) Rule 29 of Appellate Tribunal Rules, 1963 deals with production of additional evidence before the Appellate Tribunal. The parties to the appeal shall not be entitled to produce additional evidence, either oral or documentary, before the Tribunal. However, the following are the exceptions to this rule –

(a) where the Tribunal requires any document to be produced or any witness to be examined or any affidavit to be filed to enable it to pass orders or for any other substantial cause; or

(b) where the income-tax authorities have decided the case without giving sufficient opportunity to the assessee to adduce evidence either on points specified by them or not specified by the them.

In case (a) above, the Tribunal may allow such document to be produced or witness to be examined or affidavit to be filed.

In case (b) above, the Tribunal may allow such evidence to be adduced.

However, in both cases, the Tribunal should record its reasons in writing.

(ii) Revision of orders by the Commissioner can be carried out under section 263 or section 264.

Revision of orders prejudicial to the interest of revenue [Section 263]

Section 263(1)(c) provides that if an order passed by the Assessing Officer has been the subject matter of any appeal, the same cannot be revised. However, at the same time,
the power of the Commissioner under sub-section (1) of section 263 shall extend to such matters as had not been considered and decided in such appeal.

Revision of other orders [Section 264]
The Commissioner shall not revise any order under section 264, where an appeal against the order lies to the Commissioner (Appeals) or to the Appellate Tribunal, but it has not been made and the time within which such appeal may be made has not expired. However, if the assessee has waived his right of appeal, the Commissioner can revise the order under this section.

(iii) As per section 249(3) of the Income-tax Act, the Commissioner (Appeals) may admit an appeal after the expiry of the period of 30 days specified in section 249(2) if he is satisfied that the appellant had sufficient cause for not presenting the appeal within the prescribed time.

Question 14
An assessee is aggrieved by the order of the Assessing Officer and requests you to contest the same by filing an appeal before the Commissioner of Income-tax (Appeals) as well as by filing a revision petition before the Commissioner under section 264 of the Act. Can the assessee invoke simultaneously both the remedies against the order of the Assessing Officer.

Answer
Section 264(4) provides that the Commissioner shall not revise any order under section 264 in the following cases –

(a) Where any appeal against the order lies to the Commissioner (Appeals) or to the Appellate Tribunal but has not been made and the time within which such appeal may be made has not expired or, in the case of an appeal to the Commissioner (Appeals) or the Appellate Tribunal the assessee has not waived his right of appeal; or

(b) Where the order has been made the subject of an appeal to the Commissioner (Appeals) or to the Appellate Tribunal.

Even though the provisions of section 246A do not specifically bar an appeal being filed simultaneously along with a revision petition under section 264, it is clear from a reading of section 264 that the assessee is barred from seeking revision unless he has waived the right of appeal.

Therefore, it is clear that the assessee can either apply for revision before the Commissioner under section 264 or file an appeal before the Commissioner of Income-tax (Appeals), but cannot invoke both the remedies simultaneously.
Question 15

An appeal shall lie to the High Court from every order passed in appeal by the Appellate Tribunal if the High Court is satisfied that the case involves a substantial question of law. Under what circumstances does a question become a substantial question of law?

Answer

To be a substantial question of law, the issue must be debatable and not previously settled by the law of the land or a binding precedent. It must have a material bearing on the decision of the case, in so far as the rights of the parties before it are concerned. It means having substance, essential, real, important or considerable. It is to be understood as something in contradistinction with technical or academic.

To be a substantial question there must be foundation for it laid in the pleadings and the question should emerge from the sustainable findings of fact arrived at by the Court of facts. If the appraisal of the evidence suffers from a material irregularity or is based on inadmissible evidence or from conjectures or surmises, it gives rise to a substantial question of law. [Santosh Hazari v. Purushottam Tiwari 251 ITR 84 (SC).

Question 16

In the assessment of a firm, the Assessing Officer made two additions (i) Unexplained cash credits Rs. 1 lac. (ii) Disallowance under section 43B. The firm filed an appeal before the CIT and being unsuccessful before the Appellate Tribunal only on the addition of unexplained cash credits. It was not successful in either forum. With regard to the disallowance under section 43B, it did not file any appeal, but preferred a revision petition before the CIT under section 264, who dismissed it on the ground that the assessment was the subject matter of an appeal to the Appellate Tribunal. The assessee relies on the Board’s circular under which the CIT is empowered to accept such a petition. Is the petition maintainable?

Answer

The Supreme Court in Hindustan Aeronautics Ltd v. CIT (248 ITR 898) has laid at rest any controversy on this point. It has held that under section 264, the Commissioner has no power to revise any order which has been made the subject matter of an appeal to the Appellate Tribunal, even if the relief claimed in the petition is different from the relief claimed in appeal. With regard to the Board’s circular, the instructions are, no doubt, binding on the authorities under the Act but where the Supreme Court or High court has declared the law on the question arising for consideration, it will not be open to a court to direct that a circular would be given effect to, over-riding the order of the High Court or Supreme Court.

Question 17

Discuss the correctness or otherwise of the following with reference to the provisions of the Income-tax Act.
(i) Commissioner (Appeals) has no power to decide a matter that was not raised before him.

(ii) The Income-tax Appellate Tribunal cannot amend its orders

(iii) A case before the Appellate Tribunal cannot be dealt when there is a difference of opinion amongst the members of the Bench

(iv) An appeal shall lie to the High court against the order of the Tribunal.

Answer

(i) This proposition is not correct. Under the Explanation to section 251(2) the Commissioner (Appeals) in disposing of an appeal, may consider and decide any matter arising out of the proceedings in which the order appealed against was passed, even if such matter was not raised before him by the appellant. The power of admission of any grounds of appeal is conferred on the CIT (Appeals) under section 250(5), if he is satisfied that the omission in the grounds of appeal was not wilful or unreasonable.

(ii) The proposition is not correct. Under section 254(2), the Tribunal may, within four years from the date of the order, rectify any mistake apparent from record if it is brought to its notice either by the Assessing Officer or by the assessee. However, an amendment which has the effect of enhancing an assessment or reducing a refund or otherwise increasing the liability of the assessee shall not be made unless a notice has been given to the assessee of the intention to do so and a reasonable opportunity of being heard has been given. The Tribunal, however, has no inherent power to review its own order.

(iii) This proposition has been negatively stated and is not correct. Under section 255(4), if the members of a Bench of the Tribunal differ in opinion on any point, the point shall be decided according to the opinion of the majority, if there is a majority. If the members are equally divided, they shall state the point or points on which they differ and the case shall be referred to the President for hearing on such point or points by one or more members of the Tribunal. Such point shall be decided according to the opinion of majority of the members of the Tribunal who heard the case, including those who first heard it.

(iv) Under section 260A(1), an appeal shall lie to the High Court from every order passed by the Appellate Tribunal up to the date of establishment of the National Tax Tribunal, if the High Court is satisfied that the case involves a substantial question of law.

To be “substantial”, a question of law must be debatable, not previously settled by law of the land or a binding precedent and must have a material bearing on the decision of the case, if answered either way, in so far as the rights of the parties before it are concerned.
Some key points

Burden of proof lies on the assessee [Section 271(1)(c)]

Any amount added or disallowed in the computation of total income as a result of unsatisfactory or false statement of the assessee would be deemed to represent concealed income in respect of which inaccurate particulars were furnished by the assessee.

The burden is on the assessee to prove that the explanation is bonafide and where the assessee fails to prove that the explanation as bonafide, the Revenue is justified in levying penalty.

Explanation 5 relating to admission of income in respect of search providing immunity from concealment penalty is not applicable where the search is initiated on or after 01.06.2007.

Explanation 5A expanded retrospectively w.e.f 01.6.2007 is intended to cover cases where the assessee has filed return of income for any previous year before the date of search and the income found during the course of search relating to such previous year is not disclosed in the return of income. In such cases also, the assessee would be deemed to have concealed the particulars of income and would be liable for penalty under section 271.

Penalty in respect of any search initiated on or after 01.06.2007 [Section 271AAA]

(i) Where a search is initiated on or after 01.06.2007 penalty under this section could be imposed at 10% of the undisclosed income of the specified previous year.

(ii) ‘Undisclosed income’ means –

(a) any income represented by any asset or entry in the books of account or other documents or transactions found in the course of search under section 132 which has –

(1) not been recorded in the regular books of account or documents on or before the date of search; or

(2) otherwise not been disclosed to the Chief Commissioner or Commissioner before the date of search.

(b) any income represented by any entry in respect of an expense recorded in regular books of account or documents, which is found to be false as a result of search.
(iii) “Specified previous year” means –
   (1) the previous year which has ended before the date of search, but the due date of filing the return of income under section 139(1) has not expired before the date of search; or
   (2) the previous year in which the search was conducted.

(iv) Therefore, this section covers the previous year for which the due date of filing the return has not expired on the date of search and the year of search.

(v) No penalty under section 271(1)(c) is leviable in respect of such undisclosed income.

(vi) This section grants immunity from imposition of penalty, if:
   (1) the assessee admits disclosed income in a statement under section 132(4) during the course of search and,
   (2) specifies the manner in which such income has been derived;
   (3) substantiates the manner in which the undisclosed income was derived; and
   (4) pays the tax, together with interest, if any, in respect of the undisclosed income.

The provisions of section 274 relating to the procedure for levying penalty and section 275 relating to bar of limitation for imposing penalties shall, to the extent relevant, be applicable to the penalty referred to in this section.

**Question 1**

*Sumit voluntarily filed a revised return of income within the prescribed time limit after discovering that interest received from bank was not disclosed in the original return. Can he be absolved of penalty under section 271(1)(c)?*

**Answer**

On this issue, the Gujarat High Court, in *CIT v. Manibhai & Brothers (2007) 294 ITR 501 (Guj.)*, observed that for imposition of penalty under section 271(1)(c), there should be a deliberate concealment of particulars or furnishing of inaccurate particulars by the assessee. For this purpose, the conduct of the assessee from the beginning till the end of the assessment proceedings in totality should be considered. If a revised return of income is filed by the assessee after the omission or wrong statement in the original return is discovered by the Assessing Officer in the course of assessment proceedings, then the Assessing Officer can impose penalty under section 271(1)(c). **However, if the assessee voluntarily files a revised return of income *suo motu* before the assessment order is passed, after he himself discovers an omission or wrong statement in the original return, then, penalty cannot be levied under section 271(1)(c).**

In view of above legal position, Sumit can be absolved of penalty under section 271(1)(c).
Question 2

A notice to levy penalty u/s 271(1)(c) was issued on 11.6.10. The assessee in response thereto filed on 13.7.10 a written submission requesting to decide the matter. The Assessing Officer before whom this reply was filed retired on 31.8.10 and the officer, who succeeded him passed the penalty order without providing any further opportunity, but by taking into cognizance the reply filed by the assessee. Whether the order by the Assessing Officer is valid?

Answer

As per the provisions of section 129, whenever an Assessing Officer ceases to exercise jurisdiction and he is succeeded by another, then, the authority so succeeding may continue the proceedings from the stage at which the proceedings were left by the predecessor provided the assessee does not demand that before the proceeding is so continued he may be re-heard by the successor officer. In the present case, the assessee had only filed a written submission in respect of the notice for levy of penalty. However, he had not specifically requested to be reheard at the time of change in office. Accordingly, the penalty order passed by the successor officer without providing any further opportunity to be reheard, is a valid order. This was also held by the Apex Court in the case of Pradip Lamp Works v. CIT (2001) 249 ITR 797.

Question 3

What is the quantum of penalty that could be levied in each of the following cases:

(i) Failure to get books of accounts audited as required under section 44AB of the Income-tax Act within the time prescribed under the Act.

(ii) Failure to get books of accounts audited in response to the notice issued under section 142(2A) of the Income-tax Act.

(iii) Failure to furnish audit report as required under section 92E of the Income-tax Act.

Answer

The penalty that could be levied in each case is:-

(i) Failure to get books of accounts audited as required under section 44AB of the Income-tax Act - a sum equal to ½% of the total sales, turnover or gross receipts, as the case may be, in business, or of the gross receipts in profession, in such previous year or years, or a sum of Rs.1,50,000, whichever is less [Section 271B].

(ii) Failure to get books of accounts audited in response to the notice issued under section 142(2A) – a sum of Rs.10,000 [Section 271(1)].

(iii) Failure to furnish audit report under section 92E of the Income-tax Act - a sum of Rs.1,00,000 [Section 271BA].
Question 4

The assessment of B, an individual, for the assessment year 2009-10 was made under section 143(3) of the Income-tax Act, 1961 on 18.3.2010. The assessment has become final and is not the subject-matter of an appeal or revision. The Assessing Officer issued a show cause notice for levy of penalty under section 271(1)(c) to B on 25.3.2010. B furnished a reply to the said notice on 30.3.2010. There was a change in incumbent and the Assessing Officer, who made the assessment and issued the show cause notice, was succeeded by another. The successor-Assessing Officer suo motu issued a notice under section 129 to B on 20.9.2010. B did not respond to the said notice. The successor-Assessing Officer passed an order on 24.10.2010 levying penalty under section 271(1)(c). Examine the validity of the order of penalty passed with reference to the aspect of limitation.

Answer

Section 275(1) provides for the time limit for passing an order of penalty. Clause (c) thereof requires that the order of penalty should be passed before the expiry of the financial year in which the proceedings, in the course of which action for the imposition of penalty has been initiated, are completed, or six months from the end of the month in which action for imposition of penalty is initiated, whichever period expires later. The time limit in this case, as per section 275(1)(c), is 30.9.2010. Explanation to section 275(2) states that in computing the period of limitation, the time taken in giving an opportunity to the assessee to be re-heard under the proviso to section 129 shall be excluded. A plain reading of the proviso to section 129 indicates that it is the assessee who may demand to be re-heard before any order is passed against him. In the instant case, notice under section 129 was not issued by the successor-Assessing Officer at the instance of B. B did not request him to provide an opportunity of re-hearing. The Supreme Court has in Pradip Lamps Works v. CIT (2001) 249 ITR 797 ruled that where the assessee replied to the show cause notice issued by the predecessor-Assessing Officer, the successor-Assessing Officer can levy penalty without giving a fresh notice of hearing to the assessee in the absence of a demand by the assessee for re-hearing. The Karnataka High Court, in B. N. Amarnath v. CIT (2003) 259 ITR 590, held that the Explanation to section 275(2) could not be invoked by the Department unilaterally to compute the period of limitation on its own, by issue of notice under section 129, without there being any request for re-hearing by B.

Therefore, in this case, the order of penalty should have, therefore, been passed by the successor-Assessing Officer on or before 30.9.2010 as per the provisions of section 275(1)(c). The order of penalty having been passed on 24.10.2010 is barred by limitation and therefore, invalid.

Question 5

X, an individual whose total sales in the business of food grains for the year ending 31.3.2011 was Rs.66 lakhs, did not maintain books of account. The Assessing Officer levied penalties
Penalties

under section 271A for non-maintenance of books of account and section 271B for not getting the books audited as required by section 44AB. Is the Assessing Officer justified in levying penalty under section 271B?

Answer

X has not maintained books of account though he was required under the Income-tax Act to do so since his gross sales exceeded Rs.60 lakhs. He is liable to pay penalty under section 271A for such default. Accordingly, the action of the Assessing Officer in levying penalty under section 271A is correct. However, where books of account have not been maintained, there cannot be a question of getting them audited. Audit of books of account presupposes maintenance of books of account. When admittedly X has not maintained books, he cannot obviously get the audit done.

In Surajmal Parsuram Todi v. CIT (1996) 222 ITR 691, the Gauhati High Court has held that when a person commits an offence by not maintaining books of accounts as contemplated by section 44AA, the offence is complete and after that there can be no possibility of any offence as contemplated by section 44AB and, therefore, the imposition of penalty under section 271B is erroneous.

Therefore, in this case, the Assessing Officer is not justified in levying penalty under section 271B.

Question 6

Can penalty under section 271(1)(c) of the Income-tax Act for concealment of income or particulars thereof be imposed on “intangible” additions to income made by the Assessing Officer. Can these additions be utilised by the assessees to explain investments made in the subsequent years?

Is there any time limit for initiation of penalty proceedings in such cases? Discuss.

Answer

In many cases, the Assessing Officer makes additions to the returned income purely on account of certain technical reasons. For example, he calculates the total income of the assessee by assuming a certain rate of gross profit or yield, or he disallows a portion of certain expenses on estimated basis. These are called intangible additions.

The Supreme Court, in Anantharam Veerasighaiah and Co. v. CIT (1980) 123 ITR 457 observed that the secret profits or undisclosed income of an assessee earned in an earlier assessment year, commonly described as intangible additions, are also the real income of the assessee. Therefore, the assessee can explain the unexplained investment etc. of the current year to have been met out of intangible additions made in the past.

Explanation 2 to section 271(1) enables the Assessing Officer to initiate penalty proceedings in respect of intangible additions made in the past which are claimed by the assessee to be a
source of any receipt, deposit or outgoing or investment in any subsequent year. The penalty proceedings shall be initiated for the assessment year in which such intangible additions were made and shall be leviable only on such intangible additions made in the past years which have been claimed to be a source of receipt, deposit, outgoing or investment of the subsequent year.

According to section 271(1A), where any penalty is imposable by virtue of Explanation 2 to section 271(1), the proceedings for imposition of such penalty may be initiated at any time, even if assessment proceedings in the course of which such penalty could have been initiated have been completed.

**Question 7**

GK Ltd. filed its return of income for the assessment year 2009-10 on 30.4.2011. The assessing officer levied a penalty of Rs. 5,000 under section 271F. The assessee makes a submission to the CIT (Appeals) that he has furnished the return of income within the due date specified in section 139(4) and hence no penalty should be levied under 271F. Discuss.

**Answer**

Penalty of Rs.5,000 under section 271F is imposable on a person who is required to furnish return of income under section 139(1) for failure to furnish such return before the end of the relevant assessment year. It is true that the assessee can file a belated return under section 139(4) within one year from the end of the relevant assessment year or before completion of assessment, whichever is earlier. However, right to file a belated return after the end of the assessment year does not mean that the liability to pay penalty ceases. The Supreme Court's decision in Pradip Lamps Works vs. CIT (2001) 249 ITR 797 supports this view. Hence, the assessee is liable for penalty under section 271F for late filing of the return.

**Question 8**

State the conditions, if any, to be satisfied by an assessee in order to get relief under section 273A(4) of the Income-tax Act, 1961 regarding the waiver of penalty. Can the Commissioner refuse to grant relief, when the conditions laid down in the section was complied with, by the assessee?

**Answer**

There are two conditions to be satisfied by an assessee in order to get relief in the form of a waiver or reduction of penalty by the Commissioner of Income-tax under section 273A(4) of the Act. These conditions are:

(i) The payment of penalty would cause "genuine hardship" to the assessee and the Commissioner is satisfied about the existence of genuine hardship having regard to the circumstances of the case. The existence of genuine hardship would entitle the assessee to relief. The CBDT in its circular No 784 dated 22-11-99 has clarified that...
genuine hardship should exist both at the time of making the application and at the time the Commissioner passes the order under section 273A(4) of the Act.

(ii) The assessee has co-operated in any enquiry relating to the assessment or any proceeding for the recovery of any amount due from him.

Therefore, if the above two conditions are satisfied, the Commissioner has no discretion to refuse to exercise his powers and is bound to grant relief under the above section. In case the quantum of penalty exceeds Rs.1 lakh the Commissioner cannot grant relief without the previous approval of the Chief Commissioner or the Director General, as the case may be.

Question 9
KP Madhusudan & Co., a partnership firm, had taken certain bank drafts for payments to suppliers of rice and it had made entries in the accounts a few days later, but not on the dates on which the bank drafts were obtained. The explanation of the assessee was that since sufficient cash balance was not available on those dates, it had obtained hand loans from friends and, as it had expected to repay such loans within a short time, no entries were made in its books of account in respect thereof. Due to inability to furnish evidence for such loans, the assessee offered the amount of Rs.93,000 as additional income towards unexplained investment. Penalty proceedings were initiated by Assessing Officer under Section 271(1)(c) read with Explanation 1B of Income-tax Act and levied a penalty of Rs.37,975. Is the levy of penalty justifiable?

Answer
Clause (B) of Explanation 1 to section 271(1)(c) says that when an assessee offers an explanation which he is not able to substantiate and fails to prove such explanation is bona fide, then the amount added or disallowed in computing the total income of such person as a result thereof shall be deemed to represent the income in respect of which particulars have been concealed. However, nothing contained in the Explanation shall be applicable to a case referred to in clause (B) in respect of any amount added or disallowed as a result of the rejection of any explanation offered by such person, if such explanation is bona fide and all the facts relating to the same and material to the computation of his total income have been disclosed by him.

In this legal background, as the firm was unable to produce evidence for the loans, it had offered Rs 93,000 as additional income and paid the taxes. In the circumstances, the case clearly falls within the jurisdiction of Explanation 1(B) and hence the levy of penalty is justified. [K.P. Madhusudanan vs. CIT 251 ITR 99 (SC)].

Question 10
An appeal against an assessment order for Assessment Year 1997-98 is decided by the Income-tax Appellate Tribunal against the assessee and the order is served on the Commissioner on 27.12.2010. The Assessing Officer levies penalty under Section 271(1)(c)
of the Income-tax Act, 1961 vide his order dated 27.6.2011 for the aforesaid Assessment Year for which the appeal has been decided against the assessee. The assessee seeks your advice on the following:

(i) Is the Assessing Officer empowered under the Act to impose penalty after a period of ten years?

(ii) What remedial action can be taken against the order and what is the prescribed time limit thereof?

Answer

(i) The penalty imposed under section 271(1)(c) is to be examined with reference to the provisions of limitation in section 275(1)(a) which states that in calculating the period of limitation for imposition of penalty, the time taken in deciding the order by the Appellate Authorities shall be excluded. A penalty can be imposed within a period of 6 months from the end of the month in which the order was received by Commissioner of Income Tax. In the present case the order of penalty is within the time limit and therefore a correct order.

(ii) The remedy available to the assessee against the order of penalty is to present an appeal under section 246A before Commissioner of Income Tax (Appeals) within 30 days from the date of receipt of the penalty order as the same is an appellable order under section 246A(1)(j) of the Act.

Question 11

An assessee had credited a sum of Rs.50,000 in cash in the account of Madan, said to represent a loan obtained from him. The Assessing Officer, having gone into the genuineness of the transaction, disbelieved the story of loan and treated the sum of Rs.50,000 as the income of the assessee from undisclosed sources. He also started proceedings under section 271D and levied a penalty of Rs.60,000 on the assessee for having accepted the loan in contravention of section 269SS. Examine the correctness of the levy.

Answer

There are several flaws in the penalty levied by the Assessing Officer. Firstly, the penalty leviable under section 271D cannot exceed the sum equal to the loan taken. Hence, the maximum penalty leviable would be Rs.50,000. Secondly, any penalty imposable under section 271D shall be imposed by the Joint Commissioner. Hence, unless the Assessing officer happens to be a Joint Commissioner the levy of penalty will be invalid. Thirdly, the Assessing Officer cannot, on the one hand, treat the loan as undisclosed income of the assessee and on the other, treat it as a loan for the purpose of section 269SS read with section 271D. Such a treatment will be self contradictory. The moment the amount of Rs.50,000 is treated as undisclosed income, it ceases to bear the character of loan and therefore, the foundation for the levy of penalty under section 271D disappears. [Diwan Enterprises v. CIT and Others 246 ITR 571].
Question 12

Anurag Traders, a partnership firm, for the assessment year 2009-10, filed its return of income disclosing an income of Rs.40,000. The assessment was completed on an income of Rs.1,20,000 in the month of June, 2010. The additions included (a) profit on suppressed sales of Rs.40,000, (b) disallowance of expenses Rs.40,000. The assessment became final as no appeal was preferred. Penalty proceedings were initiated on the charge of concealment of income of suppressed profits. After considering the explanation to the notice to the penalty, penalty was levied on the charge that inaccurate particulars were furnished. M/s. Anurag Traders contends that the order of penalty is bad in law. Is the contention justified?

Answer

In the given facts of the case, the Assessing Officer has issued notice towards concealment of income in terms of suppression of sales. However, penalty was levied on the charge of furnishing of inaccurate particulars of income. Therefore, the penalty order is bad in law.

The Gujarat High Court had the occasion to consider a similar issue in the case of A.M.Shah & Co v. CIT (1999) 238 ITR 415. The High court held that the charge and the levy of penalty should be for the same reason i.e. the basis for issue of notice and for imposition of penalty should be the same. In this case, penalty proceedings were initiated on the charge of concealment of income. However, the penalty was finally levied on the ground that the assessee has furnished inaccurate particulars. Such change of stand for imposition of penalty is not valid in law.

Question 13

Examine the following cases and state whether the same are liable for penalty as per the provisions of the Income-tax Act:

(i) Raman & Associates had made payment in excess of the limits prescribed to the contractors for carrying out labour job work at various sites, but had not deducted tax at source as per section 194C.

(ii) Hotels and Hotels were asked by Income-tax Officer (CIB) to furnish details of all such tourists who stayed in their hotels and had paid bill amount in excess of Rs.10,000. They have not furnished the requisite information in spite of various reminders.

(iii) An assessee whose turnover in the previous year was Rs.30 lacs had neither opted to be taxed as per section 44AD of the Act nor had kept and maintained books of account.

Answer

(i) Penalty under section 271C is attracted for failure to deduct tax at source. The penalty would be a sum equal to the amount of tax which such person has failed to deduct. Such penalty can be imposed only by the Joint Commissioner. Therefore, Raman & Associates shall be liable for penalty under section 271C equal to the amount of tax which they have failed to deduct under section 194C from the payments made to the contractors.
Section 133(6) empowers the Income-tax authority to require any person to furnish information in relation to such points or matters which will be useful for or relevant to any enquiry or proceeding under the Act. Failure on the part of an assessee to furnish the information in relation to such points or matters as required makes him liable for penalty under section 272A(2) of Rs.100 for every day during which the failure continues.

**Note** – In a case where no proceeding is pending, the Income-tax authority can exercise this power only after obtaining the approval of the Director or Commissioner, as the case may be. In this case, it is presumed that the Income-tax authority has obtained the approval of the Director or Commissioner before exercising this power.

In this case, since the assessee has not opted for presumptive taxation under section 44AD, he has to maintain books of accounts as prescribed under section 44AA. Since he has not maintained the books of accounts, he is liable to pay a penalty of Rs.25,000 under section 271A for default in complying with the provisions of section 44AA.
Some key points

**Power of Commissioner to grant immunity from prosecution [Section 278AB]**

Commissioner is empowered to grant immunity from prosecution.

1. The application for immunity must be made by the assessee before institution of the prosecution proceedings after the case has been abated under section 245HA.

2. The assessee can approach the Commissioner for immunity any time if prosecution proceedings were instituted before or during the pendency of settlement proceedings. However, if the assessee has received any notice etc from the Income-tax authority for institution of prosecution, then he must apply to the Commissioner for immunity, before actual institution of prosecution.

3. The Commissioner can grant immunity, subject to such conditions as he may think fit, to impose, on being satisfied that the assessee has –
   
   (a) co-operated in the proceedings after abatement; and
   
   (b) made a full and true disclose of his income and the manner in which such income has been derived.

4. Where application for settlement under section 245C has been made before 01.06.2007 the Commissioner can also grant immunity from prosecution for any offence under this Act or under the Indian Penal Code or under any other Central Act. This power cannot be exercised where the application for settlement is made on or after 01.06.2007.

5. If the assessee fails to comply with any condition subject to which the immunity was granted, the same would be withdrawn.

6. The immunity granted to a person may, at any time, be withdrawn by the Commissioner, if he is satisfied that such person had, in the course of any proceedings, after abatement, -

   (a) concealed any particulars material to the assessment from the income-tax authority; or
   
   (b) gives false evidence.

Consequently, the person may be tried for the offence with respect to which the immunity was granted or for any other offence of which he appears to have been guilty in connection with the proceedings.
Prosecution launched after accepting revised return

In K.E. Sunil Babu, Asst. CIT v. Steel Processors and Others (2006) 286 ITR 315 (Karn) the High court observed that the Department has accepted the revised returns filed under section 139(5) which means that there was a bona fide mistake in the original return and there was no element of mens rea. Accordingly, the court held that the Department cannot launch prosecution under sections 276C, 277 and 278.

Question 1

Can prosecution be launched for each of the following actions or defaults committed? If yes, then explain the relevant provisions of the Act and the quantum of prescribed punishment.

(i) The assessee had restrained and not allowed the officer authorized as per section 132(1)(iib) of the Act to inspect the documents maintained in the form of electronic record and the books of accounts.

(ii) The assessee deliberately has failed to comply with the requirement of section 142(1) and/or 142(2A).

(iii) The assessee deliberately has failed to make the payment of the tax collected under section 206C.

Answer

(i) Failure to afford facility to the officer authorized as per section 132(1)(iib) is a case for which prosecution can be launched under section 275B and such person shall be punishable with rigorous imprisonment for a term which may extend to two years and shall also be liable to fine.

(ii) Willful failure to produce books of account and documents as required under section 142(1) or willful failure to comply with a direction to get the accounts audited under section 142(2A) is a case for which prosecution can be launched under section 276D and such person shall be punishable with rigorous imprisonment for a term which may extend to one year or with a fine of Rs.4 to Rs.10 for every day during which the default continues or with both.

(iii) Deliberate failure to deposit the tax collected under section 206C to the credit of the Central Government is a case for which prosecution can be launched under section 276BB and such person shall be punishable with rigorous imprisonment for a term which shall not be less than three months but which may extend to seven years and with fine.

Question 2

The Assessing Officer lodged a complaint against M/s. KLM, a firm, under section 276CC of the Income-tax Act, 1961 for failure to furnish its return of income for the assessment year
2008-09 within the prescribed time. The tax payable on the assessed income, as reduced by the advance tax paid and tax deducted at source, was Rs.60,000. The appeal filed by the firm against the order of assessment was allowed by the Commissioner (Appeals). The Assessing Officer passed an order giving effect to the order of the Commissioner (Appeals). The tax payable by the firm as per the said order of the Assessing Officer was Rs.1,000. The Assessing Officer has accepted the order of the Commissioner (Appeals) and has not preferred an appeal against it to the Income Tax Appellate Tribunal. The firm desires to know of the maintainability of the prosecution proceedings in the facts and circumstances of the case.

**Answer**

Section 276CC provides for prosecution for willful failure to furnish a return of income within the prescribed time. However, prosecution proceedings will not be attracted if the tax payable by the assessee on the total income determined on regular assessment, as reduced by the advance tax, if any, paid and any tax deducted at source, does not exceed Rs.3,000. Even though the tax liability of the firm as per the original order of assessment exceeded Rs.3,000, however, as a result of the order of the Commissioner (Appeals), it got reduced to Rs.1,000, which is, less than Rs.3,000. Therefore, since the tax liability of the firm on final assessment was determined at Rs.1,000, the prosecution proceedings are not maintainable.

In *Guru Nanak Enterprises v. ITO* (2005) 279 ITR 30, where the facts were similar, the Supreme Court held that prosecution as unwarranted.
### Some Key Points: Recent Amendments

#### Service of notice

The Finance (No.2) Act, 2009 has substituted section 282 whereby a notice or requisition under the Act may be served on the person named therein by post or as if it were a summons issued by a court. W.e.f. 01.10.2010, such notice can be served by electronic mail also. The CBDT is empowered to make rules providing for the addresses (including the address for electronic mail or electronic mail message) to which such communication may be delivered or transmitted to the person named therein. The following table shows the list of persons on whom notice should be served.

<table>
<thead>
<tr>
<th>Assessee</th>
<th>Addressee</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) An existing firm</td>
<td>Any member of the firm</td>
</tr>
<tr>
<td>(ii) An existing HUF</td>
<td>The manager or any adult member of the family</td>
</tr>
<tr>
<td>(iii) A company</td>
<td>The Principal Officer thereof</td>
</tr>
<tr>
<td>(iv) Local authority</td>
<td>The Principal Officer thereof</td>
</tr>
<tr>
<td>(v) An existing AOP or BOI</td>
<td>The Principal Officer or any member thereof.</td>
</tr>
<tr>
<td>(vi) An individual</td>
<td>The individual himself</td>
</tr>
<tr>
<td>(vii) Any other person</td>
<td>The person incharge of the management and control of his affairs</td>
</tr>
<tr>
<td>(viii) A dissolved firm</td>
<td>Any adult person who was a partner immediately before dissolution</td>
</tr>
<tr>
<td>(ix) A partitioned HUF</td>
<td>The last manager of the family; if he is dead, all adults who were members immediately before the partition.</td>
</tr>
<tr>
<td>(x) A dissolved AOP</td>
<td>Any person who was a member immediately before dissolution</td>
</tr>
<tr>
<td>(xi) A discontinued business</td>
<td>The assessee;</td>
</tr>
<tr>
<td></td>
<td>In the case of a firm or an AOP, any person who was a member at the time of discontinuance.</td>
</tr>
<tr>
<td></td>
<td>In the case of a company, its Principal Officer.</td>
</tr>

Document Identification Number [Section 282B]
The Finance Act, 2010 has inserted section 282B w.e.f. 01.10.2010. The salient features are given below –

(a) Every Income-tax authority shall allot a computer generated Document Identification Number in respect of every notice, order, letter or any correspondence issued by him to any other income-tax authority or assessee or any other person and such number shall be quoted thereon.

(b) Where the notice, letter or correspondence does not bear Document Identification Number referred in (a) above, such notice, order, letter or any correspondence shall be treated as invalid and shall be deemed never to have been issued.

(c) Every document, letter or correspondence on or after 01.07.2011 by an Income-tax authority or on behalf of such authority, shall be accepted only after allotting and quoting of a computer generated Document Identification Number.

(d) Where the document, letter or correspondence received by any Income-tax authority or on behalf of such authority, does not bear the Document Identification Number referred in (c) above, such document, letter or any correspondence shall be treated as invalid and shall be deemed never to have been received.

Question 1

An order for A.Y. 2009-10 was passed by the Assessing Officer as per section 143(3), but the typist wrongly typed in the order, the assessment year as 2008-09 and the relevant previous year as ending on 31.3.2008. Assessee claimed in appeal that the same is an invalid order which was not accepted by the CIT(Appeals) on the ground of error of clerical nature. What do you say about the correctness of the order of the CIT(Appeals)?

Answer

Section 292B provides that no return of income, assessment, notice or summons furnished or made or issued or taken in pursuance of any of the provisions of the Income-tax Act shall be invalid or deemed to be invalid merely by reason of any mistake, defect or omission in such return of income, assessment or notice etc., if such return of income, assessment, notice, summons etc. is in substance and effect in conformity with or according to the intent and purpose of the Act. Therefore, a clerical mistake cannot invalidate an otherwise valid assessment. Thus, the typographical error in the assessment order as to assessment year and previous year does not make the same invalid unless established otherwise. Accordingly, the action of the CIT(Appeals) in not accepting the claim of the assessee is valid.

Question 2

“Proceedings cannot be initiated under the Act, unless a proper notice to this effect has been served upon.” In this context answer:
(i) What are the prescribed modes of service of such notice?

(ii) On whom should the notice be addressed and served upon in the cases where the assessee is a company, a dissolved firm, a deceased person and a partitioned HUF.

Answer

(i) The service of notice or summons or requisition or order or any other communication under this Act may be made by delivering or transmitting a copy thereof to the person named therein -

(1) by post or such courier services as approved by the CBDT; or
(2) in such manner as provided in the Code of Civil Procedure, 1908 for the purposes of service of summons; or
(3) in the form of any electronic record as provided in Chapter IV of the Information Technology Act, 2000; or
(4) by any other means of transmission as may be provided by rules made by the CBDT in this behalf.

The CBDT is empowered to make rules providing for the addresses (including the address for electronic mail or electronic mail message) to which such communication may be delivered or transmitted to the person named therein.

(ii) The service of notice in the given cases should be on the persons mentioned hereunder:-

<table>
<thead>
<tr>
<th>Person</th>
<th>Notice be addressed and served on</th>
</tr>
</thead>
<tbody>
<tr>
<td>A company</td>
<td>Principal officer of the company</td>
</tr>
<tr>
<td>A dissolved firm</td>
<td>Any person (not being a minor) who was a partner immediately before dissolution.</td>
</tr>
<tr>
<td>A deceased person</td>
<td>The legal heirs of the deceased.</td>
</tr>
<tr>
<td>A partitioned HUF</td>
<td>Last Manager of the HUF, or, if he is dead, then, all adult members of the erstwhile HUF.</td>
</tr>
</tbody>
</table>

Question 3

State briefly the provisions relating to furnishing of annual information return under the Income-tax Act, 1961. What are the consequences of not furnishing the annual information return?

Answer

Section 285BA provides that the following persons who are responsible for registering or maintaining books of account or other document containing a record of any specified financial transaction, under any law for the time being in force, shall furnish an annual information return in respect of such specified financial transaction registered or recorded by him during any financial year beginning on or after 01.04.2004.
The following persons are covered –

(a) an assessee; or
(b) the prescribed person in the case of an office of Government; or
(c) a local authority or other public body or association; or
(d) the Registrar or Sub-Registrar appointed under the Registration Act, 1908; or
(e) the registering authority empowered to register motor vehicles under the Motor Vehicles Act, 1988; or
(f) the Post Master General as referred to in the Indian Post Office Act, 1898; or
(g) the Collector referred to in the Land Acquisition Act, 1894; or
(h) the recognized stock exchange
(i) an officer of the Reserve Bank of India, constituted under the Reserve Bank of India Act, 1934; or
(j) a depository referred to in the Depositories Act, 1996

Such annual information return should be furnished to the prescribed income-tax authority or such other authority or agency as may be prescribed in respect of –

(i) such transactions registered or recorded by him during any financial year beginning on or after 1st April, 2004, and
(ii) information relating to which is relevant and required for the purposes of this Act

The annual information return has to be furnished within the prescribed time after the end of such financial year in such form and manner (including on a floppy, diskette, magnetic cartridge tape, CD-ROM or any computer readable media) as may be prescribed.

“Specified financial transaction” as per section 285BA(3) covers the following transactions –

(i) transaction of purchase, sale or exchange of goods or property or right or interest in a property, or
(ii) transaction for rendering any service, or
(iii) transaction under a works contract, or
(iv) transaction by way of an investment made or an expenditure incurred, or
(v) transaction for taking or accepting any loan or deposit

The CBDT may prescribe different values for different transactions in respect of different persons, having regard to the nature of such transactions. The value or the aggregate value of such transactions during a financial year so prescribed referred to above should not be less than fifty thousand rupees.

Section 271FA provides a penalty for not furnishing a return as required under section 285BA(1). Penalty of Rs.100 is attracted for every day during which failure continues, if a
person who is required to furnish an annual information return fails to furnish such return within the time prescribed.

**Question 4**

*Tax Recovery Officer, can recover the arrear demands from the assessee in default out of sale proceeds of the property attached after making a proclamation*. How can such proclamation be made under the Act?

**Answer**

**Movable Property [Rules 38 & 39 of Schedule II to the Income-tax Act, 1961]**

Where the Tax Recovery Officer orders sale of movable property, he should issue a proclamation in the language of the district, of the intended sale, specifying the time and place of sale and whether the sale is subject to confirmation or not.

The proclamation should be made by beat of drum or other customary mode, -

(a) in the case of property attached by actual seizure –

(i) in the village in which the property was seized, or, if the property was seized in a town or city, then, in the locality in which it was seized; and

(ii) at such other places as the Tax Recovery Officer may direct;

(b) in the case of property attached otherwise than by actual seizure, in such places, if any, as the Tax Recovery Officer may direct.

A copy of the proclamation should also be affixed in a conspicuous part of the office of the Tax Recovery Officer.

**Immovable Property [Rule 54 of Schedule II to the Income-tax Act, 1961]**

The Tax Recovery Officer shall make a proclamation for sale of immovable property at some place on or near such property by beat of drum or other customary mode. A copy of the proclamation shall be affixed on a conspicuous part of the property and also upon a conspicuous part of the office of the Tax Recovery Officer.

Where the Tax Recovery Officer directs, such proclamation shall also be published in the Official Gazette or in a local newspaper or both, and the cost of such publication shall be deemed to be cost of the sale.

Where the property to be sold is divided into lots, then it is not necessary to make a separate proclamation for each lot of property, unless in the opinion of the Tax Recovery Officer, proper notice of sale cannot otherwise be given.

**Question 5**

*Explain the circumstances under which the Assessing Officer can resort to provisional attachment of the property of the assessee. Also state the period of time for which such attachment can take place.*
Answer

As per the provisions of section 281B, there can be provisional attachment to protect the interest of Revenue in certain cases i.e.-

(i) The proceeding for the assessment of any income or for the assessment or reassessment of any income which has escaped assessment should be pending.

(ii) Such attachment should be necessary for the purpose of protecting the interest of Revenue in the opinion of the Assessing Officer.

(iii) The previous approval of the Chief Commissioner, Commissioner, Director General or Director has been obtained by the Assessing Officer.

(iv) The Assessing Officer, may, by an order in writing attach provisionally any property belonging to the assessee in the manner provided in the Second Schedule.

(v) Such provisional attachment shall cease to have effect after the expiry of a period of six months from the date of order made under section 281B(1). However, the period can be extended by the Chief Commissioner, Commissioner or Director General or Director, as the case may be, for the reasons to be recorded in writing for a further period or periods as he thinks fit. The total period of extension in any case cannot exceed 2 years.

Question 6

Mr. Biswas, a stock broker, has defaulted with regard to his income-tax payments and the Assessing Officer has attached his membership card of Stock Exchange under section 281B of the Income-tax Act, 1961. Mr. Biswas contends that the membership card is not transferable and is not his personal asset. Discuss the validity of attachment of the card by the Assessing Officer in the context of Section 281B of the Act.

Answer

The right of membership is not a private asset and it is merely a personal privilege granted to the member. It is non-transferable and incapable of alienation by the member or his legal representative except to the limited extent provided in the rules and regulations of the stock exchange and subject to the fulfillment of conditions prescribed by the stock exchange. The nomination, even if permitted, is subject to the rules and is not automatic. The right of nomination is vested in the stock exchange absolutely in the case of death of or default of a member. Thus the membership card is not the property of the assessee and therefore cannot be attached under section 281B of the Act. It has been so held by the Apex Court in the case of Stock Exchange Ahmedabad vs. ACIT 248 ITR 209.
Some Key Points: Recent Amendments

The Finance Act, 2010 has increased the threshold limit for tax deduction at source under section 194C. No deduction of tax at source is required to be made where the sum credited or paid to a contractor does not exceed Rs.30,000. The limit was previously Rs.20,000.

Similar upward revision in respect of aggregate of the contract payments has been made by the Finance Act, 2010 w.e.f. 01.07.2010. The aggregate of such sums credited or paid if exceeds Rs.75,000, the tax is deductible at source. The limit was previously Rs.50,000.

The Finance Act, 2010 has increased the threshold limit for tax deduction at source in respect of insurance commission under section 194D from Rs.5,000 to Rs.20,000 w.e.f. 01.07.2010.

Similarly, the limit for tax deduction in respect of commission or brokerage under section 194H has been enhanced to Rs.5,000 as against the previous limit of Rs.2,500. This change is also effective from 01.07.2010.

The tax deduction in respect of rent under section 194-I has been enhanced to Rs.1,80,000 w.e.f. 01.07.2010.

In respect of professional charges for which tax is deductible at source under section 194J, the threshold limit for tax deduction has been increased to Rs.30,000 as against the previous limit of Rs.20,000. It covers payment for fees for professional services, fees for technical services, royalty and any other sum referred to in section 28(va) of the Act.

Credit for tax deducted

Section 199(3) empowers the Board to make such rules as may be necessary for the purpose of giving credit in respect of TDS to a person other than those referred to in sub-section (1) and sub-section (2) and also the assessment year for which such credit may be given.

Increase in rate of interest under section 201(1A)

Where an assessee does not deduct the whole or any part of the tax or after deducting fails to pay the tax as required by or under this Act, he or it shall be liable to pay simple interest –

(i) at 1% for every month or part of a month on the amount of such tax from the date on which such tax was deductible to the date on which such tax is deducted; and

(ii) at 1.5% for every month or part of a month on the amount of such tax from the date on which such tax was deducted to the date on which such tax is actually paid.
No order deeming a person to be an assessee in default for failure to deduct the whole or any part of the tax from a person resident in India, shall be made, at any time after the expiry of –

(i) two years from the end of the financial year in which the statement is filed in a case where a statement referred to in section 200 has been filed;

(ii) four years from the end of the financial year in which the payment is made or credit is given, in any other case.

**Question 1**

Discuss, whether tax is deductible at source from payment made for landing fee and parking fee of aircraft paid to Airport Authorities.

**Answer**

The Delhi High Court has, in *United Airlines vs. CIT (2006) 287 ITR 281*, held that the landing and parking fee for aircraft charged by the Airport Authorities is considered as rent for the purpose of section 194-I. As per Explanation (i) to section 194-I, rent means any payment, by whatever name called, under any lease, sub-lease, tenancy or any other agreement or arrangement for the use of, *inter alia*, land. When the wheel of an aircraft coming into an airport touches the surface of the air-field, the use of the land of the airport immediately begins. Similarly, for parking the aircraft in that airport, there is use of the land. Thus, even the landing of aircraft or parking of the aircraft amounts to use of the land of the airport. Hence, the landing fee and parking fee will amount to rent for the purpose of section 194-I.

**Question 2**

*Mahanadi Limited has taken one flat (3,000 sq. ft) on rent from Yamuna Limited to set up its Branch Office. The rent payable to Yamuna Limited for the flat is Rs.60,000 per month plus applicable service tax. Mahanadi Limited wishes to know whether tax is required to be deducted at source under section 194-I from gross amount of rent including service tax. Give your advice.*

**Answer**

CBDT Circular No.4/2008 dated 28.04.2008 has clarified that service tax paid by the tenant does not partake the nature of income of the landlord. The landlord only acts as a collecting agency for Government for collection of service tax. Therefore, tax deduction at source under section 194-I would be required to be made on the amount of rent paid/payable without including the service tax.

**Question 3**

*M/s Soft Drinks Limited entered into an agreement for the warehousing of its products with XYZ Warehousing and deducted tax at source as per provisions of section 194C out of*
warehousing charges paid during the year ended on 31.03.2011. The Assessing Officer, while completing the assessment for A.Y. 2011-12 of Soft Drinks Limited, treated the warehousing charges as rent as defined in section 194-I and asked the company to make payment of difference amount of TDS with interest. It was submitted by the company that the recipient had already paid tax on the entire amount of warehousing charges and therefore, now the difference amount of TDS cannot be recovered. However, it will make the payment of due interest on the difference amount of TDS.

Answer

The facts given in the case are identical to the facts, which were before the Apex Court in the case of Hindustan Coca Cola Beverage P. Ltd v. CIT (2007) 293 ITR 226. The Court held that though the assessee was as an assessee-in-default, the difference of tax deducted cannot be recovered from him since the same had already been paid by the recipient of income. Therefore, the Supreme Court had, in view of the Circular No. 275/201/95-IT(B) dated 29.1.97 and considering the payment of interest under section 201(1A) by the assessee, held that the tax cannot once again be recovered from the assessee. Therefore, the action of Assessing Officer to recover the amount of difference along with interest from M/s Soft Drinks Ltd., when the tax has been paid by the recipient and the assessee is making the payment of interest, is incorrect in view of the decision of the Apex Court.

Question 4

East Bengal Club, a renowned football club, has engaged Raghu, a resident in India, as its coach at a remuneration of Rs.6 lacs annually. The club wants to know from you whether it is liable to deduct tax at source from such remuneration.

Answer

Section 194J requires deduction of tax at source @10% from the amount credited or paid by way of fees for professional services, where such amount or aggregate of such amounts credited or paid to a person exceeds Rs.30,000 in a financial year. As per Explanation (a) to section 194J, professional services includes, inter alia, services rendered by a person in the course of carrying on such other profession as is notified by the CBDT for the purpose of section 194J.

Accordingly, the CBDT has, vide Notification No.88 dated 21.8.2008, in exercise of the powers conferred by clause (a) of the Explanation to section 194J notified the services rendered by, inter alia, coaches and trainers in relation to the sports activities as professional services for the purpose of section 194J.

Therefore, the club is liable to deduct tax at source under section 194J from the remuneration payable to the Coach, Raghu.
Question 5

P Ltd. is engaged in manufacture of a product. It paid a lump-sum deposit and obtained 50 mobile phone services so that the employees of the assessee can be contacted immediately. The company paid Rs.45,000 every month towards the service and call charges to the mobile phone franchise. On these facts decide whether P Ltd. has to deduct tax at source on the payment? If so, under which provision of the Act?

Answer

In this case, the assessee pays the service and call charges every month to a mobile phone franchise. Explanation 2 to section 9(1)(vii) provides that “fees for technical services” means any consideration (including any lump sum consideration) for the rendering of any managerial, technical or consultancy services (including the provision of services of technical or other personnel). Therefore, mere collection of fee by the mobile phone franchise from the customers for use of mobile phone services will not amount to receipt of fees towards technical services. When a subscriber pays money to the mobile phone franchise, it is towards the benefit of availing the services to communicate with others and not for any technical services. The payment made is for the use of airtime. Installation of technical equipment to ensure connectivity to the subscriber cannot make it technical services. Therefore, P Ltd. need not deduct tax at source under section 194J on the payments made to the mobile phone franchisee towards the service and call charges. This view was upheld by the Madras High Court in Skycell Communications Ltd. v. Dy. CIT (2001) 251 ITR 53.

Question 6

ABC Ltd. took on sub-lease a building from J, an individual, with effect from 1.9.2010 on a rent of Rs.20,000 per month. It also took on hire machinery from J with effect from 1.10.2010 on hire charges of Rs.15,000 per month. ABC Ltd. entered into two separate agreements with J for sub-lease of building and hiring of machinery. The rent of building and hire charges of machinery for the financial year 2010-11 amounting to Rs.1,40,000 and Rs.90,000 respectively were credited by ABC Ltd. to the account of J in its books of account on 31.3.2011. Examine the obligation of ABC Ltd with regard to deduction of tax at source in respect of the rent and hire charges.

Answer

Section 194-I dealing with deduction of tax at source from payment of rent has been amended by the Finance (No.2) Act, 2009 with effect from 01.10.2009 by reducing the rate of tax deduction. The rate of TDS applicable is 2% for machinery hire charges and 10% for building lease rent w.e.f. 1.10.2009. The scope of the section includes within its ambit, rent for machinery, plant and equipment. Tax is required to be deducted at source from payment of
rent, by whatever name called, under any lease, sub-lease, tenancy or any other agreement or arrangement for the use of, *inter alia*, building and machinery, irrespective of whether such assets are owned or not by the payee. The limit of Rs. 1,80,000 for tax deduction at source w.e.f. 01.07.2010 will apply to the aggregate rent of all the assets. Even if two separate agreements are entered into, one for sub-lease of building and the other for hiring of machinery, rent and hire charges under the two agreements have to be aggregated for the purpose of application of the threshold limit of Rs. 1,80,000. Therefore, ABC Ltd. has to deduct tax at source under section 194-I in respect of the rent and hire charges aggregating to Rs. 2,30,000 credited to the account of J, the payee.

**Question 7**

*M, an individual, had let out his building on a monthly rent of Rs. 20,000. The tenant deducted tax under section 194-I from the rent paid to M, but did not remit such tax to the credit of the Central Government. M filed his return of income for the assessment year 2011-12 including therein the rental income from the said building and paid the balance tax on his total income after taking credit for tax deducted at source by the tenant. The Assessing Officer has called upon M to pay the tax to the extent of tax deducted at source. Is the Assessing Officer justified in doing so?*

**Answer**

Section 205 of the Income-tax Act, 1961 provides that where tax is deductible at source under the provisions of Chapter XVII, the assessee shall not be called upon to pay the tax himself to the extent to which tax has been deducted from that income. Section 205, therefore, bars a direct demand being made on an assessee to the extent of tax deducted from the income. The Income-tax Department can recover the tax deducted at source from the tenant and not from M in view of the clear mandate in section 205. The Karnataka High Court has in *Smt. Anusuya Alva v. DCIT* (2005) 278 ITR 206 ruled that tax deducted at source by the tenant from the rent paid but not remitted to the credit of the Central Government can be recovered only from the tenant and not from the landlord. Therefore, in view of the clear mandate in section 205, the Assessing Officer is not justified in law in calling upon M to pay the said tax.

**Question 8**

Examine the obligation of the person responsible for paying the income to deduct tax at source and indicate the due date for payment of such tax, wherever applicable, in respect of the following items:

(i) *MNO Ltd., the employer, credited salary due for the financial year 2010-11 amounting to Rs. 2,40,000 to the account of Q, an employee, in its books of account on 31.3.2011. Q has not furnished any information about his income/loss from any other head or proof of investments/payments qualifying for deduction under section 80C.*
(ii) *T*, an individual whose total sales in business during the year ending 31.3.2010 was Rs.1.20 crores, paid Rs.9 lakhs by cheque on 1.1.2011 to a contractor (an individual), for construction of his business premises, in full and final settlement. No amount was credited earlier to the account of the contractor in the books of *T*.

(iii) BCD Ltd. credited Rs.28,000 towards fees for professional services and Rs.27,000 towards fees for technical services to the account of HG in its books of account on 6.10.2010. The total sum of Rs.55,000 was paid by cheque to HG on 18.12.2010

**Answer**

(i) Section 192 requires deduction of tax from salary at the time of payment. Thus, the employer is not required to deduct tax at source when salary has not been paid but is merely credited to the account of the employee in its books of account. MNO Ltd. therefore, is not required to deduct tax at source in respect of the salary merely credited to the account of employee Q which is not paid.

(ii) An individual who is liable for tax audit under section 44AB in the immediately preceding financial year is liable to deduct tax at source under section 194C for the financial year 2010-11 in respect of the payment made to contractor exceeding Rs. 30,000 in a single payment and Rs. 75,000 in aggregate during the financial year. Turnover of the individual T exceeded Rs.40 lakh in the financial year 2009-10. Therefore, T is liable to get his accounts for that year audited under section 44AB. As the payment during financial year 2010-11 to the contractor had exceeded the limits prescribed in section 194C, tax has to be deducted under section 194C.

The rate of tax deduction is 1% as the contractor is an individual.

(iii) The limit of Rs.30,000 for non-deduction of tax under section 194J has been separately fixed for fees for professional services and fees for technical services. This means that if a person has rendered services falling under both the categories, tax need not be deducted if the fees for each category does not exceed Rs.30,000 even though the aggregate of the amounts credited to the account of such person or paid to him for both the categories of services exceed Rs.30,000. Therefore, BCD Ltd., is not required to deduct tax at source in respect of the fees either at the time of credit or at the time of payment.

**Question 9**

*Alap Ltd. has made payments on various dates in financial year 2010-11 to Vilambit Ltd. towards work done under different contracts as follows:*

<table>
<thead>
<tr>
<th>Contract Number</th>
<th>Date of payment</th>
<th>Amount (Rs.)</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.</td>
<td>5.5.2010</td>
<td>10,000</td>
</tr>
<tr>
<td>2.</td>
<td>6.6.2010</td>
<td>15,000</td>
</tr>
<tr>
<td>3.</td>
<td>8.8.2010</td>
<td>25,000</td>
</tr>
<tr>
<td>4.</td>
<td>10.12.2010</td>
<td>20,000</td>
</tr>
<tr>
<td>5.</td>
<td>29.03.2011</td>
<td>10,000</td>
</tr>
</tbody>
</table>
Alap Ltd. claims that it is not liable for deduction of tax at source under section 194C. Examine the correctness of the claim made by the company. What would be the position if the value of the contract no. 5 is Rs. 1,000 only and there is no other contract during the year.

Answer

The limit for tax deduction under section 194C has been increased by the Finance Act, 2010 w.e.f. 01.07.2010. As per section 194C(5) tax has to be deducted at source where the amount credited or paid or likely to be credited or paid to a contractor or sub-contractor exceeds Rs.30,000 in a single payment or Rs.75,000 in aggregate during a financial year.

Therefore, in the given case, even though the value of each individual contract does not exceed Rs.30,000, the aggregate amount of the sums paid exceeds Rs.75,000. Therefore, Alap Ltd's contention is not correct and tax is required to be deducted at source from Rs.10,000, being the contract no.5 in which the aggregate payment exceeded Rs.75,000.

No tax deduction is to be made if the value of the last contract is Rs.1,000 as the aggregate amount in such case would only be Rs.71,000, which is below the aggregate monetary limit of Rs.75,000.

Question 10

Discuss the liability for tax deduction at source in the following cases for the assessment year 2011-2012:

(i) Mr. Anand has been running a sole proprietary business whose accounts are audited under section 44AB of Income-tax Act, 1961. He pays a monthly rent of Rs.15,000 for the office premises to Mr. R, the owner of building and an individual. Besides, he also pays service charges of Rs.10,000 per month to Mr. R towards the use of furniture, fixtures and vacant land appurtenant thereto.

(ii) By virtue of an agreement with a nationalised bank, a catering organisation receives a sum of Rs.50,000 per month towards supply of food, water, snacks etc. during office hours to the employees of the bank.

(iii) An Indian company pays gross salary including allowances and monetary perquisites amounting to Rs.6,80,000 to its General Manager. Besides, the company provides non-monetary perquisites to him in the same period whose value is estimated at Rs.1,20,000.

Answer

(i) Where the payer is an individual or HUF whose accounts are required to be audited as per the provisions of section 44AB for the immediately preceding financial year, he has to deduct tax at source. If the accounts of Mr. Anand are subject to tax audit for the assessment year 2010-11 under section 44AB of the Income-tax Act, 1961, he is liable to deduct tax at source under section 194-I in respect of rental payments during the financial year 2010-11.
Accordingly, Mr. Anand is liable to deduct tax at source under section 194-I on the rental payments made. Section 194-I provides that rent includes any payment, by whatever name called, for the use of land or building together with furniture, fittings etc. Therefore, in the given case, apart from monthly rent of Rs.15,000 p.m., service charge of Rs.10,000 p.m. for use of furniture and fixtures would also attract TDS under section 194-I. Since the aggregate rental payments to Mr. R during the financial year 2010-11 exceeds Rs. 1,80,000, Mr. Anand is liable to deduct tax at source @10% under section 194-I from rent paid to Mr. R.

(ii) The definition of “work” under Explanation to section 194-C includes catering services and therefore, TDS provisions under section 194C are attracted in respect of payments to a caterer. As the payment exceeds Rs.30,000, the nationalised bank is required to deduct tax at source at 2% on the payments made to catering organisation under 194-C. If the catering organization is an individual or HUF, then the tax deduction shall be @ 1%.

(iii) Gross salary, allowances and monetary perquisites 6,80,000
Non-Monetary perquisites 1,20,000
8,00,000
Tax Liability 96,820
Average rate of tax (96,820 / 8,00,000 X 100) 12.10%
The company can deduct Rs. 96,820 at source from the salary of the General Manager. Alternatively, the company can pay tax on non-monetary perquisites as under –
Tax on non-monetary perquisites = 12.10% of Rs. 1,20,000 = Rs. 14,520
Balance to be deducted from salary = Rs. 82,300
If the company pays tax of Rs. 14,520 on non-monetary perquisites, the same is not deductible expenditure as per section 40(a). It is not chargeable to tax in the hands of the employee under section 10(10CC).

Question 11
The following issues arise in connection with the deduction of tax at source under Chapter XVII-B. Discuss the liability for tax deduction in these cases:
(a) An employee of the Central Government receives arrears of salary for the earlier 3 years. He enquires whether he is liable for deduction of tax on the entire amount during the current year.
(b) A T.V.channel pays Rs.10 lakhs on 1.9.2010 as prize money to the winner of a quiz programme. Who will be a Millionaire?
(c) State Bank of India pays Rs.50,000 per month as rent to the Central Government for a building in which one of its branches is situated.

(d) A television company pays Rs.80,000 to a cameraman for shooting of a documentary film.

(e) A State Government pays Rs.20,000 as commission to one of its agent on sale of lottery tickets.

(f) A Turf Club awards a jack-pot of Rs.5 lacs to the winner of one of its races.

Answer

(a) As per section 192, tax is deductible at source by any person who is responsible for paying any income chargeable under the head salaries. However, under sub-section (2A) of that section, the employee will be entitled to relief under section 89(1) and consequently he will be required to furnish to the person responsible for making the payment, such particulars in the prescribed form. The person responsible for making the payment shall compute the relief and take it into account the same while making deduction of tax at source from salary.

(b) Under section 194B the person responsible for paying by way of winnings from any card game and other game in an amount exceeding Rs.10,000 shall at the time of payment deduct income-tax at 30%.

(c) Section 194-I, which governs the deductions of tax at source on payment of rent, exceeding Rs.1,80,000 per annum is applicable to all taxable entities excepting individuals and HUF’s. However, under section 196, exemption is provided in respect of payments made to Government from application of provisions of tax deduction at source.

(d) If the cameraman is an employee of the T.V. Company, the provisions of section 192 will apply. However, if he is a professional, TDS provisions under section 194-J will apply. Tax at 10% will have to be deducted at the time of credit of Rs.80,000 or on its payment, whichever is earlier.

(e) Under section 194G, the person responsible for paying to any person stocking, distributing, purchasing or selling lottery tickets shall at the time of credit of the commission or payment thereof, whichever is earlier, amounting to more than Rs.1,000, deduct income-tax at 10%.

(f) The payment by way of winnings from horse race is governed by section 194BB. Under this section, the people responsible for payment shall, at the time of payment deduct tax at source @ 30%, if the payment exceeds Rs. 5,000.

Question 12

Discuss the following propositions:

*Interest levied under section 220 of the Act can be waived*
Answer

Under section 220(2A), the Chief Commissioner or the Commissioner, may reduce or waive the amount of interest paid or payable by an assessee, if he is satisfied that:

(i) Payment of such interest has caused or would cause undue hardship to the assessee;
(ii) Default in the payment of the amount on which interest has been charged was due to circumstances beyond the control of the assessee and
(iii) The assessee has cooperated in any inquiry relating to the assessment or any proceeding for the recovery of any amount due from him.

Question 13

How do you deal with the following issues under the respective provisions of the Income-tax Act?

(a) A foreign company, which has a branch operating in India pays salary to its employees “net of tax”. It declines to issue certificate under section 203 to its employees of the tax deducted at source on the ground that it had not deducted any tax at source.

(b) A foreign company pays fee for professional and technical services rendered to it by an Indian law and accountancy firm. The foreign company does not have any branch, agent or establishment in India. Advise the foreign company as to, how it could comply with provisions of section 194J.

Answer

(a) This position was considered by the Board and Circular No. 785 dated 24-11-1988, issued on this point.

“Payments net of tax” has been contemplated under section 195 A.

In cases where the amount is paid, “net of tax”, then for the purpose of deduction of tax at source, such income should be increased by such an amount as would, after deduction of tax thereon, be equal to the net amount payable. In all such cases, where the amount is agreed to be paid “net of tax”, the payer is under legal obligation to furnish a certificate for the tax deducted at source in the prescribed form to the payee within the time prescribed under section 203. The foreign company is under a legal obligation to pay the tax on behalf of its employees and also issue the certificate to its employees under section 203.

(b) In its Circular No.726 dated 18.10.1995, the Board considered such a situation and having regard to the practical difficulties involved, decided that any fees paid through regular banking channels to any chartered accountant, lawyer, advocate or solicitor who is resident in India by the non-residents who do not have any agent or business connection or permanent establishment in India may not be subject to the provisions of tax deduction at source under section 194J of the Income-tax Act.
Question 14

You are consulted on the justifiability of the following claims. Your advice is to be framed based on the provisions of the Income-tax Act, 1961.

(i) Mr. Govind won the first prize in a lottery ticket and the prize money was a Maruti car worth Rs. 2 lakhs. According to section 194B, tax has to be deducted at source from the winnings of lottery at the time of payment of the prize money. What is the procedure to be adopted before handing over the Maruti Car to Mr. Govind?

(ii) A private trust has two individuals and one HUF as beneficiaries and their shares were equal. The trust borrowed certain amounts on which interest payable to a single lender was Rs. 15,000. Is the trust obliged to deduct tax at source at the time of payment/credit of such interest to the lender?

Answer

(i) This position is covered by the second proviso to section 194B itself. It is provided therein that where the winnings are wholly in kind or partly in kind and partly in cash, but the cash part of it is not sufficient to meet the liability for tax deduction at source, the person responsible shall, before releasing the winnings, ensure that the tax has been paid in respect of the winnings. Therefore, in the case under consideration, the entire winnings being in kind, a sum equal to the tax to be deducted at source (i.e. Rs. 60,000 being @ 30% of Rs. 2 lakhs) must be collected from Mr. Govind by the agent and remitted to the Government account before releasing the Maruti car to him.

(ii) Under section 194A, any person, not being an individual or a Hindu undivided family who is responsible for paying to a resident any income by way of interest other than income by way of interest on securities shall at the time of credit of such income to the account of the payee or at the time of payment thereof, whichever is earlier, deduct income-tax thereon at the rates in force. In this case, the beneficiaries as well as their shares are known. The trust can be assessed in the same manner and to the same extent as the beneficiaries and therefore, the trust will have the same status as that of the beneficiaries i.e. individuals or HUF as the case may be. Since interest paid or credited to an individual or HUF is not covered by section 194A, no tax needs to be deducted at source. However, in case the accounts of the trust are required to be audited as per the provisions of section 44AB, then it is liable to deduct tax at source @ 10%.
Some Key Points
The threshold limit for net wealth chargeable to tax has been enhanced to Rs.30 lakhs from the assessment year 2010-11 onwards.

The time limit for passing an order by the settlement commission under section 22D(4A)(ii) is twelve months from the end of the month in which the application was made and this time limit would apply in respect of application made on or after 01.06.2007 but before 01.06.2010.

In respect of applications made for settlement of the case on or after 01.06.2010, the time limit for passing the order in settlement of the case is 18 months from the end of the month in which the application was made.

Entities not liable to wealth
According to section 45, no wealth tax shall be levied in respect of the following assessees:
(a) any company registered under section 25 of the Companies Act, 1956;
(b) any co-operative society;
(c) any social club
(d) any political arty
(e) a Mutual Fund specified under section 10(23D) of the IT Act.

Share in Partnership firm or an AOP
Section 4(1) provides that were the assessee is a partner in a firm or is a member of an association of persons, the value of his interest in the assets of the firm or association shall be determined in the manner laid down in Schedule III and is to be included in his net wealth.

The manner in which such value is to be computed has been prescribed in Rule 16 of Schedule III of the Wealth-tax Act, 1957.

Tax treatment of members of co-operative housing societies etc
Section 4(7) deals with tax treatment of members of co-operative society, company or other association of persons. Where the assessee is a member of a co-operative society, company or other association of persons and a building or part thereof is allotted or leased to him under a house building scheme of the society, company or association, as the case
may be, the assessee shall be deemed to be the owner of such building or part and the value of such building or part, shall be included in computing the net wealth of the assessee; and in determining the value of such building or part, the value of any outstanding installments of the amount payable under such scheme by the assessee to the society, company or association towards the cost of such building or part and the land appurtenant thereto shall, whether the amount so payable is described as such or in any other manner in such scheme, be deducted as a debt owed by him in relation to such building or part thereof;

**Question 1**

Ms. Poorna has a house property at Mumbai, which she has rented out to Ms. Jayashree. The cost of acquisition of the property (acquired in the year 2000) is Rs.40 lakh. Determine the value of her property chargeable to wealth-tax as on the valuation date 31.3.2011, from the following particulars –

(i) The annual value of the property as per municipal records is Rs.6 lakh.
(ii) The monthly rent which the property fetches is Rs.45,000.
(iii) Municipal taxes @ 10% of the municipal value of the property are paid partly by Ms. Jayashree (40%) and partly by Ms. Poorna (60%).
(iv) The cost of repairs of the house property is entirely borne by Ms. Jayashree.
(v) Ms. Jayashree has given an interest-free deposit of Rs.2 lakh to Ms. Poorna.
(vi) The unexpired period of lease on the valuation date is 20 years.

**Answer**

**Valuation of house property at Mumbai of Ms. Poorna on valuation date 31.3.2011**

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Actual Rent (Rs.45,000 x 12)</td>
<td>5,40,000</td>
</tr>
<tr>
<td>Add: (i) Municipal taxes borne by the tenant (4% of Rs.6 lakh)</td>
<td>24,000</td>
</tr>
<tr>
<td>(ii) Repairs borne by the tenant - 1/9th of actual rent received</td>
<td>60,000</td>

Therefore, the value of house property chargeable to tax on valuation date 31.3.2011 is Rs.40 lakh.

**Question 2**

Bentac Constructions Ltd. furnishes the following particulars of its wealth for the valuation date as on 31.3.2011:

(i) Land in urban area (held as stock in trade since 1998) 67 lacs  
(ii) Motor cars (including one imported car worth Rs.32 lacs used for hiring) 43 lacs  
(iii) 125 acres of land acquired at Ghaziabad township on 15.5.2009 for construction of commercial complex 150 lacs  
(iv) Residential flats of 950 sq feet each provided to 2 employees (salary of one employee exceeds Rs.5 lacs per annum) 22 lacs  
(v) Farm house situated at a remote village 7 lacs  
(vi) Cash in hand as per cash book 5 lacs

**Liabilities:**  
(i) Loan for purchase of land at urban area 45 lacs  
(ii) Loan for purchase of land at Ghaziabad 100 lacs  
(iii) Wealth-tax liability for A.Y. 2009-10 10 lacs  
(iv) Loan for construction of residential flats 14 lacs

Compute the net wealth of the company for the A.Y.2011-12.

Question 3

Gamma Limited is engaged in the construction of residential flats. For the valuation date 31.3.2011, it furnishes the following data and requests you to compute the taxable wealth:

(i) Land in urban area (Construction is not permitted as per municipal laws in force) Rs.42 lakh

(ii) Motor-cars (used for running on hire by the company) Rs.12 lakh.

(iii) Jewellery (investment) Rs.25 lakh. Loan taken for purchase of the same Rs.14 lakh.

(iv) Cash balance (as per books) Rs.3 lakh.

(v) Bank balance Rs.8 lakh.

(vi) Guest House (situated in a place which is 45 kms away from the local limits of the municipality) Rs.15 lakh.

(vii) Residential flat occupied by the Managing Director Rs.12 lakh. The managing director is on whole time appointment and is drawing remuneration of Rs.1.50 lakh per month.

(viii) Residential house let out on hire for 150 days Rs.6 lakh.

The computation should be supported with proper reasoning for inclusion or exclusion.

Less : Debts - Loan obtained for purchase of jewellery 9 14

Taxable wealth as on 31.03.2011 58

44
Notes:

(1) Land in urban area on which the construction is not permitted as per municipal laws in force does not fall within the meaning of ‘asset’ defined under section 2(ea) and is therefore, not taxable.

(2) Motor cars used for running on hire is not an asset as per section 2(ea) and is, therefore, not taxable.

(3) Jewellery is always taxable unless the same is held as stock-in-trade.

(4) In the case of assessees, other than individuals and HUFs, cash in hand is not taxable to the extent reflected in the books of account. In this case, since the entire cash balance of Rs.3 lakh is reflected in the books of account, it is not taxable.

(5) Bank balance is not as asset with in the meaning of ‘asset’ defined under section 2(ea)

(6) Guest House situated in rural area is an asset and is, therefore, taxable. Only in the case of farm house, if it is situated beyond 25 kms from the local limits of any municipality, taxability does not arise.

(7) Residential flat which is allotted by a company to an employee or an officer or a director who is in whole-time employment, having gross annual salary of less than Rs.5 lakh is not an asset within the meaning of asset defined under section 2(ea). In the given case, the residential flat is a taxable asset since it is occupied by the Managing Director whose gross annual remuneration exceeds Rs.5 lakh.

(8) Any residential property which is let out for a minimum period of 300 days in the previous year is not an asset. In the given case, the residential house is taxable since it has been let out for less than 300 days during the previous year.

(9) Debts incurred in relation to assets chargeable to tax shall be allowed as deduction in the computation of net wealth. Accordingly, loan obtained for purchase of jewellery shall be allowed as deduction since jewellery is assessable to wealth tax.

Question 4
State, with reasons, whether the following constitute assets chargeable to wealth tax on the valuation date 31.3.2011:

(i) Agricultural farm house situated 50 kms outside the municipal limits of Jaipur, but within 18 kms of Niwai Municipal Corporation.

(ii) Factory building and godowns leased out on rent.

(iii) Silver and gold in the jewellers shop

(iv) Cash balance of Rs.4 lakh.
Wealth Tax

Answer

(i) Farm house situated within 25 kilometers from the local limits of municipality

According to Section 2(ea) of the Wealth-tax Act, buildings including farm house situated within 25 kilometers from the local limits of a municipality shall be considered as an asset. Therefore, the farmhouse situated within 18 kilometers from Niwai Municipal Corporation shall be an asset chargeable to wealth-tax.

(ii) Factory building and godowns leased out on rent

Section 2(ea) provides exceptions to the chargeability of buildings or land appurtenant thereto to wealth-tax. One such exception is the property in the nature of commercial establishments or complexes. Therefore, factory buildings and godowns are not assets within the meaning of Section 2(ea) of the Wealth-tax Act and are accordingly not chargeable to wealth-tax.

(iii) Silver and gold used in the jewellers' shop

Jewellery is considered as an asset within the meaning of Section 2(ea) of the Wealth-tax Act. However, if jewellery is used as stock in trade, the same shall be excluded from the assets chargeable to wealth-tax. Therefore, silver and gold used in the jewellers’ shop represent his stock-in-trade and would, therefore, not be chargeable to wealth-tax.

(iv) Cash balance of Rs.4 lakh

Cash in hand in excess of Rs.50,000 is considered as an “asset” under Section 2(ea) for individuals and HUF. In case of other persons, any amount not recorded in the books of account shall be considered as an asset.

In the given case, if the assessee is an individual or HUF, the cash balance in excess of Rs.50,000 (i.e. Rs.3.50 lakh) shall be chargeable to wealth-tax. In any other case, if the entire cash balance is accounted for in the books of account, it would not be chargeable to wealth-tax. If the cash balance is not accounted for in the books of account, the same would be chargeable to wealth-tax.

Question 5

(a) Mrs. A furnishes the following particulars for the computation of her wealth tax liability for the assessment year 2011-12:

1. Gifts of jewellery and gold ornaments received from her mother on the occasion of her marriage aggregating Rs.5,00,000. However, the said jewellery were forcibly taken away from her by her mother-in-law after marriage.

2. She owns two residential house properties each valuing Rs.10,00,000.
(3) She is one of the partners in the business with her husband. The value of her interest in assets of the firm as at 31st March, 2011 is Rs.12,75,500. The said business is conducted in one of the house properties owned by Mrs. A.

(4) She has two motor cars of Rs.12,50,000, one of which is imported by her for Rs.7,50,000.

(5) She has invested Rs.10,00,000 in a bank deposit for five years to meet the future expense of children on their education.

(6) Mrs. A has signed "agreement to sell" for purchase of new residential house property of Rs.20,00,000 and has made advance payment of Rs.5,00,000 on 1st March, 2011 and has taken possession. However, the sale deed has not been executed till 31st March, 2011. She has taken loan of Rs.15,00,000 from bank for purchase of said property.

(7) She has cash balance of Rs.75,000.

Compute the wealth tax payable by Mrs. A for assessment year 2011-12.

(b) Under what circumstances can the Assessing Officer make a reference to the Valuation Officer for the purpose of making an assessment under the Wealth-tax Act, 1957?

Answer

(a) Computation of wealth-tax payable by Mrs. A for A.Y.2011-12

<table>
<thead>
<tr>
<th>Asset</th>
<th>Amount in Rs.</th>
<th>Reason</th>
</tr>
</thead>
<tbody>
<tr>
<td>Jewellery</td>
<td>Nil</td>
<td>Jewellery forcibly taken by mother-in-law and not in the possession of the assessee, is not chargeable to wealth-tax in the hands of the assessee.</td>
</tr>
<tr>
<td>House Property 1</td>
<td>Nil</td>
<td>A house used exclusively for residential purpose is treated as an asset under section 2(ea), but the same is exempt under section 5(vi).</td>
</tr>
<tr>
<td>House Property 2</td>
<td>Nil</td>
<td>Building owned by a partner but used in firm’s business is deemed to be used by the partner for his business purposes and is, hence, not an asset chargeable to tax under section 2(ea).</td>
</tr>
<tr>
<td>Value of interest in assets of the firm</td>
<td>12,75,500</td>
<td>Included in the net wealth of Mrs. A by virtue of section 4(1)(b). It has been assumed that the assets are those covered under section 2(ea).</td>
</tr>
<tr>
<td>Motor Cars</td>
<td>12,50,000</td>
<td>Motor cars, whether indigenous or imported, are assets chargeable to wealth-tax under section 2(ea).</td>
</tr>
</tbody>
</table>
Wealth Tax

Bank Deposit  Nil  Not an asset under section 2(ea) and hence, not chargeable to tax under the Wealth-tax Act.

House Property 3  20,00,000  Since the possession of the house property is taken, it is deemed as an asset and is chargeable to wealth-tax. It may be noted that only one house property is exempt under section 5(vi) and this exemption has already been availed in respect of House Property 1.

Cash balance  25,000  For an individual, cash in hand in excess of Rs.50,000 shall be chargeable to wealth tax (Rs.75,000 – 50,000)

Gross Wealth  45,50,500
Less:  Loan borrowed from Bank  15,00,000  Money borrowed by the assessee for purchase of House Property 3 is deductible under section 2(m), since the value of House Property 3 is included in gross wealth.

Net Wealth  30,50,500

Wealth-tax payable by Mrs. A will be Rs.505 i.e. 1% of Rs.50,500 (i.e., Rs.30,50,500 – Rs.30,00,000).

(b) Under section 16A of the Wealth-tax Act, a reference to the Valuation Officer may be made by Assessing Officer, where the market value of any asset is to be taken into account in the wealth tax assessment. Such reference can be made in the following cases -

(a) Where the value of the asset adopted by the assessee is on the basis of the estimate by a registered valuer and the Assessing Officer is of the opinion that such value returned is less than the fair market value;

(b) In any other case, if the fair market value, in the opinion of Assessing Officer, exceeds the value of the asset (as disclosed in the return), by 33-1/3% or Rs.50,000; or

(c) having regard to the nature of the asset and other relevant circumstances, the Assessing Officer is of the opinion that it is necessary to make a reference.

Question 6

(a) The owner of a house property, located at New Delhi, given on rent asks you to determine the value thereof on valuation date 31.3.2011 from the following information:

(i) The annual value of property assessed by Delhi Development Authority is Rs.10 lacs.

(ii) The rent fixed is Rs.80,000 p.m., out of which Rs.5,000 is for the furniture.
direct tax laws

(iii) DDA has levied taxes @ 5% of rent of property which are being paid by the tenant.
(iv) The cost of repairing the house is also borne by the tenant.
(v) The tenant has given a refundable deposit of Rs.5 lacs on which he is entitled to receive a simple interest @10% p.a.
(vi) The tenant is also required to make payment of yearly lease rent of Rs.10,000 to the society.
(vii) The unexpired period of lease on the valuation date is 35 years.

(b) Examine the correctness of the following taking into consideration the provisions of Wealth-tax Act:

(i) The Commissioner of Wealth-tax is not empowered to reduce or waive penalty unless it is approved by the Chief Commissioner or Director General.

(ii) Penalty for concealment of wealth can be imposed where the value of assets disclosed by the assessee is Rs.4,00,000 but determined by the Assessing Officer at Rs.6,00,000.

Answer

(a) Computation of value of the house property on valuation date 31.3.2011

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Actual Rent received is Rs.75,000 p.m. because the rent of furniture does not constitute rent for the building (Rs.75,000 x 12)</td>
<td>9,00,000</td>
</tr>
<tr>
<td>Add: (i) Taxes borne by the tenant, being 5% of rent received</td>
<td>45,000</td>
</tr>
<tr>
<td>(ii) Repairs since borne by the tenant, hence 1/9th of actual rent received</td>
<td>1,00,000</td>
</tr>
<tr>
<td>(iii) 15% of amount of deposit of Rs.5 lacs less interest paid @ 10%</td>
<td>25,000</td>
</tr>
<tr>
<td>(75,000 – 50,000)</td>
<td></td>
</tr>
<tr>
<td>(iv) Obligation of landlord for payment of lease rent met by tenant.</td>
<td>10,000</td>
</tr>
<tr>
<td>Actual amount paid is to be added.</td>
<td></td>
</tr>
<tr>
<td>Annual Rent</td>
<td>10,80,000</td>
</tr>
</tbody>
</table>

The annual rent so worked out has to be compared with the assessed annual value of DDA and the higher value of the two has to be adopted as Gross Maintainable Rent (GMR). The assessed annual value is Rs.10,00,000 whereas the annual rent works out to Rs.10,80,000. Therefore, the annual rent is higher and shall be adopted for calculating the Net Maintainable Rent.
Wealth Tax

Particulars

Computation of Net Maintainable Rent

Gross Maintainable Rent (GMR), being the annual rent 10,80,000

Less: (i) Municipal Taxes levied by DDA  45,000

(ii) 15% of GMR  1,62,000

Net Maintainable Rent  8,73,000

Capitalised value of NMR

Where the unexpired period of lease is less than 50 years but more than 15 years, the value is equal to NMR x 8 i.e., Rs.8,73,000 x 8. 69,84,000

Therefore, the value of house property on valuation date 31.3.2011 is Rs.69,84,000.

(b) (i) Under section 18B of the Wealth-tax Act, the Commissioner is vested with the power to reduce or waive the penalty *suo moto* or on an application made by the assessee, if he is satisfied that the assessee has –

1. voluntarily and in good faith made full and true disclosure of the particulars of his wealth, prior to detection of the same by the Assessing Officer;

2. co-operated in any enquiry relating to the assessment of his net wealth; and

3. has also made satisfactory arrangements for the payment of tax or interest payable in consequence of an order passed by the Assessing Officer for the relevant assessment year.

However, no order reducing or waiving the penalty, in the above case, shall be made by the Commissioner without the prior approval of the Chief Commissioner or Director General, if the concealed net wealth in respect of which the penalty was imposed or imposable for any relevant assessment year exceeds Rs.5 lakh.

(ii) The levy of penalty under section 18(1)(c) of the Wealth-tax Act is in respect of concealment of wealth or furnishing inaccurate particulars of wealth. Explanation 4 to section 18 clarifies that an assessee would be deemed to have furnished inaccurate particulars of his wealth if the value of assets disclosed by him is less than 70% of the value as determined in an assessment under section 16 or 17, unless he proves that the value of assets as disclosed by him is the correct value.

In the case of this assessee, the value of the assets determined by the Wealth-tax Officer is Rs.6 lakh whereas the value disclosed by the assessee is only Rs.4 lakh. Since the value disclosed by the assessee i.e., Rs.4 lakh is less than Rs.4.2 lakh, being 70% of the value determined by the Wealth-tax Officer, penalty under section 18(1)(c) is attracted in this case, unless the assessee proves that the value of assets disclosed by him is the correct value.
Question 7

(a) Mr. Neeraj provides the following particulars and asks you to work out the amount of net wealth to be declared by him in the wealth tax return for Assessment year 2011-12:

(i) Value of a Motor Car Rs.5,00,000
(ii) Value of a Motor Cycle Rs.50,000
(iii) A house of which ground floor is used by him for business purposes and first floor for self residence having value of Rs.50,00,000 on 31.3.2011.
(iv) Jewellery worth Rs.12 lacs purchased on 30.3.11 by his wife out of funds given by him of Rs.5 lacs and by his son of Rs.5 lacs.
(v) Shares of various companies worth Rs.2,00,000 purchased by him in the name of his daughter-in-law.

(b) An assessee, being aggrieved by the order of Wealth-tax Officer, filed an appeal by taking for the first time a ground “that notice to complete the assessment was not served upon him but he had co-operated in completion of proceedings”. Are you in agreement with the view taken by the assessee?

(c) Ram gifted a house property valued at Rs.100 lacs to his wife on 1.4.2011 in an agreement to live apart. In whose hands the said property will be assessed to wealth-tax in the A.Y. 2011-12?

Answer

(a) Computation of Net Wealth of Neeraj on valuation date 31.3.2011

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Amount (Rs.)</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Motor car is an asset as per section 2(ea)</td>
<td>5,00,000</td>
</tr>
<tr>
<td>(ii) Motor cycle is not an asset as per section 2(ea)</td>
<td>--</td>
</tr>
<tr>
<td>(iii) Exemption under section 5(vi) shall be allowed in respect of one house, irrespective of its use, that is to say, the building may be used either for self-residence or for business purposes or for both.</td>
<td>--</td>
</tr>
<tr>
<td>(iv) Jewellery purchased by his wife out of funds given by him is a deemed asset to the extent of funds given by him. It is presumed that the value of jewellery given in the question also represents the fair market value as on the valuation date, determined as per Rule 18 of Schedule III.</td>
<td>5,00,000</td>
</tr>
<tr>
<td>(v) Shares purchased by him in the name of his daughter-in-law is not a deemed asset because shares are not an asset under the Wealth-tax Act.</td>
<td>--</td>
</tr>
</tbody>
</table>

Net wealth 10,00,000
(b) Section 42 provides that the assessee would be precluded from raising any objection in any proceeding or inquiry that the notice was not served upon him or was not served in time or was served in an improper manner, if he had appeared in any proceedings or co-operated in any inquiry relating to assessment or re-assessment. Therefore, if the assessee had appeared in any proceedings or co-operated in any enquiry, it shall be deemed that any notice required to be served on him has been duly served upon him in time in accordance with the provisions of the Act.

Such deeming provision would, however, not apply where the assessee has raised an objection (regarding non-service of notice or non-service of notice in time or improper service of notice) before the completion of such assessment or reassessment.

In this case, the assessee objected to the non-service of notice for the first time at the appellate level i.e., after completion of the wealth-tax assessment. Therefore, the claim of the assessee is not tenable.

(c) The property, gifted by Ram to his wife in an agreement to live apart, is not an asset to be included as a deemed asset in his wealth and accordingly, should be taxed in the hands of his wife. However, the transfer had taken place by way of gift on 1.4.2011 and accordingly, on the valuation date 31.3.2011, the house property was owned by Ram and therefore, the same would be assessed to wealth-tax in the hands of Ram for A.Y.2011-12. Thereafter, the property would be assessable in the hands of his wife.

Question 8

(a) Mr. Manocha has a house property in Delhi, which was lying vacant for last 3 years. He constructed the property in 1990 at a cost of Rs.40 lacs. He has let out the same at a monthly rent of Rs.30,000 for a period of three years with effect from 1st January, 2011. The quarterly corporation tax is Rs.30,000. He took a premium of Rs.1,20,000 from the tenant and also security deposit of Rs.1,00,000. The house was constructed on a land measuring 4,000 sft. It has three floors each measuring 960 sft. Compute the value of the house property for wealth tax purpose as at valuation date 31.3.2011.

(b) An association of persons (AOP), comprising of two members Akash and Vikash, owns an urban land valued at Rs.60 lakh on the valuation date 31.3.2011. Examine the tax implications under the Wealth Tax Act, 1957.

Answer

(a) Computation of value of the house property for wealth tax purpose

<td>10,000</td>
</tr>
</tbody>
</table>

29.13
### Computation of Net Maintainable Rent (NMR)

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount (Rs.)</th>
</tr>
</thead>
<tbody>
<tr>
<td>15% p.a. of Security Deposit i.e. 15% x Rs.1,00,000 x 3/12</td>
<td>3,750</td>
</tr>
<tr>
<td><strong>Actual Rent for 3 months</strong></td>
<td><strong>1,03,750</strong></td>
</tr>
<tr>
<td><strong>Annual Rent (Rs.1,03,750 x 12/3)</strong></td>
<td><strong>4,15,000</strong></td>
</tr>
</tbody>
</table>

#### Net Maintainable Rent (NMR)

- **Gross Maintainable Rent, being the annual rent**: 4,15,000
- **Less**:
  - Corporation Tax (Rs.30,000 x 4): 1,20,000
  - 15% of Gross Maintainable Rent: 62,250

**Net Maintainable Rent (NMR)**: 2,32,750

#### Capitalised value of NMR

- Capitalised value (Rs.2,32,750 x 12.5): 29,09,375
- **Cost of acquisition**: 40,00,000

**Capitalised value is the higher of the above**: 40,00,000

#### Add: Premium

- (i) **Aggregate Area**: 4000 Sq.Ft.
- (ii) **Specified Area (60%)**: 2400 Sq.Ft.
- (iii) **Built up area**: 960 Sq.Ft.
- (iv) **Unbuilt Area**: 3040 Sq.Ft.
- (v) **Excess of unbuilt area over specified area**: 640 Sq.Ft.
  - **% of excess area on aggregate area**
    - (640/4000) x 100 = 16%
- (vi) **Premium to be added when (v) is 16%**
  - (40% of capitalized value i.e., 40% of Rs.40 lakh): 16,00,000

**Value of house property for wealth-tax purpose**: 56,00,000

#### (b) The tax implications of an asset owned by an association of persons under the Wealth-tax Act are as follows:

- (i) **As per section 3**, only individuals, Hindu Undivided Families and Companies are liable to wealth tax. Therefore, an association of persons (AOP) is not chargeable to wealth-tax.

- (ii) **However, as per section 4(1)(b)**, the value of interest of a member of an AOP in the assets of the AOP is to be included in his net wealth. Schedule III lays down the manner of determination of the value of such interest.
(iii) Section 21AA deals with a situation where the shares of the members of an AOP are indeterminate or unknown. Where assets chargeable to wealth-tax are held by an AOP and the individual shares of the members are indeterminate or unknown on the date of formation or at any time thereafter, wealth tax is to be levied in the like manner and to the same extent as applicable to an individual.

Question 9

(a) Matisha Constructions Ltd. furnishes the following particulars of its wealth for the valuation date as on 31.3.2011:

<table>
<thead>
<tr>
<th>Description</th>
<th>Rs. in lacs</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Land in urban area (held as stock in trade since 1999).</td>

Compute the net wealth of the company for assessment year 2011-12.

(b) Mr. X, a member of co-operative housing society, was allotted a plot as per the bye laws of the society. He constructed a house on plot and substituted the name of his wife in the records of the society in his place. The society executed the registered sale deed in respect of said plot in favour of his wife. The Assessing Officer included the value of the said property in the hands of Mr. X. Examine the validity of the action of the Assessing Officer.

In case Mr. X received adequate consideration from his wife, what will be your answer?.
### Direct Tax Laws

#### Answer

(a) Computation of Net Wealth of M/s Matisha Constructions Ltd. for A.Y. 2011-12

<table>
<thead>
<tr>
<th>Particulars</th>
<th>Rs. in lacs</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Assets [as per the definition of assets under section 2(ea)]</strong></td>
<td></td>
</tr>
<tr>
<td>(i) Land in urban area (held as stock in trade since 1999) – taxable since it is held as stock-in-trade for more than 10 years</td>
<td>81</td>
</tr>
<tr>
<td>(ii) Motor cars (excluding imported car not being an asset since it is used for hiring) [38 lac – 18 lac]</td>
<td>20</td>
</tr>
<tr>
<td>(iii) Agricultural land acquired for construction of residential and commercial complex (is a stock-in-trade in the hands of a construction company – hence, not an asset)</td>
<td>Nil</td>
</tr>
<tr>
<td>(iv) (a) Residential flats provided to 2 employees drawing salary less than Rs.5 lacs per annum – not an asset</td>
<td>Nil</td>
</tr>
<tr>
<td>(b) Residential flat provided to one employee drawing salary exceeding Rs.5 lacs per annum is an asset [36 × 1/3]</td>
<td>12</td>
</tr>
<tr>
<td>(v) Farm house - not an asset</td>
<td>Nil</td>

<td>30</td>
</tr>
<tr>
<td>(ii) Loan for purchase of agricultural land - not deductible, since land is not an asset</td>
<td>Nil</td>
</tr>
<tr>
<td>(iii) Wealth Tax liability for Assessment year 2010-11 – wealth tax liability is not deductible</td>
<td>Nil</td>
</tr>
<tr>
<td>(iv) Loan for construction of residential flats - the portion relating to taxable asset (1/3) is deductible i.e. $\frac{1}{3} \times 9$ lacs</td>
<td>3 33</td>
</tr>
<tr>
<td><strong>Net Wealth</strong></td>
<td>80</td>
</tr>
</tbody>
</table>

(b) The Allahabad High Court has, in the case of *Ram Saran Das Tandon v. CWT (2007) 292 ITR 546*, held that when the assessee has ceased to be a member of the society, he could not be treated as the owner of the house property. Therefore, the value of the property is not assessable in his hands.

In this case, Mr.X has received adequate consideration from his wife Mrs.X for the transfer,
the action of the Assessing Officer in including the value of said property in the hands of Mr. X is hence not valid.

**Question 10**

(a) **State with reasons whether the following constitute assets chargeable to wealth-tax on the valuation date 31.3.2011:**

(i) Agricultural farm house situated 26 kms outside the municipal limits of Jaipur, but within 22 kms of Niwai Municipal Corporation.

(ii) Factory building and godowns leased out on rent.

(iii) Silver and gold in the jewellers shop

(iv) Aircraft held by a shipping company having turnover of Rs. 800 crores for exclusive use of its managing director.

(v) A cash balance of Rs. 1,50,000.

(b) Rakesh, a married coparcener having no son but two minor daughters, gets a commercial property on disruption of the HUF on 17.3.2011. He, therefore, seeks your advice to know in whose hands the value of this property would be subject to wealth-tax on the valuation date 31.3.2011.

(c) **How can the arrear demand of wealth-tax be recovered by the department where the assessee dies prior to making payment thereof?**

**Answer**

(a) (i) According to the definition of the term ‘asset’ under section 2(ea), building includes a farm house situated within 25 kms from the local limits of a municipality. Therefore, the farm house situated within 25 kms from the local limits of Niwai Municipal Corporation is an asset as per section 2(ea) of the Wealth-tax Act.

(ii) There are some exceptions to the chargeability of building to wealth-tax. One of the exceptions is property in the nature of commercial establishments or complexes. Therefore, factory buildings and godowns leased out on rent are not assets within the meaning of section 2(ea) of the Wealth-tax Act.

(iii) The silver and gold lying in a jeweller's shop are not assets under section 2(ea) of the Wealth-tax Act as the same constitute stock-in-trade of the assessee.

(iv) The definition of asset under section 2(ea) includes yachts, boats and aircrafts, other than those used by the assessee for commercial purposes. Therefore, the aircraft held by a shipping company for the exclusive use of its managing director is not an asset chargeable to tax, assuming that it was used only for business purposes. Aircraft used for one’s own business is construed as used for “commercial purposes”.

**29.17**
(v) The cash in hand in excess of Rs.50,000 is an asset chargeable to wealth-tax in case of individuals and HUFs. In case of any other person, any cash not recorded in the books will only be treated as an asset.

(b) The facts given in the question are similar to the facts of the case decided by the Apex Court in the case of Narendra Nath v. CWT (1969) 74 ITR 190 wherein it was held by the Court that if a co-parcener not having a son but having two minor daughters receives his share in the joint family property on disruption, then, such property would belong to the HUF comprising of himself, his wife and minor daughters and cannot be assessed as his individual property.

It may be noted that any property in the nature of commercial establishments are excluded from the definition of asset under section 2(ea). Therefore, commercial property received by Rakesh would not be chargeable to wealth-tax on the valuation date.

(c) Where the assessee dies prior to making of payment of demand of wealth tax, the same shall be recovered as per section 19(1) out of the estate of the deceased from his executor, administrator or other legal representative. The executor, administrator or other legal representative shall be liable to pay out of the estate of the deceased person, to the extent to which the estate is capable of meeting the charge, the wealth tax assessed as payable by such person, if he had not died.

Question 11

(a) Mr. Rajpal gives the particulars of various assets held by him on 31.3.2011 and requests you to compute his net wealth by explaining in brief that why the same was dealt with like that:

(i) Jewellery gifted to wife from time to time in total of Rs.1 lac and were available with her on the valuation date having market value of Rs.5 lacs.

(ii) A flat in Mumbai purchased under instalment scheme in 1996 for Rs.6 lacs and used for own residence since then. The market value of it was Rs.20 lacs on 31.3.2011 and instalment of Rs.1 lac was also outstanding.

(iii) He is a qualified engineer and was in possession of instruments used for his professional activity. The value of all such instruments was Rs.1 lac.

(iv) Urban land purchased for Rs.2 lacs in August 2009 located at Jaipur, in the name of his son who is suffering from a disability specified under section 80U. The age of his son on 31.3.2011 was 17 years and value of land was Rs.5 lacs.

(v) House located in NOIDA shown in his wealth-tax return for A.Y.2010-11 at Rs.40 lacs was sold on 20.3.11 for Rs.45 lacs, but the sale deed thereof was executed on 03.04.11.

(b) Examine the correctness of the statement that “All types of land held by an assessee on the valuation date are treated as ‘Urban land’ under the Wealth-tax Act.”
(a) Computation of Net Wealth of Mr. Rajpal on 31.3.2011

<table>
<thead>
<tr>
<th>Particulars of asset with reason for chargeability</th>
<th>Amount (Rs.)</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Under section 4(1)(a)(i) read with Rule 18 of Schedule III, the fair market value of gifted jewellery on the valuation date will be included in the wealth of Mr. Rajpal.</td>
<td>5,00,000</td>
</tr>
<tr>
<td>2. The flat at Mumbai used by the assessee for his own residence is exempt under section 5(vi) and accordingly, the liability of outstanding installment is not deductible.</td>
<td>Nil</td>
</tr>
<tr>
<td>3. Professional instruments held on the valuation date used for the purpose of profession are not assets for the purpose of levy of wealth-tax.</td>
<td>Nil</td>
</tr>
<tr>
<td>4. Urban land is an asset by virtue of section 2(ea)(v). However, since the same is in the name of his minor son who suffers from a disability specified under section 80U, the clubbing provisions are not applicable as per section 4(1)(a)(ii).</td>
<td>Nil</td>
</tr>
<tr>
<td>5. The property at Noida was sold during the year and is, therefore, not an asset of the assessee but is an asset of the beneficial owner, since ownership of the property passes on sale of the property and execution of sale deed only confirms the act of the parties.</td>
<td>Nil</td>
</tr>
</tbody>
</table>

**Net Wealth**

<table>
<thead>
<tr>
<th>Amount (Rs.)</th>
</tr>
</thead>
<tbody>
<tr>
<td>5,00,000</td>
</tr>
</tbody>
</table>

(b) Urban land is an “asset” as per section 2(ea)(v) and it means (i) land situated in any area comprised within the jurisdiction of a municipality or cantonment board and which has a population of not less than 10,000 according to the last preceding census; (ii) land situated in any area not being more than 8 kms from the local limits of any municipality or cantonment board.

However, in spite of fulfilling the above conditions, the following are not treated as urban land:-

(i) land on which construction of a building is not permissible under any law for the time being in force in the area in which such land is situated;

(ii) land occupied by any building which has been constructed with the approval of the appropriate authority;

(iii) unused land held by the assessee for industrial purposes for a period of 2 years from the date of its acquisition by him; and
Direct Tax Laws

(iv) any land held by the assessee as stock-in-trade for a period of 10 years from the date of its acquisition by him.

Therefore, all types of land held by an assessee on the valuation date may not be treated as urban land under the Wealth-tax Act.

Hence, the statement is not correct.

Question 12

(a) S gifted Rs.20,00,000 to his wife on 10.1.2011. His wife bought gold jewellery on 31.1.2011 out of the said sum of Rs.20,00,000. The fair market value of the gold jewellery as on 31.3.2011 was Rs.25,00,000. S claims that since his wife has not held on 31.3.2011 the sum of Rs.20,00,000 which he gifted to her, no amount is includible in his net wealth for the assessment year 2011-12. Examine the claim of S.

(b) Wealth tax is not payable by an assessee in respect of any property held under trust or other legal obligation for any public purpose of a charitable or religious nature in India. Do you agree with the statement?

(c) Compute the net wealth of UMV Ltd. (carrying on the business of running cars on hire and also dealing in jewellery) which furnishes the following particulars of its assets and liabilities as on 31.3.2011:

<table>
<thead>

</tr>
<tr>
<td>Sundry Debtors</td>
<td>10</td>
</tr>
</tbody>
</table>
Cash and bank balances
(includes cash balance of Rs.1,00,000)  5  5

Liabilities
(i) Current Liabilities  40  40
(ii) Loans secured on Fixed Assets (Urban land)  30  30

Answer

(a) Section 4(1)(a) of the Wealth-tax Act, 1957 provides that the value of assets which are transferred, directly or indirectly, otherwise than for adequate consideration or in connection with an agreement to live apart, by a husband to his wife or vice versa, are to be clubbed in the hands of the transferor, whether the assets are held in the form in which they were transferred or otherwise.

The Supreme Court has, in CWT v. Kishan Lal Bubna (1993) 204 ITR 600, held that where the assessee transfers money and the transferee utilises that money to acquire an asset, it is the value of that asset on the valuation date which is relevant for the purposes of computing the net wealth of the assessee. Where, what is transferred by the assessee is an asset and the transferee disposes of the asset and acquires with the consideration received another asset, it is the value of that acquired asset on the valuation date which is relevant for the purposes of computing the net wealth of the assessee. In view of this legal position, the claim of S is not valid. The value of gold jewellery as per Schedule III on the valuation date 31.3.2011 is includible in the net wealth of S for A.Y.2011-12. Therefore, Rs.25,00,000, being the fair market value of gold jewellery as on 31.3.2011 is includible in the net-wealth of S under section 4(1)(a).

(b) The statement is valid. This exemption is provided in section 5(i). However, this exemption shall not apply to any property forming part of any business carried on by the above trust.

In the following cases the assets, though held in business, shall continue to be exempt from wealth-tax:

(a) Any property held under any trust or other legal obligation forming part of any business, other than the business referred to in section 11(4A)(a) or section 11(4A)(b) of the Income-tax Act, 1961 in respect of which separate books of accounts are maintained; or

(b) Any property forming part of a business carried on by an institution, fund or trust referred to in section 10(23B) or 10(23C) of the Income-tax Act, 1961.
(c) **Computation of Net Wealth of UMV Limited as on the valuation date 31.03.2011**

<td>(j)</td>
<td>Nil</td>
</tr>
<tr>
<td><strong>Net wealth</strong></td>
<td></td>
<td>38,50,000</td>
</tr>
</tbody>
</table>

The reasons for the inclusion or exclusion of the various items are furnished below:

(a) Plot of land at Bhopal on which building has been constructed without the approval of the appropriate authority is an asset under section 2(ea) and is, therefore, includible in the net wealth. Since the plot of land comprises an area of more than 500 square meters, it is not eligible for exemption under section 5(vi).

(b) Building constructed on land at Bhopal without the approval of the appropriate authority is not a specified asset under section 2(ea) since it is used for business purposes by D. It is, therefore, not includible in the net wealth.

(c) Motor cars held as stock-in-trade do not fall under the purview of ‘asset’ under section 2(ea) and are, therefore, outside the net of wealth tax.

(d) Gold jewellery brought into India on 1.11.2006 from Singapore is exempt for seven successive assessment years beginning with the assessment year 2007-08 under section 5(v).

(e) Jewellery made of platinum is an asset under section 2(ea) and is, therefore, included in the net wealth.
(f) Interest in the coparcenary property of the Hindu undivided family of which Dinesh is a member is exempt under section 5(ii).

(g) Cash in hand, in excess of Rs.50,000, is includible in the net wealth of an individual, whether such cash is recorded in the books of account or not.

(h) Fixed deposits in a co-operative bank do not constitute ‘assets’ within the meaning of section 2(ea) and, therefore, are excluded from net wealth.

(i) Only loans borrowed in relation to the ‘assets’ as per section 2(ea) are deductible. Hence, loan borrowed for marriage of daughter is not deductible.

(j) Since building at Bhopal is used for business purposes and is, therefore, not an asset and excluded while computing the net wealth, the loan borrowed for its construction is not a deductible debt.

(k) Assets held by a minor married daughter are not includible in the net wealth of any parent as per section 4(1)(a)(ii). Hence, the value of the plot of land at Indore, held by the minor married daughter, does not form part of the net wealth of Dinesh.

**Question 14**

Gautam an individual, furnishes the following particulars of his assets and liabilities as on 31.3.2011:

Net Wealth

48,50,000

Reasons for inclusion or exclusion of the various items are furnished below:

(a) Residential house at New Delhi is included, as residential house is an “asset” within the meaning of section 2(ea) of the Wealth Tax Act, 1957. Exemption under section 5(vi) is
not claimed in respect of this house as it is more beneficial for the assessee to claim exemption in respect of plot of land at Mumbai whose value is higher.

(b) Residential house at Agra is an asset u/s 2(ea) and, therefore, included in the net wealth.

(c) Plot of land measuring 450 square metres at Mumbai is exempt under section 5(vi) and, therefore, does not form part of net wealth. One house or part thereof or a plot of land, not exceeding 500 square metres, belonging to an individual or a Hindu Undivided Family is exempt u/s 5(vi) without any monetary ceiling.

(d) House at New Delhi, occupied for own business purposes, is excluded from net wealth as it is not an asset.

(e) Commercial complex at Agra is excluded as it is not an asset.

(f) Any residential property let out for a minimum period of 300 days in the previous year is not considered as an asset. Residential house at Chennai let out for more than 300 days is, therefore, excluded from net wealth.

(g) Motor cars used in business of running them on hire are not assets as per section 2(ea)(ii) and, therefore, excluded from net wealth.

(h) Shares in private limited companies are not assets and, therefore, excluded from net wealth.

(i) Cash in hand, in excess of Rs.50,000, of individuals constitutes an asset. Therefore, Rs.2,50,000, being cash in hand in excess of Rs.50,000, is included in net wealth.

(j) Gold jewellery constitutes an asset as per section 2(ea) and is includible in net wealth.

(k) Debts incurred in relation to an exempted asset are not deductible in computing net wealth. Loan borrowed for purchase of land at Mumbai is not deductible as exemption under section 5(vi) has been claimed in respect of the said land.

(l) Loan borrowed for purchase of shares in private limited companies is not deductible while computing net wealth as shares are not included in net wealth.

(m) Gold jewellery, being an asset, has been included in the net wealth. Therefore, loan borrowed for purchase thereof is deductible in computing the net wealth.

**Question 15**

*New Era Ltd. furnishes the following particulars of its wealth for the valuation date of 31st March, 2011. The company is engaged in real estate business and also in jewellery trade. Compute its net wealth and the wealth tax payable by it for the Assessment Year 2011-12:*

<table>
<thead>
<tr>
<th>Rs.</th>
<th>Rs.</th>
</tr>

**Question 16**

What are the various circumstances under which an assessee will be deemed to have concealed the particulars of his net wealth or furnished inaccurate particulars thereof?

**Answer**

The circumstances under which an assessee will be deemed to have concealed the particulars of his net wealth or furnished inaccurate particulars thereof are as follows:

(i) Where a person fails to offer an explanation or offers an explanation which is found to be false in respect of any facts material to the computation of net wealth, he will be deemed to have concealed the particulars. Further, where such person offers an explanation
which he is unable to substantiate and fails to prove that such explanation is bonafide and that all the facts relating to the same and material to the computation of his net wealth have been disclosed by him, he will be deemed to have concealed the particulars - Explanation 2 to section 18.

(ii) Where a person, fails, without reasonable cause, to furnish within the due date, a return of his net wealth which he is required to furnish and the Assessing Officer is satisfied that the person has assessable wealth, he shall be deemed to have concealed the particulars of his assets - Explanation 3 to section 18.

(iii) Where the value of any asset returned by any person is less than 70% of the value of such asset as determined in an assessment under section 16 or section 17, such person shall be deemed to have furnished inaccurate particulars.

(iv) Where in the course of search u/s 37A, the assessee is found to be the owner of any money, bullion, jewellery or other valuable article or thing and such assets have been neither declared in the return of wealth nor recorded in the books of account, he shall be deemed to have concealed the particulars of such assets or furnished inaccurate particulars of such assets.

Question 17

X Limited is engaged in the construction of residential flats. For the valuation date 31.3.2011, it furnishes the following data and requests you to compute the taxable wealth:

(i) Land in urban area (Construction is not permitted as per Municipal Laws in force) Rs.35,00,000
(ii) Motor-cars (used on hire by the company) Rs.7,00,000
(iii) Jewellery (Investment) Rs.15,00,000. Loan taken for purchasing the same Rs.10,00,000
(iv) Cash Balance (as per books) Rs.1,75,000
(v) Bank Balances Rs.2,50,000
(vi) Guest House (situated in a place which is 30 kms away from the local limits of the municipality) Rs.6,00,000
(vii) Residential flats occupied by the Managing Director Rs.10,00,000. The managing director is on whole time appointment and is drawing remuneration of Rs.12,00,000.
(viii) Residential house let out on hire for 200 days Rs.8,00,000

The computation should be supported with proper reasoning for inclusion or exclusion.

Answer

Computation of taxable wealth of X Limited as on 31.3.2011

**Total wealth**: 39

Less: Debts: Loan obtained for purchasing jewellery

(9) 10

**Net wealth as on 31.3.2011**: 29

**Notes:**

1. Land in urban area on which the construction is not permitted as per municipal laws in force is not an asset within the meaning of "asset" as defined u/s 2(ea) and as such excluded from taxability.
2. Motor car held as stock in trade or used on hire is not taxable. It is taxable only if it is used for business purposes or personal purposes.
3. Jewellery is always taxable unless the same is held as stock in trade.
4. Cash on hand in excess of Rs.50,000 as on the valuation date is taxable in the case of an individual or HUF. In other cases it is not taxable to the extent reflected in the books of account. In this case, since cash balance of Rs.1,75,000 is as per books of X Ltd., it is not taxable.
5. Bank balance is not an asset within the meaning of "asset" as defined in section 2(ea).
6. Guest house situated 30 kms away from the local limits of the municipality is an asset and is therefore taxable. Only in the case of farm house situated beyond 25 kms from the local limits of any municipality, the taxability would not arise.
7. Residential flat which is allotted by a company to an employee or an officer or a director who is in whole time employment, having gross annual salary of Rs.5 lacs or more is an asset within the meaning of "asset" as defined in section 2(ea) of the Act. Accordingly, the residential flat occupied by the managing director is taxable since his annual remuneration is Rs.12 lacs.
8. Any residential property which is let out for a minimum period of 300 days in the previous year is not an asset. In the given case, the residential house is taxable since it has been let out for only 200 days (i.e. less than 300 days during the previous year).
(9) Debts incurred in relation to assets chargeable to wealth tax shall be allowed as deduction in the computation of net wealth. Accordingly loan obtained for purchase of jewellery shall be allowed as deduction since jewellery is assessable to wealth tax.

**Question 18**

*A company incorporated outside India is not liable to wealth tax in India. Discuss.*

**Answer**

Under section 2(h) of the Wealth-tax Act, a company shall have the same meaning as assigned to it in clause (17) of section 2 of the Income-tax Act, 1961. As per section 2(17), a company means, any Indian company or any body corporate incorporated by or under the laws of a country outside India.

Therefore, a company incorporated outside India will be liable to wealth tax in respect of assets located in India and which are subject to wealth tax under section 2(ea) of the Wealth-tax Act, 1957.

**Question 19**

*A Cooperative Society formed for the purpose of construction of residential flats for its members acquired a large area of urban land for Rs.3 crores. The society had a membership of 10 members, all having equal share. The Assessing Officer proposes to tax urban land in the hands of the society.*

(i) *What is meant by urban land?*

(ii) *Is the action of the Assessing Officer correct?*

**Answer**

(i) Urban land is chargeable to wealth tax since it falls under the definition of asset in section 2(ea). Urban land means land situated –

(a) in any area comprised within the jurisdiction of a municipality (whether known as a municipality, municipal corporation, notified area committee, town area committee, town committee or by any other name) or a cantonment board and which has a population of not less than ten thousand, according to the last preceding census for which the relevant figures have been published before the valuation date; or

(b) in any area within eight kilometers from the local limits of any municipality or cantonment board as the Central Government may specify by notification in the Official Gazette, having regard to the extent of and scope for urbanization of that area.

It does not include land on which construction of a building is not permissible under any law for the time being in force in the area in which such land is situated or any land occupied by any building which has been constructed with the approval of the appropriate authority, or any unused land held by the assessee for industrial purposes for
a period of 2 years from the date of its acquisition or any land held by the assessee as stock-in-trade for a period of 10 years from the date of its acquisition by him.

(ii) No wealth tax can be levied on a co-operative society as section 45 specifically excludes co-operative societies from the purview of wealth tax. Therefore, the action of the Assessing Officer proposing to tax urban land in the hands of the society is incorrect.

Question 20

(a) State with reasons whether the following constitute assets chargeable under Wealth Tax Act as the wealth of Raja, a former ruler?

(i) Jewellery transferred to a minor handicapped daughter on 31-12-10.

(ii) 50% of the Palace (occupied by him and declared by Government as his official residence) was rented out throughout the previous year ending 31-03-11.

(b) State the circumstances in which the Assessing Officer can refer valuation of an asset to the Valuation Officer.

(c) Return of net wealth declaring wealth of Rs.55.50 lakhs for Assessment year 2010-11 was filed by Ravi on 30-09-10. The Assessing Officer issued notice under section 16(2), which was served upon the assessee on 28-02-11. The assessment was completed by the Assessing Officer on 13-03-11 on the wealth of Rs.85 lakhs. Ravi wants to know:

(i) Whether the order passed by the Assessing Officer is a valid order under the Act?

(ii) Will his case be fit for levy of penalty, if assessed wealth is not disputed?

Answer

(a) (i) As per section 4(1)(a)(ii), the clubbing provisions are not applicable in the case of a minor child who is suffering from any disability of the nature specified in section 80U of the Income-tax Act, 1961.

In view of the aforesaid provisions, in case the minor child is suffering from a disability referred to in section 80U, the income and wealth of such a child shall not be clubbed in the hands of the parents. However, if the disability is not of the nature specified in section 80U, clubbing provisions will apply.

(ii) The palace of the former ruler, which was declared by the Government as his official residence is not an asset chargeable to Wealth Tax under section 5(iii). However, the building/buildings (comprised in the palace) which were rented out by the former ruler shall constitute an asset chargeable to Wealth Tax.

The Supreme Court in the case of Mohd. Ali Khan v. CWT [1997] 224 ITR 672 held that where a palace consisting of a number of buildings was declared to be the official residence of the ruler, and some of the buildings were occupied by the ruler
and the others were let out to tenants, the exemption will be available only in respect of buildings occupied by the ruler.

(b) Section 16A provides that the Assessing Officer may refer valuation of any asset under the following circumstances:

(i) In a case where the value of the asset as returned is in accordance with the estimate by a registered valuer, if the Assessing Officer is of the opinion that the value so returned is less than the fair market value (FMV).

(ii) In any other case, if the Assessing Officer is of the opinion:
   - that the fair market value of the asset exceeds by 33 1/3% or Rs.50,000/- over the value of such asset as adopted by the assessee; or
   - that having regard to the nature of the asset and the other relevant circumstances, it is necessary to make a reference.

(c) (i) From the assessment year 2011-12, the time limit for completion of assessment under section 17A of the Wealth-tax Act is 21 months from the end of the assessment year in which the net wealth was first assessable. Notice under section 16(2) has to be served within 12 months from the end of the month in which the return is furnished.

In this case, the notice under section 16(2) was served within 12 months from the end of the month in which the return was furnished. Also, the order was passed within 21 months from the end of the assessment year. Therefore, the order passed by the Assessing Officer is a valid order under the Act.

(ii) Explanation 4 to section 18 of the Wealth-tax Act, 1957, specifies that where the value of an asset returned by any person is less than 70% of the value of such asset as determined in an assessment under section 16 or section 17, then such person shall be deemed to have furnished inaccurate particulars of such asset and shall be liable for levy of penalty under section 18(1)(c).

In the present case, the wealth assessed by the Assessing Officer is Rs.85 lakhs against the returned wealth of Rs.55.50 lakhs. The returned wealth is only 65.3% of assessed wealth. Since the returned wealth is less than 70% of the wealth assessed and determined by the Assessing Officer, therefore, the assessee is liable for levy of penalty under section 18(1)(c) of the Wealth-tax Act, unless he proves that the value of the asset as returned by him is the correct value.

Question 21

(i) Mr. Raj executed a ‘will’ during his life time. His uncle Mr. Amitabh was appointed as executor, under the ‘will’. Mr. Raj died on 13.6.2010. The executor could complete the distribution of assets after the valuation date 31.3.2011.
The wealth tax records of Raj reveal that (a) the return of wealth for the valuation date 31.3.2010 was not filed; (b) wealth tax demands for the assessment years 2006-07 and 2007-08 are payable. On these facts, Mr. Amitabh approached you to advise him on his obligations under Wealth Tax Act.

(ii) In respect of defaults committed under Wealth Tax Act, penalty proceedings are initiated against the deceased prior to his death. Can the wealth tax officer continue the proceedings and levy penalty on the legal representative?

(iii) X enters into an agreement on 13.3.2011 to sell the house property for Rs.50 lakhs purchased by him for Rs.20 lakhs and received an advance of Rs.10 lakhs. Further, an amount of Rs.15 lakhs was received by him on 22.3.2011 but the sale deed could only be executed on 21.4.2011. Does the house constitute his asset on the valuation date 31.3.2011.

Answer

(i) The pending wealth tax demand relate to assessment years 2006-07 and 2007-08.

Mr. Amitabh was appointed as an executor of the ‘will’ by deceased Mr. Raj. As per the provisions of section 19 of the Wealth Tax Act, the tax liability of the deceased is payable by the legal representative in the following situations.

(i) Where the assessment had been completed on the deceased but tax is still payable [section 19(1)];

(ii) Where the deceased has not furnished a return or the return furnished by him is incorrect or incomplete [section 19(2)].

Therefore, Mr. Amitabh is responsible for filing of the pending wealth tax return of the deceased for the assessment year 2010-11 and making payment of the wealth-tax demands for A.Y. 2006-07 & 2007-08 out of the estate of the deceased.

Further, as per section 19A, the executor of a ‘will’ is responsible for the assessment in respect of the estate of the deceased for the period from the date of death of the deceased till the completion of the distribution of assets amongst the legatees. The executor holds the status as of the deceased during the period of distribution of assets amongst the beneficiaries in the ‘will’ and accordingly a separate assessment will be made under section 19A in the hands of the executor in respect of the net wealth of the deceased as on the valuation dated viz. 31.03.2011.

(ii) Section 19 of the Wealth-tax Act determines the liability of legal representative for the defaults committed by the deceased assessee. According to section 19(3), the provisions of section 14, 15 and 17 shall apply to legal representative as they apply to any person referred to in those sections, whereas section 18 dealing with penalty does not form part of section 19(3). In view of the legal position, penalty under section 18 of Wealth-tax Act can neither be levied nor penalty proceedings already initiated be continued on the legal representative for the defaults committed by deceased against whom penalty proceedings have been initiated prior to his death.
Direct Tax Laws

(iii) Since the sale deed was executed only in April of the next financial year and the house property was transferred by ‘X’ only after the valuation date i.e. after 31st March, the assessee has to include the asset i.e. house property in his net wealth for wealth tax purpose. It is assumed that the possession of the property is not transferred to the purchaser upto 31.3.2011.

Question 22

Explain the procedure for adoption of the value of Jewellery for the valuation date as at 31st March, 2011 and subsequent 3 years assuming the value of Jewellery has been determined by Valuation Officer as at 31st March, 2010.

Answer

Rules 18 & 19 of Part G of Schedule III to the Wealth Tax Act provide that when the value of jewellery has been determined by Valuation Officer, such value shall be taken to be value of such jewellery for the subsequent 4 assessment years subject to the following two adjustments:

(a) Where the jewellery includes gold or silver or any alloy of these, then the value of such metal as on the valuation date relevant to that assessment year shall be substituted for the value as on the valuation date on which the Valuation Officer determined the value.

(b) Where jewellery is sold or otherwise disposed off or jewellery is acquired, the value of jewellery determined shall be reduced or increased to the extent of such deletions or additions to the jewellery.

Question 23

Mr. Kamat, a not ordinarily resident in India, seeks your advice with regard to the furnishing of his wealth-tax return. The value of assets held on 31.3.2011 is indicated below. You are requested to compute the taxable wealth of Mr. Kamat giving justification for the inclusion or exclusion of each item. The valuation date as indicated above is 31st March, 2011:

| Rs. |  
|-----------------|-----------------|-----------------|
| (i) Motor cars of foreign make held as Fixed Assets | 9,50,000 |
| (ii) 8% Bonds issue by Reserve Bank of India | 15,00,000 |
| (iii) Residential house property at Pune let out with effect from 05th June, 2010 | 11,00,000 |
| (iv) Jewellery held | 9,00,000 |
| (v) Lands purchased for industrial purpose: |  
| on 1st January, 2008 | 5,50,000 |
| on 25th March, 2011 | 7,50,000 |
| (vi) Loan against the purchase of lands: |  

29.36
Wealth Tax

- Wealth Tax on 01\(^{st}\) January, 2008: 2,75,000
- Wealth Tax on 25\(^{th}\) March, 2011: 3,50,000

(vii) Wealth-tax liability: 9,000
(viii) Cash in hand: 75,000
(ix) Cash at Bank: 1,25,000
(x) Fixed Assets located in USA: 50,00,000
(xi) Value of Assets held by Mrs. Kamat acquired out of the gifts received from her husband:
  - Shares and Securities: 2,00,000
  - Residential House Property at Mumbai: 9,00,000

| (vi)  | Cars (other than those used for running on hire or stock-in-trade) – asset u/s.2(ea)(ii) | 20  |
| (vii) | Aircraft used other than for commercial purposes – asset u/s.2(ea)(iv) | 400 |
| (viii)| Urban land held as stock-in-trade for over 10 years – asset u/s.2(ea)(v) [See Note] | 50  |
| (ix)  | Cash on hand (assumed that is recorded in the books of account) | Nil |
|       | Net Wealth | 510 |

**Note:** The question clearly states that no construction could be carried out due to dispute of title. The exemption under the Explanation 1(b) to clause (ea) of section 2 is available only if the construction is prohibited in that place by law. This is not the case here. Hence the value of urban land will have to be included in the net wealth.

**Question 25**

*Under the Wealth Tax Act, what is the scope of taxation of an individual who is not residing in India?*

**Answer**

In computing the net wealth of an individual who is not residing in India, the value of assets and debts located outside India shall not be taken into account. Value of assets and debts located within India will be considered for the purpose of net wealth computation. Assets for the purpose of wealth tax would mean assets defined in section 2 (ea) of the Wealth-tax Act, 1957.

**Question 26**

(a) *How is the value of the interest of a person in a firm of which he is a partner determined under the Wealth-tax Act, 1957?*

(b) *The concept of a partial partition is alien to the Wealth-tax Act, 1957. Discuss.*

**Answer**

(a) Under clause (b) of section 4, the value of the interest of a partner in a firm is to be determined in the manner laid down in schedule III. Under Schedule III part E, Rule 16 lays down the method of such determination. The net wealth of the firm shall first be determined as if it were the assessee. Thereafter, that portion of wealth of the firm as is equal to the amount of its capital shall be allocated among the partners in the proportion in which capital has been contributed by them. The residue of the net wealth of the firm shall be allocated
among the partners in accordance with the agreement of partnership for distribution of assts in the event of dissolution and in the absence of such an agreement, in the proportion in which the partners are entitled to share the profits. The sum total so allocated to a partner shall be taken as the value of his interest. No account shall be taken of the exemption under section 5(1) in determining the net wealth of the firm.

(b) Section 20A clearly lays down that where a partial partition has taken place after 31.12.1978, such family shall continue to be liable to be assessed as if no such partial partition has taken place. The effect of a partial partition will be that those assets divided or allowed to a member or some of them will continue to be treated as HUF property and assessed as such.

Question 27

(a) Amar Co-operative Housing Society Ltd owns a building in Mumbai, which stands on freehold land. There is no unbuilt area. It has 10 members, each of whom has contributed Rs.10 lacs towards the shares in the Co-operative society. The building was completed and occupied exclusively for residential purposes by its members before 31.3.2011. It was financed partly by the shares contributed by members and partly by bank finance. The annual value fixed by the municipality for the building is Rs.20 lakhs, the taxes amount to Rs.1 lakh.

‘X’ is a member of the society owning one of the flats. The cost of the flat to ‘X’ has been fixed by the society at Rs.20 lakhs and the amount outstanding by way of instalment loan payable to the society by ‘X’ is Rs.2 lakhs. You are required to determine the net wealth of ‘X’ as on 31.03.2011.

(b) Mr.Jogi is aged 45 years. His father settled a property in trust giving whole life interest therein to Jogi. The income from the property for the years 2007-08 to 2010-11 was Rs.60,000, Rs.64,000, Rs.70,000 and Rs.76,000 respectively. The expenses incurred each year were Rs.2,000, Rs.4,000, Rs.5,000 and Rs.6,000 respectively. Calculate the value of life interest of Mr.Jogi in the property to settled on the valuation dated 31.3.2011, with the help of the factor 9.267.

Answer

(a) Valuation of building as per Rule 3 of Schedule III

29.40
Under clause (vi) of section 5, the assessee can claim exemption of the net wealth of Rs.18 lakhs relating to residential flat.

Notes –
1. A Co-operative society is not an assessee under the Wealth-tax Act.
2. Under sub-section (7) of section 4, where an assessee is a member of a co-operative society and a building or part thereof is allotted to him, he is deemed to be the owner of the building or part thereof and the value thereof shall be included in computing the net wealth of such assessee. The value of any outstanding instalment towards the cost of the building is also deemed to be a debt owed by him in relation to such building.

Under the second proviso to Rule 3, if the value arrived at on the basis of Schedule III is less than the cost of acquisition, the cost of acquisition shall be taken to be the value of the property. However, this proviso will not apply, if the house is exclusively used for residential purposes by the assessee himself throughout the period of 12 months preceding the valuation date and the cost of construction does not exceed Rs.50 lakhs in Mumbai. The period of 12 months would mean the period right from inception if it is less than 12 months.

(b) The valuation of life interest of Mr. Jogi in the property settled by his father is governed by Rule 17 of Schedule III. The average annual income of the last three years is to be considered for the purpose of valuation. The expenses of the last three years are also to be taken on an average by restricting it to 5 per cent of the average annual income.

Computation of interest:

Average annual income of last 3 years (64,000 + 70,000 + 76,000) = 70,000

Less: Average of annual expenses restricted to 5% of the average annual income i.e. 1/3 x (4,000 + 5,000 + 6,000) = Rs.5,000 but restricted to 5% of Rs.70000 = 3,500

Net average annual income = 66,500

Value of life interest = Rs.66,500 x 9.267 = Rs.6,16,255

Question 28
‘X’ is the legal heir of ‘C’. ‘C.’ had delayed filing of the returns of wealth for the assessment year 2006-07 to 2008-09. Penalty proceedings under section 18(1)(a) were initiated by the assessing officer against ‘C’ when he was alive and were continued against ‘X’. Penalty was levied against ‘X’ who contends that no penalty for delay in the filing of return of wealth could be levied. In the contention correct? Discuss.

Answer
The question is based on the judgment of the Delhi High Court in CWT v. H.S. Chauhan 245 ITR 704. In this case, the delay in filing the returns of wealth was attributable to ‘C’ during his
lifetime. The question is whether a legal representative can be penalized for default committed by the person of which he is the representative. Section 19(3) provides only for the application of sections 14, 15 and 17 to the representative, as they would have applied to the deceased. Section 18 which deals with penalties is not applicable to legal representative. Therefore, “X” cannot be subjected to penalty.

Question 29

Bhaskar, a person of Indian origin was working in Kenya from 1987. He returned to India for permanent settlement in May, 2006, when he remitted money into India. For the valuation date 31st March 2011, the following particulars were furnished. You are required to compute the taxable wealth. The reason for inclusion or exclusion should be stated.

(i) **Building owned and let out for 270 days for residence**
    Net maintainable rent (40,000) and the market value Rs.10,00,000
    (Excess of unbuilt area over specified area is 20% of the aggregate area)

(ii) **Jewellery:**
    (a) Purchased in July 2003 out of money remitted to India from Kenya 5,00,000
    (b) Purchased in August, 2007 out of sale proceeds of motor car brought from abroad and sold 4,00,000

(iii) **Value of interest in urban land held by a firm in which he is a partner** 7,00,000

(iv) **Bonds held in companies** 5,00,000

(v) **Motor car used for own business** 2,50,000

(vi) **Vacant house plot of 400 sq.mts (purchased in December 2005) market value** 9,00,000

(vii) **Cash in hand** 80,000

(viii) **Urban land purchased in the year 2009 out of withdrawals from NRE account** 10,00,000

**Answer**

Section 5(v) gives special concession to persons of Indian origin or citizen of India, who ordinarily reside in a foreign country upon their return to India with the intention of permanently residing in India. The value of assets acquired one year before the date of return to India out of moneys remitted from foreign country is exempt from wealth tax. Similarly, assets brought in to India upon their return are exempt from wealth tax. However, this exemption is only for a period of 7 successive assessment years commencing with the assessment year next following the date on which such person returned to India.

**Computation of Net Wealth of Bhaskar as on valuation date 31.03.2011**

<table>
<thead>
<tr>

</table>
**Wealth Tax**

<table>
<thead>
<tr>
<th>Description</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>Net maintainable rent Rs.40,000</td>
<td></td>
</tr>
<tr>
<td>12.5 times thereof (vide rule 3 schedule III)</td>
<td>5,00,000</td>
</tr>
<tr>
<td>Adjustment for unbuilt area under Rule 6(c) – 40 per cent thereof</td>
<td>2,00,000</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>7,00,000</strong></td>
</tr>
<tr>
<td>2. Vacant plot 400 sq.mtrs market value [Exempt u/s 5(vi)]</td>
<td>Nil</td>
</tr>
<tr>
<td>3. Urban land held by firm – value of interest therein</td>
<td>7,00,000</td>
</tr>
<tr>
<td>4. Urban land purchased out of withdrawals of NRE account (Under explanation 2 to clause (v) section 5, moneys standing to the credit in NRE account shall be deemed to be moneys brought to India)</td>
<td>Nil</td>
</tr>
<tr>
<td>5. Jewellery purchased in July 2003 out of moneys remitted to India from Kenya [Not exempt under section 5(v) as it was acquired beyond one year before the date of his return]</td>
<td>5,00,000</td>
</tr>
<tr>
<td>7. Motor car used for own business</td>
<td>2,50,000</td>
</tr>
<tr>
<td>8. Cash on hand Rs.80,000 – exempt Rs.50,000</td>
<td>30,000</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>21,80,000</strong></td>
</tr>
</tbody>
</table>

**Notes:**
1. Bonds held in companies do not come within the definition of the term ‘asset’.
2. Motor car is exempt only if it is held as stock in trade or used in the business of running them on hire.

**Question 30**

(i) **What are the conditions to be satisfied before the Assessing Officer is statutorily required to refer the valuation to the Valuation Officer under section 16A of the Wealth-tax Act?**

(ii) **The assessee was a Trust, whose objects were wide-ranging including imparting education, running free library, to raise the status of humanity and also advancement of general public utility. The trust was also conducting chits and collection of deposits from the public, but it was not its predominant or primary object. Is the trust exempt from Wealth-tax?**

(iii) **Mrs. W, wife of a coparcener, unilaterally executed a release deed stating that she relinquished her status as a member of HUF, but still maintaining her marital status. It was claimed by the HUF, that in view of this unilateral declaration by Mrs.W, her wealth should not be included in the wealth of the HUF. Discuss the validity of the claim.**

**Answer**

(i) Section 16A of the Wealth-tax Act, 1957 says when the Assessing Officer may make a reference to the Valuation Officer for valuation of any asset. They are
(a) If the Assessing Officer is of the opinion that the value of the assets as valued by
the registered valuer is less than the fair market value of the asset.

(b) If the fair market value of the asset exceeds the value of the asset as returned by
the assessee by more than such percentage of the value of the asset or by more
than such amount as may be prescribed in this behalf. (Rule 3B the percentage as
33 1/3% and the amount by Rs.50,000 respectively) and

(c) Having regard to the nature of the asset and other relevant circumstances of the
case, it is necessary to do so.

(ii) Under section 5(i), wealth tax is not payable by an assessee in respect of property held
by him under trust or other legal obligation for any public purpose of a charitable or
religious nature. Unlike section 11 of the Income-tax Act, the word “wholly” is not to be
found in section 5(i). Thus, for claiming exemption it is not necessary that all the objects
should fall within the expression “public purpose of a charitable nature”. It is sufficient if
the trust can be said to be primarily or dominantly for a public purpose of a charitable

(iii) The claim is totally untenable. The High Court in CIT v. M.A.R.Rajkumar (1997) 226 ITR
804 (AP) held that the wife of the karta cannot relinquish her status as a member of HUF
by a unilateral declaration while retaining her marital tie.

Question 31

Y Ltd is engaged in the construction of residential flats. For the valuation date 31.3.2011,
furnishes the following data and requests you to compute the taxable wealth:

<table>
<thead>
<tr>
<th>Rs. (in lakhs)</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) Land in urban area (construction is not permitted as per Municipal law in Force) 20</td>
</tr>
<tr>
<td>(b) Motor-cars (in the use of company) 5</td>
</tr>
<tr>
<td>(c) Jewellery (investment and not stock in trade) 10</td>
</tr>
<tr>
<td>(d) Cash balance (as per books) 2</td>
</tr>
<tr>
<td>(e) Bank Balance (as per books) 3</td>
</tr>
<tr>
<td>(f) Guest house (situated in rural area) 4</td>
</tr>
<tr>
<td>(g) Residential flat occupied by Managing Director (annual remuneration of whom is Rs.6 lakhs excluding perquisites) 8</td>
</tr>
<tr>
<td>(h) Residential house let out for 100 days in the financial year 7</td>
</tr>
<tr>
<td>(i) Loans obtained:</td>
</tr>
<tr>
<td>For purchase of motor-car 2</td>
</tr>
<tr>
<td>For purchase of jewellery 2</td>
</tr>
</tbody>
</table>

The reasons for inclusion or exclusion should be stated in the computation.
Wealth Tax

Answer

Computation of net wealth as on valuation date 31.3.2011

Rs.in lakh

(a) Land in urban area (not taxable as the construction is not possible under the municipal tax laws, hence not an asset)  NIL

(b) Guest house in rural area (This is an asset under section 2(ea)(i))  4

(c) Residential flat occupied by Managing Director (This is falling outside the exceptions of section 2(ea)(i)(1), hence includible since the gross annual salary is exceeding Rs.5 lakhs)  8

(d) Residential house let out for 100 days (this is includible as the asset is falling outside the exception 4) to section 2(ca)(i) of the Wealth-tax Act, 1957  7

(e) Motor cars (used by the company). This asset is includible as per clause (ii) of section 2(ea) as it does not fall under the exceptions.  5

(f) Jewellery
   This is includible as it is an asset under clause (iii) of section 2(ea) and is not stock in trade of the business. The assessee is engaged in construction of flats and the jewellery may be kept as an investment and not as stock in trade of business.  10

(g) Cash balance and bank balance as per books are not taxable and not includible as an asset as per clause (vi) of section 2(ea) Nil

Less: Debts incurred in relation to assets
Both the loans obtained are in the case of assets that are includible as wealth as they are assets under section 2(ea) of the Act. They satisfy the conditions of deductibility of debts from the aggregate of assets.

On motor cars  2
On Jewellery  2

Net Wealth  30

Question 32

The net wealth of a firm consisting of three partners Balu, Kausik and Deepu having equal shares and a capital contribution of Rs.7,00,000/- Rs.3,00,000 and Rs.2,00,000/- respectively is as under:
Direct Tax Laws

(i) Value of assets located outside India 20,00,000
(ii) Value of assets located in India 50,00,000
(iii) Debts incurred in relation to assets in India 10,00,000

Determine the value of interest of the partners in the firm under the Wealth-tax Act, 1957.

Answer

**Value of assets of the firm:**

<table>
